AGENDA STAFF REPORT

MEETING DATE: 10/7/2014

AGENDA SECTION: 1. B.

SUBJECT:

Public Works: Representatives from California Department of Transportation will be here to provide the Council with a presentation regarding Roundabouts. The State has placed an emphasis on Roundabout construction in-lieu of traffic signals.

RECOMMENDATION:

BACKGROUND:

The presentation will discuss why Caltrans has made a transformational shift in traffic design and construction regarding intersections with the State Highway system, safety of Roundabouts, where District 6 (which Hanford is a part of) has roundabouts completed and under design, and the operational efficiencies of Roundabouts.

Staff requested this presentation by Caltrans as an opportunity for the Council to understand Roundabouts, their safety benefits, and their operational benefits due to the EIR mitigations of the proposed development at Highway 43 and Lacey Boulevard. A Roundabout at the relocated intersection of Lacey Boulevard and Highway 43 has being proposed by Caltrans as an appropriate mitigation to the project.

FISCAL IMPACT:

None at this time.

 Proclamation

**CITY OF HANFORD
PROCLAMATION
“NATIONAL FIRE PREVENTION WEEK”
October 5-11, 2014**

WHEREAS, the City of Hanford is committed to ensuring the safety and security of all those living in and visiting our city; and

WHEREAS, fire is a serious public safety concern both locally and nationally, and homes are where people are at greatest risk to fire, and home fires killed more than 2,300 people in the United States in 2012 and fire departments in the United States responded to more than 365,000 home fires; and

WHEREAS, working smoke alarms cut the risk of dying in reported home fires in half and three out of five home fire deaths result from fires in properties without working smoke alarms; and

WHEREAS, in one-fifth of all homes with smoke alarms, none were working, and when smoke alarms should have operated but did not do so it was usually because batteries were missing, disconnected, or dead; and

WHEREAS, Hanford's residents should install smoke alarms in every sleeping room, outside each separate sleeping area, and on every level of the home, and install alert devices that meet the needs of people who are deaf or hard of hearing; and

WHEREAS, Hanford's first responders are dedicated to reducing the occurrence of home fires and home fire deaths and injuries through prevention and proper education; and

WHEREAS, Hanford's residents are responsive to public education measures and are able to take personal steps to increase their safety from fire, especially in their homes; and

WHEREAS, residents who have planned and practiced a home fire escape plan are more prepared and will therefore be more likely to survive a fire; and

WHEREAS, the 2014 Fire Prevention Week theme, “Working Smoke Alarms Save Lives: Test Yours Every Month!” effectively serves to remind us that we need working smoke alarms to give us the time to get out safely..

THEREFORE, I Gary Pannett, Mayor of Hanford, do hereby proclaim October 5-11, 2014 as Fire Prevention Week throughout this city, and I urge all people of Hanford to test their smoke alarms at least every month by pushing the test button, and to support the many public safety activities and efforts of Hanford fire and emergency services during Fire Prevention Week 2014.

Presented this 7th day of October, 2014

Gary Pannett, Mayor

6. PUBLIC HEARINGS:

Mayor Pannett called for a recess at 8:08 p.m. and started the session again at 8:18 p.m.

./ . 0-0.

- A.** Community Development: Municipal Code Amendment 2014-04 a request by the Costco Wholesale to amend Section 17.28.040C adding "Optical Retailers, including eye examinations, within a department store" as a permitted use in the Planned Commercial zone.

Community Development Director Darlene Mata provided background information for the Council's review and consideration. Ms. Mata responded to questions and comments by the City Council. Mayor Pannett opened public comments at 8:39 p.m.

Michael Okuma from Costco requested approval of the amendment or to interpret the code section to allow them to offer optometry as an ancillary service.

Michael Mayer spoke against the amendment and expressed concern about the effect on other professionals that may want to leave downtown. He did state that he would support allowing optometrists to practice in other areas besides department stores.

Brent Madill did not speak in favor of Costco changing the ordinance and would like the Council to deny the request. He recommended that the general plan advisory committee review the zoning ordinances if the Council believes changes should be made.

Shelly Talbert of Mainstreet Hanford would like the citizens advisory committee to review, revise, and make recommendations to the general plan, and not make any changes at this time.

Pam Madill believes this amendment will lead to further vacancies in downtown.

Craig Johnson reflected on past actions by the City Council to not change the ordinance. If changes need to be made for clarification, the citizens advisory committee should review it.

Dan Chin commented on the history of where movie theatres could be located and why. He stated that the City Attorney should be interpreting the municipal code and not the City Manager or Community Development Director.

Scott Davis spoke on behalf of a doctor located on Irwin who feels that it is already difficult to operate in downtown, and Costco would cause additional hardships.

Jim Castleman spoke against the amendment.

Rissa Stuart opposed the amendment and that the City should review the entire code to evaluate what is in the best interest of the

entire city.

Steve Banister discussed the committee from the 1990s that reviewed and implemented the zoning ordinances, and that the current committee should take this into their review.

Mayor Pannett closed public comments at 9:08 p.m.

Vice Mayor Curry commented on the California Supreme Court that ruled in favor of Hanford's zoning amendments. He also reflected on the success of downtown due to the businesses that were not allowed to exist in other zones. Mr. Curry wants this issue to go to the citizen advisory committee for the general plan.

Council Member Martinez supports the current ordinance and does not want to accommodate an individual business.

Council Member Jameson supports protecting downtown, but also feels the property owners have a responsibility to protect it. She would like the advisory committee to review how to move forward to find a balance between tradition and development and consider the needs of the residents.

Council Member Irwin asked City Attorney Dowd about the interpretation of the conflict between the general plan and the municipal code. Mr. Dowd stated the general plan prevents optometrists in the PC. Mr. Dowd recommends the Council either deny the request or give direction for staff to review the general plan and inconsistencies with the municipal code.

Mayor Pannett spoke on the inconsistencies and changes to the ordinances over the years to accommodate or oppose specific businesses. Mr. Pannett has been talking to various businesses and their concerns. He does not want to amend the ordinance, but it should be reviewed for possible changes. He also praised the City Manager for doing his due diligence in reviewing the codes and bringing information to the City Council.

Following this item, the Mayor called for a recess at 9:40 p.m. and reconvened at 9:50 p.m.

Motion to deny the amendment and direct the citizens advisory committee to review the zoning ordinances by :Russ Curry/Lou Martinez. Passed. 5-0. Ayes: Curry, Irwin, Jameson, Martinez, Pannett.

- B.** Community Development: Conduct a Public Hearing to approve the FY 2013-14 submittal of Community Development Block Grant Consolidated Annual Performance and Evaluation Report (CAPER)

Housing Specialists Sandra Lerma-Martinez and Lori Saldana briefly discussed the Consolidated Annual Performance and Evaluation Report (CAPER). Ms. Lerma-Martinez reviewed the projects and accomplishments from the previous fiscal year. Mayor Pannett opened public comments at 9:54 p.m., hearing none, closed public comments at 9:54 p.m.

Motion to approve the item as presented by :Jim Irwin/Joleen Jameson. Passed. 5-0. Ayes: Pannett, Martinez, Jameson, Irwin, Curry.

7. DEFERRED BUSINESS: NONE

8. NEW BUSINESS:

- A.** City Manager: Authorize the Mayor to sign the Agreement for Delivery and Acceptance of County Property, Amendment of Lease, and Release from Liability; and authorize the City Manager to sign a Deed Certification needed for the recording of the Quitclaim Deed to be signed by the County

City Manager Pyle provided background information for the Council's review and consideration.

Motion to approve the item as presented by :Jim Irwin/Lou Martinez. Passed. 5-0. Ayes: Pannett, Martinez, Jameson, Irwin, Curry.

- B.** Police: Approval of a contract in the amount of \$3,000.00 per month with the Criscom Company who will be seeking potential funding sources for the City of Hanford from government entities.

This item was moved before the Consent Calendar due to a scheduling conflict. Chief Mestas provided background information for the Council's review and consideration. Chuck Jelloian from Criscom responded to comments and questions by the City Council.

Motion to approve contract by :Jim Irwin/Joleen Jameson. Passed. 2- 3. Ayes: Jameson, Irwin. Nays: Curry, Martinez, Pannett.

- C.** Police: Review options and provide direction regarding proposed restrictions on marijuana.

Due to the length of the meeting, this item will be brought back on the next agenda.

- F.** Public Works: Approve the payment to California Water Services in the amount of \$57,033.18, for consultation and assistance in implementing the City's Emergency Chlorination Plan as mandated by the State of California, Department of Public Health.

Deputy Public Works Director John Doyel provided an update and responded to questions and comments by the City Council.

Motion to approve the payment to California Water Services by :Russ Curry/Joleen Jameson. Passed. 5-0. Ayes: Pannett, Martinez, Jameson, Irwin, Curry.

9. COUNCIL REPORTS/COMMENTS:

Council Member Irwin would like the issue of banners to be on the next agenda to modify the ordinance and establish fees.

Council Member Jameson had nothing to report.

Council Member Martinez had nothing to report.

Vice Mayor Curry stated that he attended the annual League of California Cities conference in Los Angeles.

Mayor Pannett commented on requests to have study sessions regarding downtown parking, hazardous waste disposal sites, and address downtown properties with owners to explore how to recruit new businesses. Mr. Pannett met with several business owners in September to discuss downtown revitalization. He attended the 9/11 services and BBQ for the recognition of public safety, and also attended the Multi-Cultural Fair recommending others to attend next year for the variety of customs and entertainment.

The City Clerk requested individuals or organizations to contact her if interested in leading an invocation for future Council meetings.

RESOLUTION NO. 14-54-R

Requesting Action by Congress On Drought Legislation

WHEREAS, the City Council of the City of Hanford is acutely aware of the importance of a reliable, secure and safe water supply to the health, prosperity, and well being of its citizens. Further, the City Council understands that, not only its own water supply, but that of the entire surrounding region, has a direct impact on the City; and

WHEREAS, the well-being of the City of Hanford and its citizens being integrally connected to the well-being of the water supply for the surrounding region, the City has interest in ensuring that the water supply of the major water and irrigation districts that surround the City is protected and promoted; and

WHEREAS, an integral part of the total water supply for the region surrounding the City is water delivered under a federal Central Valley Project contract of the sort that has been enjoyed by the Friant Division irrigation districts located along the East Side of the San Joaquin Valley; and

WHEREAS, this water supply has been withheld from Friant contractors this year for the first time in the more than 60 years that such water contracts and deliveries have existed; and

WHEREAS, this year's zero water supply allocation for Friant Division contractors is already having dramatic negative impacts on the groundwater levels of the region, as well as on the farm economy upon which the City of Hanford and the surrounding region rely; and

WHEREAS, this year's zero water supply allocation is directly tied to failed management by state and federal agencies of the Sacramento-San Joaquin River Delta, as a result of imbalanced implementation of the federal Endangered Species Act, preventing typical water deliveries to the San Joaquin River Exchange Contractors and compelling said Exchange Contractors to receive San Joaquin River water that would normally have been delivered to East Side water and irrigation districts surrounding the City of Hanford; and

WHEREAS, just as the City and its residents have been forced to adopt progressively aggressive conservation measures to adapt to the current period of drought, so too should the agencies who manage resources for the benefit of wildlife and environmental interests; and

WHEREAS, the City of Hanford concurs with the elected leaders of the City's irrigation and water district neighbors, who have concluded that a more balanced implementation of the Endangered Species Act in the Delta and a greater focus on environmental water conservation would have resulted in a modest water supply for Friant this year, rather than the current zero allocation.

THEREFORE, BE IT RESOLVED that the City of Hanford has a direct and keen interest in development of legislation that cures the mismanagement of the Delta, and ensures that a zero-allocation for Friant Division contractors will not happen in the future.

BE IT FURTHER RESOLVED that action in Congress must be taken immediately if another year of regulatory drought is to be avoided.

BE IT FURTHER RESOLVED that the City of Hanford applauds members of the House of Representatives and the United States Senate for passing two separate measures that offer hope of fixing the management problems in the Delta that have led to the Friant Division's zero allocation: Senate passage of S. 2198, the Emergency Drought Relief Act, and House passage of H.R. 3964, the Sacramento-San Joaquin Valley Emergency Water Delivery Act.

BE IT FURTHER RESOLVED that the City of Hanford urges California's delegation to both Houses of Congress to immediately conclude negotiations and arrive at a joint Drought Relief measure that can be adopted by both houses of Congress and signed by the President.

BE IT FURTHER RESOLVED that the City Council of the City of Hanford expresses support for the positions taken in the "Allied Growers Letter" to members of Congress dated July 10, 2014, signed by a number of the San Joaquin Valley's farming leaders, attached as Exhibit A.

City Clerk

July 10, 2014

Dear Member of Congress,

We write in our individual capacities to thank each of you for the effort you have made to address the dire water situation facing the State of California. The passage of S. 2198, the Emergency Drought Relief Act out of the U.S. Senate, and H.R. 3964, the Sacramento-San Joaquin Valley Emergency Water Delivery Act out of the U.S. House of Representatives, are significant and commendable milestones. The efforts you have taken are greatly appreciated. We are, however, acutely aware of the need for you to promptly resolve the differences between these bills before any legislation will become law. We also know that we are in urgent need of a change in law.

Therefore, we are asking each of you to work diligently and in good faith to bridge your differences. Failure will ensure that the current regulatory and policy regimes that were put in place to improve the health of the Delta and the Central Valley, but have actually done the opposite, will continue unchecked. As a result, more acreage will be fallowed further diminishing our ability to provide a safe and sustainable food supply and threatening our national security. In addition, the demands on food banks, existing high unemployment, the inability of families to pay utilities and stay in their homes, and the lack of job opportunity that already exists in disadvantaged communities will all be exacerbated.

To facilitate the resolution of your differences, we have come together to emphasize the concepts we believe are essential to any legislation that moves forward. To be meaningful, any bill must:

- Provide congressional direction concerning the operation of the Central Valley Project and the State Water Project to ensure sufficient operational flexibility to restore water supply and water supply reliability. The operators of these projects must be able to capture water from the Delta during periods of higher flows and move water from north to south in a rational way.
- Extend the provisions of any legislation for a period of time that will allow communities to establish sound long term water supplies for their future;
- Establish a process that could lead to increased storage in a reasonable timeframe;
- Ensure that additional burdens are not placed on the State Water Project as a result of congressional action; and
- Recognize that the reasonableness and efficacy of the San Joaquin River Restoration Program must be reevaluated in light of changed conditions since its authorization, including the reality of federal budget constraints.

We are optimistic that if you focus on addressing these concepts, you can resolve your differences in time to provide our communities the needed relief. It is time for you to move forward with policies that restore regulatory balance, achieve benefits, and improve the social, economic, and environmental health of much of California.

AGENDA SECTION: 3. D.

SUBJECT:

Fire: Approve the purchase of a Scott 320 thermal imager with PAK tracker locator, mounting kit, AC battery charger adapter, and batteries in the amount of \$13,359.03.

RECOMMENDATION:

That the City Council, by motion, approves the expenditure for a Scott 320 thermal imager with PAK tracker locator, mounting kit, AC battery charger adapter, and batteries in the amount of \$13,359.03

BACKGROUND:

The thermal imager located on engine two is out of service and is not serviceable by the manufacturer and needs to be replaced. This thermal imager is one of the original thermal imager that was purchased in 2002. The new thermal imager has been designed using advanced digital imaging technology for a sharper picture and provides superior performance. It is a robust, self-contained, with fully automatic operation, and no control or adjustment is required in use. The thermal imager has been specifically designed to help fire fighters to see through smoke, identify and rescue casualties and locate hot spots or the seat and spread of the fire. The purchase of this thermal imager will replace the out of service imager and also provide for a new vehicle docking unit and two battery chargers for the station.

FISCAL IMPACT:

The expenditure for the thermal imager of \$13,359.03 is not budgeted; however, funds for replacement of the thermal imager have been collected and reserved in the Fire Capital Equipment Replacement Reserve Fund.

Public Works: Permission to Advertise for the FY 14/15 Street Median Landscape Renovation Project on 11th Avenue and Lacey Boulevard.

RECOMMENDATION:

That the City Council, by motion, authorize staff to advertise for bids for the FY 14/15 Street Median Landscape Renovation Project on 11th Avenue and Lacey Boulevard.

BACKGROUND:

The FY 14/15 Street Median Landscape Renovation Project will renovate existing landscaped median islands located within 11th Avenue between the San Joaquin Valley Railroad Crossing and Fourth Street, and within Lacey Boulevard between 11th Avenue and Garner Avenue.

The Project consists of removing existing landscaped areas in 11th Ave. and Lacey Blvd., installing stamped concrete in portions of the project area, replacing planting material in other portions of the project area, removing irrigation in areas where stamped concrete is being installed, and upgrading irrigation with above-ground pop-ups in areas where planting material is being replaced.

FISCAL IMPACT:

The FY 14/15 Accumulated Capital Outlay Budget provides \$132,000 for construction, including contingency, for this Project.

SHEET 1 OF 1	

Street Median Landscape Renovation Projects

Project Background:

This project will remove the existing landscaping and terminate the irrigation to install stamped concrete in the turn pockets until the width of the landscape area is a minimum of 8 feet in width on various arterial streets. Portions of the existing irrigation will also be upgraded to above ground popups and planting material replaced.

Existing Conditions:

The existing landscape within the medians includes planting material and irrigation in the narrow turn pockets which is labor intensive and creates insufficient work space of maintenance crews. Portions of the medians islands have subsurface irrigation which has plugged and is no longer sustainable and needs upgrading to above ground popup sprinklers. Existing planting materials in some locations are in need of replacement and replenishment of walk on bark.

Project Justification:

The project will substantially decrease labor costs and water consumption within the median islands and will also increase the safety for maintenance crews working in the medians. The project will also beautify the west entrance to our community and major shopping outlets.

Fiscal Implications:

Funds for this project will be allocated from Accumulated Capital Outlay (ACO) Reserves.

Public Works: Approve a Notice of Completion for the Waste Water Treatment Plant Digester Cleaning Project and authorize the Mayor to execute and attest and the City Clerk to file said Notice with the Kings County Recorder's Office.

RECOMMENDATION:

That the city council, by motion, approve a Notice of Completion for the Waste Water Treatment Plant Digester Cleaning Project and authorize the Mayor to execute and attest and the City Clerk to file said Notice with the Kings County Recorder's Office.

BACKGROUND:

On October 15, 2013, the Council awarded the Waste Water Treatment Plant Digester Cleaning Project to W.M. Lyles Company of Fresno, CA. This project consisted of installing a new City furnished mixing system and cleaning and reseeded both digesters at the Waste Water Treatment Plant.

There were no change orders on this project.

FISCAL IMPACT:

The FY 13 and FY 14 Wastewater Capital Improvement Program Budget provided \$220,000.00 and the Wastewater Capital Reserve Fund provided \$31,933.77 for the purchase of mixing equipment, construction, and contingency, for this project.

The total cost to complete the project was \$236,453.77. Attached are the Final Project Construction and Finance History for Council review.

EASEMENT AGREEMENT FOR STORM BASIN AND PIPELINE

THIS EASEMENT AGREEMENT FOR STORM BASIN AND PIPELINE (the “**Agreement**”) is entered into as of the Effective Date (hereinafter defined), by and between **STAN BROWN AND JACQLYN SMITH, TRUSTEE OF THE JACKLYN SMITH REVOCABLE TRUST DATED SEPTEMBER 27, 2010** (the “**Grantor**”), and **CITY OF HANFORD**, a municipal corporation (the “**Grantee**”). Grantor and Grantee are sometimes collectively referred to herein as the “**Parties**” or singularly by their individual names or as “**Party**”.

RECITALS

A. Grantor is the owner of that certain real property located in the City of Hanford, Kings County, California and described in Exhibit “A”, attached hereto (the “Grantor Property”).

B. Grantor intends to develop Grantor Property as a retail store with related facilities (the “Development”). The City of Hanford (the “City”) is requiring, as a condition of the issuance of the permits and approvals for the Development, that Grantor construct a temporary basin as depicted upon Exhibit “B” attached hereto and incorporated herein by this reference (the “Retention Basin”) on a portion of Grantor Property for the retention of storm water and other surface water from the Development. As more specifically herein provided, Grantor shall convey to Grantee an easement for the transportation and deposit of storm water from the West Hayden Avenue right-of-way (the “Storm Water”) into the Retention Basin through an underground pipeline (the “Pipeline”). It is Grantee’s intent that the Pipeline will eventually be modified so that Storm Water is drained into the Freeway Basin (defined below).

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Grantor and Grantee agree as follows:

1. **Grant of Easement.** Grantor hereby grants and conveys to and for the benefit of Grantee for the Easement Term (hereinafter defined) a non-exclusive easement in, over, under, upon, along, through and across a portion of Grantor Property, for: (i) the deposit of Storm Water into the Retention Basin; and (ii) the excavation, construction, improvement, modification, use, operation, replacement, maintenance and repair of the Pipeline, which Pipeline will eventually be modified to connect to the Freeway Basin referenced in Paragraph 16 below. The legal description of the location of the Easement is set forth in **Exhibit "C"**.

2. **Use.** During the Easement Term, Grantee's use of the Easement shall be limited solely to the transportation of Storm Water through the Pipeline, initially to the Retention Basin and eventually to the Freeway Basin, and the excavation, construction, improvement, modification, use, operation, replacement, maintenance and repair of the Pipeline. In connection with Grantee's exercise of its rights and discharge of its obligations hereunder, Grantee shall comply with and satisfy all applicable laws, regulations, codes and permits.

3. **Environmental Compliance.** Without limiting the general applicability of the foregoing, Grantee agrees that it shall not store or utilize Hazardous Substances (as defined below) in, on, over, under, along, or through the Easement, the Retention Basin, the Pipeline, in violation of any applicable federal, state and local environmental laws, regulations and rulings (collectively, "**Environmental Laws**"); and that it shall comply fully with all Environmental Laws. Grantee further agrees that it will not permit any other person to use, generate manufacture, produce, store, release, discharge or dispose of any Hazardous Substance (as hereinafter defined) in, on, over, under, along or through the Easement, the Retention Basin, or the Pipeline. Grantee agrees to give prompt written notice to Grantor of: (i) any proceeding or inquiry by any governmental authority of which Grantee is aware with respect to the presence of any Hazardous Substances located in, on, over, under, along or through the Easement, the Retention Basin or the Pipeline, (ii) all claims made or threatened by any person against Grantee or Grantor of which Grantee is aware relating to any loss or injury resulting from any Hazardous Substance; and (iii) the discovery by Grantee of any occurrence or condition that could cause Grantee or Grantor to be subject to any restrictions on the ownership, occupancy, transferability or use of the Easement under any Environmental Law. Grantee agrees to protect, indemnify and hold harmless Grantor and Grantor's officers, directors, shareholders, employees, agents, successors and assigns against all loss, damage, cost, expense and liability (including reasonable attorneys' fees and costs) (collectively "**Claims**"), to the extent directly or indirectly arising out of or attributable to discharge, disposal or presence of a Hazardous Substance by Grantee, its employees, agents, and invitees, in, on, over, under, along or through the Easements, the Retention Basin on the Pipeline including, without implied

limitation: (i) all foreseeable consequential damages; and (ii) the costs of any necessary repair, cleanup, or detoxification and the preparation and implementation of any closure, remediation or other required plan; however, this indemnity will not include Claims arising as a result of Hazardous Substances existing within the Easement prior to the execution of this Agreement, or as a result of Grantor's acts, omissions, negligence or willful misconduct. The foregoing indemnity agreement will survive the expiration of the Easement Term and the termination of this Agreement. If any investigation, site monitoring, containment, cleanup, removal, restoration or other remedial work of any kind is necessary or desirable under any applicable Environmental Law or required by any governmental or nongovernmental entity or person because of, or in connection with, the current or future presence, suspected presence, release or suspected release of a Hazardous Substance on or into the air, soil, groundwater, surface water or soil vapor by Grantee, Grantee agrees, within thirty (30) days after written demand for performance thereof by Grantor (or such shorter period of time as might be required under any Environmental Law), to commence, or cause to be commenced, and thereafter diligently prosecute or cause to be prosecuted to completion, all such remedial work. All remedial work will be performed by one (1) or more contractors approved by Grantor under the supervision of a consulting engineer approved by Grantor, which approval shall not be unreasonably withheld. All costs and expenses of charges of such contractor(s) and consulting engineer(s), and Grantor's reasonable attorneys' fees and costs incurred in connection with monitoring or review of such remedial work.

For purposes of this Agreement, the term "Hazardous Substances" shall mean, without limitation, any material or substance which is: (i) defined as "hazardous waste", "extremely hazardous waste", "restricted hazardous waste", "hazardous substance", or "hazardous material", under the laws or regulations of the State of California; (ii) petroleum; (iii) asbestos; (iv) designated as a hazardous waste pursuant to hazardous waste pursuant to Section 311 of the Federal Water Pollution Control Act (33 USC §1317); (v) designated as a hazardous waste pursuant to hazardous waste pursuant to Section 1004 of the Federal Resource Conservation Recovery Act (42 USC § 1601 et seq.) (42 USC § 6903); (vi) defined as a hazardous substance pursuant to Section 101 of the Comprehensive Environmental Response Compensation Liability Act (42 USC § 9601 et seq.); and (vii) anything listed by the State of California as a chemical known by the State to cause cancer or reproductive toxicity pursuant to Section 25249.8(a) of the California Health and Safety Code.

6. **Maintenance and Repair.** During the Easement Term, (i) Grantee shall repair and maintain the Pipeline, and (ii) Grantor shall repair and maintain the Retention Basin, each at its sole cost and expense, and each in accordance with all applicable laws, regulations, codes and permits. All such repair and maintenance shall be diligently pursued to completion,

subject to events of force majeure. To the extent the damages to the Retention Basin or the Pipeline arise out of the negligence or intentional act of Grantor or Grantee, respectively, or any agent, servant, employee, invitee, successor or assignee of a Party, all required repairs shall be performed by such Party and all expenses associated with repairing such damages shall be paid by such Party.

7. **Amendment; Survival of Obligations.** Except as hereinafter provided, this Agreement may not be modified or amended, except by written agreement of Grantor and Grantee or their respective successors-in-interest. Any modification or amendment shall be in writing, signed by the owner of the Grantor Property and Grantee and shall be recorded in the Official Records of Kings County, California. All financial obligations of the Parties herein provided that remain unpaid shall survive the Easement Term hereof.

8. **Easement Term.** The “Easement Term” shall commence on the Effective Date and terminate on the date of the termination of the Easements, as provided in Paragraph 16 below. Following the termination of this Agreement, the Parties agree to execute appropriate documentation in compliance with Paragraph 7 above evidencing such termination and to record the same in the Official Records of Kings County, California.

9. **Enforcement Remedies.** Grantor and Grantee acknowledge and agree that the Easement is unique and that damages, as a sole remedy for the breach of any provision of this Agreement, would be inadequate. Therefore, in addition to all other remedies the law may provide, the Parties hereto and Grantee may be entitled to use the remedies of specific performance and injunction to enforce the provisions of this Agreement. All such remedies shall be cumulative.

10. **Legal Fees.** In the event of arbitration per Section 24 hereinbelow, , the prevailing party shall be entitled to be paid from the non-prevailing party, reasonable attorney’s and other professionals’ fees, costs and necessary disbursements in addition to any other reasonable relief to which it may be entitled.

11. **Severability.** If any provision of the Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall nevertheless continue in full force and effect without being impaired or invalidated in any way.

12. **Governing Law and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of California. The Parties to this Agreement agree that venue for any litigation arising under this Agreement shall be in the County of Kings,

State of California, if instituted in the State courts, or the Eastern District of California, Fresno, if instituted in the Federal courts.

13. **Authority.** Grantor and Grantee hereby each represent and warrant to the other that each has full power, authority, and legal right to execute, deliver and perform this Agreement. Each, Party further warrants to the other Party that, to their knowledge, the execution, delivery, and performance of this Agreement does not in any way violate or conflict with (1) the provisions of any agreement: (2) any law or any order of any court or governmental agency; or (3) any contract, instrument or agreement to which such Party is a party or by which any Party is bound.

14. **Notices.** All notices under this Agreement shall be in writing, and be either personally served, sent with return receipt requested by certified mail with postage prepaid, sent by national recognized overnight courier service, or sent by facsimile with an original to be delivered by nationally recognized overnight courier service, and addressed to the respective Parties as follows:

To Grantor: **STAN BROWN AND JACQLYN SMITH,
TRUSTEE OF THE JACKLYN SMITH
REVOCABLE TRUST DATED SEPTEMBER
27, 2010**

To Grantee: **CITY OF HANFORD**
900 S. 10th Ave.
Hanford, CA 93230

or to such other person or at such other place as either Party may from time-to-time designate by written notice to the other Party. Notice given in the forgoing manner shall be deemed sufficiently given for all purposes hereunder on the date the same was personally delivered, deposited with the United States Postal Service, deposited with a nationally recognized overnight courier service, or sent by telecopy, except that notices of changes of address shall not be effective until actual receipt.

15. **Future Acts.** Each Party shall at all times do and perform all acts and things reasonably necessary or appropriate to effectuate this Agreement. Each Party shall execute and deliver to the other Party on five (5) business days written notice any further

instruments or documentation that the other Party may reasonably deem necessary or appropriate in order to effectuate the other Party's rights or interests under this Agreement or any of the documents referred to in or executed pursuant to this Agreement.

16. **Termination.**

(a) **Mutual Consent.** This Agreement may be terminated by the written consent of the Parties in accordance with the requirements set forth in Paragraph 7 above.

(b) **Termination Conditions.** This Agreement shall partially terminate upon the occurrence of the following events (the "**Termination Conditions**"):

- (i) Upon connection of the Pipeline north through the adjacent property connecting at Davis Street for Storm Water to flow through said Pipeline to the basin in the vicinity of State Route 198 (the "**Freeway Basin**") that is controlled by the City; *and*
- (ii) Upon disconnection of the Retention Basin from said Pipeline subsequent to condition 16.b.i.

The date on which the latter of the Termination Conditions occurs shall be the "**Termination Date**." Grantee's right to deposit Storm Water into the Retention Basin shall cease as of the Termination Date; provided that any financial or indemnity obligations that accrued or occurred prior to the Termination Date shall continue to be binding upon Grantee. From and following the Termination Date, the portion of the Pipeline required to convey Storm Water to the Freeway Basin shall, however, remain and Grantee's easement rights and obligations with respect to that portion of the Pipeline will continue.

Termination or partial termination of this Agreement shall not relieve Grantor of its duties or obligations regarding the appropriate disposal of its onsite storm water in accordance with applicable standards.

17. **Headings.** The titles of the paragraphs of this Agreement are for the convenience of the reader only and no presumption or implication of the intent of the Parties as to the construction of this Agreement shall be drawn therefrom.

18. **Successors.** The provisions of this Agreement, and the covenants and conditions contained in this Agreement, shall be continuous , shall run with title to the Grantor

Property and subject to Paragraph, shall be binding upon and inure to the benefit of the heirs, executors, administrators, personal representatives, successors and assigns of the Parties to this Agreement.

19. **No Assignment.** Neither Party may assign its rights, duties, responsibilities, or obligations to any person or entity without the prior written consent of the Party.

20. **Entire Agreement.** This Agreement and the Exhibits attached hereto, together with the permits and approvals from time-to-time issued by Grantee pertaining to the matters which are the subject of this Agreement, supersede any and all other agreements, either oral or in writing among Grantor and Grantee with respect to the matters specifically set forth herein and contains all of the covenants and agreements among them regarding said specific matters. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by all of the Parties to this Agreement.

21. **Incorporation of Exhibits.** All exhibits attached hereto and referred to herein are incorporated in this Agreement as though fully set forth herein.

22. **Time of the Essence.** All times under this Agreement, whenever specified herein for the performance by either of the Parties of their respective obligations hereunder, time shall be of the essence.

23. **Counterparts.** This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

24. **Arbitration.** ANY CONTROVERSY, DISPUTE OR CLAIM WHATSOEVER ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE ASSERTED BREACH OF THIS AGREEMENT SHALL BE SETTLED AND RESOLVED BY ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION UNDER ITS COMMERCIAL ARBITRATION RULES. THE NUMBER OF ARBITRATORS SHALL BE ONE (1), AND THE PLACE OF ARBITRATION SHALL BE HANFORD, CALIFORNIA. CALIFORNIA LAW SHALL APPLY. JUDGMENT ON AN AWARD RENDERED BY THE ARBITRATOR MAY BE ENTERED IN ANY COURT HAVING JURISDICTION THEREOF.

25. **Effective Date.** The "Effective Date" of this Agreement shall be the date that the Agreement is recorded in the Official Records of Kings County, California.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first set forth above.

AGENDA STAFF REPORT

MEETING DATE: 10/7/2014

AGENDA SECTION: 3. H.

SUBJECT:

Public Works: Authorize the Public Works Director to execute Work Order No. 19 with Lane Engineers for a structural and life safety evaluation of the Bastille, Old Fire Station, Civic Auditorium, and the Veteran's Building, for the not to exceed amount of \$67,700.00.

RECOMMENDATION:

That the City Council, by motion, authorize the Public Works Director to execute Work Order No. 19 with Lane Engineers for a structural and life safety evaluation of the Bastille, Old Fire Station, Civic Auditorium, and the Veteran's Building, for the not to exceed amount of \$67,700.00.

BACKGROUND:

The FY14-15 Facilities Capital Improvement Program includes funds to evaluate the Bastille, Civic Auditorium, Old Fire Station, and the Veteran's Building to ensure that the facilities are structurally sound and up to current codes on life safety requirements.

In light of recent issues with the Kings County Bowl roof and the Fox Theatre roof, Council requested that this item be part of our Capital Improvement Program to ensure these structures are still performing structurally and that any life safety issues of concern are identified so the City can budget and perform the necessary repairs to protect these historical buildings for future generations.

The attached work order is an amendment to the Contract for Bi-Annual Engineering Services as approved by the Council on March 3, 2009. The City currently has agreements with Lane Engineers, Provost and Pritchard Engineering Group, and Zumwalt-Hansen and Associates for on-call engineering services.

All work performed for this project will be done in accordance with said Bi-Annual Engineering Service Agreement at fee rates set forth in the attached fee schedule.

FISCAL IMPACT:

The FY14-15 Facilities Capital Improvement Program Budget provides \$100,000 for a structural and life safety evaluation of the Bastille, Old Fire Station, Civic Auditorium, and the Veteran's Building.

Seismic Design Category D, 110 mph (3-Sec Gust)/Exp. C

Scope of Services:

A. The Bastille (Old County Jail)

Task 1 – Partial Building Survey

1. Partial Building Survey to gather accurate locations and detailed information on existing beams, walls and floor layout of existing building.

Task 2 – ADA Review

1. One (1) on-site survey of existing on-site parking and exterior path of travel from public way to existing building for conformance with disabled access requirements of the 2013 California Building Code (C.B.C.) and the 2010 ADA Standards for Accessible Design.
2. Deliverables shall include a written report identifying deficiencies and/or non-compliant conditions along with code references cited for compliance. Design solutions are not to be included in the scope of services.
3. Post-conference to discuss report and plan of action to address violations.

Task 3 – Building Evaluation

1. Site visit from structural engineer and electrical engineer to observe structural and electrical conditions of visible portions of existing building and identify critical elements.
2. Site visit from experienced contractor in these types of structures to provide cost estimates based on areas of concern identified from ADA report, structural and electrical site visit.
3. Structural calculations for unreinforced masonry portion of building utilizing ASCE 41 and Chapter 34 (Existing Structures) of 2013 C.B.C.
4. Partial floor plan identifying floor layout and structural elements of existing structure.
5. Prepare presentation and attend workshop for Hanford City Council meeting.
6. Preliminary structural report utilizing ASCE 41-13 on observed areas of building, including:
 - Site Description
 - Building Description
 - Methods of Data Collection
 - List of Field Observations
 - Reporting of Testing Results
 - List of areas of concern based upon field observations and structural calculations.
 - Possible retrofit solutions including generic retrofit details
 - References

B. Fire Station Building

Task 1 – ADA Review

1. One (1) on-site survey of existing on-site parking and exterior path of travel from public way to existing building for conformance with disabled access requirements of the 2013 California Building Code and the 2010 ADA Standards for Accessible Design.
2. Deliverables shall include a written report identifying deficiencies and/or non-compliant conditions along with code references cited for compliance. Design solutions are not to be included in the scope of services.
3. Post-conference to discuss report and plan of action to address violations.

Task 2 – Building Evaluation

1. Review structural report from *Teter* completed in 1993 and update report, if necessary, to meet current code requirements.
2. Site visit from structural engineer and electrical engineer to observe structural and electrical conditions of visible portions of existing building and identify critical elements.
3. Perform code analysis for fire and life safety due to possible change in occupancy.
4. Site visit from experienced contractor in these types of structures to provide cost estimates based on areas of concern identified from ADA report, structural and electrical site visit.
5. Preliminary report to describe code-related items if change in occupancy occurred, identify areas of concern based on site visits, and reporting of test results.

C. Civic Auditorium

Task 1 – Building Evaluation

1. Site visit from structural engineer to observe structural conditions of visible portions of existing building and identify critical elements.
2. Preliminary structural report utilizing ASCE 41 on observed areas of building, including:

City Facility - Structural Evaluation and Needs Assessment

Project Background:

This project will provide funds to hire a consultant to perform a structural evaluation and facility needs assessment on the Old Fire Station on Lacey Boulevard, the Bastille, the Civic Auditorium, and the Veteran's Building.

Existing Conditions:

The City facilities described above are between seventy and one hundred and ten years old and some are in need of major repairs to preserve these landmarks for future generations.

Project Justification:

Funds will be used to hire a consultant to perform a structural evaluation and facility needs assessment to determine scope and cost of future building improvements.

Fiscal Implications:

Funding for this project will be allocated from Accumulated Capital Outlay Reserves.

Project Budget Summary:

AGENDA STAFF REPORT

MEETING DATE: 10/7/2014

AGENDA SECTION: 4. A.

SUBJECT:

Review and Approval of Administrative Budget for the period January 1, 2015 to June 30, 2015.

RECOMMENDATION:

That the RDA Successor Agency, by motion, approve the Administrative Budget for the period January 1, 2015 to June 30, 2015.

BACKGROUND:

AB 1X 26 dissolved redevelopment agencies. The City of Hanford Successor Agency assumed the wind down responsibilities of the RDA. AB 1484 provides that budgets of the Successor Agency (Exhibit "A") must be approved every six months by the Oversight Board by a majority vote. The attached budget has been prepared to cover the period of January 1, 2015 to June 30, 2015. It includes the following:

- City of Hanford Staff Services
- Advertising (Land Sale)
- Attorney Fees (City)
- Attorney Fees (Oversight Board)
- Audit Fees, and
- Land Sales Costs such as appraisals, escrow fees, reconveyance fees, and legal fees

Staff has prepared the proposed budget for the six month period based on the number of land sales that may occur and the related marketing, preparation of staff reports and agendas, and attorney fees related to land sales.

FISCAL IMPACT:

Actual cost under the six month budget will be paid from the RPPTF Administrative Cost Allowance Funds.

AGENDA STAFF REPORT

MEETING DATE: 10/7/2014

AGENDA SECTION: 4. B.

SUBJECT:

Review and approval of the Recognized Obligation Payment Schedule (ROPS) for the period January 1, 2015 to June 30, 2015.

RECOMMENDATION:

That the RDA Successor Agency, by motion, approve the Recognized Obligation Payment Schedule (ROPS) for the period January 1, 2015 to June 30, 2015.

BACKGROUND:

AB 1484 requires Redevelopment Agency Successor Agencies to prepare a Recognized Obligation Payment Schedule (ROPS) each six months and submit the ROPS to the State Department of Finance (DOF). The Successor Agency Oversight Board must approve the ROPS prior to submittal to DOF.

The sixth month ROPS is a list of obligations or payments that are or may be due within the six month period. The attached ROPS is for the period of January 1, 2015 to June 30, 2015. The Agency owes Kings EDC \$64,292 on loans for purchase of land in the Kings Industrial Park. \$125,000 is for proposed administrative expenses of the Successor Agency to wind down the activities of the former Redevelopment Agency. The Agency owes the City of Hanford \$7,736,468 from loans (funds advanced) to the Agency for capital improvement projects and operation expenses incurred from the inception of each of the two project areas to dissolution of The Redevelopment Agency. Pursuant to AB 1484 guidelines, the city could not place the unpaid loan balances on the ROPS Schedule until the due diligence reviews were complete, approved by the Oversight Board, approved by the Department of Finance (DOF), and the DOF issued a "Finding of Completion" (FOC). The due diligence reviews have been completed and approved by the DOF and the DOF has issued a FOC to the city effective July 16, 2013. The State Controller's Office (SCO) completed its review of asset transfers between The Redevelopment Agency and the City of Hanford and has given approval effective August 13, 2014. The AB 1484 guidelines also provide that a defined repayment schedule must be developed and that the maximum annual repayment amount is limited to one-half of the increase between the residual amount distributed to the taxing entries in that fiscal year and the residual amount distributed in the 2012-13 base year. The first request for funding will begin with ROPS 15-16A (July 1, 2015 – December 31, 2015).

Staff is requesting the RDA Successor Agency to approve the ROPS for the period January 1, 2015 – June 30, 2015, which must be submitted to the State Department of Finance and the Kings County Auditor-Controller by October 3, 2014.

FISCAL IMPACT:

None.

Recognized Obligation Payment Schedule (ROPS 14-15B) - Report of Cash Balances
(Report Amounts in Whole Dollars)

Pursuant to Health and Safety Code section 34177 (l), Redevelopment Property Tax Trust Fund (RPTTF) may be listed as a source of payment on the ROPS, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation. For tips on how to complete the Report of Cash Balances Form, see https://rad.dof.ca.gov/rad-sa/pdf/Cash_Balance_Agency_Tips_Sheet.pdf.

AGENDA STAFF REPORT

MEETING DATE: 10/7/2014

AGENDA SECTION: 5. A.

SUBJECT:

Public Works: Hold a Public Hearing for the removal of the crosswalk at 10th Avenue and Crass Avenue and designate the intersection to be marked as a no-crossing location per the Manual of Uniform Traffic Control Devices and California Vehicle Code.

RECOMMENDATION:

That the City Council, by motion:

1. Hold a Public Hearing to take comments regarding the removal of the crosswalk at 10th Avenue and Crass Avenue;
2. Approve the removal of the existing crosswalk on 10th Avenue at Crass Avenue, and designate the intersection to be marked as a no-crossing location per the Manual of Uniform Traffic Control Devices, Section 2B.44, and the California Vehicle Code, Section 21106 (b), to ensure pedestrian safety.

BACKGROUND:

The crosswalk on 10th Avenue at Crass Avenue has existed for many years and based on the recently updated Parking and Traffic Commission Guidelines for crosswalks, an intersection study was performed to evaluate the location for removal of the crosswalk. An exhibit of the location is attached for Council review.

Crass Avenue is an unincorporated two lane residential street with a speed limit of 25 mph. The south half of Crass Avenue is located within the city limits and is improved with curb and gutter. The north half of Crass Avenue is located within county limits and has dirt shoulders. The street width of Crass Avenue is 36 feet at 10th Avenue. 10th Avenue is a four lane major arterial street with turn pockets and raised center medians. The posted speed limit on 10th Avenue is 40 mph, and the average daily traffic volume is over 15,000 vehicles per day. The curb width of 10th Avenue is 84 feet.

The existing crosswalk at Crass Avenue is located on the north leg of the intersection and crosses to a dirt parking lot located adjacent to a park with baseball fields. The crosswalk has previously been marked with high visibility striping to assist in alerting drivers to possible pedestrians crossing, which alone are not effective. The crosswalk is located approximately 700' north of the signalized intersection of 10th Avenue at Grangeville Boulevard.

The crosswalk location was marked many years ago when this area was entirely within the county and 10th Avenue was a two lane roadway. With city growth, the crosswalk has remained. It is currently the only marked crosswalk along 10th Avenue that is not at a controlled intersection. In July 2012, the city received a Pedestrian Safety grant through U.C. Berkley to evaluate several locations within the city for pedestrian safety. This location was included in the study, and the recommendation per the attached report was made to remove the crosswalk.

Per the Parking and Traffic Commission Guidelines for crosswalk locations, in order to qualify for a marked crosswalk, a location must meet all of the four basic warrants and must also score a minimum of 16 points on the guideline point system. The four basic warrants include 1) Minimum Pedestrian Volume; 2) Approach Speed; 3) Visibility; and 4) Illumination. Based on a field study, the location does not currently provide

adequate illumination lighting for the crosswalk.

To evaluate the point system ranking, staff conducted studies for vehicle volume, speed, gap and pedestrian counts. The Guideline Point System ranks the pedestrian volume, general conditions, and gap time for the intersection. A pedestrian count study was performed for the AM and PM peak vehicle volume hours and a total of thirteen (13) pedestrians were observed crossing the intersection in the AM, and a total of twenty one (21) pedestrians in the PM. This intersection scored a total of 12 points, which does not meet the minimum 16 points required in the warrants for a pedestrian crosswalk.

Based on the crosswalk guidelines, the crosswalk being located at the only uncontrolled intersection along 10th Avenue, and the recommendations of the Pedestrian Safety report, staff is recommending that the crosswalk be eliminated and the location be designated as a no-crossing location per the Manual of Uniform Traffic Control Devices, Section 2B.44, and the California Vehicle Code, Section 21106 (b).

At their May 23, 2013 meeting, the Parking and Traffic Commission voted and made a recommendation that the City Council hold a Public Hearing and approve the removal of the crosswalk at 10th Avenue and Crass Avenue. Attached are the meeting minutes for Council review. Public notice of a hearing to remove the crosswalk have been posted at the crosswalk location.

Upon Council approval to remove the crosswalk, signage would be placed and pedestrians would be directed to cross 10th Avenue at Grangeville Boulevard where there is a controlled intersection that provides protection to pedestrians.

FISCAL IMPACT:

The impact on the budget is minimal and, with Council approval, will include staff removing the current crosswalk, striping, and signage and installing new signs prohibiting pedestrian crossings at this intersection.

WARRANTS FOR PEDESTRIAN CROSSWALKS

In order to qualify for a marked crosswalk, a location must: (A) meet the following basic warrants, and (B) rate 16 points or more under the following point system:

A) Basic Warrants

SATISFIED

Pedestrian Volume Warrant

Are there more than 20 pedestrians crossing during peak hour?

Crosswalks will not be installed where the pedestrian volume is less than 20 pedestrians per hour (pph) during the peak pedestrian hour.

Yes

No

☒☐

Approach Speed Warrant

Is the 85 percentile less than 45 mph?

Crosswalks will not be installed on roadways where the 85th percentile approach speeds are in excess of 45 mph. The approach speeds shall be determined by approved engineering speed study techniques. All crosswalks installed on roadways in excess of 40 mph will require additional safety improvements (ie. traffic-calming treatments, flashing beacons, and/or rapid flashings signs, etc.)

☒☐

Visibility Warrant

Is visibility clear for 200'?

Crosswalks will not be installed unless the motorist has an unrestricted view of all pedestrians at the proposed crosswalk site, for a distance not less than 200' approaching from each direction. Sites with grades, curves and other sight-restrictive features will require special attention.

☒☐

Illumination Warrant

Proposed crosswalk site must have adequate crosswalk lighting in existence or scheduled for installation prior to the installation of the crosswalk.

Is there adequate lighting at the site?

☐☒

B) Warrant point system

Children under 13 years of age, adults over 64 years of age, or disabled persons count as 1.5 pedestrians.

Pedestrian Volume Warrant

Criterion

Point Assignment Pedestrian Total Points

The total number of pedestrians crossing the street under study during the peak pedestrian hour. This includes pedestrians in both crosswalks at an intersection. Crosswalks will not be installed where the pedestrian volume is 20 pph or less.

General Conditions Warrant

- (a) Will clarify and define pedestrian routes across a complex Intersection.
- (b) Will channelize pedestrians into a significantly shorter path.
- (c) Will position pedestrians to be seen better by motorists.
- (d) Will position pedestrians to expose them to fewer vehicles.
- (e) Is located within the Central Business District.
- (f) Is adjacent to a pedestrian generating facility (i.e. school, park, shopping district, etc.)

Gap Time Warrant

Criterion

Point Assignment
Average number of gaps
per five-minute period Points

The number of unimpeded vehicle time gaps equal to or exceeding the required pedestrian crossing time (PCT) in an average five minute period during the peak vehicle hour.

Computations:

$$(1) \text{ Pedestrian crossing time} = \frac{\text{Street width curb to curb}}{4.0 \text{ feet per second}}$$

$$84 \text{ feet} / 4.0 \text{ fps} = 21 \text{ seconds}$$

$$(2) \text{ Average number of gaps per five-minute period} = \frac{\text{Total gaps/hr} > \text{required PCT}}{12}$$

$$52/12 = 4.33$$

(Total 4.33 gaps per 5 minute period)

Provisions:

- (1) The above criterion is based on a one hour field survey.
- (2) All roadways having a raised median or a painted median (4 foot minimum width) will be considered as two separate roadways, if the pedestrian has a protected place to stand out of the path of traffic.

12 total points.
Crosswalk is not warranted.

CROSSWALKS (Updated January 2013)

Pedestrian Crosswalks

Crosswalks may be marked or unmarked. Marked crosswalks include any portion of roadway that is distinctly indicated for pedestrian crossing by lines or other markings on the surface. Unmarked crosswalks include any portion of roadway that is included within the prolongation or connection of boundary lines of sidewalks at intersections of intersecting roadways meeting at approximately right angles, alleys excluded. There shall not be a crosswalk where local authorities have placed signs indicating no crossing in compliance with the California Vehicle Code.

Based upon the 2005 Federal Highway Administration study entitled “Safety Effects of Marked versus Unmarked Crosswalks at Uncontrolled Intersections” Marked pedestrian crosswalks may be used to delineate preferred pedestrian paths across roadways under the following conditions:

- At locations with stop signs or traffic signals to direct pedestrians to those crossing locations and to prevent vehicular traffic from blocking the pedestrian path when stopping for a stop sign or red light.
- At nonsignalized street crossing locations in designated school zones. Use of adult crossing guards, school signs and markings, and/or traffic signals with pedestrian signals (when warranted) should be considered in conjunction with the marked crosswalk, as needed.
- • At nonsignalized locations where engineering judgment dictates that the number of motor vehicle lanes, pedestrian exposure, average daily traffic (ADT), posted speed limit, and geometry of the location would make the use of specially designated crosswalks desirable for traffic/pedestrian safety and mobility.

Marked crosswalks alone (i.e., without traffic-calming treatments, traffic signals and pedestrian signals when warranted, or other substantial crossing improvement) are insufficient and should not be used under the following conditions:

- Where the speed limit exceeds 64.4 km/h (40 mi/h).
- On a roadway with four or more lanes without a raised median or crossing island that has (or will soon have) an ADT of 12,000 or greater.
- On a roadway with four or more lanes with a raised median or crossing island that has (or soon will have) an ADT of 15,000 or greater.

An intense study conducted by the City of San Diego concluded that, in general, pedestrians are more susceptible to being struck by an automobile within a marked crosswalk than within an unmarked crosswalk. The evidence suggested that the poor accident record is not due to the crosswalk being marked as much as it is a reflection on the pedestrian’s attitude and behavior when using the marked crosswalk. Marked crosswalks tend to create a false sense of security on the part of the pedestrian, encouraging him to assume he has the right of way.

Pedestrian crosswalks being installed at intersections with traffic controls (stop signs or traffic signal) will consist of two white parallel lines across the roadway. Pedestrian crosswalks being

installed at intersections that do not have traffic control or mid-block will consist of two white parallel lines across the roadway with longitudinal lines painted between the cross-roadway lines. Appropriate signs and markings conforming to the Uniform Manual on Traffic Control Devices, as adopted by the State of California, shall be used to inform motorists approaching the crosswalks.

In general, marked crosswalks have the following advantages and disadvantages:

Advantages:

1. May help pedestrians orient themselves and find their way across complex intersections.
2. May help show pedestrians the shortest route across traffic.
3. May help show pedestrians the route with the least exposure to vehicular traffic and traffic conflicts.
4. May help position pedestrians where they can be seen best by oncoming traffic.
5. May help utilize the presence of luminaries to improve pedestrian nighttime safety.
6. May help channelize and limit pedestrian traffic to specific locations.
7. May aid in enforcing pedestrian crossing regulations.
8. May act, in a limited manner, as a warning device and reminder to motorists that this is a location where pedestrian conflicts can be expected.

Disadvantages:

1. May cause pedestrians to have a false sense of security and to place themselves in a hazardous position with respect to vehicular traffic.
2. May cause the pedestrian to think that the motorist can and will stop in all cases, even when it is impossible to do so.
3. May cause a greater number of rear-end and associated collisions due to pedestrians not waiting for gaps in traffic.
4. May cause an increase in fatal and serious injury accidents.
5. May cause disrespect for all pedestrian regulations and traffic controls.

Crosswalks should be marked only where there is evidence that the advantages clearly offset a potential increase in hazard. Minimum warrants for pedestrian crosswalks are found in Appendix A-6.

Mid-Block Pedestrian Crosswalks

Mid-block crosswalks shall be reserved for special areas of heavy pedestrian concentration where the distance between adjacent intersections exceeds 800 feet and where approach visibilities are compatible with vehicular operating speeds. This type of crosswalk should be avoided where another means of crossing can be accomplished.

School Crosswalks

Painted school crosswalks will be installed only on the “Suggested Route to School” and will be either yellow or white. Yellow school crosswalks will be painted at those locations required or permitted by the California Vehicle Code Section 21368.

White school crosswalks may be painted at locations further than 1,400 feet but less than ½ mile from the school grounds and at locations where 11 or more school children cross during the peak pedestrian hour and vehicular traffic exceeds 50 cars during the same hour. The City will install them only when officially requested by the school district and found to meet warrants.

The pavement marking legend “SCHOOL XING” is required in advance of all white school crosswalks, except in advance of a stop sign, yield sign, or traffic signal. The legend shall be in each approach lane, and the word “XING” shall be at least 100 feet from the crosswalk.

In select areas where school children will be utilizing a school crosswalk after dark, safety lighting shall be provided. The City traffic engineer shall be responsible for determining the need for such safety illumination.

CITY OF HANFORD PARKING AND TRAFFIC COMMISSION REGULAR MEETING

May 23, 2013

The regular scheduled meeting of the City of Hanford Parking and Traffic Commission was called to order by Chairman UMSCHEID in the Council Chambers, 400 N. Douty Street, Hanford, California, at 5:30 p.m.

COMMISSION MEMBERS PRESENT

Appointed Members:	BUTTS, PADEN, STEPHENS, UMSCHEID
Staff Members:	Dailey, Dock
Council Representative:	none

COMMISSION MEMBERS ABSENT

Appointed Members:	DWIGGINS
Staff Members:	Freiner
Council Representative:	Jim Irwin

CITIZENS PRESENT

There were none.

UNSCHEDULED ORAL PRESENTATIONS

- 1) Any person may directly address the Commission at this time on any item on the agenda or on any item that is within the subject matter jurisdiction of the Commission. A maximum of five (5) minutes is allowed for each speaker.

Chairman UMSCHEID opened the floor for any unscheduled presentations.

There were none.

MINUTES

- 2) The minutes of the April 25, 2013 meeting were approved with corrections on a motion made by Commissioner PADEN. The motion was seconded by Commissioner STEPHENS. The motion carried by the following vote:

AYES: BUTTS, PADEN, STEPHENS
NAYES: None
ABSTAIN: UMSCHIED
ABSENT: DWIGGINS

STAFF REPORTS

- 3) CROSSWALK REMOVAL AT 10TH AVENUE AND CRASS STREET.

Staff reviewed a request to remove the crosswalk on 10th Avenue at Crass Street. Staff informed Commissioners that a crosswalk study was done at this intersection and was found to not warrant a crosswalk at this time. Staff informed Commissioners that the intersection does not meet warrants and did not score enough points based on volume of traffic, speed, gap and amount of pedestrians.

Staff recommended that the Parking & Traffic Commission, by motion, recommend to the City Council that a Public hearing be held to determine if the existing crosswalk on 10th Avenue at Crass Street be removed and that the intersection be marked as a no crossing location per the Manual of Uniform Traffic Control Devices, Section 2B.44, and California Vehicle Code Section 21106 (b) to ensure pedestrian safety. Commissioner UMSCHIED made a motion to accept recommendation by staff. The motion was seconded by Commissioner PADEN.

The motion carried by the following vote:

AYES: BUTTS, PADEN, STEPHENS, UMSCHIED
NAYES: None
ABSTAIN: None
ABSENT: DWIGGINS

Chairman UMSCHIED opened the floor for any unscheduled presentations.

There were none.

ITEMS FROM COMMISSIONERS

7) Commissioner PADEN

- A. Stated that he has seen a few KART bus stops placed in front of residences. Commissioner PADEN also stated that it was his understanding that KART was not to place stops in front of a residences. Staff informed Commissioners that there were some stops requested by residences to be in front of their homes. Staff also noted that the stops are still under review and could be moved if asked to do so.

ADJOURNMENT

Chairman UMSCHEID motioned to adjourn the meeting. At 6:35 p.m., Chairman UMSCHEID adjourned the Hanford Parking and Traffic Commission meeting.

4.4 FOCUS AREA 3: CRASS AVENUE & 10TH AVENUE

Site Description

The area around the intersection of Crass Avenue and 10th Avenue was visited at about 12:30 in the afternoon. This site currently has a high visibility crosswalk crossing 10th Avenue on the north side of the street. 10th Avenue is a major four lane divided arterial in Hanford carrying about 16,000 vehicles per day. The current speed limit is set at 40 mph.

Figure 4-8: Crass Avenue & 10th Avenue

Observations

The intersection of Crass and 10th Avenue was visited by the team from about 12:15 to 12:45 PM. The primary observations made by the Team are shown in Table 4-5 while Figure 4-9 shows pictures of some of the observations.

Suggestions for Potential Improvement

At the intersection of Crass Avenue and 10th Avenue, the primary suggestion is to remove the high visibility crosswalk on the north side of this intersection. This crosswalk is currently not serving a large pedestrian activity center and it is close to the intersection of Grangeville Blvd & 10th Ave. (700 ft). Removing this crosswalk and encouraging pedestrians cross at Grangeville Blvd is likely to improve safety because the Grangeville Blvd crossing is signalized with pedestrian actuation. Pedestrians will not have a significant detour to use this crossing rather than the midblock crossing at Crass and 10th Avenue.

The second suggestion applies citywide and that is to have a consistent high visibility crosswalk design. A number of different designs were noted while the Team was in Hanford. Having a consistent standard will be more consistent with driver expectations.

A summary of the suggested improvements at this intersection is presented in Table 4-6.

Table 4-6 – Potential Suggestions for Improvement at Crass Avenue and 10th Avenue

Suggestion	Reasons
a) Eliminate the high visibility crosswalk	• Signalized intersection is located 700' south and is closer to where most pedestrians cross the street. It is safer for pedestrians to cross at the traffic signal than at the marked midblock crosswalk
b) Adopt a standard high visibility crosswalk policy in Hanford	• A number of different variations on high visibility crosswalks were observed by the team during the visit to Hanford. Having a consistent type will reduce confusion among motorists

AGENDA STAFF REPORT

MEETING DATE: 10/7/2014

AGENDA SECTION: 6. A.

SUBJECT:

Police: Review options and either conduct a first reading of Ordinance No. 14-11 banning the cultivation, dispensary and collective activities in all zoning districts in the City of Hanford or provide direction on an ordinance that allows cultivation, dispensary and collective activities in some zoning districts in the City.

RECOMMENDATION:

That the City Council review the two attached ordinances and provide direction on whether to proceed with a ban on marijuana cultivation, dispensary and collective activities in the City limits of Hanford, or allow such use in certain zoning districts.

Option 1. That the City Council, by motion, conduct a first reading of the attached ordinance banning the cultivation, dispensary and collective activities in all zoning districts in the City of Hanford.

Option 2. That the council review and provide direction on an ordinance that allows cultivation, dispensary and collective activities in some zoning districts in the City. Similar to what is shown in the second attachment.

BACKGROUND:

The Hanford Police Department has prepared two possible ordinances for the consideration of the council. One of the ordinances would ban the cultivation, dispensary and collective operations in the City of Hanford. The other would allow it in certain zoning districts with restrictions as to the operation of the allowed use. Both of these alternatives have been upheld in court and are within the right of the City to consider as a remedy to the current situation.

Medical Marijuana Collectives or Dispensaries operated in Fresno and Kern Counties for several years with minimal local regulation have been the subject of armed robberies and other violent incidents with juveniles and adults alike. There have been numerous closures and arrests of operators for violation of both local, state and federal laws. Medical Marijuana Collectives, cultivation and Dispensaries are harmful to the welfare of the surrounding community and its residents and constitutes a public nuisance.

There are currently large marijuana grows operating in the City of Hanford. These grows have been the targets of numerous thefts that have led to violent acts. Banning only the outdoor cultivation would result in the grows being moved indoors.

Medical marijuana cultivation in the City would pose an urgent and immediate threat to the public peace, health and safety. Other jurisdictions have experienced adverse impacts from outdoor cultivation of medical marijuana, including offensive odors, trespassing, burglary, and acts of violence in connection with the commission of such crimes or the occupants' attempts to prevent such crimes. During the harvest and processing season, there is an immediate threat of violent crime due to the size, location, and monetary value of these mature medical marijuana grows.

Indoor medical marijuana grows create hazards. Equipment utilized for indoor cultivation, including heat lamps, requires large amounts of electricity. Many buildings, including residences, are not equipped for such power needs and modifications to electrical systems to provide the required power. These types of

unpermitted changes to a residence is a common cause of fires. The ventilation systems of many structures, including homes, are not equipped for the indoor cultivation of medical marijuana; ventilation rates are sometimes intentionally reduced to increase carbon dioxide levels or CO2 is artificially introduced. These higher CO2 levels are conducive to plant growth and inhospitable to humans. Inadequate ventilation, coupled with temperature and humidity levels involved with indoor marijuana cultivation, can result in fungal growth, which could endanger the health of building inhabitants and others, including first responders, who may enter such buildings. The use of pesticides and fertilizers by unqualified persons may result in health risks to the inhabitants of buildings in which marijuana cultivation occurs as well as to the surrounding neighborhood. Most pesticides are not designed for indoor use by unqualified persons.

Medical marijuana, alone or in combination with food products, may constitute a unique health hazard to the public because, unlike all other ingestibles, marijuana is not presently regulated, inspected, or analyzed for contamination by the state or federal government. Marijuana overdoses have increased with the unregulated production of marijuana. the active ingredient in Marijuana can be as high as 90% in some product with a single dose equivalent to smoking 15-20 joints.

The City has a compelling interest in protecting the public health, safety, and welfare of its residents and businesses, as well as preserving the peace and quiet of the zoning districts in which a Medical Marijuana Collective or Dispensary could operate and in which Medical Marijuana could be cultivated.

FISCAL IMPACT:

No fiscal impact is expected.

ORDINANCE NO. 14-11

AN ORDINANCE OF THE CITY OF HANFORD PERTAINING TO THE ADDITION OF CHAPTER 8.32 OF TITLE 8, RELATING TO THE IMPERMISSIBLE CULTIVATION OF MEDICAL MARIJUANA AS PUBLIC NUISANCE

The City Council of Hanford does ordain as follows:

Section 1. Chapter 8.32 of Title 8 is added to the Hanford Municipal Code, to read as follows:

CHAPTER 8.32

MEDICAL MARIJUANA CULTIVATION, COLLECTIVE, DISPENSARY

- 8.32.010 Findings.**
- 8.32.020 Purpose and Intent.**
- 8.32.030 Relationship with Other Laws.**
- 8.32.040 Definitions.**
- 8.32.050 Medical Marijuana Collective or Dispensary as a Prohibited Use.**
- 8.32.060 Prohibited Medical Marijuana Cultivation Declared a Public Nuisance.**
- 8.32.070 Penalties for Violation.**
- 8.32.080 Severability.**

8.32.010 Findings.

The City Council of Hanford finds and declares as follows:

A. In 1996, the voters of the State of California approved Proposition 215, codified as California Health and Safety Code Section 11362.5, "Compassionate Use Act of 1996."

B. The intent of Proposition 215 was to allow persons who are in need of marijuana for medical purposes, under limited and specified circumstances, to obtain and use it without fear of criminal prosecution.

C. In 2004, Senate Bill 420 was enacted, codified as California Health and Safety Code Section 11362.7 et seq. ("Medical Marijuana Program Act"), to clarify the scope of California Health and Safety Code Section 11362.5.

D. In 2011, Assembly Bill 2650 was enacted, codified as California Health and Safety Code Section 11362.768. This law affirms that city governments may restrict the location and establishment of a Medical Marijuana Collective or Dispensary through local ordinances.

E. This ordinance is enacted, consistent with Health and Safety Code Section 11362.7, et seq., to protect the public health, safety, and welfare of the City's residents in relation to the operation and location of a Medical Marijuana Collective or Dispensary.

F. Medical Marijuana Collectives or Dispensaries operated in Fresno and Kern Counties for several years with minimal local regulation and had been the subject of armed robberies with shots fired, incidents with juveniles and young adults, and closure and arrests of operators for violation of both state and federal laws, including seizure of illegal firearms. Some of the individuals arrested would be disqualified from

operating a Medical Marijuana Collective or Dispensary based on reasonable standards relating to their criminal history backgrounds. Other public agencies have documented violence related to the operation of a Medical Marijuana Collective or Dispensary. A Medical Marijuana Collective or Dispensary results in loitering, increased traffic, noise, and loss of trade for other businesses located nearby. A Medical Marijuana Collective or Dispensary is harmful to the welfare of the surrounding community and its residents and constitutes a public nuisance.

G. Medical marijuana cultivation in the City would pose an urgent and immediate threat to the public peace, health and safety. Other jurisdictions have experienced adverse impacts from outdoor cultivation of medical marijuana, including offensive odors, trespassing and burglary, and acts of violence in connection with the commission of such crimes or the occupants' attempts to prevent such crimes. Medical marijuana grows emerged in Fresno and Kern Counties, which were very visible by the public, including children and youths. Some of these grows contained booby trap devices that threatened severe bodily harm or death to those who attempted to access them. During the harvest and processing season, there is an immediate threat of violent crime due to the size, location, and monetary value of these mature medical marijuana grows.

H. Medical marijuana grows create a nuisance and threaten the safety and property of nearby landowners and their families. The strong odor of marijuana plants, which increases as the plants mature, is offensive to many individuals and creates an attractive nuisance, alerting people to the location of valuable marijuana plants, which creates a risk of crime.

I. Indoor medical marijuana grows create hazards. Equipment utilized for indoor cultivation, including heat lamps, requires large amounts of electricity. Many buildings, including residences, are not equipped for such power needs and modifications to electrical systems to provide the required power are a common cause of fires. The ventilation systems of many structures, including homes, are not equipped for the indoor cultivation of medical marijuana; ventilation rates are sometimes intentionally reduced to increase carbon dioxide levels, which is conducive to plant growth. Inadequate ventilation, coupled with temperature and humidity levels involved with indoor marijuana cultivation, can result in fungal growth, which could endanger the health of building inhabitants and others, including first responders, who may enter such buildings. Some indoor cultivation operations utilize carbon dioxide-generating equipment that burns fossil fuels, which also creates carbon monoxide and other potentially dangerous substances resulting from the combustion process; carbon monoxide and similar combustion-related byproducts can be deadly to building inhabitants, especially in instances of inadequate ventilation. The use of pesticides and fertilizers by unqualified persons may result in health risks to the inhabitants of buildings in which marijuana cultivation occurs and to the surrounding neighborhood.

J. If medical marijuana grows are not regulated, large quantities of illegal marijuana could be introduced into the local market in the near term.

K. Medical marijuana, alone or in combination with food products, may constitute a unique health hazard to the public because, unlike all other ingestibles, marijuana is not presently regulated, inspected, or analyzed for contamination by the state or federal government and could contain harmful chemicals and contaminants from unapproved sources that could endanger the already poor health of ill persons and the good health of others. Children are particularly vulnerable to the effects of marijuana use, and the presence of marijuana plants has proven to be an attractive nuisance for children, creating an unreasonable hazard in areas frequented by children such as schools, parks, and similar location.

L. Marijuana varies in quality, with significant variations in the concentration of the active ingredient tetrahydrocannabinol (THC). Consumers cannot accurately ascertain the strength of the drug when they buy it. Also, it cannot be assured that customers will be adequately warned that marijuana use impairs the user's fine motor skills and negatively affects the safe operation of motor vehicles. A new trend entails the extraction of THC from marijuana through a process that utilizes volatile chemicals. Fires and explosions have occurred in other jurisdictions as a result of the flammable chemicals utilized in this extraction process.

M. The City has a compelling interest in protecting the public health, safety, and welfare of its residents and businesses, in preserving the peace and quiet of the neighborhoods in which a Medical Marijuana Collective or Dispensary could operate and in which medical marijuana could be cultivated.

N. Nothing in this ordinance shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. Section 841, or to license any activity that is prohibited under the Act except as mandated by state law.

O. Nothing in this ordinance shall be construed to: (1) allow persons to engage in conduct that endangers others or causes a public nuisance; (2) allow the use of marijuana for non-medical purposes; or (3) allow any activity relating to the cultivation, distribution or consumption of marijuana that is illegal under state or federal law.

8.32.020 Purpose and Intent.

It is the purpose and intent of this chapter to prohibit the cultivation of medical marijuana in order to preserve the public peace, health, safety, and general welfare of the citizens of the City. Additionally, it is the purpose and intent of this chapter to prohibit a Medical Marijuana Collective or Dispensary in the City.

8.32.030 Relationship to Other Laws.

This chapter is not intended to, nor shall it be construed or given effect in a manner that causes it to apply to, any activity that is regulated by federal or state law to the extent that application of this chapter would conflict with such law or would unduly interfere with the achievement of federal or state regulatory purposes. It is the intention of the City Council that this chapter be interpreted to be compatible and consistent with federal, state, and City enactments and in furtherance of the public purposes which those enactments express. It is the intention that the provisions of this chapter will supersede any other provisions of this Code found to be in conflict.

8.32.040 Definitions.

For the purposes of this chapter, these words and phrases shall be defined as follows:

- A. "City" means the City of Hanford.
- B. "Marijuana" shall have the same definition as in California Health and Safety Code Section 11018, as it now reads or as may be amended.
- C. "Medical marijuana" means marijuana used for medical purposes in accordance with California Health and Safety Code Section 11362.7, et seq., as may be amended.
- D. "Cultivate" or "cultivation" is the planting, growing, harvesting, drying, processing, or storage of one or more marijuana plants or any part thereof in any location.
- E. A "Medical Marijuana Collective" or "Dispensary" means any operation, including a store-front facility or structure, mobile facility, or delivery service, wherein medical marijuana is made available, sold, offered for sale, given, distributed, traded,

cultivated for, or otherwise provided to primary caregivers or qualified patients, as defined by this chapter.

A "Medical Marijuana Collective" or "Dispensary" shall not include the following uses, as long as the location of such uses is otherwise regulated by code or applicable law: (i) a clinic licensed pursuant to Chapter 1 of Division 2 of the California Health and Safety Code; (ii) a health care facility licensed pursuant to Chapter 2 of Division 2 of the California Health and Safety Code; (iii) a residential care facility for persons with chronic life-threatening illnesses licensed pursuant to Chapter 3.01 of Division 2 of the California Health and Safety Code; (iv) a residential care facility for the elderly licensed pursuant to Chapter 3.2 of Division 2 of the California Health and Safety Code; and (v) a residential hospice or a home health agency licensed pursuant to Chapter 8 of Division 2 of the California Health and Safety Code, as long as any such use complies strictly with applicable law including, but not limited to, California Health and Safety Code Section 11362.7, et seq.

F. "Primary caregiver" shall have the same definition as in California Health and Safety Code Section 11362.7 et seq., as it now reads or as amended.

G. "Qualified patient" shall have the same definition as California Health and Safety Code Section 11362.7 et seq., as it now reads or as amended.

8.32.050 Medical Marijuana Collective or Dispensary as a Prohibited Use.

A Medical Marijuana Collective or Dispensary is a prohibited use in all zone districts in the City.

8.32.060 Prohibited Medical Marijuana Cultivation Declared a Public Nuisance.

The establishment, maintenance, or operation of any prohibited cultivation of medical marijuana, as defined in this chapter, within the City is declared to be a public nuisance and is prohibited in all zone districts. Each person or responsible party is subject to abatement proceedings under Chapter 17.68, in addition to all other legal and equitable relief available to the City.

8.32.070 Penalties for Violation.

A. Any person violating any of the provisions of this chapter shall be guilty of a misdemeanor and subject to a maximum penalty of six (6) months imprisonment in the county jail or a fine of one thousand dollars (\$1,000), as well as the administrative penalties as set forth in Chapter 17.68.150, as may be amended. Violators shall be subject to any other enforcement remedies available to the City under any applicable state or federal statute or pursuant to any other lawful power the City may possess.

B. Each day a violation continues and every violation of this chapter shall constitute a separate violation and shall be subject to all remedies.

C. In the event any civil suit or action is brought by the City to enforce the provisions of this chapter, the person or persons responsible for such violation shall be liable to the City for costs of the suit, including, but not limited to, attorneys' fees.

8.32.080 Severability.

If any part or subsection of this chapter is for any reason held to be invalid, unlawful, or unconstitutional, such invalidity, unlawfulness, or unconstitutionality shall not affect the validity, lawfulness, or constitutionality of any other part of this chapter.

Section 2. This Ordinance shall take effect thirty (30) days after its passage and shall be published once in the Hanford Sentinel within fifteen (15) days after its passage.

A new trend entails the extraction of THC from marijuana through a process that utilizes volatile chemicals. Fires and explosions have occurred in other jurisdictions as a result of the flammable chemicals utilized in this extraction process.

M. The City has a compelling interest in protecting the public health, safety, and welfare of its residents and businesses, in preserving the peace and quiet of the neighborhoods in which a Medical Marijuana Collective or Dispensary could operate and in which medical marijuana could be cultivated.

N. Nothing in this ordinance shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. Section 841, or to license any activity that is prohibited under the Act except as mandated by state law.

O. Nothing in this ordinance shall be construed to: (1) allow persons to engage in conduct that endangers others or causes a public nuisance; (2) allow the use of marijuana for non-medical purposes; or (3) allow any activity relating to the cultivation, distribution or consumption of marijuana that is illegal under state or federal law.

8.32.020 Purpose and Intent.

It is the purpose and intent of this chapter to prohibit the cultivation of medical marijuana in certain zoning areas in order to preserve the public peace, health, safety, and general welfare of the citizens of the City. Additionally, it is the purpose and intent of this chapter to prohibit ~~a~~ Medical Marijuana Collectives or Dispensary in specified zoning districts in the City.

8.32.030 Relationship to Other Laws.

This chapter is not intended to, nor shall it be construed or given effect in a manner that causes it to apply to, any activity that is regulated by federal or state law to the extent that application of this chapter would conflict with such law or would unduly interfere with the achievement of federal or state regulatory purposes. It is the intention of the City Council that this chapter be interpreted to be compatible and consistent with federal, state, and City enactments and in furtherance of the public purposes which those enactments express. It is the intention that the provisions of this chapter will supersede any other provisions of this Code found to be in conflict.

8.32.040 Definitions.

For the purposes of this chapter, these words and phrases shall be defined as follows:

- A. “City” means the City of Hanford.
- B. “Marijuana” shall have the same definition as in California Health and Safety Code Section 11018, as it now reads or as may be amended.
- C. “Medical marijuana” means marijuana used for medical purposes in accordance with California Health and Safety Code Section 11362.7, et seq., as may be amended.
- D. “Cultivate” or “cultivation” is the planting, growing, harvesting, drying, processing, or storage of one or more marijuana plants or any part thereof in any location.
- E. A “Medical Marijuana Collective” or “Dispensary” means any operation, including a store-front facility or structure, mobile facility, or delivery service, wherein medical marijuana is made available, sold, offered for sale, given, distributed, traded, cultivated for, or otherwise provided to primary caregivers or qualified patients, as defined by this chapter.

A “Medical Marijuana Collective” or “Dispensary” shall not include the following uses, as long as the location of such uses is otherwise regulated by code or applicable law: (i) a clinic licensed pursuant to Chapter 1 of Division 2 of the California Health and Safety Code; (ii) a health care facility licensed pursuant to Chapter 2 of Division 2 of the California Health and Safety Code; (iii) a residential care facility for persons with chronic life-threatening illnesses licensed pursuant to Chapter 3.01 of Division 2 of the California Health and Safety Code; (iv) a residential care facility for the elderly licensed pursuant to Chapter 3.2 of Division 2 of the California Health and Safety Code; and (v) a residential hospice or a home health agency licensed pursuant to Chapter 8 of Division 2 of the California Health and Safety Code, as long as any such use complies strictly with applicable law including, but not limited to, California Health and Safety Code Section 11362.7, et seq.

8.32.050 Medical Marijuana Collective or Dispensary as a Prohibited Use.

A Medical Marijuana Collective or Dispensary is allowed in the LI – Light Industrial and HI - Heavy Industrial zoning districts. A Medical Marijuana Collective or Dispensary is a prohibited use in all other zoning e districts in the City.

8.32.060 Prohibited Medical Marijuana Cultivation Declared a Public Nuisance.

The establishment, maintenance, or operation of any prohibited cultivation of medical marijuana, as defined in this chapter, within the City is declared to be a public nuisance and is prohibited in all zone districts except the districts identified in Chapter 8.32.050. Each person or responsible party is subject to abatement proceedings under Chapter 17.68, in addition to all other legal and equitable relief available to the City.

8.32.070 Establishment of a Collective, Dispensary or Cultivation Operation.

A. Any person, corporation or entity desiring to operate a Cultivation operation in the allowed Zoning Districts in the City of Hanford as allowed by State Law shall abide by all of the rules as set forth below.

(a) Building code Requirements. Any alterations or additions to existing structures, shall be subject to all applicable zoning codes, including lot coverage, set back, height requirements, and parking requirements.

- (b) Gas Products. The use of gas or solvent products (CO2, butane, etc.) is prohibited.
- (c) Evidence of Cultivation. All cultivation activities shall be enclosed indoors in a locked, alarmed building and otherwise secured environment. The alarm shall be monitored by an alarm company or private security company. From a public right of way there shall be no visible or exterior evidence of a marijuana cultivation occurring on the site.
- (d) Background Investigation. All owners, operators, and employees must be vetted by the police department. The Hanford Police Department may disqualify an employee or potential business owner based upon the background investigation. Reason for disqualification may include criminal history. No person under the age of 18 may work or be present at the cultivation site.
- (e) Ventilation. The marijuana cultivation area shall include a ventilation and filtration system designed to ensure that odors from the cultivation are not detectable beyond the location of the business and are designed to prevent mold and moisture and otherwise protect the health and safety of persons residing in the building. This shall include at a minimum, a system meeting the requirements of the then current adopted edition of the California Building Code Sections 1203.4 Natural Ventilation or 402.3 Mechanical Ventilation 9 or its equivalent).
- (f) Storage of chemicals. Any chemicals used for medical marijuana cultivation shall be stored outside of the habitable areas of the residence and outside of public view from neighboring properties and public rights of way.
- (g) Property owner authorization. For rental property, the lessee shall obtain written authorization from the property owner or property management company to cultivate medical marijuana.

B. Any person, corporation or entity desiring to operate a Collective or Dispensary operation in the allowed Zoning Districts in the City of Hanford as allowed by State Law shall abide by all of the rules as set forth below.

- (a) Secure enclosed structure; code compliance. The cultivation of medical marijuana shall at all times occur in a secure, locked, and fully enclosed structure, with a ceiling, roof or top, and entirely opaque. The security shall include a burglar alarm monitored by an alarm company or private security company. The structure shall meet all applicable building and fire codes, including plumbing and electrical, and all applicable zoning codes, including

lot coverage, set back, height requirements, and parking requirements. At a minimum, the structure, including all walls, doors, and the roof, shall be constructed with a firewall assembly of greenboard drywall meeting the minimum building code requirements for commercial structures and include material strong enough to prevent entry except through an open door.

- (b) Ventilation. The structure for cultivating medical marijuana shall include a ventilation and filtration system designed to ensure that odors from the cultivation are not detectable beyond the property line and designed to prevent mold and moisture and otherwise protect the health and safety of those persons participating in the cultivation. This shall include at a minimum, a system meeting the requirements of the then-current, adopted edition of the California Building Code sections: 1203.4 Natural Ventilation or 402.3 Mechanical Ventilation (or its equivalent(s)).
- (c) Maximum of 99 plants. The maximum number of plants, whether mature or immature, shall not exceed 99 marijuana plants.
- (d) Signage and markings. There shall be no signage or markings on the property, structure, or any other building located on the property, or off-site, which in any way evidences that a collective or cooperative cultivation of medical marijuana is occurring on the property.
- (e) Required participation in the cultivation: no employees. All persons or their primary caregivers who associate together for the collective or cooperative cultivation must participate in the cultivation and the cultivation must occur solely among members of the association. No employees, independent contractors, or other persons may be utilized for the cultivation. No person under the age of 18 may be present or working at the site.
- (f) No compensation or sales: distribution only among members. No member may compensate any other member to cultivate on its behalf. All distribution of the cultivated medical marijuana shall be solely among members of the association and shall be without compensation of any kind. Nothing in this subsection shall be deemed to prevent a primary caregiver from subsequently providing the cultivated marijuana to one of his/her qualified patients.
- (g) No on-site consumption. No on-site consumption of medical marijuana shall occur.

- (h) No cultivation in conjunction with a business: no sales of goods or services. The cultivation shall not occur in conjunction with any business. No products or services shall be sold from the property where cultivation occurs.
- (i) Record requirements. The owner and/or lessee of the property upon which the cooperative or collective cultivation occurs shall provide the following information to the Police Department in a form and manner approved by the Police Department: (a) full name, address, and telephone number(s) of the owner and lessee, including all alias names used in the previous ten (10) years; (b) The address where correspondence is to be mailed; (c) a list of all qualified patients, persons with identification cards, and primary caregivers participating in the cultivation; (d) a copy of all participant physician recommendations, identification cards, and primary caregiver evidence; (e) a sketch or diagram showing the property with the location of the cultivation and all buildings on the property, including a statement showing the total area occupied by the cultivation and the distance from the property lines; (f) a statement setting forth the number of plants to be cultivated and demonstrating that the cultivation does not exceed the maximums set forth under State law or this ordinance=; (g) a statement identifying all persons who will be tending to the cultivation and describing the cultivation process; (h) for lessees, written evidence that the owner has consented to use the property for medical marijuana cultivation; (i) such other information as the Police Department determines is necessary to ensure compliance with State law and this chapter. This information shall be provided prior to the commencement of the collective or cooperative cultivation operations, the information shall be provided within ten (10) days of the effective date of this Chapter. The information provided shall be updated upon any change within ten (10) days. The Police Department shall keep patient information confidential to the extent required and allowed by law.
- (j) Inspections. The cultivation operation shall be open for inspection by any law enforcement officer or City code enforcement officer between the hours of 8:00 a.m. and 9:00 p.m., seven (7) days a week, or at any time upon responding to a call for service related to the property where the cultivation is occurring.

A. Any person violating any of the provisions of this chapter shall be guilty of a misdemeanor and subject to a maximum penalty of six (6) months imprisonment in the county jail or a fine of one thousand dollars (\$1,000), as well as the administrative penalties as set forth in Chapter 17.68.150, as may be amended. Violators shall be subject to any other enforcement remedies available to the City under any applicable state or federal statute or pursuant to any other lawful power the City may possess.

B. Each day a violation continues and every violation of this chapter shall constitute a separate violation and shall be subject to all remedies.

C. In the event any civil suit or action is brought by the City to enforce the provisions of this chapter, the person or persons responsible for such violation shall be liable to the City for costs of the suit, including, but not limited to, attorneys' fees.

8.32.0980 Severability.

If any part or subsection of this chapter is for any reason held to be invalid, unlawful, or unconstitutional, such invalidity, unlawfulness, or unconstitutionality shall not affect the validity, lawfulness, or constitutionality of any other part of this chapter.

AGENDA SECTION: 6. C.

SUBJECT:

Public Works: Introduce and waive the first reading of proposed Ordinance 14-10, amending Section 12.04.180 of the Hanford Municipal Code to modify regulations for banner permits.

RECOMMENDATION:

That the City Council, by motion, introduce and pass to a second reading Ordinance 14-10, amending Section 12.04.180 of the Hanford Municipal Code to modify regulations for banner permits.

BACKGROUND:

Attached for council review and consideration are proposed modifications to Hanford Municipal Code Section 12.04.180 pertaining to regulations for banner permits. The proposed modifications to the ordinance include the elimination of provisions that were determined to be unconstitutional and the addition of language that provides for an appeal process.

The proposed ordinance provides the Director of Public Works with the authority to establish specific requirements and limitations for permits, including the establishment of installation, aesthetic requirements, and limitations on the duration for which banners can be hung. Attached for Council review is a draft banner permit with proposed banner conditions.

In regards to installation costs, the City does not currently charge a fee for installing and taking down street banners. The estimated labor and equipment cost to install and takedown a banner is approximately \$146 per occurrence (2- employees plus equipment - 1 hour set up and takedown). City staff hangs approximately 75 street banners per fiscal year. If directed by Council, staff will bring back a resolution to establish a fee for service to either partially or fully offset City costs for service.

FISCAL IMPACT:

Adoption of an ordinance modifying regulations for banner permits will not have any fiscal impact to the City budget.

AN ORDINANCE OF THE CITY OF HANFORD AMENDING
SECTION 12.04.180 OF THE HANFORD MUNICIPAL CODE
PERTAINING TO REGULATIONS FOR BANNER PERMITS

The City Council of Hanford does hereby ordain as follows:

Section 1. Section 12.04.180, Regulations for banner permits, of the Hanford Municipal

Code is hereby amended to read as follows:

12.04.180 Regulations for banner permits.

Field Cod

The following regulations shall be applicable to all banner permits issued pursuant to the provisions of this chapter:

A. It is unlawful for any person to erect, install or cause to be erected or installed, a banner extending over, along or across any street or right-of-way without first obtaining a banner permit thereof or in violation of the terms or conditions of such permit.

B. Banner permits shall be issued by the director or his/her designee only upon a written application therefore. Application forms shall be furnished by the city which shall specify the following:

1. The name and address of the applicant;
2. The location, dimensions and purpose of the proposed banner;
3. A facsimile of the proposed banner, including any legend or written matter;
4. The proposed date when the banner is to be erected and/or installed and removed;
and
5. Such other information as the director or his/her designee may require.

C. The director or his/her designee may create regulations establishing the requirements and limitations for permits, including the establishment of installation, aesthetic requirements, limitations on duration, and any and all other standards relating to the issuance of the permit. The city council shall, by resolution, establish fees for banner permits granted hereunder.

D. Applicant may file with the City Clerk a notice of appeal upon a denial of the requested permit within ten (10) days of the date of service of such decision, action or determination. The appeal shall be heard by the City Council. The notice of appeal shall set forth in detail all facts supporting the applicant's appeal of the decision of the director of public works or the director's designee.

E. The city shall hang and remove any banner which crosses streets or rights-of-way for which a permit has been issued in accordance with the provisions of this chapter. The city

shall remove all banners and may do so at any time prior to the date so stated in the application, should the necessity arise.

F. Any activity done in violation of these requirements or any other requirements as established by the director or his/her designee shall be grounds for immediate revocation of the permit by the director or his/her designee. SUBJECT:

Finance Department: Refinancing - City of Hanford Variable Rate Refunding Sewer Revenue Bond, Series 1996.

RECOMMENDATION:

That the City Council, by motion, direct staff to research alternative refinancing to be presented at a future City Council meeting.

BACKGROUND:

In 1996 the City of Hanford refinanced two (2) Sewer System Certificates of Participation (COP) with a \$7,855,000 Variable Rate Refunding Sewer Revenue Bond contracting U.S. Bank as Trustee, Gates Capital Corporation as Remarketing Agent, and Union Bank of California as the Letter of Credit Bank. The variable rate bond issue was for 27 years and there are 9 years remaining to maturity. The Letter of Credit (LOC) expires December 31, 2014 and Union Bank will not renew or extend the LOC.

City staff is reviewing options available to secure the most economical and viable refinancing for the remainder (\$4,900,000) of the variable rate bond issue. Potential options are 1) a bank loan, 2) a refinancing bond or COP, or 3) obtain a different Letter of Credit Bank.

FISCAL IMPACT:

Review of refinancing options as well as selection of a refinancing method should have no financial impact on the budget.

City Manager: Adopt Resolution 14-56-R, establishing a priority for the allocation of funds from the Measure S Sales Tax Initiative

RECOMMENDATION:

That the City Council, by motion, adopt Resolution 14-56-R, establishing a priority for the allocation of funds from the Measure S Sales Tax Initiative.

BACKGROUND:

On August 5, 2014, the City Council adopted Resolution No. 14-46-R which calls for a General Municipal Election to be held on November 4, 2014 for the purpose of submitting to the voters the question of whether the City of Hanford should enact a one-cent general sales tax. This measure is listed as Measure S, the Hanford Public Safety and Essential Services Measure.

Over the past several weeks, several questions have been asked of the Council by members of the public at the Public Comment section of the Council Agenda as to how the City Council would spend this new revenue stream. Mayor Pannett has asked for the development of a draft resolution that will allow this Council to publicly address its priorities as they relate to public safety and other essential services.

The City Council commissioned a survey to gain an understanding of the Community's thoughts as they relate to current needs and levels of service. The survey identified public safety priorities such as increased police staffing to address property crimes, to investigate violent crimes like rape and domestic violence, and to maintain neighborhood police patrols across the City. The survey reflected the Community's desire to increase fire staffing and to build additional stations to improve fire protection and response times. The survey also identified the Community's desire to address street repairs, and the need to provide more recreational opportunities for Hanford's residents, especially Hanford's youth.

The current budgeted allocation of General Fund resources towards Public Safety is approximately 64%. The resolution reflects a desire to allocate at least 70% of new revenues to meet Public Safety needs.

FISCAL IMPACT:

No fiscal impact beyond any new revenue stream created by Measure S.

RESOLUTION NO. 14-56-R

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HANFORD ALLOCATING FUNDS FOR MEASURE S SALES TAX INITIATIVE

At a Regular Meeting of the City Council of the City of Hanford duly called and held on October 7, 2014 at 7:00 p.m. on said day, it was moved by Councilmember _____, seconded by Councilmember _____ and duly carried that the following Resolution be adopted:

WHEREAS, On August 5, 2014, the City Council adopted Resolution No. 14-46-R which calls for a General Municipal Election to be held on November 4, 2014 for the purpose of submitting to the voters the question of whether the City of Hanford should enact a one-cent general sales tax (Measure S); and

WHEREAS, the City wishes to continue to address service priorities that the public has identified such as, increased property crimes, investigating violent crimes like rape and domestic violence, maintaining neighborhood police patrols across the City, and improving fire protection and response times, repairing the City's streets, and providing more recreational opportunities for Hanford's residents; and,

WHEREAS, the City believes that additional, locally-controlled funds will help the City adequately provide the essential services that all residents of Hanford rely on, for a growing population that's putting ever-increasing demands on the City; and,

WHEREAS, the City recognizes that Measure S is a General Tax not a Special Tax and can be utilized by the City for any purpose within the City's jurisdiction; and

WHEREAS, the City desires to ensure that a significant portion of the funds generated by Measure S, should it pass during the General Municipal Election to be held on November 4, 2014, be utilized to provide additional police and fire facilities, equipment, and staff; and,

WHEREAS, in order for future City Councils to reduce the funding to be provided to police and fire services pursuant to this resolution, they would need to enact a new resolution superseding this resolution.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HANFORD,
CALIFORNIA, DOES RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

That, should Measure S pass during the General Municipal Election to be held on November 4, 2014, no less than **70%** of all funds generated by the one-cent general sales tax shall be spent on new facilities and facility repair and maintenance, new equipment and equipment repair and maintenance, and additional staffing for the Police Department and Fire Department of the City of Hanford.
