

The City of Hanford
CALIFORNIA

City Council Meeting Agenda

June 2, 2020
7:00 PM – Regular Meeting
Council Chambers
400 N. Douty St.

Video Teleconference via Zoom. Council Members will attend remotely.

Zoom meeting information:

<https://us02web.zoom.us/j/84928954301?pwd=WUNmalBtYmxVcG5nZlV2bzRLSkpTZz09>

(Limited virtual access.)

5:30 PM CALL TO ORDER STUDY AND CLOSED SESSION:

ROLL CALL BY THE CITY CLERK:

PUBLIC COMMENT:

*Comments from the public are limited to items on the agenda (GC 54954.3a). A maximum of **three minutes** is allowed for each speaker. Please begin your comments by stating your name and providing your city of residence.*

STUDY SESSION:

- A. Public Works: Presentation of the Pavement Management System Update for the City of Hanford.
- B. Finance: Presentation and discussion of the proposed Fiscal Year 2020/2021 General Fund budget for the City of Hanford.

CLOSED SESSION FOR DISCUSSION OF THE FOLLOWING:

- A. CONFERENCE WITH LEGAL COUNSEL - REAL PROPERTY NEGOTIATIONS (GC 54956.8)

Property: Nation Guard Armory, 905 N. 11th Ave. APN: 010-490-018

Agency Negotiators: Mario Cifuentez and Ty Mizote

Negotiating Party: State of California

Property: APNs 028-240-018, 028-240-020, 028-310-005, 028-310-007, 028-310-008, 028-310-025
Agency Negotiators: Mario Cifuentez and Ty Mizote
Negotiating Party: City Farm Industries, Inc.; Ross Lyndon-James

B. CONFERENCE WITH LEGAL COUNSEL - ANTICIPATED LITIGATION (GC 54956.9(d)(2))

One potential case.

7:00 PM CALL TO ORDER REGULAR SESSION:

ROLL CALL:

INVOCATION:

FLAG SALUTE:

CLOSED SESSION ACTION REPORT:

RECOGNITIONS/PROCLAMATIONS:

- A. National Public Works Week Proclamation

STAFF COMMUNICATIONS:

COUNCIL REPORTS/COMMENTS:

- A. Council Comments

PUBLIC COMMENT:

*This is the time for citizens to comment on subject matters not on the agenda and that are within the jurisdiction of the Hanford City Council. This is also the public's opportunity to request an item from the Consent Calendar be pulled for discussion purposes or to comment on any item on the agenda. Comments related to Public Hearing items will be heard at the time the item is discussed. A maximum of **three minutes** is allowed for each speaker. Please begin your comments by stating your name and providing your city of residence.*

CONSENT CALENDAR:

Consent calendar items are considered routine and will be enacted in one motion. There will be no separate discussion these matters unless a request is made and then the item will be removed from the Consent Calendar to be discussed and voted upon by a separate motion.

- A. City Clerk: Approval of the minutes from the City Council Meeting held on April 7, 2020.
- B. Administration: Approval of a Letter of Support, on behalf of the City of Hanford, for S.B. 1103, Access to Workforce Training Programs by Senator Melissa Hurtado.
- C. Administration: Approval of a Letter of Support, on behalf of the City of Hanford, for S.B. 1110, California Medicine Scholar Program by Senator Melissa Hurtado.

- D. ADMIN: Approval of an amendment to the existing service contract with Swagit to include video streaming of Council Meetings and approval of the purchase of a single camera solution at a One Time Cost of \$11,790 and video streaming services for the annual amount of \$10,200.
- E. Administration: Approval of Second Amendment of the existing Lease Agreement between City Farm Industries, Inc. and the City of Hanford for 960 acres of City-owned farmland.
- F. Administration: Approval of the First Amended and Restated Employment Agreement for the City Manager.
- G. Community Development: Adoption of Amended RESOLUTION NO. 18-26-R; Supporting an Application for Funding from the State of California Department of Housing and Community Development HOME Investment Partnership Program (HOME).
- H. Fire: Temporarily waive Temporary Use Permit fees to address revenue concerns caused by the Coronavirus 2019 pandemic.
- I. Public Works: Approve a Notice of Completion for the Civic Park Restroom Renovation Project and authorize the Mayor to execute and the City Clerk to attest and file said Notice with the Kings County Recorder's Office.
- J. Finance: Warrant Register

PUBLIC HEARINGS:

- A. Community Development: Conduct a Public Hearing and Adopt Interim Urgency Ordinance No. 20-06 Extending Ordinance 19-08, an interim zoning/urgency ordinance of the City Council of the City of Hanford, restricting the commercial cultivation and manufacturing of industrial hemp (CBD) products in all zones pending enactment of an update to the City's Municipal Code.
- B. COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG): Amendments to the CDBG Citizen Participation Plan, the 2019-2023 Consolidated Plan and the 2019-20 Action Plan, and adoption of the 2020-21 Action Plan.

GENERAL BUSINESS:

- A. Public Works: Adopt Resolution 20-08-R, approving the Annual Engineer's Report and Intention to Levy and Collect Assessments as outlined, pursuant to Chapter 3 of the Landscape and Lighting Act of 1972, and set July 17, 2020 as the Public Hearing date to consider the increases in assessments as proposed.
- B. Public Works: Approval of a request to add a Refuse Coordinator position, within the Refuse Division of the Public Works Department, and authorization for the City Manager to start the recruitment process prior to July 1, 2020.
- C. Administration: Discussion and Adoption of Resolution No. 20-09-R and Ordinance No. 20-07 thereby rescinding the City's Local Emergency Resolution and Modifying the the terms of the Ordinance to follow the updated State Guidance.

COUNCIL FUTURE AGENDA ITEMS:

A. Council Future Agenda Items

Upcoming Dates

June 5: Introduction of Hanford Fire Department Dogs, details TBD

June 16: City Council Meeting

July 3: Independence Day (observed) - City Offices Closed

July 7: City Council Meeting

July 21: City Council Meeting

ADJOURNMENT:

Materials related to an item on this Agenda submitted to the City Council after distribution of the agenda packet are available to public inspection in the City Clerk's Office located at 319 N. Douty Street, Hanford, California 93230, during normal business hours. Such agendas are also available at the city's website, www.cityofhanfordca.com subject to staff's ability to post the agenda before the meeting.

If you need a disability-related modification or accommodation, including auxiliary aids or services, to participate in this meeting, please contact the City Clerk's office, 559-585-2515, 319 N. Douty Street, Hanford, California 93230, at least 2 days prior to the meeting {28 CFR 35.102.35.104 ADA Title II}

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020	AGENDA SECTION: A
-------------------------------	--------------------------

SUBJECT:

Public Works: Presentation of the Pavement Management System Update for the City of Hanford.

BACKGROUND:

Staff will present an update on the Pavement Management System for the City of Hanford and receive Council direction for next steps.

FISCAL IMPACT:

No current fiscal impact.

Current Network Condition (2019)

Projected Network Condition (FY 2028/29)

Scenarios 1-4

Executive Summary

The Kings County Association of Governments selected NCE to implement a pavement management system for the cities of Avenal and Lemoore. In addition, update the City of Hanford and Kings County StreetSaver® pavement management reports. This report represents information for the City of Hanford (City). The purpose of this project is to help inform and educate policy makers on the conditions of the City's street network.

The City is responsible for the maintenance and repair of approximately 218.9 centerline miles of streets. The network's Pavement Condition Index (PCI) is 62. The City utilizes the StreetSaver® pavement management software and pavement distress data were collected in compliance with ASTM D6433-18¹.

The following budget scenarios were performed as part of this update. The scenarios study the impact of funding on pavement condition over a period of ten years.

- **Scenario 1: City's Existing Budget (\$3.7 million per year)** – The City's anticipated funding for paving projects is approximately \$3.7 million per year. At this funding level, the network PCI is expected to decrease from 62 to 51 by FY 2028/29.
- **Scenario 2: Maintain PCI at 62 (\$6.7 million per year)** – The City will need approximately \$6.7 million per year in order to maintain the current network PCI at 62 over the next ten years.
- **Scenario 3: Improve PCI to 65 (\$7.5 million per year)** – At approximately \$7.5 million per year, the network PCI will increase to 65 by FY 2028/29.
- **Scenario 4: Improve PCI to 70 (\$8.9 million per year)** – In order to increase the PCI to 70 in the next ten years, the City will need to spend approximately \$8.9 million per year.

NCE recommends that the City increases the budget to at least \$7.5 million per year in order to improve the pavement network condition to 65.

¹ASTM D6433-18. 2018. *Standard Practice for Roads and Parking Lots Pavement Condition Index Surveys*. ASTM International, West Conshohocken, PA.

Background

The Kings County Association of Governments (KCAG) selected NCE to perform an update for the County of Kings and the City of Hanford. Additionally, the cities of Avenal and Lemoore were to have Pavement Management System (PMS) databases setup on StreetSaver®. This report presents the results for the City.

Broadly, a “... *pavement management system is designed to provide objective information and useful data for analysis so that ... managers can make more consistent, cost-effective, and defensible decisions related to the preservation of a pavement network.*”² In other words, a PMS is designed to assist cities with answering questions such as:

- What comprises the City’s street network and what are the conditions of the streets?
- How will the condition of the City-maintained streets respond over time to maintenance and rehabilitation (M&R) treatments proposed under the existing funding levels?
- What M&R strategies exist to improve the current street conditions?
- What is the backlog of M&R work that should be done in order to achieve the City’s pavement condition goal?
- What are the future M&R needs?
- What are the street repair priorities?
- How much funding is needed to maintain or improve current pavement conditions?

In order to answer the questions above, NCE helped the City update its PMS software program called StreetSaver®, which was developed by the Metropolitan Transportation Commission and is widely used by California cities and counties.

Study Objectives

The objectives of this study were to:

- Update the inventory of the street network.
- Perform pavement condition inspections of the entire street network and determine the Pavement Condition Index (PCI) value for each street section as well as the average network PCI.
- Develop appropriate M&R strategies.

² American Association of State Highway and Transportation Officials. 1990. *Guidelines for Pavement Management Systems*. Washington DC. July.

City of Hanford Pavement Management System 2019/20 Update

- Perform budgetary analyses and determine the M&R funding needs.
- Present a strategy for the most cost-effective program.

Finally, this report links the recommended repair program costs to the City's current and projected budget alternatives to improve the overall network condition. It also assesses the adequacy of existing revenues to meet the recommended maintenance needs.

Scope of Work

NCE performed pavement condition inspections of the street network in May 2019 using the semi-automated inspection method. Pavement distress data were collected in accordance of ASTM D6433-18 and imported into StreetSaver® to calculate the PCIs. The condition inspections did not address non-pavement issues such as traffic, safety, street hazards, geometric issues, drainage issues, or immediate maintenance needs. As part of this task, a Quality Control Plan was developed and implemented (see Appendix A).

NCE worked with City staff to verify and update various street sections to represent what was actually in the field.

Upon completion of the data collection, NCE reviewed and discussed M&R strategies with City staff. This included selecting appropriate and effective treatments such as surface seals, overlays, or full depth reclamation (FDR), as well as determining unit costs. The unit costs represent the overall project cost, which incorporated material costs along with any related construction, engineering, and design costs. These costs were based on recent bid summaries from the City as well as surrounding agencies. Once appropriate M&R alternatives were defined, they were entered into the StreetSaver® database for budgetary analyses.

NCE next performed a budget analysis using a period of ten years with an annual inflation rate of 3 percent. This identified M&R recommendations for each street section and determined the total M&R requirements over the analysis period under various funding levels.

Pavement Network and Current Condition

The City is responsible for the repair and maintenance of approximately 218.9 centerline miles of streets, of which 53.1 centerline miles are arterials, 13.2 centerline miles are collectors, and 152.6 centerline miles are residential. This pavement network is one of the City's most valuable assets and has an estimated replacement value of \$252.4 million. This does not include the value of other non-pavement street components, such as curb and gutters, sidewalks, or drainage. Additionally, there are approximately 0.2 centerline miles of gravel roads within the City limit but were not included in the analysis.

The PCI is a measurement of pavement grade or condition and ranges from 0 to 100. A newly constructed street will have a PCI of 100, while a failed street will have a PCI of 40 or less. The pavement condition is primarily affected by climate, traffic loads and volumes, subgrade failure, construction materials, and age. Some of the distresses manifested by asphalt concrete pavement as it ages or fails are:

- Alligator (Fatigue) Cracking*
- Bleeding
- Block Cracking
- Bumps and Sags
- Corrugation
- Depression
- Edge Cracking
- Joint Reflection Cracking
- Lane/Shoulder Drop-Off
- Longitudinal/Transverse Cracking
- Patching and Utility Cut Patching
- Polished Aggregate
- Potholes
- Railroad Crossing
- Rutting*
- Shoving*
- Slippage Cracking*
- Swell
- Raveling
- Weathering

*Indicates load-related distress

Table 1 and Figure 1 on the next page illustrate the definitions of the pavement condition categories. Streets in "Good" condition include streets with both non-load related (e.g., weathering or raveling) and load-related (e.g., alligator cracking) distresses. The causes of these distresses are markedly different, and the treatments used to address these conditions are also different, as are the costs of these treatments. Generally, streets with load-related distress are more expensive to repair. The two categories of distress are identified by II (non-load related) and III (load related). StreetSaver® assigns the appropriate treatments and costs to streets identified within each category.

City of Hanford
Pavement Management System 2019/20 Update

Table 1: Pavement Condition Categories

Condition Category		PCI	Pavement Description
(I)	Very Good	70-100	Pavements that have minimal surface distress, which may include some hairline longitudinal/transverse cracks and/or weathering. The pavement structure is sound and minor oxidation may occur.
(II)	Good (Non-Loaded)	50-69	Pavements that have a significant level of predominantly non-load related distress, such as longitudinal/transverse cracks, bleeding, block cracking, weathering and raveling, etc. The pavement structure is sound, and some oxidation has occurred.
(III)	Good (Load-Related)	50-69	Pavements that have a significant level of predominantly load-related distress, such as alligator cracking and minor rutting, etc. The pavement structure is becoming deficient (minimal base failure).
(IV)	Poor	25-49	The pavement has moderate to severe surface distresses. Extensive weathering or raveling, block cracking, and load-related distress such as alligator cracking, rutting, and potholes may occur.
(V)	Very Poor	0-24	The pavement has severe weather-related distress as well as large quantities of load-related distresses. The pavement is nearing the end of its service life.

Figure 1: Pavement Condition Categories

City of Hanford
Pavement Management System 2019/20 Update

Figure 2 illustrates streets with a range of PCIs.

Figure 2: Examples of Streets with Different PCIs

Based on NCE's 2019 inspection, the City's average weighted (by area) PCI³ is 62, which reflects a network considered to be in "Good" condition. However, the average PCI does not completely describe the street network.

³ The weighted average PCI is a result of multiplying the area of each street section by the PCI of that section, totaling all sections together and then dividing by the total of the network area or functional classification.

City of Hanford
Pavement Management System 2019/20 Update

Table 2 summarizes the City's street network and the PCI by functional classification. The City's arterials and collectors are in better condition than its residential streets.

Table 2. Pavement Network and Condition Summary

Functional Class	Centerline Miles	Lane Miles	Pavement Area (sq ft)	% Pavement Area	Average Weighted PCI
Arterial	53.1	156.8	12,976,287	28.9%	67
Collector	13.2	39.2	3,302,148	7.4%	67
Residential	152.6	304.9	28,583,799	63.7%	59
Total	218.9	500.9	44,862,234	100.0 %	62

Table 3 summarizes the network by condition category. Approximately 38.1 percent of the City's streets are in "Very Good" condition, 32.3 percent are "Good", and 29.6 percent are either "Poor" or "Very Poor".

Table 3. Pavement Condition Breakdown by Functional Class and Condition Category

Condition Category	PCI Range	Arterial	Collector	Residential	Network
Very Good (I)	70-100	13.0%	4.1%	21.0%	38.1%
Good (II/III)	50-69	10.9%	2.1%	19.2%	32.3%
Poor (IV)	25-49	4.7%	1.2%	22.8%	28.7%
Very Poor (V)	0-24	0.3%	0.0%	0.7%	0.9%
Total (%)		28.9 %	7.4 %	63.7 %	100.0 %

Appendix B provides the PCI for each street section in the network, sort by street name and by PCI.

City of Hanford Pavement Management System 2019/20 Update

Figure 3 illustrates PCI comparisons between Hanford and neighboring agencies using information from the recent inspection data as well as the 2018 *California Statewide Local Streets and Roads Needs Assessment*⁴.

The City's average PCI of 62 is the second highest within the four agencies in KCAG and is slightly lower than the 2018 statewide average of 65.

Figure 3: Hanford PCI Comparison with Other Agencies

⁴ "2018 California Statewide Local Streets and Roads Needs Assessment." *League of California Cities*, www.cacities.org/Member-Engagement/Professional-Departments/Public-Works-Officers/California-Statewide-Local-Street-and-Roads-Needs.

Maintenance and Rehabilitation Strategies

Preventive maintenance treatments such as crack seals and reclamite are suitable for pavements in “Very Good” condition and should be applied every 5 to 7 years, respectively, if the pavement condition is appropriate. As the pavement condition deteriorates, mill and fill overlays or FDR should be performed. These are considered “rehabilitation” or “reconstruction”. Localized base repairs are commonly used as preparatory work prior to applying overlays. A detailed M&R decision tree is provided in Appendix C.

History has shown that it costs less to maintain streets in good condition than to repair those that have failed. By letting pavements deteriorate, streets that once cost \$1.50 per square yard (SY) to seal may, in a few years, cost as much as \$37/SY to overlay or up to \$80/SY to replace. With rising material costs, the timeliness of repairs becomes more critical. The pavement deterioration curve shown by the blue line illustrates how pavement deteriorates over time (Figure 4).

Figure 4: Costs of Maintaining Pavements over Time

Budget Needs

Once the pavement condition and the appropriate maintenance strategy has been determined, it is possible to determine the funding needed to maintain the City's streets. Simplistically, the StreetSaver® program seeks to answer the following question:

If funding is not a constraint, how much money is needed to bring streets to a state of good repair?

Therefore, based on the principle that it costs less to preserve streets in good condition, StreetSaver® develops a funding strategy that will improve the overall condition of the streets and then maintain it at that level. The condition and functional classification of each street determines the appropriate treatment and cost from the decision tree.

For example, Lacey Boulevard between 9th Avenue and 8 3/4 Avenue has a PCI of 55, and the appropriate treatment is a 3.5-inch mill and fill overlay. The area of the pavement section is then multiplied by the unit cost to determine the total treatment cost. Additional surface seals over the next ten years may also be applied to preserve the pavement condition, if necessary.

Using this process, the entire street network for the City was evaluated and summed. The resulting budget needs is approximately \$137.6 million over the next ten years using an annual inflation rate of 3 percent. If the City follows this recommended funding strategy, the average PCI will increase to the lower 80s over the next ten years. If, however, no funding is allocated to street pavement maintenance, the streets will deteriorate, and the network PCI will drop to 38 by the end of FY 2028/29. The results of the budget needs analysis are summarized in Table 4.

Table 4. Results of Budget Needs for Ten Years

Year	Current	FY 2019 /20	FY 2020 /21	FY 2021 /22	FY 2022 /23	FY 2023 /24	FY 2024 /25	FY 2025 /26	FY 2026 /27	FY 2027 /28	FY 2028 /29	Total
Budget Needs (\$M)	N/A	42.6	15.9	16.4	22.3	18.0	10.9	2.4	3.6	2.5	3.0	137.6
Untreated PCI	62	61	58	56	54	51	49	46	43	41	38	N/A
Treated PCI	62	73	74	76	79	82	83	82	82	81	81	N/A

City of Hanford Pavement Management System 2019/20 Update

In this analysis, the total funding needed is “front-loaded;” i.e., it is less expensive to repair the streets in the first year than in subsequent years due to the effect of deferring maintenance and inflation. Although very few agencies can afford this “front-loaded” approach, it highlights the next treatments each street section needs and becomes a reference point for other funding scenarios.

The deferred maintenance in FY 2019/20 is \$42.6 million. Deferred maintenance consists of pavement maintenance, preservation, and rehabilitation activities that are needed, but cannot be performed due to lack of funding. It is also referred to as the unfunded backlog. Shrinking budgets have forced many cities and counties to defer much-needed pavement maintenance activities. Deferring these activities results in an increased frequency of citizen complaints about the condition of the pavement network and a higher cost to repair these streets.

The prediction models in StreetSaver® may result in a conservative performance estimate because the impacts of newer and more cost-effective technologies are not included at this time. For example, if improved materials are utilized; e.g., asphalt-binder with rubber or polymers, the actual performance of these treatments may be understated by the models. However, if the City assesses the pavement conditions regularly, the prediction of future conditions will continue to improve.

Budget Scenarios

Having determined the ten-year maintenance needs of the City's street network, the next step in developing a cost-effective M&R strategy is to conduct "what-if" analyses. Using the StreetSaver® budget scenario module, the impacts of the City's budget can be evaluated. This module seeks to answer the following questions:

If funding is constrained, what is the most cost-effective way to spend the funds? What are the consequences on the PCI and deferred maintenance? Which streets will be prioritized for repairs and when will they be repaired?

The program determines the effects of the different funding scenarios on PCI and deferred maintenance. By examining the effects on these performance measures, the advantages and disadvantages of different funding levels and maintenance strategies become clear.

The following scenarios were performed:

- **Scenario 1: City's Existing Budget (\$3.7 million per year)** – The City's anticipated funding for paving projects is approximately \$3.7 million per year. At this funding level, the network PCI is expected to decrease from 62 to 51 by FY 2028/29.
- **Scenario 2: Maintain PCI at 62 (\$6.7 million per year)** – The City will need approximately \$6.7 million per year in order to maintain the current network PCI at 62 over the next ten years.
- **Scenario 3: Improve PCI to 65 (\$7.5 million per year)** – At approximately \$7.5 million per year, the network PCI will increase to 65 by FY 2028/29.
- **Scenario 4: Improve PCI to 70 (\$8.9 million per year)** – In order to increase the PCI to 70 in the next ten years, the City will need to spend approximately \$8.9 million per year.

Summaries of the results of each scenario are provided below. Detailed results are presented in Appendices D and E.

City of Hanford
Pavement Management System 2019/20 Update

Scenario 1: City's Existing Budget (\$3.7 million per year)

This scenario shows the impact of the City's anticipated paving budget of \$3.7 million per year over the next ten years. The overall pavement condition would decline to an average PCI of 51 and the deferred maintenance will increase by more than two and one half times over the next ten years (to \$108.5 million). At the end of the analysis period, approximately 54.7 percent of the network will be in "Very Good" or "Good" condition, and the rest (45.3 percent) will be "Poor" or "Very Poor." Table 5 and Figure 5 summarize the results from Scenario 1. A list of the sections selected for treatment under Scenario 1 and a map of the selected sections in the first five years are included in Appendix F.

Table 5. Summary of Results for Scenario 1

Year	Current	FY 2019 / 20	FY 2020 / 21	FY 2021 / 22	FY 2022 / 23	FY 2023 / 24	FY 2024 / 25	FY 2025 / 26	FY 2026 / 27	FY 2027 / 28	FY 2028 / 29	Total
Budget (\$M)	N/A	3.7	3.7	3.7	3.7	3.7	3.7	3.7	3.7	3.7	3.7	37.0
Rehabilitation (\$M)	N/A	3.6	3.6	3.7	3.7	3.5	3.5	3.5	3.4	3.4	3.5	35.4
Preventive Maintenance (\$M)	N/A	0.1	0.1	0.0	0.0	0.2	0.2	0.2	0.3	0.3	0.2	1.6
Deferred Maintenance (\$M)	42.6	38.9	43.8	50.5	64.9	70.5	77.3	82.2	89.8	100.0	108.5	N/A

Figure 5: PCI vs. Deferred Maintenance for Scenario 1

City of Hanford
Pavement Management System 2019/20 Update

Scenario 2: Maintain PCI at 62 (\$6.7 million per year)

In Scenario 2, an annual budget of approximately \$6.7 million is needed to maintain the network PCI at 62 over the next ten years. The deferred maintenance will double to \$81.3 million by FY 2028/29. Approximately 71.8 percent of the streets will be in “Very Good” or “Good” condition, and 28.2 percent will be in “Poor” or “Very Poor” condition. Table 6 and Figure 6 summarize the Scenario 2 results.

Table 6. Summary of Results for Scenario 2

Year	Current	FY 2019 /20	FY 2020 /21	FY 2021 /22	FY 2022 /23	FY 2023 /24	FY 2024 /25	FY 2025 /26	FY 2026 /27	FY 2027 /28	FY 2028 /29	Total
Budget (\$M)	N/A	6.7	6.7	6.7	6.7	6.7	6.7	6.7	6.7	6.7	6.7	67.0

Figure 6: PCI vs. Deferred Maintenance for Scenario 2

City of Hanford
Pavement Management System 2019/20 Update

Scenario 3: Improve PCI to 65 (\$7.5 million per year)

At an annual budget of \$7.5 million per year, the network PCI will improve to 65 over the next ten years. The deferred maintenance would increase to \$72.7 million in FY 2028/29. Approximately three quarters (75.7 percent) of the network will be in “Very Good” or “Good” condition, and the remainder (24.3 percent) will be in either “Poor” or “Very Poor” category. Table 7 and Figure 7 summarize the results from Scenario 3.

Table 7. Summary of Results for Scenario 3

Year	Current	FY 2019 /20	FY 2020 /21	FY 2021 /22	FY 2022 /23	FY 2023 /24	FY 2024 /25	FY 2025 /26	FY 2026 /27	FY 2027 /28	FY 2028 /29	Total
Budget (\$M)	N/A	7.5	7.5	7.5	7.5	7.5	7.5	7.5	7.5	7.5	7.5	75.0

Figure 7: PCI vs. Deferred Maintenance for Scenario 3

City of Hanford
Pavement Management System 2019/20 Update

Scenario 4: Improve PCI to 70 (\$8.9 million per year)

With an annual budget of \$8.9 million per year, the overall pavement condition will improve to a “Very Good” category with an average PCI of 70 at the end of the analysis period. The deferred maintenance will increase slightly to \$56.3 million in FY 2028/29. Approximately 82.5 percent of the network will be in “Very Good” or “Good” condition, and 17.5 percent will be in “Poor” to “Very Poor” condition. Table 8 and Figure 8 summarize the results from Scenario 4.

Table 8. Summary of Results for Scenario 4

Figure 8: PCI vs. Deferred Maintenance for Scenario 4

Summary

Figures 9 and 10 compare the resulting PCIs and deferred maintenance for all budget scenarios. GIS maps showing the City’s current PCI condition as well as the projected FY 2028/29 conditions for these scenarios are included in Appendix G.

Figure 9: PCI Comparisons between Scenarios

Figure 10: Deferred Maintenance Comparisons between Scenarios

Figure 11 compares the changes in the pavement condition distribution for the four budget scenarios. Currently, 38.1 percent of the City streets are in “Very Good” condition, and 29.6 percent fall in “Poor” to “Very Poor” range. If the City continues to spend \$3.7 million on paving projects (Scenario 1), almost half (45.3 percent) of the streets will be in “Poor” or “Very Poor” condition within the next ten years. As

City of Hanford
Pavement Management System 2019/20 Update

funding increases in Scenarios 2, 3, and 4, the amount of “Very Good” condition streets will grow, and conversely, the amount of “Good” and “Poor” condition streets will decrease. Compared to the current condition, the percentages of the “Very Poor” condition will increase in all four scenarios. These pavement sections will lead to high deferred maintenance costs in the future.

Figure 11: Pavement Condition Breakdown for All Scenarios

Recommendations

The City of Hanford has a substantial investment in its street network with an estimated total replacement cost of \$252.4 million. Overall, the street network is in the “Good” condition category with a citywide average PCI of 62. Based on the data collected and the scenario analyses, NCE recommends that the City implement the items listed below.

1. Pavement Funding

The City’s overall pavement network is in “Good” condition. NCE recommends that the City implement a paving program of approximately \$7.5 million per year (Scenario 3) to improve the City’s network condition to 65.

2. Pavement Maintenance Strategies

NCE recommends that the City consider treatments such as cold-in-place recycling, which is an alternative to conventional overlays. This treatment could potentially offer cost savings of approximately 20 to 30 percent compared to conventional treatment.

3. Re-inspection Strategies

In order to monitor future pavement performance and on-going maintenance needs, NCE recommends that the City inspect the arterial and collector network every two years and the residential network every five to six years.

4. M&R Decision Tree

NCE recommends that the City review and update the M&R decision tree and the associated unit costs annually to reflect new construction techniques and changing costs so the funding analysis will continue to be reliable and accurate.

5. Additional Funding

NCE recommends that the City take advantage of Senate Bill 1 funding and actively pursue additional pavement funding sources if feasible. Some examples of funding sources are listed:

Federal

- Community Development Block Grants
- Surface Transportation Block Grant Program
- Highway Safety Improvement Program

State

- State Transportation Improvement Program
- Active Transportation Program

City of Hanford
Pavement Management System 2019/20 Update

- Vehicle License Fee
- CalRecycle grants
- Transportation Development Act

Local

- Local sales taxes
- Development impact fees
- Traffic impact and transportation mitigation fees
- Utility taxes
- Parking and various permit fees
- Parcel taxes

Appendix A1 - Resumes of Field Inspectors

1. Introduction

When performing data collection in any field, the need for quality control is paramount as it is essential for accurate planning, analysis and design. This is particularly true for collecting pavement distress data for a pavement management system. NCE's "Quality Assurance Management Plan" (QAMP) affirms that:

"NCE is dedicated to achieving technical and management excellence and to delivering professional engineering and environmental services that meet or exceed our clients' needs. NCE's Quality Control (QC) Program is designed to achieve these goals. This QA Management Plan (QAMP) describes NCE's QA Program, which is based on four principles: client satisfaction, employee participation, problem prevention, and continuous quality improvements."

NCE's QAMP establishes minimum quality standards for performance and procedures for assuring that our clients receive quality service. It requires the participation of employees at every level. It encourages project managers and technical staff to take pride in their work and responsibility for ensuring that the work is done correctly the first time. The program is designed to reduce the incidence of problems related to quality and results in implementation, where necessary, of corrective actions and modification of work procedures to minimize the incidence of future problems.

NCE has also prepared detailed and specific Quality Control (QC) Plans for projects, and the most notable example is for the **Long Term Pavement Performance (LTPP) – Western Regional Support Contract** for the Federal Highway Administration. This is a 150-page document that covers data collection on highways, including deflection, profile, pavement distresses, traffic, maintenance and rehabilitation history, materials testing and sampling as well as a document control.

1.1. Objectives

This document constitutes a formal QC Plan for the Kings County Association of Governments (KCAG) to include the Cities of Avenal, Hanford, Lemoore, and County of Kings. Specifically, it is intended for the 2019/20 Pavement Management Update. The focus is on the collection of network-level pavement distress data (defined by NCHRP Synthesis 401 *Quality Management of Pavement Data Collection*, as "Network-level data collection involves collection of large quantities of pavement condition data, which is often converted to individual condition indices or aggregated into composite condition indices.")

1.2. Structure

The following components are addressed in this QC Plan:

- Condition inspection procedures used
- Accuracy required for data collection
- Inspector qualifications and experience
- Safety

2. QC Plan

2.1. Condition Inspection Procedures

The governing document in performing condition inspections for KCAG is ASTM D6433 “*Standard Practice for Roads and Parking Lots Pavement Condition Index (PCI) Surveys.*” Both asphalt concrete (AC) and Portland cement concrete (PCC) pavements are included in this protocol. The following distresses are collected for each pavement type.

Asphalt Concrete (AC) Pavements

1. Alligator (fatigue) cracking
2. Bleeding
3. Block cracking
4. Bumps and sags
5. Corrugation
6. Depression
7. Edge cracking
8. Joint reflection cracking
9. Lane/Shoulder drop off
10. Longitudinal and transverse cracking
11. Patching and utility cut patching
12. Polished aggregate
13. Potholes
14. Railroad crossing
15. Rutting
16. Shoving
17. Slippage cracking
18. Swell
19. Raveling
20. Weathering

Portland Cement Concrete (Jointed)

1. Blowup/Buckling
2. Corner breaks
3. Divided slab
4. Durability (“D”) cracking
5. Faulting
6. Joint seal damage
7. Lane/shoulder drop off
8. Linear cracking
9. Patching (large) and utility cuts
10. Patching (small)
11. Polished aggregate
12. Popouts
13. Pumping
14. Punchout
15. Railroad crossing
16. Scaling, map cracking and crazing
17. Shrinkage cracks
18. Spalling (corner)
19. Spalling (joint)

Any exceptions to the above procedures will be discussed with KCAG before any inspections are performed. These are usually related to distresses or situations that

are not covered in the manuals. Examples include slippage cracks, roller check marks or edge cracking on streets with no curbs and gutters. Others include the use of seals or open-graded asphalt concrete mixes. Any modifications will be documented and submitted to KCAG for approval.

All distress or condition inspections are performed as semi-automated inspections, and the entire pavement is inspected. Field crews are typically composed of a two-person crew traveling in a van. Crew will collect and record visual distresses using equipment installed in the van.

The data will be summarized into sample units and entered into the StreetSaver® database. The size of the sample unit will be $2,500 \pm 1,000$ square feet as per ASTM D6433 protocols. In addition, the sample units will match the existing management sections set up in the StreetSaver® database.

Before the actual inspection work begins the NCE team will perform two Field QC Steps. These are outlined as follows:

Step 1: Calibration

The first steps in this process is having NCE's Project Manager, Marker Geospatial's field manager and a field technician meet in the field and drive a few roads and review some of the variety of pavement conditions that exist in KCAG. This is a valuable exercise to calibrate or synchronize the team's view of the various distresses and ensure a consistent product.

Step 2: Quality Control

The QC team conducted an independent review of the pavement condition data collected on the County's and Cities' pavement networks. Since semi-automated distress data collection is different from the StreetSaver®'s walking protocols, this is required to ensure that the pavement data collected is consistent with those protocols.

Up to 40 pavement sites were selected for quality control purposes. They included a range of:

- Pavement Types (AC or PCC)
- Functional Classifications
- Pavement condition or age

The sites will be located in:

- City of Avenal – 5 sites
- City of Hanford– 10 sites
- City of Lemoore– 5 sites
- County of Kings – 20 sites

An independent NCE technician will be selecting the 40 sites and performing a detailed walking inspection. The semi-automated team will then perform a blind test on these sites (they will not know the location of these sites) and the results compared.

Acceptability Criteria

The types and severities of the distresses must be the same and quantities within $\pm 10\%$ of each other. If corrections are required on more than 10% of the calibration sites, then an additional four sites will be selected and compared. This will continue until more than 95% of the calibration sites meet the acceptability criteria.

2.2. Accuracy Required For Data Collection

The accuracy required for data collection has two components, both of which are further described in the following paragraphs.

- Re-inspections
- PCI comparisons with past inspections

2.2.1 Re-Inspection “Check”

At least 5% of all inspections are randomly re-inspected by other team members. A different inspector will review these sites and determine the revised pavement distress measurements. If the initial inspection is determined to be inaccurate, the original inspector is given refresher training before being allowed to continue with any further inspections. Should the data be inaccurate for a certain day, all the data for that day will be re-inspected following refresher training to ensure accuracy.

Acceptability Criteria

At the time of re-inspection, the actual distresses will be re-inspected and verified, and any corrections made, if necessary. Distress types and severities must be the same and re-measured quantities within $\pm 10\%$ of the original measured quantity.

If corrections are required on more than 10% of the re-inspected sample units, then an additional 5% will be re-inspected. This will continue until all more than 95% of the re-inspected sections meet the acceptability criteria.

2.2.2 PCI Comparison with Past Inspections

As another level of quality control, the new PCIs are compared with the previous PCIs. If they differ by more than ± 10 PCI points, these sections are automatically flagged for further investigation.

If PCI Increases 10 Points

The section is investigated to see if a maintenance and rehabilitation event has occurred since the last inspection, but which has not been recorded. This can only be resolved with feedback from KCAG. Typically, it may include activities such as:

- Crack sealing activities – changes medium or high severity cracking to low severity
- Patching activities - alligator cracking that has been removed and patched, so that the resultant PCI is increased.
- Surface seals
- Overlay

Therefore, an up-to-date maintenance and rehabilitation history file in the StreetSaver® database is desirable, both for historical accuracy as well as to provide additional quality control.

If PCI Decreases 10 Points

The section is checked to see if the average deterioration rate (usually 3 to 4 points per year) is exceeded. If the drop in PCI is within the range of what is acceptable, no further action is required. If the drop is more than the acceptable range, a re-inspection will be performed. The default performance curves in the pavement management software form the basis for what is acceptable.

2.3. Inspectors' Qualifications and Experience

All NCE's inspectors are required to attend formal training on condition distress inspections. For example, any of NCE's inspectors working on the LTPP project are required to attend a week-long training workshop every year to maintain their certifications. The Regional Transportation Commission (RTC) of Washoe County

requires inspectors to be calibrated prior to performing any work using the ASTM D6433 protocols (also known as the pavement management inspections).

For pavement management (or ASTM D6433) inspections, NCE's technicians underwent the OCTA technician certification exercise held in December 2019 and the internal training during January 2020.

Similarly, in agencies that use the StreetSaver® system, NCE's inspectors attend the distress training conducted by the Metropolitan Transportation Commission (MTC). After the formal training, they work with an experienced inspector before they are allowed to work on their own. Within the first month of working on their own, up to 20% of their work is checked weekly. Any necessary corrections are made immediately.

Finally, NCE conducts a one-day training and calibration workshop for all NCE staff involved with data collection. This is conducted once a year. The 2020 workshop was in January.

Inspector Name	Date of ASTM D-6433 Training	Training Conducted by:
Franc Escobedo	January 6, 2020	Lisa K. Senn
Marvin Mann	January 6, 2020	Lisa K. Senn
Jacob Rajnowski	January 6, 2020	Lisa K. Senn

Resumes of technicians utilized on this project are included in Appendix A1.

3. Safety Procedures

NCE administers a health and safety program in compliance with the Nevada Occupational Safety and Health Act (Section 618.383) and Cal OSHA Title VIII, Section 3203. The program is documented in NCE's *Workplace Safety Program Manual*.

Generally, the safety procedures include:

- Inspectors to wear a Class 2 safety vest at all times;
- Flashing beacon on all vehicles utilized for inspections; and
- Stopped vehicles to be parked at locations away from moving traffic (e.g. nearby parking, shoulders etc.).

On streets where there is a high volume of traffic or high speeds, additional measures may be necessary, such as:

- Inspections to occur during off-peak periods or on weekends;
- Additional inspector to watch out for traffic; and
- Traffic flaggers in extreme cases.

All NCE inspectors are required to annually update their online safety programs as administered by "Click Safety". Class Taken are:

- C2 Cal Personal Protective Equipment R2
- C2 Workzone Traffic Safety Tips
- G2 Cal/OSHA Heat Illness

Appendix A1

Resumes of Field Inspectors

DRAFT

Franc Escobedo

Engineering Field Technician

Franc has over 15 years of experience as a pavement management technician for NCE. He has performed numerous pavement condition inspections throughout California, Idaho and Washington. His experience includes distress collection across various Pavement Management Systems, including the Metropolitan Transportation Commission StreetSaver, PAVER, Cartegraph, and Hansen systems.

Additionally, Franc has completed both the OCTA PAVER and MTC "Distress Identification" courses for both Asphalt Concrete and Portland Cement Pavements and now assists with the training of agency staff on both courses.

Franc performs all activities relating to pavement data collection using hardcopy forms or tablets. As part of the quality control process, he performs cross-checks of data in the PMS database. He regularly performs quality control checks of field collected data and pavement maintenance history to ensure that PMS databases are accurate and up-to-date. During this process, he generates detailed reports that are necessary to perform his cross-checks of the collected data.

His field experience and expertise are added benefits to agencies during field training. Listed below are a collection of agencies for which Mr. Escobedo has performed condition inspections – they total over 6,000 centerline miles of roads and streets.

Marvin Mann

Field Technician

Mr. Marvin Mann joined NCE in 2011 as a pavement management technician and is experienced in collecting distress data for pavement management systems. He has completed the MTC "Distress Identification" courses for both Asphalt Concrete and Portland Cement Concrete Pavements.

Mr. Mann is certified by the MTC to perform pavement distress inspections; the certification testing involves passing a rigorous field test.

Apart from conducting field inspections, Mr. Mann has performed all functions related to data collection and is an active participant in the QC process. As part of the quality control process, he performs cross-checks of data in the PMS database. Mr. Mann has performed quality control checks of field collected data and pavement maintenance history to ensure that PMS databases are accurate and up to date. During this process, he also generates detailed reports, which are needed to help perform his crosschecks of the data collected.

He has completed condition inspections for over 2,500 centerline miles of roads and streets, which include inspections on bituminous Asphalt Concrete Pavements and Portland Cement Concrete Pavements. Listed below are some of the agencies where Mr. Mann has performed condition inspections.

Additionally, Marvin has inspected trails and bike paths for the Cities of Folsom, Livermore and Davis, as well as UC Davis and the East Bay Regional Parks District. He has also inspected airfield pavements in Amador County and UC Davis.

Sidewalk Assessment Study

City of Palo Alto, California

Data Collector. The City of Palo Alto has over 250 miles of sidewalks that have been divided into 23 districts. The City has an annual program to eliminate pedestrian hazards and to enhance pedestrian safety. Better sidewalk conditions result in reduced potential sidewalk related injuries. The major causes of sidewalk damage are uplifting from tree roots, vehicles (especially trucks) driving on the sidewalk, and deterioration due to age. NCE's scope includes an assessment of the sidewalk conditions, determination of ADA compliance for the curb ramps and develop new design standards for the sidewalks in areas where trees exist. Our approach included cloud based data collection, development of distress criteria for sidewalks, creation of a geodatabase, establishing prioritization criteria for repairs, determining future repair trends based on historical maintenance practices, and developing new design standards and specifications for sidewalks.

Transportation Infrastructure Rehabilitation

City of Davis, California

Data Collector. The transportation infrastructure rehabilitation project is a multi-year program that aims to rehabilitate roads, bike paths, sidewalks, and curb ramps in the City of Davis. NCE conducted a visual assessment of sidewalks, curb and gutter, and curb ramps to identify areas of tripping hazards or where drainage or the adjacent pavement has been compromised. NCE identified sidewalks for each street and identified severely damaged sidewalk panels with settlement or uplift for consideration of repair. NCE assessed the condition of the bicycle/pedestrian pathways relating to issues associated with tree roots, including alternative pathway routing in proximity to trees. The results of the above assessments were presented to the City using exhibits and tables summarizing the anticipated improvements. NCE conducted a subsequent site walk with the City staff to field verify and prioritize the list of improvements.

Jacob Rajnowski

Field Technician

Mr. Rajnowski joined NCE in 2016 as a as a pavement management technician and is experienced in collecting distress data and coring samples for pavement management systems. He is currently collecting pavement distress data for the Counties of Sonoma and Lake.

He is certified by the Metropolitan Transportation Commission's (MTC) to perform pavement distress inspections; the certification testing involves passing a rigorous field test.

Apart from conducting field inspections, Mr. Rajnowski performs all functions related to data collection and is an active participant in the QC process, including crosschecks of data in the PMS database, quality control checks of field collected data and pavement maintenance history to ensure that PMS databases are accurate and up to date. During this process, detailed reports are generated to perform crosschecks of the data collected. Additionally, Mr. Rajnowski has completed the OCTA PAVER™ 'Distress Identification' course for Asphalt Concrete and Portland Cement Pavements. He has performed condition surveys at San Francisco since 2016.

Section Description Inventory Report

This report lists a variety of section description information for each of the City's street pavement sections. It lists the street and section identifiers, limits, functional class, surface type, number of lanes, lengths, widths, and PCIs.

All of the City's vehicular street sections are included in the report. The report is sorted alphabetically by Street Name and Section ID and by descending PCIs. The field descriptions in this report are listed.

Header	Description
STREET ID	Street identification in StreetSaver® unique for each street
STREET NAME	The name of the street as indicated by street signs in the field
SECTION ID	Section identification number in StreetSaver® unique for each section of one street
BEG LOCATION	Beginning limit of the section
END LOCATION	Ending limit of the section
FC	Functional Classification (A – Arterial, C – Collector, R – Residential/Local)
SURFACE TYPE	Surface Type (AC = Asphalt Concrete Pavement, AC/AC = AC Overlay of AC Pavement)
# OF LANES	Number of travel lanes of the section
LENGTH (FT)	Length of the section in feet
WIDTH (FT)	Average width of the section in feet
AREA (SF)	Area of the section in square feet
M&R DATE	Last M&R treatment date
M&R TREATMENT	Last M&R treatment type on the section
LAST PCI DATE	Last pavement inspection date or last M&R treatment date for the section, whichever is later
PCI	Average last inspected PCI or StreetSaver® projected M&R PCI for the section, whichever has a later date

Maintenance and Rehabilitation (M&R) Decision Tree

Maintenance and Rehabilitation Decision Tree

This report presents the current maintenance and rehabilitation (M&R) decision tree that exists in the database. The decision tree forms the basis for all of the budgetary computations that are included in this volume. ***Changes to the decision tree will make the results in the budget reports invalid.*** All pavement treatment unit costs relevant to the street types in the database were updated.

The decision tree lists the treatments and costs selected for preventive maintenance and rehabilitation activities. Each line represents a specific combination of functional classification and surface type.

The preventive maintenance portion of the report is identified as Condition Category I – Very Good. All preventive maintenance treatment listings are assigned only to sections in Condition Category I. Street sections with PCI values under this range are assigned to treatments listed in Categories II through V.

In the preventive maintenance category, a time sequence is used to identify the appropriate treatment and cost. Each preventive maintenance treatment description consists of three parts: 1) a CRACK treatment, 2) a SURFACE treatment, and 3) a RESTORATION treatment. These three parts allow the user to specify one of three different preventive maintenance treatments depending on the prior maintenance history of the section.

1. The CRACK treatment part can be used to specify the most frequent type of preventive maintenance activity planned (typically crack seals).
2. The SURFACE treatment part can be used to specify more extensive and less frequent preventive maintenance activities, such as slurry seals. For example, a crack seal can be specified on a 5-year cycle with a slurry seal specified after seven years.
3. The RESTORATION part can be used to specify a surface restoration treatment (such as an overlay) to be performed after a specified number of surface treatments. For example, after three successive slurry seals, an overlay can be specified instead of another slurry seal.

Rehabilitation treatments are assigned to sections in Condition Categories II through V. Each line is defined by a specific combination of functional classification, surface type, and condition category.

The City adjusted the PCI thresholds for budget analysis in StreeSaver® for different functional classifications to meet the goal of improving the PCI.

- Very Good 70-100
- Good 50-69
- Poor 25-49
- Very Poor 0-24

COLUMN	DESCRIPTION
Functional Class	Functional Classification identifying the branch number.
Surface	Surface Type identifying the branch number. Surface Type (AC Pavement, AC/AC = AC Overlay of AC Pavement, AC/PCC = AC Overlay of PCC Pavement, PCC = PCC Pavement, ST = Surface treatment over gravel base/subgrade).
Condition Category	Condition Category (I through V).
Treatment Type	First Row (Crack Treatment) indicates localized treatment (e.g. crack seal). Second Row (Surface Treatment) indicates surface treatment (e.g. reclaimer). Third Row (Restoration Treatment) indicates surface restoration (e.g. 1.5" mill and fill).
Treatment	Name of treatments from the "Treatment Descriptions" report.
Cost/SqYd, except Seal Cracks in LF	Average unit cost per square yard for each treatment except for "SEAL CRACKS" which is cost per linear feet.
Yrs. Between Crack Seals	First Row - number of years between successive treatment applications specified in the first row (i.e. CRACK treatment).
Yrs. Between Surface Seals	Second Row - number of years between successive treatment applications specified in the second row (i.e. SURFACE treatment).
# of Surface Seals before Overlay	Number of times that the treatment application in the second row (i.e. SURFACE treatment) will be performed prior to performing the treatment application in the third row.

Treatments highlighted in yellow indicated that a specific functional class and surface combination does not exist within the City (i.e. an AC overlay of PCC pavement arterial street, a surface treatment over gravel base/subgrade pavement residential street, etc.). Therefore, treatments for these functional class and surface combination will be "Do Nothing".

Note that the treatments assigned to each section should not be blindly followed in preparing a street maintenance program. Engineering judgment and project level analysis should be applied to ensure that the treatment is appropriate and cost effective for the section.

Budget Needs

- I. Projected PCI/Cost Summary**
- II. Preventive Maintenance Treatment/Cost Summary**
- III. Rehabilitation Treatment/Cost Summary**

Budget Needs Reports

The purpose of this module is to answer the question: ***If the City had all the money in the world, what sections should be fixed and how much will it cost?*** Based on the Maintenance & Rehabilitation (M&R) decision tree and the PCIs of the sections, the program will then select a maintenance or rehabilitation action and compute the total costs over a period of ten years. The Budget Needs represents the "ideal world" funding levels, while the Budget Scenarios reports in the next section represent the most "cost effective" prioritization possible for the actual funding levels.

A budget needs analysis has been performed. The summary results from the analysis are shown below. An inflation factor of 3% were used to project the costs for the next ten years. This report shows the total ten-year budget that would be required to meet the City's standards as exemplified in the M&R decision tree.

As indicated in the report, with a budget of \$137.6 million over the next ten years the PCI of the street network will improve from the current level of 62 to 81 by fiscal year (FY) 2028/29. If no treatments are programmed, the weighted average PCI is projected to deteriorate to 38 by FY 2028/29.

Budget Needs reports included in this volume are listed below:

- Projected PCI/Cost Summary
- Preventative Maintenance Treatment/Cost Summary
- Rehabilitation Treatment/Cost Summary

Needs - Projected PCI / Cost Summary

This report summarizes and projects the City's network PCI values over a ten-year period, both with and without treatments applied. These costs are based on those in the M&R decision tree. It also projects the costs over a ten-year period.

COLUMN	DESCRIPTION
Year	Year in the analysis period.
PCI Treated	Projected network average PCI with all needed treatments applied.
PCI Untreated	Projected network average PCI without any treatments applied.
PM Cost	Total preventive maintenance treatment cost.
Rehab Cost	Total rehabilitation treatment cost.
Cost	The budget required for each year in the analysis period to meet the City's standard as shown on the M&R decision tree.
Total Cost	Total budget required over a ten-year period.

Appendix F

Scenario 1: City's Existing Budget (\$3.7 million per year)

Sections Selected for Treatment

Based on the recommended annual budget of \$3.7 million (Scenario 1), the “Sections Selected for Treatment” list provides the City with potential candidates for treatment based on each section’s functional classification, PCI, treatment history, and available funding.

This list should not be blindly followed when preparing a street maintenance program. Engineering judgment and project level analysis should be applied to ensure that the treatment is appropriate and cost effective.

**CITY COUNCIL MEETING
MINUTES**

**April 7, 2020 7:00 PM
Council Chambers
400 N. Douty St.**

IN ORDER TO BE IN COMPLIANCE WITH THE GOVERNOR'S EXECUTIVE ORDERS CALLING FOR SHELTERING-IN-PLACE AND SOCIAL DISTANCING, THIS MEETING WAS CONDUCTED THROUGH VIDEO TELECONFERENCE.

5:30 PM CALL TO ORDER STUDY & CLOSED SESSION:

Mayor Draxler called the meeting to order at 5:30 p.m.

ROLL CALL BY THE CITY CLERK:

Present: John Draxler, Martin Devine, Francisco Ramirez, Sue Sorensen (Late), Art Brieno (Late).

PUBLIC COMMENT:

Comments from the public are limited to items on the agenda (GC 54954.3a). A maximum of three minutes is allowed for each speaker. Please begin your comments by stating your name and providing your city of residence.

No comments.

STUDY SESSION:

- A. Fire: Presentation of Phase 1 of update of Fire Prevention fee and services schedule.
- B. Discussion regarding the refurbishment of Freddie the Fire Truck and the Civic Carousel.

CLOSED SESSION FOR DISCUSSION OF THE FOLLOWING:

- A. CONFERENCE WITH LEGAL COUNSEL - REAL PROPERTY NEGOTIATIONS (GC 54956.8)

Property: APNs 028-240-018, 028-240-020, 028-310-005, 028-310-007, 028-310-008, 028-310-025

Agency Negotiators: Mario Cifuentez, Ty Mizote

Negotiating Party: City Farm Industries, Inc.; Ross Lyndon-James and Mark Askey

Property: APNs 028-240-008, 028-310-016, 028-310-021

Agency Negotiators: Mario Cifuentez, Ty Mizote

Negotiating Party: AG Green Farms, LLC; Bobby Whalen and Robert Gold

Attachment: 4.7.20 minutes (Clerk: Approve Minutes 4/7/20)

Property: Courthouse Building
 Agency Negotiators: Darlene Mata, Mario Cifuentes, Ty Mizote
 Negotiating Party: Salon Couture

CALL TO ORDER REGULAR SESSION:

Mayor Draxler called the meeting to order at 7:00 p.m.

ROLL CALL:

Attendee Name	Title	Status	Arrived
John Draxler	Mayor	Present	5:30 PM
Martin Devine	Council Member	Present	5:30 PM
Sue Sorensen	Council Member	Late	5:34 PM
Art Brieno	Council Member	Late	5:35 PM
Francisco Ramirez	Vice Mayor	Present	5:30 PM

CLOSED SESSION ACTION REPORT:

No action taken.

STAFF COMMUNICATIONS:

City Manager, Mario Cifuentes explained some of the changes and adaptations to city business that has occurred since the COVID-19 pandemic shelter-in-place orders came out from the Federal and State government.

COUNCIL REPORTS/COMMENTS:

Council Member Devine - He attended a Cal COG meeting over video teleconference. One of the major concerns of the group is the shortfall of the local sales tax revenue due to the pandemic.

Council Member Brieno - He thanked hospital workers for their efforts so far in addressing the COVID-19 Coronavirus crisis. He stated that KCAO has experienced an increase in the number of people who are showing up for food distributions.

Council Member Sorensen - She voiced concern for the economic impact of the closing of business due to the shelter-in-place order from the governor.

Vice Mayor Ramirez - He echoed his fellow council members' sentiments. He also thanked the Kings Gospel Mission for their efforts to help shelter some of the homeless population.

Mayor Draxler - He expressed appreciation for the hospitals, nurses, doctors, and first responders for their efforts in handling the virus. He also thanked the city employees for showing up and handling each day as new news comes out about the virus and orders from the governor.

A. Council Comments

Attachment: 4.7.20 minutes (Clerk: Approve Minutes 4/7/20)

PUBLIC COMMENT:

*This is the time for citizens to comment on subject matters not on the agenda and that are within the jurisdiction of the Hanford City Council. This is also the public's opportunity to request an item from the Consent Calendar be pulled for discussion purposes or to comment on any item on the agenda. Comments related to Public Hearing items will be heard at the time the item is discussed. A maximum of **three minutes** is allowed for each speaker. Please begin your comments by stating your name and providing your city of residence.*

Jack Schwartz, Hanford - He voiced his support for the Council's consideration for addressing Freddie the Fire Truck and the Carousel. He asked a question about the Council making motions during Study Session. He requested Items C, D, E, and F be pulled from the Consent Calendar.

Diane Sharp, Hanford - She asked a question about the parking lot behind City Hall. She noted that the sign reads the lot is for city employees only, 7 days a week. She asked if it could be changed to Mondays through Fridays so the public may use the lot on the weekends.

Nate Odom, Hanford - He spoke in support of small businesses in Hanford.

Michelle Brown, Hanford - She stated she is updating the Main Street Hanford website every day to provide information to the downtown business owners about the business resources available to them through the government stimulus plan.

CONSENT CALENDAR:

Consent Calendar items are considered routine and will be enacted in one motion. There will be no separate discussion these matters unless a request is made and then the item will be removed from the Consent Calendar to be discussed and voted upon by a separate motion.

A member of the public requested to pull Items C, D, E, and F [Claim Denials] from the Consent Calendar.

Motion to approve.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Francisco Ramirez, Council Member
SECONDER:	Sue Sorensen, Vice Mayor
AYES:	Draxler, Devine, Sorensen, Brieno, Ramirez

- A. City Clerk: Approval of the minutes from the City Council Special Meeting held on February 21, 2020.
- B. City Clerk: Approval of the minutes from the City Council Meeting held on March 3, 2020.
- C. Administration: Authorization for the City Manager to approve the deferral of certain Improvements required for private construction projects.
- D. Administration: Consideration and Approval of the First Amendment to the Lease Agreement with City Farm Industries, Inc.

- E. Administration: Approval of Memorandum of Understanding (MOU) with the General Employees Management Association (GEMA) with changes to wages, benefits, and other working conditions, effective July 1, 2019 to June 30, 2022.
- F. Administration: Approval of an agreement with the Executive Management Employees Association (EMEA) with changes to wages, benefits and other working conditions, effective from July 1, 2020 to June 30, 2022.
- G. Administration: Approval of Memorandum of Understanding (MOU) with the Hanford Professional Firefighters Local 3898, IAFF with changes to wages, benefits, and other working conditions, effective July 1, 2019 to June 30, 2022.
- H. Public Works: Approval of Resolution 20-06-R, identifying the Project List for RMRA gas tax funding for Fiscal Year 2020/21.
- I. Public Works: Authorization for the Purchase of 636 residential refuse containers from Toter Wastequip, LLC., in the amount of \$31,423.72 (tax and freight included).
- J. Public Works: Approval of the purchase of materials in the amount of \$76,937.47 from the Garland Company of Hanford, CA, reject the low bid from Fresno Roofing Company, Inc. based on their formal request to withdraw their bid due to a proposal error, award a contract to Universal Coating, Inc. of Fresno, CA in the amount of \$112,750.00 for the City Hall Roof Re-coating Project, and establish a construction contingency of \$11,500.00 for this project;
- K. Public Works: Approval of a new Freeway Maintenance Agreement with the California Department of Transportation, which outlines maintenance responsibilities for the State and the City.
- L. Finance: Review and authorization to file Transportation Development Act Fund Audited Financial Statements for Fiscal Years Ended 2019 and 2018.
- M. Finance: Warrant Register.

ITEM PULLED FROM CONSENT:

[Items C, D, E, & F]

City Clerk, Sarah Martinez explained the claim process for the city and stated the insurance adjuster for the city recommends denial for claims after they have been investigated. There is an appeal process for the claimants. Mayor Draxler sought to approve all four items in one motion.

- A. City Clerk: Deny claim and direct the City Clerk to send notification of denial to claimant, Jacqueline Ellis.
- B. City Clerk: Deny claim and direct the City Clerk to send notification of denial to claimant, Mercury A/S/O Joel Armijo.
- C. City Clerk: Deny claim and direct the City Clerk to send notification of denial to claimant, Franklin J. Hall.
- D. City Clerk: Deny claim and direct the City Clerk to send notification of denial to claimant, Southern California Edison.

Attachment: 4.7.20 minutes (Clerk: Approve Minutes 4/7/20)

Motion to approve.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Francisco Ramirez, Council Member
SECONDER:	Martin Devine, Council Member
AYES:	Draxler, Devine, Sorensen, Brieno, Ramirez

GENERAL BUSINESS:

- A. Administration: Accept the Summary Report from Outlier Services, LLC, regarding the City Council's Goals & Objectives.

City Manager, Mario Cifuentez summarized the goals compiled by Mr. Stan Carrizosa at the Council's Goals & Objectives planning session. The council members agreed with the goals as outlined in the staff report.

Motion to approve.

RESULT:	APPROVED [4 TO 0]
MOVER:	Sue Sorensen, Vice Mayor
SECONDER:	Martin Devine, Council Member
AYES:	Devine, Sorensen, Brieno, Ramirez
RECUSED:	Draxler

- B. Public Works: Proposed Amendment to the City of Hanford Municipal Code 10.16 to permit three-hour parking limits and designate City Parking Lot No. 2, located off Douty Street, between Sixth Street and Seventh Street, as having a three-hour parking limit.

Dir. Doyel provided the Council with background information on the parking issues in the downtown zone, specifically in City Parking Lot No. 2. He stated that business owners in the area are supportive of changing the parking time limit to 3 hours. Council Member Sorensen stated she feels the business owners would prefer to have the street parking changed to a 3-hour time limit in addition to Parking Lot No. 2. Dir. Doyel stated the way the ordinance amendment was written would allow for 3-hour parking in the downtown area. Council Member Devine voiced his concern that perhaps not all downtown business owners were supportive of 3-hour parking. Mayor Draxler made a motion to accept Staff's recommendation and research future downtown pay-for-parking opportunities, seconded by Vice Mayor Ramirez.

Council Member Sorensen preferred that the direction for staff to research paid parking be separate from the motion to approve the 3-hour parking ordinance and made a motion for such an amendment to the original motion, seconded by Council Member Brieno; amendment passed 3-2.

Motion to approve the proposed ordinance as submitted.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Sue Sorensen, Vice Mayor
SECONDER:	Martin Devine, Council Member
AYES:	Draxler, Devine, Sorensen, Brieno, Ramirez

Attachment: 4.7.20 minutes (Clerk: Approve Minutes 4/7/20)

COUNCIL FUTURE AGENDA ITEMS:

Vice Mayor Ramirez - He proposed setting aside money from the ACO fund to help small businesses in the community.

Council Member Sorensen - She asked if there was State funding for small, local businesses.

Mayor Draxler - He echoed Council Member Sorensen's question. He also requested a study session for an ordinance to allow chickens within City limits; the rest of the Council agreed with his request.

A. Council Future Agenda Items

ADJOURNMENT:

Mayor Draxler adjourned the meeting at 8:08 p.m.

Respectfully submitted,

Sarah Martinez
City Clerk

Attachment: 4.7.20 minutes (Clerk: Approve Minutes 4/7/20)

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020	AGENDA SECTION: B
-------------------------------	--------------------------

SUBJECT:

Administration: Approval of a Letter of Support, on behalf of the City of Hanford, for S.B. 1103, Access to Workforce Training Programs by Senator Melissa Hurtado.

RECOMMENDATION:

That the City Council, by motion, approve the Letter of Support for SB 1103 (Hurtado) to help unemployed and underemployed individuals access and complete workforce training programs through the Lifting Children and Families Out of Poverty Workforce Training Supportive Services Program.

BACKGROUND:

Senator Hurtado has introduced SB 1103, the California Workforce Innovation and Opportunity Act to address a lack of access to workforce training programs for underemployed individuals.

Key elements to the legislation include the requirement for the establishment of a local workforce development board in each local workforce development area of the state to assist the local chief elected official in planning, oversight, and evaluation of local workforce investment. The act also requires local boards to carry out specific tasks consistent with the federal Workforce Innovation and Opportunity Act, including, with representatives of secondary and postsecondary education programs, to lead efforts in the local area to develop and implement career pathways within the local area by aligning the employment, training, education, and supportive services that are needed by adults and youth, particularly individuals with barriers to employment

A letter of support will show the City of Hanford's endorsement of this piece of legislation.

FISCAL IMPACT:

No impact to the City of Hanford

ATTACHMENTS:

SB 1103 Act

SB 1103 LOS

AMENDED IN SENATE MAY 19, 2020

AMENDED IN SENATE MARCH 23, 2020

SENATE BILL

No. 1103

Introduced by Senator Hurtado

February 19, 2020

An act to add Article 4.5 (commencing with Section 14050) to Chapter 3 of Division 7 of the Unemployment Insurance Code, relating to job training.

LEGISLATIVE COUNSEL'S DIGEST

SB 1103, as amended, Hurtado. Workforce training programs: supportive services.

The California Workforce Innovation and Opportunity Act establishes the California Workforce Development Board as the body responsible for assisting the Governor in the development, oversight, and continuous improvement of California's workforce investment system and the alignment of the education and workforce investment systems to the needs of the 21st century economy and workforce. That act requires the establishment of a local workforce development board in each local workforce development area of the state to assist the local chief elected official in planning, oversight, and evaluation of local workforce investment. The act requires local boards to carry out specific tasks consistent with the federal Workforce Innovation and Opportunity Act, including, with representatives of secondary and postsecondary education programs, to lead efforts in the local area to develop and implement career pathways within the local area by aligning the employment, training, education, and supportive services that are needed by adults and youth, particularly individuals with barriers to employment.

The act also provides for training partnerships that are overseen by the board, including the High Road Training Partnerships initiative, a demonstration project to model partnership strategies for the state among various industry sectors.

This bill would require the California Workforce Development Board, in partnership with the Office of the Chancellor of the California Community Colleges, to establish and administer the Lifting Families Out of Poverty High Road Training Partnerships Supportive Services Program. The bill would require the board, upon appropriation by the Legislature for that purpose, to make \$50,000,000 in grants available to consortia, composed of combinations of local workforce development boards, community colleges, or other stakeholders, that apply for funding to provide supportive services, as defined, and are approved in accordance with the bill.

The bill would require the California Workforce Development Board and the Office of the Chancellor of the California Community Colleges to jointly develop criteria, policies, and guidelines for the award of supportive service grant funds to a consortium consistent with the bill. The bill would require a consortium to apply for a grant by submitting a plan with prescribed elements to the board, and would authorize the board, after consultation with the State Department of Social Services, to approve the submitted plan and award grant funds, up to \$5,000 per low-income workforce participant to be enrolled, per year.

The bill would also require the board, as part of the supportive services program described above, to develop High Road Training Partnerships to address the displacement of workers, including farmworkers in the southern central valley. *The bill would require a consortium that receives a grant to report annually to the board how it used supportive service funds in sufficient detail to determine what services qualified as support services and how much funding went to each category of service.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares all of the
- 2 following:
- 3 (a) The Workforce, Education, and Training Subcommittee of
- 4 the state Lifting Children and Families Out of Poverty Task Force

1 was responsible for investigating existing workforce training
 2 programs and policies including community college training, career
 3 and technical education, work opportunity tax credits, and policies
 4 within the K–12 education system.

5 (b) The evidence provided to the task force showed that there
 6 is a need for supportive services to address the common reasons
 7 that low-income workforce training participants do not complete
 8 workforce training programs.

9 (c) A lack of childcare or affordable transportation are among
 10 the primary reasons that participants do not complete their
 11 vocational training programs.

12 (d) The subcommittee and the full task force determined that
 13 additional funding for supportive services for low-income
 14 workforce participants and an increase in coordination across the
 15 many programs aiming to support education and employment for
 16 this population are necessary to lift families out of poverty and to
 17 ensure that they can fully participate in programs that will provide
 18 them the regional market skills to sustain upward mobility.

19 SEC. 2. Article 4.5 (commencing with Section 14050) is added
 20 to Chapter 3 of Division 7 of the Unemployment Insurance Code,
 21 to read:

22
 23 Article 4.5. Supportive Services For Workforce Program
 24 Participants
 25

26 14050. As used in this article:

27 (a) “Consortium” means an entity that may be composed of any
 28 combination of local workforce development board, community
 29 college, or other stakeholder, working in partnership to enroll and
 30 support individuals in poverty in workforce training programs
 31 aligned with regional labor market ~~needs.~~ *needs, except that every*
 32 *consortium shall include the local workforce development board*
 33 *that corresponds to its geographical area.*

34 (b) “Supportive services” ~~mean—services~~ *childcare,*
 35 *transportation, or other services identified by the state or local*
 36 *workforce development board as necessary to enable an individual*
 37 *to successfully participate in High Road Training Partnerships*
 38 *programs.*

39 (c) “Training” includes all services described in paragraph (5)
 40 of subdivision (d) of Section 14013.

14055. (a) The board, in partnership with the Office of the Chancellor of the California Community Colleges, shall establish and administer the Lifting Families Out of Poverty High Road Training Partnerships Supportive Services Program. Upon appropriation by the Legislature for that purpose, the board shall make fifty million dollars (\$50,000,000) in grants available to consortia that apply for funding and are approved in accordance with this article. A grant shall not exceed \$5,000 per year per low-income High Road Training Partnerships participant to be enrolled pursuant to this article.

(b) The board and the Office of the Chancellor of the California Community Colleges shall jointly develop criteria, policies, and guidelines for the award of supportive service grant funds to a consortium consistent with this article.

(c) These criteria, policies, and guidelines shall consider, but are not limited to, the following:

(1) The ability of a consortium to leverage additional funds in support of the program.

(2) The availability and likelihood of full-time employment in the regional labor market based on the successful completion of the High Road Training Partnerships Program, including the alignment of the training partnerships program with regional labor market demand.

(3) The process through which a consortium of local partners will assess the needs of participants and determine the most cost-effective manner possible for the provision of supportive services, including through the referral to, and utilization of, all other public and private programs and supportive services that may be available.

(d) The criteria, guidelines, and policies developed pursuant to this section shall be exempt from the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The board shall make the criteria, guidelines, and policies available to the public by posting them on its internet website.

(e) A consortium shall apply for a grant by submitting a plan to the board in accordance with subdivision (f). After consultation with the State Department of Social Services, the board may approve the submitted plan and award grant funds.

1 (f) A plan submitted pursuant to subdivision (e) shall include
2 all of the following:

3 (1) The number of people to be served.

4 (2) The coordination with local governments, public and private
5 employers in the area, community colleges, and other stakeholders.

6 (3) The availability and likelihood of full-time employment in
7 the local area based on the successful completion of the High Road
8 Training Partnerships Program.

9 (4) The process through which the needs of participants will be
10 assessed, and those needs met, in the most cost-effective manner
11 possible including through the referral to and utilization of all other
12 public and private programs and services that may be available.

13 (g) *A consortium that receives a grant shall report annually to*
14 *the California Workforce Development Board how it used*
15 *supportive service funds in sufficient detail to determine what*
16 *services qualified as support services and how much funding went*
17 *to each category of service.*

18 14055.1. (a) The board, as part of its supportive services
19 program pursuant to Section 14055, shall also develop High Road
20 Training Partnerships to address the displacement of workers,
21 including, but not limited to, farmworkers in the southern central
22 valley of the state and disconnected youth and youth at risk of
23 disconnection.

24 (b) “High Road Training Partnerships” means the initiative
25 project, administered by the board, to model strategies for the state
26 to develop industry-based, worker-focused training partnerships
27 that deliver equity, sustainability, and job quality and address
28 questions of income inequality, economic competitiveness, and
29 climate change through regional skills development designed to
30 support communities across the state.

The Honorable Jerry Hill
Chair, Senate Labor Committee
State Capitol, LOB Room 545
Sacramento, CA 95814

Re: SB 1103 (Hurtado) — Access to Workforce Training Programs -

Dear Senator Hill,

The City of Hanford is pleased to support SB 1103 (Hurtado), which will help unemployed and underemployed individuals access and complete workforce training programs through the Lifting Children and Families Out of Poverty Workforce Training Supportive Services Program.

The City of Hanford has experienced steady growth over the past five (5) years and is quickly approaching 60,000 residents. This bill would address a common problem among a large percentage of the population for the City of Hanford.

As we enter another major recession following the COVID-19 pandemic, SB 1103 (Hurtado) would also require the California Workforce Development Board to develop additional high road training program partnerships to help address the displacement of workers in the Central Valley, including farmworkers, disconnected youth, and youth at-risk of disconnection.

Despite having the fifth largest economy in the world, California still has the highest child poverty rate in the nation. In 2016, 83.5% of poor children in California lived in families with at least one working adult. Half of poor children (52.2%) lived in families with at least one adult working full time for the entire year, and a third (31.3%) had at least one adult in the family working part time and/or part of the year.

In November 2018, the Lifting Children and Families Out of Poverty Task Force submitted their report to the Legislature on strategies and recommendations to end deep child poverty and reduce overall child poverty by 50%. One of the priority recommendations made by the Task Force was to fund supportive services for low-income individuals to complete up-skilling vocational training programs.

However, the Task Force reported that many low-income workforce training participants do not complete their programs, often due to a lack of childcare or affordable transportation. In one report, 99% of workforce development program officials stated that they wanted to provide more supportive services, but only one-third said they were likely to expand services in the near future.

Attachment: SB 1103 LOS (SB 1103 Support)

In addition to these barriers, young adults were disproportionately economically impacted by the Great Recession due to their lack of work experience and lower level of skill attainment. And in the southern Central Valley, automation continues to displace key workforce populations like farmworkers.

As we enter another major recession following the COVID-19 pandemic, we must make sure to prioritize these vulnerable population and align our resources and programs to help them establish career pathways.

Workforce training programs have a proven foundational impact on disrupting the cycle of poverty by improving upward mobility and increasing positive adult outcomes for children living in poverty. SB 1103 would require the California Workforce Development Board, in partnership with the Office of the Chancellor of the California Community Colleges to establish and administer the Lifting Families Out of Poverty Workforce Training Supportive Services Program for participants in high roads training programs. Upon appropriation by the Legislature, this program will make grants of up to \$5,000 per low-income workforce participant per year available to help individuals complete workforce development training programs.

Now more than ever during pandemic-induced recession, SB 1103 will help provide immediate assistance to unemployed and underemployed workers to pursue training to improve their ability to ascend in their careers, and will have a foundational impact on disrupting multi-generational poverty.

For these reasons, the City of Hanford supports SB 1103 (Hurtado) and respectfully asks for your AYE vote in Senate Labor Committee.

Sincerely,

John Draxler, Mayor

Cc: Members, Senate Labor Committee
Senator Melissa Hurtado, author

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020	AGENDA SECTION: C
-------------------------------	--------------------------

SUBJECT:

Administration: Approval of a Letter of Support, on behalf of the City of Hanford, for S.B. 1110, California Medicine Scholar Program by Senator Melissa Hurtado.

RECOMMENDATION:

That the City Council, by motion, approve the Letter of Support for SB 1110 (Hurtado) to establish California Medicine Scholars Program (CMS) as a pilot program in four regions across the state.

BACKGROUND:

Senator Hurtado has introduced SB 1110, the Health care workforce development: California Medicine Scholars Program. to facilitate the expansion of the health care workforce in rural and underserved communities.

This bill would create the California Medicine Scholars Program, a 5-year pilot program commencing January 1, 2022, and would require the Office of Statewide Health Planning and Development to establish and facilitate the pilot program. The bill would require the pilot program to establish a regional pipeline program for community college students to pursue premedical training and enter medical school, in an effort to address the shortage of primary care physicians in California and the widening disparities in access to care in vulnerable and underserved communities, including building a comprehensive statewide approach to increasing the number and representation of minority primary care physicians in the state.

A letter of support will show the City of Hanford's endorsement of this piece of legislation.

FISCAL IMPACT:

No impact to the City of Hanford

SB 1110 Letter of Support

AMENDED IN SENATE MAY 19, 2020

AMENDED IN SENATE APRIL 17, 2020

SENATE BILL

No. 1110

Introduced by Senator Hurtado
(Coauthor: Senator Rubio)
(Coauthor: Assembly Member Blanca Rubio)

February 19, 2020

An act to add and repeal Article 2.8 (commencing with Section 127960) of Chapter 2 of Part 3 of Division 107 of the Health and Safety Code, relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

SB 1110, as amended, Hurtado. Health care workforce development: California Medicine Scholars Program.

Existing law establishes various programs to facilitate the expansion of the health care workforce in rural and underserved communities, including, but not limited to, the Health Professions Career Opportunity Program, the California Registered Nurse Education Program, and the Steven M. Thompson Medical School Scholarship Program.

This bill would create the California Medicine Scholars Program, a 5-year pilot program commencing January 1, 2022, ~~which would be established and facilitated by the State Department of Health Care Services. The purpose of the pilot program would be~~ and would require the Office of Statewide Health Planning and Development to establish and facilitate the pilot program. The bill would require the pilot program to establish a regional pipeline program for community college students to pursue premedical training and enter medical school, in an effort to address the shortage of primary care physicians in California and the widening disparities in access to care in vulnerable and underserved

communities, including building a comprehensive statewide approach to increasing the number and representation of minority primary care physicians in the state. The bill would require the ~~department office~~ to contract with the ~~nonprofit Marcus Foster Education Institute to be the~~ a managing agency for the pilot program, as specified. The bill would require the pilot program to consist of ~~4 regional hubs of excellence (RHEs)~~ *Regional Hubs of Health Care Opportunity (RHHO)* to achieve its ~~objectives. The bill would~~ objectives, and would require each ~~RHE~~ *RHHO* to include, at a minimum, 3 community colleges, one public ~~or private~~ 4-year undergraduate institution, one public ~~or private~~ medical school, and 3 local community ~~organizations, as specified.~~ organizations. The bill would require the managing agency to appoint an objective selection committee, with specified membership, to evaluate prospective ~~RHE~~ *RHHO* applications and select the ~~RHEs that would be participating RHHOs to participate~~ in the pilot program. The bill would require each ~~RHE selected to participate in the pilot program~~ *selected RHHO* to enter into memoranda of understanding between the partnering entities setting forth participation requirements, and to perform other specified duties, including ~~the establishment of~~ *establishing* an advisory board to oversee and guide the programmatic direction of the ~~RHE.~~ *RHHO*. The bill would require the selection process to be completed by June 30, 2021.

The bill would require each ~~RHE~~ *RHHO* to recruit and select 50 California Medical Scholars each year from 2022 to 2025, inclusive, in accordance with specified ~~criteria. The bill would require each RHE,~~ criteria, and to provide, by December 31, 2022, and by ~~December 31~~ *that date* of each year thereafter, up to and including 2025, ~~to provide~~ a status report on the implementation of the pilot program to the managing agency and the ~~department,~~ office, including data and information collected by each ~~RHE~~ *RHHO* during the applicable program year. The bill would require the managing agency and the ~~department~~ office to jointly prepare and submit to the Legislature a final report evaluating the success of the pilot program, including the data and information provided by the ~~RHEs,~~ *RHHOs*, in accordance with specified metrics. The bill would declare that its provisions are severable.

This bill would make these provisions inoperative on June 30, 2026, and would repeal the provisions as of January 1, 2027.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. (a) The Legislature finds and declares all of the
2 following:

3 ~~(a)~~

4 (1) California is facing a growing shortage of primary care
5 physicians.

6 ~~(b)~~

7 (2) It is projected that, by 2030, our state will face a skills gap
8 of 1.1 million workers with bachelor's degrees. Failure to keep up
9 with demand for skilled workers will curtail economic growth,
10 limit economic mobility, and increase inequality. The result will
11 be a less productive California economy, limited social mobility,
12 and lower incomes and tax revenue.

13 ~~(c)~~

14 (3) In addition, our health care workforce continues to lose
15 hundreds of thousands of doctors and nurses each year, with the
16 majority of them leaving before retirement age. Reducing attrition
17 would change the projected shortages more than any other single
18 factor.

19 (4) *Our nation, along with rest of the world, is currently*
20 *experiencing the devastating effects of the COVID-19 pandemic.*
21 *Future pandemics are not merely possible, but likely, and*
22 *California is acutely at risk for these events due to the state's*
23 *global travel hubs and metropolitan population. Patients must*
24 *have access to culturally competent care that they can trust, and*
25 *that understands their experience and limitations.*

26 ~~(d)~~

27 (5) Attracting and keeping quality physicians in California is a
28 constant challenge that has reached crisis proportions in some
29 areas, and is a particularly acute challenge in rural areas.

30 ~~(e)~~

31 (6) According to a 2017 report from the University of California
32 San Francisco Healthforce Center, California is predicted to see a
33 shortage of over 4,000 primary care clinicians by 2030. In regions
34 such as the central valley, the Inland Empire, and the Imperial
35 Valley, communities are already experiencing the pains of a
36 shortage. Patients in these regions face longer than average wait
37 times to see a physician or extensive time to travel to the closest
38 physician. These barriers discourage working families from seeking

1 regular care. As a result, the state incurs higher costs to cover
 2 Medi-Cal patients who are pushed to utilize urgent care and
 3 emergency rooms once they are affected by more acute medical
 4 conditions that could have been prevented with earlier and more
 5 regular access to a primary care physician.

6 ~~(f)~~

7 (7) Although the need is great in the Inland Empire, that region,
 8 unlike the San Joaquin Valley, has an established medical school
 9 with the University of California, Riverside, School of Medicine.
 10 A second, privately funded medical school, the California
 11 University of Science and Medicine, was also ~~just recently~~
 12 accredited in 2018. By comparison, since 2015, the central valley
 13 region has only begun to establish a medical school presence
 14 through the University of California, San Francisco (UCSF),
 15 Fresno, *and the San Joaquin Valley Program in Medical Education*
 16 ~~(PRIME) program and only program. Only~~ in the last year has *the*
 17 *central valley region* seen the establishment of a second medical
 18 school ~~in the central valley~~ *this area* with the privately funded
 19 California Health Sciences University, and the development of the
 20 University of California (UC), Merced, Center for Medical
 21 Education and Health Sciences.

22 ~~(g)~~

23 (8) The central valley also has shown strong evidence of a
 24 partnership development to address preparing community college
 25 students through the existence of multiple health workforce
 26 pathways through the California Community Colleges' Health
 27 Workforce Initiative, the Rural Health Equity and Learning
 28 Collaborative (HEAL) program at Bakersfield College, the
 29 engagement of the University of California, the California State
 30 University, and community colleges through the Central Valley
 31 Higher Education Consortium, the new partnership between UC
 32 Merced and UCSF Fresno, and the San Joaquin Valley Coalition
 33 for Medical Education.

34 ~~(h)~~

35 (9) As of 2015, the majority of California's population has been
 36 made up of minority groups. Therefore, it is now critical that efforts
 37 to increase access to care are driven by efforts to increase the
 38 number of diverse physicians entering the practice. *Latino*, African
 39 American, Native American, ~~Pacific Islander, and Latino and~~
 40 *Pacific Islander* physicians are significantly underrepresented

1 across California. Researchers from the University of California,
 2 Los Angeles, Latino Policy & Politics Initiative (LPPI) reported
 3 in 2018 that the scarcity of Latino physicians in California has led
 4 to a deficit of 54,655 Latino physicians required to achieve parity
 5 with non-Latino white physicians. Should existing trends in
 6 recruitment and training of physicians in the state efforts continue,
 7 LPPI researchers calculated it will take California five centuries
 8 to achieve parity. A total of six legislative districts have populations
 9 that are at least 65 percent African American, Latino, or Native
 10 American, and at least 15 percent noncitizen, including
 11 Congressional Districts 16 and 21, State Senate Districts 12 and
 12 14, and State Assembly Districts 31 and 32.

13 (i)

14 (10) Researchers have also found that ~~Black African American~~
 15 and Latino doctors are more likely to practice in communities that
 16 reflect their cultural background. Further studies have found
 17 evidence that the gaps in mortality between ~~black African American~~
 18 and white patients can be reduced when ~~black African American~~
 19 patients are treated by ~~black African American~~ physicians. Without
 20 a comprehensive, statewide strategy to increase the number of
 21 diverse doctors, the existing realities of continuing disparities in
 22 care and other indicators of well-being for communities of color
 23 hamper the state's bold leadership in actually improving health
 24 outcomes for our most vulnerable populations.

25 (j)

26 (11) Doctor shortage is a significant deterrent to recruitment.
 27 Doctors are facing an enormous amount of debt when finishing
 28 medical school. This profession requires extensive education,
 29 training, and skills. In addition to bringing more young people into
 30 the profession, we must also find ways to keep quality doctors in
 31 California.

32 (k)

33 (12) Currently, the California Community Colleges do not offer
 34 a pipeline for students that would facilitate their ability to attend
 35 medical school.

36 (l)

37 (13) The California Community Colleges comprise the largest
 38 system of higher education in the nation, with 2.1 million students
 39 attending ~~113~~ 115 colleges.

40 (m)

(14) While our state's universities ~~offers~~ *offer* extensive and innovative health and science programs, many communities are not geographically close to a four-year university that ~~offer~~ *offers* the courses for students entering medical school.

(n)

(15) Existing and proposed pipeline programs for increasing the diversity and capacity of the health care workforce, including UC PRIME and the proposed California Health Careers Opportunity Program (HCOP), *Program*, have provided exemplary lessons to date in support of medical students to serve minority populations and fill critical gaps in the overall need for health workers.

(o)

(16) Across the segments of higher education in California, the diversity in the state's community colleges most closely reflects the diversity of the state's population. Among aspiring and enrolled medical school students, research from the Healthforce Center at UCSF has found that the cost of higher education proved to be one of the single greatest barriers to underrepresented minorities seeking to pursue a medical degree. With the steadily rising cost of tuition in the University of California, the California State University, and among private, not-for-profit colleges in California, coupled with rising costs of living across the state, first-generation and underrepresented minority students are increasingly choosing to start their postsecondary education in community colleges despite being academically competitive applicants to ~~the~~ *the* ~~forementioned~~ *those* institutions. Among first-time postsecondary Latino and ~~Black African American~~ enrollees in California's higher education institutions, nearly two-thirds enter via the community colleges.

(p)

(17) The California community colleges have made notable gains in improving their infrastructure for on-time transfer and career preparation in health-training pathways as a result of recent state legislation and state-funded initiatives, including the California Guided Pathways Project and the Strong Workforce Program. While these initiatives have improved the capacity of the community colleges to support underrepresented minorities to transfer or pursue health care workforce opportunities, ~~they~~ *those* ~~initiatives~~ have not yet led to specific practices to adopt advisory

1 or other resources *to initiate premedical training* for students who
 2 may wish to consider a path to transfer and ~~eventual medical school~~
 3 ~~application that initiates their premedical training, to eventually~~
 4 ~~apply to medical school.~~

5 (q)

6 (18) In light of the overall increases in postsecondary enrollment
 7 among first-time college students, if the state seeks to expand its
 8 physician pool, building this pathway opportunity from the
 9 community college system ~~seems like~~ is a natural first step.
 10 National studies in 2014 and 2018 ~~out of~~ *conducted by* the
 11 University of California, Davis, School of Medicine have also
 12 found that over 25 percent of United States medical school
 13 graduates utilize a community college at some point in their higher
 14 education path. Furthermore, these studies found that graduates
 15 who attended community college while in high school, in a
 16 traditional post-high school transfer pathway, or after completion
 17 from a four-year undergraduate college or university, were more
 18 likely to train in family medicine than medical graduates who did
 19 not attend a community college.

20 (r) ~~It is, therefore,~~

21 (b) *Therefore, it is the intent of the Legislature to create a pilot*
 22 ~~program~~ *the California Medicine Scholars Program, a pilot*
 23 *program, to build upon existing programs to improve the*
 24 *premedical infrastructure by creating a pipeline from the California*
 25 *Community Colleges' system, the second largest and most diverse*
 26 *higher education system in the world, to the practice of primary*
 27 *medicine. The California Medicine Scholars Program, as*
 28 *established by this act, will help produce physicians, and, upon*
 29 *completion of their training, these physicians will care for patients*
 30 *in vulnerable and underserved communities. These physicians will*
 31 *also come from backgrounds that will help provide them with an*
 32 *understanding of the way of life in those communities, which is*
 33 *integral to enabling them to help stop or limit future pandemics.*

34 SEC. 2. Article 2.8 (commencing with Section 127960) is
 35 added to Chapter 2 of Part 3 of Division 107 of the Health and
 36 Safety Code, to read:

1 Article 2.8. California Medicine Scholars Program

2
3 127960. (a) ~~The State Department of Health Care Services~~
4 *Office of Statewide Health Planning and Development (office)*
5 shall establish and facilitate the California Medicine Scholars
6 Program (CMSP), as a five-year pilot program, commencing
7 January 1, 2022. ~~The pilot program shall expand upon the existing~~
8 ~~work of the California Medicine Coalition under the leadership of~~
9 ~~the nonprofit Marcus Foster Education Institute (MFEI), in~~
10 ~~accordance with this article.~~ The purpose of the pilot program is
11 to establish a regional pipeline program for community college
12 students to pursue premedical training and enter medical school,
13 in an effort to address the shortage of primary care physicians in
14 California and the widening disparities in access to care in
15 vulnerable and underserved communities, by building a
16 comprehensive statewide approach to increasing the number and
17 representation of minority primary care physicians in the state.
18 ~~The program CMSP shall be implemented through the creation of~~
19 ~~four regional hubs of excellence (RHEs);~~ *Regional Hubs of Health*
20 *Care Opportunity (RHHO)*, as described in Section 127962.

21 ~~(b) The department~~

22 ~~(b) (1) The office shall contract with the MFEI in its capacity~~
23 ~~as the operating intermediary for the California Medicine Coalition~~
24 ~~an appropriate entity to serve as the managing agency of the pilot~~
25 ~~program in accordance with this article. By June 30, 2021, the~~
26 ~~MFEI managing agency, as selected by the department, shall~~
27 ~~provide dedicated staffing for the pilot program's planning and~~
28 ~~management and programmatic management. Programmatic~~
29 ~~operations shall be overseen by the MFEI's executive board; the~~
30 ~~executive board or other governing entity of the managing agency.~~

31 ~~(2) The managing agency, as selected by the department, shall~~
32 ~~be a nonprofit or for-profit organization with demonstrated~~
33 ~~expertise in areas including, but not limited to, health profession~~
34 ~~education and health equity.~~

35 ~~(c) To implement this section, the department may enter into~~
36 ~~exclusive or nonexclusive contracts, or amend existing contracts~~
37 ~~on a bid or negotiated basis. Any contract entered into or amended~~
38 ~~pursuant to this subdivision shall be exempt from Chapter 6~~
39 ~~(commencing with Section 14825) of Part 5.5 of Division 3 of Title~~
40 ~~2 of the Government Code, Part 2 (commencing with Section~~

10100) of Division 2 of the Public Contract Code, and the review or approval of any division of the Department of General Services.

(e)

(d) Implementation of the pilot program is contingent upon the appropriation by the Legislature of sufficient funds for its purposes. The office may also accept private funds for purposes of increasing the cohort size.

127961. The duties of the managing agency shall include, but not be limited to, all of the following:

~~(a) Program data collecting, tracking, and reporting to the department.~~

~~(b) Providing ongoing technical assistance to RHEs in setup and implementation, convening the RHE project leads, and providing statewide professional development to RHE administrators and educators.~~

(a) Collecting, tracking, documenting, and reporting to the office on all of the following:

(1) Program data.

(2) Enhanced institutional practices.

(3) System improvements.

(b) Providing ongoing technical assistance to the RHHOs in tracking and implementation, convening RHHO project leads, providing statewide professional development to RHHO administrators and educators, and supporting the facilitation of improved linkages across the participating institutions, regions, and various programs engaged together with the RHHO project leads and the RHHO advisory boards established pursuant to Section 127962.

(c) Managing and disseminating statewide communications and publications, and coordinating statewide annual meetings of higher education and health industry leaders and professional development for administrators and educators across the ~~RHEs~~ RHHOs.

(d) Coordinating annual events for all California Medicine Scholars across the ~~RHEs~~ RHHOs to foster a statewide cohort of aspiring primary care physicians coming out of California's community colleges.

127962. (a) (1) Each ~~RHE~~ RHHO shall be selected through a competitive process, whereby interested collaborations of higher education institutions, community organizations, and local health

1 centers may apply to an issued request for applications and selected
2 by the committee convened pursuant to subdivision (b).

3 (2) Each proposed ~~RHE~~ *RHHO* shall include, at a minimum,
4 *all of* the following institutions and entities:

5 (A) Three California community colleges.

6 (B) One public-~~or private~~ four-year undergraduate institution
7 in California.

8 (C) One public-~~or private~~ medical school in California.

9 (D) Three local community organizations, ~~at least one of which~~
10 *organizations. At least one of those organizations* shall be a local
11 community health-center. ~~center, and one shall be a hospital. The~~
12 *selected hospital shall serve underserved communities and regions,*
13 *and that hospital shall be aligned with the mission of the pilot*
14 *program to prepare community college students from underserved*
15 *communities in order to serve those communities.*

16 (3) At least one of the selected ~~RHEs~~ *RHHOs* shall be located
17 in the central valley.

18 (b) (1) The managing agency shall appoint an objective ~~RHE~~
19 *RHHO* selection committee that includes, at a minimum, *all of* the
20 following members:

21 (A) One state-level representative from each of the following:

22 (i) The California Community Colleges.

23 (ii) The University of California.

24 (iii) The California State University.

25 (iv) The California Primary Care Association.

26 (B) One or more individuals with legal expertise, particularly
27 in the requirements of the California Civil Rights Initiative, who
28 shall review the committee's preliminary ~~RHE~~ *RHHO* selections
29 to ensure adherence to those requirements.

30 (2) *The Secretary of the Senate and the Chief Clerk of the*
31 *Assembly shall each appoint one member of their respective house*
32 *to the RHHO selection committee, and those two appointees shall*
33 *serve in an advisory capacity.*

34 (2)

35 (3) The selection committee shall establish evaluation criteria
36 based on applying each applicant's submission of baseline metrics
37 on student enrollment, transfer and academic measures for
38 community colleges and four-year institutions, the capacity to
39 ~~establish~~ *establish*, and prior existence-~~of of~~, the proposed
40 partnerships, and the proposed region's need for primary care

1 physicians. *The committee shall also take into consideration an*
 2 *applicant's proximity to medical schools and give special*
 3 *consideration to community colleges that are working to expand*
 4 *health care facilities.*

5 (c) The ~~RHE~~ *RHHO* selection process shall be completed by
 6 June 30, 2021. Once an ~~RHE~~ *RHHO* is selected and established,
 7 the ~~RHE~~ *RHHO* shall implement the pilot program in accordance
 8 with requirements established in memoranda of understanding that
 9 shall be entered into by the ~~RHE~~ *RHHO* participating entities by
 10 January 1, 2022. The requirements shall include, at a minimum,
 11 all of the following:

12 (1) To hire an ~~RHE~~ *RHHO* project lead, whose position shall
 13 be ~~fully funded with state or other funds provided for the purposes~~
 14 ~~of the pilot program and the RHEs' funds. The RHHO may also~~
 15 ~~accept private funds for this purpose.~~

16 (2) For each ~~RHE~~ *RHHO* participating educational institution,
 17 to identify a faculty advocate, a program lead, and a data and
 18 research lead to represent the various interests of the ~~RHE~~ *RHHO*
 19 partners. In addition, participating local health centers and other
 20 community organizations shall jointly identify programmatic and
 21 data leads.

22 (3) To implement data sharing, analysis, and the continuous
 23 testing of data-informed practices, to foster a statewide
 24 collaboration of mutual accountability for improvement, consistent
 25 with applicable state and federal law.

26 (4) To establish an advisory board, comprised of local business,
 27 education, health industry, and other community leaders to oversee
 28 and guide the programmatic direction of the ~~RHE~~ *RHHO* with the
 29 ~~RHE~~ *RHHO* project lead. The advisory board shall help to guide
 30 the unique establishment of regionally specific ~~RHE~~ *RHHO*
 31 partnerships and opportunities for students along the pathway to
 32 support the accomplishment of its targets for student outcomes.
 33 These opportunities may include, but need not be limited to,
 34 scholarships, internships, shadows of clinical rotations, and
 35 research or community service ~~that to ensure students gain a~~
 36 ~~familiarity with the unique needs and challenges for primary care~~
 37 ~~in their region and are instilled with a sensitivity to the culture and~~
 38 ~~unique patient populations of the region.~~

39 127963. (a) By January 1, 2022, each ~~RHE~~ *RHHO* shall be
 40 operational and shall have recruited and selected at least 50

1 California Medicine Scholars across every partnering community
 2 college, with 15-20 students per college, for a total of 200 students
 3 in the initial CMSP cohort statewide. Participating students shall
 4 have completed at least one semester of study in a California
 5 community college ~~prior to~~ *before* selection.

6 (b) (1) Subsequent recruitment and selection of California
 7 Medicine Scholars shall occur by each ~~RHE~~ *RHHO* by January 1
 8 of every year from 2023 to 2025, inclusive, consistent with the
 9 criteria established in subdivision (a). The final year of recruitment
 10 and selection of California Medicine Scholars shall also be a critical
 11 measurement point to evaluate the initial success of the ~~program~~,
 12 *CMSP*, as provided in Section 127964, with a focus on supporting
 13 all 200 *students* of the first pilot cohort to be eligible for transfer
 14 and acceptance into a participating University of California,
 15 California State University, or four-year private college in one of
 16 the four ~~RHEs~~ *RHHOs*.

17 (2) An ~~RHE~~ *RHHO* shall encourage ~~students who elect any~~
 18 *student who elects* to leave the ~~program~~ *CMSP* to independently
 19 pursue ~~careers a career~~ in health or the health ~~sciences~~ *services*,
 20 *and shall facilitate for that student any connections to those*
 21 *programs if that student chooses to pursue those fields.*

22 127964. (a) By December 31, 2022, and by December 31 of
 23 every year from 2023 to 2025, inclusive, each ~~RHE~~ *RHHO* shall
 24 provide a status report on the implementation of the pilot program
 25 to the managing agency and the ~~department~~ *office*. The report
 26 shall include data and information collected by each ~~RHE~~ *RHHO*
 27 during the program year as required by this article.

28 (b) (1) By June 30, 2026, the managing agency and the
 29 ~~department~~ *office* shall jointly prepare and submit to the Legislature
 30 a final report evaluating the success of the ~~California Medicine~~
 31 ~~Scholars Program~~, *CMSP*, including the data and information
 32 provided by the ~~RHEs~~ *RHHOs* under subdivision (a). The report
 33 shall evaluate the ~~program~~ *CMSP* based on all of the following
 34 metrics:

35 (A) The competitive selection and establishment of the four
 36 ~~RHEs~~ *RHHOs* across California with a full-time ~~RHE~~ *RHHO*
 37 program lead in each ~~RHE~~ *RHHO*, and the participation of at least
 38 the institutions for each ~~RHE~~ *RHHO* as described in Section
 39 127962.

1 (B) The implementation and adoption of premedical advising
2 standards or standardized guidelines as set out by the managing
3 agency and specific to each ~~RHE~~ *RHHO* by at least 12 California
4 community ~~colleges~~, *colleges* and four-year undergraduate
5 institutions across the four proposed ~~RHEs~~ and endorsed *RHHOs*.
6 *These standards or standardized guidelines shall be endorsed by*
7 the participating schools of medicine, by June 30, 2023.

8 (C) The implementation and adoption of a student-identifying
9 marker in the institutional data systems of the ~~RHE~~ *RHHO*
10 participating community colleges and four-year undergraduate
11 institutions to identify students as “California Medicine Scholars,”
12 by June 30, 2022.

13 (D) (i) The application and selection of at least 400 full-time
14 enrolled students in a California community college who have
15 completed a minimum of one term in the community college, who
16 are identified as “California Medicine Scholars” in their
17 participating colleges by January 1, ~~2022~~, and the 2022.

18 (ii) *The* application and selection of at least 150 additional
19 California Medicine Scholars who match the above criteria by
20 January 1, 2023, as provided in Section 127963.

21 (E) At least 200 California Medicine Scholars’ enrollment and
22 completion of a health internship, research apprenticeship, or at
23 least 6 weeks of part-time employment in a health, public health,
24 or primary care-related position or setting by June 30, 2023, while
25 enrolled as California community college students.

26 (F) An overall increase in the percentages of African American,
27 ~~Hispanic or~~ Latino, and Native American student populations
28 enrolled full time in participating California community colleges
29 who successfully achieve transfer-level math and English by the
30 completion of their second year enrolled in a California community
31 college. For purposes of this subparagraph “transfer-level math
32 and English” has the same meaning as defined by the California
33 Community Colleges’ management information systems.

34 (G) An overall increase in the rate of acceptance to participating
35 four-year undergraduate institutions for transfer students applying
36 from participating California community colleges.

37 (H) At least 80 percent of the California Medicine Scholars
38 eligible to transfer, and accepted to attend, a participating four-year
39 undergraduate institution after completing two years of full-time
40 enrollment in a California community college.

1 (I) The establishment of a CMSP planning and management
2 office with four full-time and one part-time employees hired by
3 June 30, 2021, as described in Section 127960. 2021.

4 (J) The execution of memoranda of understanding and data
5 sharing agreements among all participating entities within each of
6 the RHEs, RHHOs, with each other, and with the CMSP planning
7 and management office by January 1, 2022.

8 (2) A report submitted under this subdivision shall be submitted
9 in compliance with Section 9795 of the Government Code.

10 127965. The provisions of this article are severable. If any
11 provision of this article or its application is held invalid, that
12 invalidity shall not affect other provisions or applications that can
13 be given effect without the invalid provision or application.

14 127966. This article shall become inoperative on June 30, 2026,
15 and, as of January 1, 2027, is repealed.

CITY MANAGER
MARIO CIFUENTEZ II

CITY ATTORNEY
ROBERT M. DOWD

June 2, 2020

The Honorable Senator Pan
Chair, Senate Health Committee
State Capitol, Room 2191
Sacramento, CA 95814

Re: SB 1110 (Hurtado) — California Medicine Scholar Program —SUPPORT

Dear Senator Pan,

The City of Hanford is pleased to support SB 1110 (Hurtado), which will establish California Medicine Scholars Program (CMS) as a pilot program in four regions across the state. The CMS program is a pre-medical pathway pipeline program, in partnership with California Community Colleges (CCCs) and California's medical schools operated through a statewide office and regional collaboration of higher education institutions and health centers, referred to as Regional Hubs of Excellence (RHE).

The City of Hanford has experienced steady growth over the past five (5) years and is quickly approaching 60,000 residents. This bill would provide tremendous opportunities for the largest percentage of the population for the City of Hanford.

SB 1110 (Hurtado) would develop a statewide pathway to medicine from the California Community Colleges therefore provides an opportunity to the state to invest in a new approach to diversifying the in-state pipeline to the medical field. It will also have a competitive selection and establishment of four RHE across California across California by June 30, 2021, which will include three community colleges, one four-year undergraduate institution, one medical school and three local community organizations of agencies of which at least one must be a local community health center.

It is critical that efforts to increase access to care are driven by efforts to increase the number of diverse physicians entering the practice, and to ensure access to prospective doctors who are from the communities they serve. African American, Native American, Pacific Islander and Latinx physicians are extremely underrepresented across California. For example, researchers from the UCLA Latino Policy and Politics Initiative (LPPI) reported in 2018 that the scarcity of Latino physicians in California has led a deficit of 54,655 Latino physicians required to achieve parity with non-Latino White physicians. If existing trends in recruitment and training of physicians in the state efforts, continue, LPPI researcher calculated it will take California five centuries to reach parity.

Attachment: SB 1110 Letter of Support (SB 1110 Support)

This bill aims to create a pathway program of our state's community college students to pursue pre-med training and enter medical school in California.

For these reasons, the City of Hanford supports SB 1110 (Hurtado) and respectfully asks for your AYE vote in Senate Health Committee.

Sincerely,

John Draxler, Mayor

Cc: Members, Senate Health Committee
Senator Melissa Hurtado, author

Attachment: SB 1110 Letter of Support (SB 1110 Support)

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020	AGENDA SECTION: D
-------------------------------	--------------------------

SUBJECT:

ADMIN: Approval of an amendment to the existing service contract with Swagit to include video streaming of Council Meetings and approval of the purchase of a single camera solution at a One Time Cost of \$11,790 and video streaming services for the annual amount of \$10,200.

RECOMMENDATION:

That the Council approves the amendment to the existing service contract with Swagit to include video streaming and approve the purchase of a single camera solution, and video streaming services for a total initial cost of \$21,990, with the annual contract amount to be \$10,200 per year thereafter.

BACKGROUND:

As part of the City Council's Goals and Objectives, the Council developed and approved the following Goal for 2020:

The City of Hanford and all of its citizens will be kept informed of important city matters through a well-aligned and multi-faceted system of public communications

The purchase and installation of a video streaming system is consistent with that Goal and furthers the Council's efforts to reaching a broader section of the public.

With the existence of COVID-19 crisis and the resulting stay at home order, there became a need to hold meetings virtually and while the conducting of meetings via Zoom has had its challenges, it has become clear that it is beneficial to broadcast meetings to the residents of Hanford that may not be able to attend in person. The addition of the ability to live stream City Council meetings would include a larger availability for the residents of Hanford to view the meetings, which increases transparency in the business dealings of the City.

The City has contracted with Swagit for many years, providing recorded audio streaming of the

City Council, as well as Commission meetings. This change in the contract would continue the audio streaming of the Commission's but include a hands-free video streaming of the City Council meetings. The meetings would be available as a live stream via the web as well as indexed, to the agenda, as recorded meeting. Swagit is a totally hands-free solution for the City where Swagit personnel handle the recording/production of the video system.

It is important to note that once the Governor's Stay at Home order is completely lifted and the relaxed Brown Act rules are lifted, the Public will no longer be able to comment on meetings remotely. They will simply be able to view the proceedings and keep informed as we move forward.

FISCAL IMPACT:

Swagit Proposal and Costs

EXECUTIVE SUMMARY

Company History and Information

Swagit Productions, LLC, founded in 2003, is a privately held company headquartered in Dallas, Texas. Swagit is a progressive company that is pioneering the broadband multimedia communication service industry by providing clients a **hands-free** approach to always being connected to end-users' information needs. In combining Swagit's EASE™ and Avior™ HD solutions, clients are offered the most comprehensive **hands-free** experience possible.

Swagit specializes in providing streaming media solutions to cities, counties, states, school districts, and health providers. In addition, Swagit is a complete video production entity, providing services such as post-production, studio and recording booth sessions.

Swagit began with a mission to supply clients an affordable solution to stream their own content in an overpriced, complicated, hands-on video industry. From its beginnings as a company specializing in turnaround streams for cities, counties, states and school districts, Swagit has grown significantly and provides an open API which allows for integrations with all major Agenda/Document Management and Voting Solutions. This lets our clients choose the best Agenda/Voting Solution for their unique needs.

With Swagit's EASE™ streaming video solution, clients are able to stream their public content live and on-demand through the jurisdiction's website. HTML5 compatibility makes getting to the content even easier and more convenient as viewers are able to access all of the video content via their computers, smart phones or tablets. Archived meetings are indexed and broken up into clips by agenda item for a superior end-user experience.

Avior™ HD is Swagit's hands-free broadcast solution: a complete package of 3+ HD cameras, professional video switching equipment, and associated components that allows either Swagit's video department to remotely control the cameras or on-site camera control by government staff. When bundled with Swagit's hands-free EASE™ video streaming system, Avior™ HD can offer a full end-to-end hands-free broadcast solution that requires no client staff involvement for operation of cameras and streaming of an event or meeting.

The Swagit network stretches across North America, ensuring fast connect times from the closest point-of-presence (POP) to an end-user's location. Swagit's network is fully redundant, giving clients peace of mind and keeping with the Swagit motto, "Always Connected."

Points of Difference

- Swagit's EASE™ solution is completely **hands-free** and requires no staff time or resources
- Sound Search™ allows residents to search for the spoken word in a meeting which is synced to video
- Swagit's open API allows integrations with agenda management solutions
- Swagit is the only government streaming provider that has developed its own content delivery network, ensuring quick and reliable connections for your constituents
- Unlimited storage for Specialty Content and Meetings
- Swagit's unique **hands-free** solutions typically qualify as a sole-source purchase, allowing for quick deployments

OVERVIEW OF PROPOSED SOLUTION

EASE™ Hands-Free Streaming

Swagit's **Extensible Automated Streaming Engine (EASE™)** solution meets all current and future needs for government without creating additional work for staff. EASE™ is a hands-free tool that eliminates the need for client staff members to index, edit, or time-stamp their video content. Each EASE™ package includes on-demand archiving, a 24/7 live stream via internet and PEG, streaming to mobile devices, and up to 120 hours of additional generic specialty content each year. If live streaming is not applicable, clients can upload media via FTP.

Avior™ HD Broadcast System

Swagit's **Avior™ HD Broadcast System** is a complete package of high-definition PTZ (Pan, Tilt, and Zoom) cameras, professional video-switching equipment, and associated components, that enables any client to fully outsource the operation and production of a multi-camera broadcast for public meetings. Avior™ also offers video graphics/titles overlay and Real Time Captioning support.

EASE™ HD/SDI Premium Captioning Encoder with SDI CC Encoding Unit

Swagit's **EASE™ HD/SDI Premium Captioning Encoder** is a high definition and/or standard definition (HD-SDI) encoding unit for video plus captioning. The package includes:

- Web-based multi-encoder management and closed captioning support
- Web Based caption GUI
- EASE™ HD-SDI Remote Video Indexing Kit (includes Scheduler)
- HD/SD Encoding/Transcoding Software - server or cloud deployable encoding/transcoding software
- HD/SD Baseband or IP Encode/Transcode single-channel license (enables encoding/transcoding of 1 HD/SD channel)
- SDI CC Encoding Unit (to provide audio captions over IP, for real-time captioning service)

Closed Captioning

Live Automated Transcribing is intelligent assisted real-time speech-to-text automation for captioning. Swagit's **Caption Sync** service works in conjunction with Live Automated Captioning; Swagit cleans up existing transcripts and synchronizes them with meeting video for on-demand viewing.

Social Media eXstream

Social Media eXstream connects meetings and events with live social platforms such as Facebook Live and YouTube Live. Jurisdictions can instantly live-stream local events to followers and engage with viewers in real time with Swagit's Social Media eXstream Package.

Sound Search™

Sound Search™ is an innovative product which improves the search for specific content in archived videos. A positive search hit for a spoken word or phrase will take the viewer to the exact location that it was spoken within a meeting video.

Note: Some features listed in this document may be system options or may require equipment not included in the provided pricing proposal.

SERVICE DESCRIPTIONS

Attachment: Swagit Proposal and Costs (ADMIN: COUNCIL VIDEO STREAMING)

EASE™ Streaming Appliance

Video Capture, Encoding, and Streaming

The Extensible Automated Streaming Engine (EASE™) is a software framework consisting of foundation and extension modules that work together to automate many otherwise manually intensive tasks. This completely hands-off solution meets the current and future needs of your entity without creating any additional work for your clerks or webmasters.

▪ **Video Capture and Encoding**

EASE™ Streaming Appliance records content according to your broadcast schedule and transfers the recorded audio/video to the Swagit Content Network via a secure Virtual Private Network (VPN) connection, making it available for live and/or on-demand streaming.

▪ **Indexing and Cross Linking**

Using your published meeting agendas as a guide, Swagit's Managed Service Division (SMSD) indexes the meetings without any work from the city. SMSD will annotate your content by adding jump-to points with specific item headings, giving users the greatest flexibility to find the specific content they need. With these jump-to points, users can step through video by searching for or clicking specific items.

▪ **Agenda Management Integration**

If meeting packets or other related information is available online, SMSD will link them directly to the video player for easy access.

Swagit's EASE™ solution integrates with all major Document/Agenda Management solutions.

▪ **Archiving**

Client audio/video can be stored securely on the Swagit Content Network indefinitely. Fault tolerance and high availability is assured through replication of audio/video content to multiple, geographically redundant, Storage Area Networks (SAN). Our packages offer unlimited storage.

▪ **Presentation**

By navigating through the video library, users can view a list of meetings chronologically and once in a selected meeting you can unleash the power of the jump-to markers to search for specific points within individual audio/video clips.

▪ **Delivery**

In order to deliver on-demand content to end users in a format that is compatible with their computer's operating system, Swagit can deliver content in all major streaming video formats: Flash, Windows Media, QuickTime, Real, and HTML5. Swagit is proud to support Flash as its default format, which has proven itself as the format of choice from such vendors as YouTube, Google Video, ABC and NBC/Universal. With HTML5 streaming, Swagit provides content to mobile devices including iPhones, iPads and Android devices.

■ Monitoring

Swagit is monitoring all aspects of the Swagit Content Network to ensure its health and availability. This monitoring extends to cover remote Swagit EASE™ streaming appliances that are deployed on client premises. In the rare event of trouble our engineers are promptly notified so that they may dispatch a swift response in accordance with our support procedures.

■ Statistics

Swagit collates log files from our streaming servers monthly and processes them with the industry recognized Google Analytics. Google Analytics generates reports ranging from high-level, executive overviews to in depth quality of service statistics. These reports help to highlight growth trends and identify popular content.

■ Support

Beyond our proactive monitoring and response, Swagit offers ongoing, 24/7 technical support for any issues our clients may encounter. While our choice of quality hardware vendors and a thorough pre-installation testing phase go a long way toward ensuring trouble-free operation of our EASE™ streaming appliances, we do recognize that occasionally unforeseen issues arise. In the event that our engineers detect a fault, they will work to diagnose the issue. If necessary, next business day replacement of parts will be completed. Swagit offers continual software updates and feature enhancements to our services and products for the life of your managed services contract.

Avior™ Hands-Free Broadcast System

HD Video Capture, Encoding, Broadcast, and Streaming System

Built on years of industry experience and developed to address the growing transparency needs of government, Swagit's Avior™ HD Broadcast System is a complete package of HD PTZ (Pan, Tilt, and Zoom) cameras, professional video-switching equipment, and associated components, that enable any client to fully outsource the operation and production of a multi-camera broadcast for public meetings.

Avior™ HD cameras are installed by Swagit personnel in one or multiple positions within a meeting room. As a meeting is being recorded, Swagit's video department controls the Avior™ system from their Dallas, Texas headquarters — switching between cameras (for views of the podium, presentation slides, and dais), while also directing and controlling those cameras through selective panning, close-ups, and wide shots. The Avior™ HD broadcast-quality robotic cameras are able to tilt and pan through wide angles of motion and can zoom through large ranges.

Avior™ enables detailed direct camera positioning (pan, tilt, zoom, focus, and more), preset-positions, and video settings (white balance, backlight, brightness) for the robotic cameras. Additionally, Avior™ communicates with the switcher to allow direct operation of the 'wipe' function from the camera control GUI. With this powerful package you or Swagit can control all your cameras individually and switch video sources on a video switcher locally or remotely. Avior™ is an invaluable integration of camera-control with switcher operations for use with live production setups like city chambers, churches, meeting rooms, and more.

Avior™ includes 3+ robotic (computer-controllable pan/tilt/zoom) cameras. These popular robotic cameras have excellent video quality and performance, with the ability for panning through wide angles of motion, tilting through large ranges with superb optical zoom, and dual video output of Y/C and composite. They also support both RS232 and RS422 (long distance over 1000 meters) control signals. In addition, the cameras can be mounted either "up" or "hanging upside down" for your convenience (they have built-in reversal of the picture and left/right/up/down motion controls).

Avior™ HD is a remotely operated one-of-a-kind hands-free transparency suite that will save your jurisdiction time and money. When bundled with Swagit's hands-free EASE™ video streaming system, Avior™ can offer a full end-to-end hands-free broadcast solution that requires no client staff involvement for operation of cameras and/or streaming of an event or meeting.

- Fully automated
- 3+ HD camera solution
- Hands-free broadcast system
- Video graphics/titles overlay
- Free software updates
- Can be used locally when/if applicable
- Typically Integrates with existing A/V equipment
- Small footprint — equipment is self-contained on its own rack

Captioning for Compliance

Streaming Video Enhancement

Captioning for streaming media is the method of displaying a text version overlay for the spoken words within a video. It helps viewers who may be deaf or who have reduced hearing.

Federal agencies, contractors and employers should be acutely aware that their live streaming and broadcast events must now be captioned for accessibility, as mandated by recent updates to Section 508 of the Rehabilitation Act, plus changes to state laws that now require accessibility for federally-funded organizations such as colleges, universities, and research facilities. Even when Section 508 doesn't apply, many non-federal websites and their video content must still be accessible under other laws such as Section 504 of the Rehabilitation Act of 1973.

Swagit can help meet your accessibility obligations with captioning for live streaming and broadcast events. Whether for your one-off events or longer-term fixed placements, Swagit can provide hands-free support with compliant turnkey live video services.

FEATURES

- ▶ Meets FCC mandated ADA requirements for closed captioning
- ▶ Hands-free captioning service
- ▶ Live and/or on-demand
- ▶ Multiple captioning options
- ▶ Visible on mobile devices
- ▶ Captioning for TV broadcast
- ▶ Captioning of archival video
- ▶ Dedicated staff to exceed expectations

Captioning Services

Streaming Video Enhancement

Real-Time (Live) Captioning

Swagit can provide real-time captioning for live programming, as well as sync those captions for on-demand usage after the event has come to its completion. Captioning through Swagit can be distributed to both TV and the Web simultaneously, if needed.

- **CaptionLive**

Human Assisted Real-time Transcription (HART); captions are created as an event takes place, utilizing a live transcriber. (Specific captioning appliance required for this service.)

Post-Event (On Demand) Captioning

- **CaptionPM**

Human assisted post-meeting captioning for video on demand, completed and aligned with event video within 4 business days of broadcast.

Additional Captioning Services

- **Speech-to-Text Document**

A basic text file created from spoken words in a meeting audio; does not include non-audio information such as speaker identification or graphic presentations. It is not a word-for-word legal transcript.

- **SwagitSync**

Swagit synchronizes your 3rd-party live captioning transcript with event video for on-demand viewing; completed within 4 business days of broadcast.

Captioning rates are calculated in full hours only, and are based on total length of meeting or event, which includes breaks, closed sessions, and other non-captioned events during that length of time.

Swagit meets FCC mandated ADA requirements for closed captioning.

Specific captioning appliance may be required for these packages and services.

Sound Search™

On-Demand Streaming Video Search Enhancement

Swagit's innovative Sound Search™ dramatically improves the search for specific content in archived videos. A positive search hit for a specific spoken word will take the viewer to the exact location within any meeting that the word or phrase was spoken.

Sound Search™ results are displayed by the date and second mark, and provide a direct "jump-to" link for each instance a searched word or phrase was spoken during meetings. When a search result is selected, the audio/video clip will begin playing several seconds prior to the search result, giving greater context to the result.

Swagit's focus is on emerging technology and pioneering features like Sound Search™ that enable increased resident engagement.

- ▶ Search results are date- and second-marked
- ▶ Direct "jump-to" link by spoken word
- ▶ Increased resident engagement

The screenshot displays the Swagit Sound Search interface. At the top, the Houston Television (Htv) logo is visible. Below it, a search bar contains the word "water". To the right of the search bar is a magnifying glass icon. Below the search bar, there are two buttons: "Text Search" and "Sound Search". The "Sound Search" button is highlighted. Below the buttons, there is a table with two columns: "Item" and "Date". The table lists search results for the word "water" across different dates. The first result is for "City Council" on "Nov 09, 2016". Under this date, there is a list of second marks: 242 sec., 251 sec., 255 sec., 263 sec., 501 sec., 577 sec., 596 sec., 605 sec., 611 sec., 623 sec., 665 sec., 670 sec., 713 sec., 734 sec., 779 sec., 821 sec., 1018 sec., 1060 sec., 1090 sec., 1121 sec., 1151 sec., 1159 sec., 1182 sec., 1191 sec., 1211 sec., 1240 sec., 1269 sec., 1278 sec., and 1402 sec. The second result is for "City Council" on "Apr 19, 2016". Under this date, there is a list of second marks: 37 sec., 113 sec., 114 sec., and 164 sec. The third result is for "City Council" on "Nov 16, 2016". Under this date, there is a list of second marks: 241 sec., 250 sec., 251 sec., 267 sec., 270 sec., 282 sec., 286 sec., 295 sec., 320 sec., 351 sec., 364 sec., 391 sec., 409 sec., 420 sec., 576 sec., 702 sec., 718 sec., 727 sec., 796 sec., 798 sec., 889 sec., 921 sec., 935 sec., 1032 sec., 1043 sec., 1055 sec., 1060 sec., 1065 sec., 1079 sec., 1086 sec., 1110 sec., 1122 sec., 1155 sec., 1278 sec., 1302 sec., 1303 sec., 1530 sec., 1532 sec., and 1549 sec. The fourth result is for "City Council" on "Oct 25, 2016".

Social Media eXstream

Social Live Video Streaming

Instantly stream live your jurisdiction's local events to followers and engage with viewers in real time with Swagit's Social Media eXstream Package. Live streaming is the future growth of social media and has become a part of culture that government can easily use to reach more residents online. Users can watch live broadcasts, whether on a PC or mobile device, in a matter of seconds. Social Media eXstream connects your meetings and events with live social platforms such as Facebook Live and YouTube Live.

- ▶ Live multi-destination streaming
- ▶ Multi-bitrates
- ▶ Affordable and simple
- ▶ Additional resident accessibility to meetings and events
- ▶ Expanded reach and audience growth
- ▶ Increased distribution channels

Streaming to social media live platforms can immediately expand your audience and increase distribution channels. For example, Facebook engages your viewers by sending a notification alert to your followers before the stream begins. Residents can then easily connect, interact and follow your event in real time.

PSA Example: Veterans Day

Attachment: Swagit Proposal and Costs (ADMIN: COUNCIL VIDEO STREAMING)

Implementation & Training

Once Swagit receives two signed original agreements, you'll hear from Swagit's team of deployment experts. We'll also send you a welcome packet, requesting basic information we'll need to complete your installation (such as your meeting schedule, contact info, IP information, and graphics for your video library/video player).

Phase 1 - Hardware Provisioning/Development

- ▶ Hardware ordered (out of stock items may impact delivery)
- ▶ Hardware assembled by Swagit engineers
- ▶ Operating system installed and configured per installation
- ▶ Swagit EASE™ streaming appliance software installed
- ▶ System burn-in testing conducted under fail-test load
- ▶ Hardware sign-off by Swagit
- ▶ Welcome packet information (meeting schedule, IP info, etc.) returned to Swagit

Phase 2 – Web Element Design

- ▶ Video library and player designed by Swagit in consultation with Client
- ▶ Linking instructions provided to Client Webmaster/IT
- ▶ Design sign-off by Client

Phase 3 – Deployment/Implementation

- ▶ Assembled hardware shipped
- ▶ Remote configuration and testing of audio/video feed quality by Swagit
- ▶ Confirmation of correct video library linking and integration with Client's website
- ▶ Installation sign-off by Swagit

Phase 4 - Acceptance Testing

- ▶ Dry run of meeting capture, indexing and encoding process using next available meeting rebroadcast, alternate content or live meeting
- ▶ Final signoff by Client and fulfillment of purchase order

Deliverables

- ▶ Installation checklist
- ▶ Configuration, testing and installation of Swagit EASE™ streaming appliance
- ▶ Secure FTP account for pre-edited digital content
- ▶ Customized video library
- ▶ Customized video player
- ▶ Monthly usage statistics

If your service package includes client-controlled indexing, Swagit will provide remote training to teach your staff how to index meeting videos as well as how to include links to attachments. No additional training is necessary; Swagit's traditional services are hands-free.

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020	AGENDA SECTION: E
-------------------------------	--------------------------

SUBJECT:

Administration: Approval of Second Amendment of the existing Lease Agreement between City Farm Industries, Inc. and the City of Hanford for 960 acres of City-owned farmland.

RECOMMENDATION:

It is recommended the Council, by motion, approve the Second Amendment to the City Farm Industries, Inc. Ground Lease Agreement.

Recommended Motion: I move the Council approve and the Mayor be authorized to execute the Second Amendment to City Farm Industries, Inc. Ground Lease Agreement.

BACKGROUND:

The City Council approved City Farm Industries, Inc.'s (CFI) Lease for 960 acres of City-owned farmland at its February 18, 2020 meeting.

Section 5.E. of the Lease originally required CFI to deposit \$9,000,000 into escrow by the close of business on March 31, 2020. Prior to March 31, however, CFI informed the City that, as a result of complications caused by the COVID-19 health crisis, work with its lender and the escrow company had been greatly impacted and requested that the funding deadline be extended.

The Council, in response to CFI's request, approved a First Amendment to CFI's Lease on April 7. Through the First Amendment, the deadline for CFI's deposit of funds was pushed back to May 29.

On May 15, CFI informed the City that its lender would resume operations during the week of May 18 and requested that the City approve the attached Second Amendment to Ground Lease Agreement (Second Amendment), which would extend the funding deadline through July 31, 2020.

With the exception of the funding deadline, all other original terms and conditions of the Lease will remain unchanged if the Council approves the Second Amendment.

ATTACHMENTS: Second Amendment to Ground Lease Agreement.

FISCAL IMPACT:

ATTACHMENTS:
Second Amendment to Ground Lease Agreement

SECOND AMENDMENT TO GROUND LEASE AGREEMENT

This Amendment modifies the Ground Lease Agreement (“Lease”) effective February 1, 2020, between City Farm Industries, Inc. and the City of Hanford for approximately 960 acres as identified in the Lease. Specifically, the First Amendment extended the March 31, 2020 deadline specified in Section 5.E until May 29, 2020. This Second Amendment supersedes the First Amendment and extends the March 31, 2020 deadline specified in Section 5.E., until July 31, 2020. The new language for 5.E is as follows:

5.E. An escrow account has been established with Orange Coast Title Company of Southern California (“Escrow Holder”). As a condition of this Lease becoming effective, Lessee shall: (i) deposit no less than Nine Million Dollars (\$9,000,000) with Escrow Holder; (ii) deposit a true and correct copy of this Lease with Escrow Holder; (iii) cause Escrow Holder to disburse the Prepaid Rent amount to Lessor; and (iv) cause Escrow Holder to disburse remaining escrowed funds in accordance with the terms of the Escrow Instructions executed by Lessee and Escrow Holder. This Lease shall become null and void if the forgoing contingencies are not satisfied or waived by the close of business on July 31, 2020. If the contingencies have not been satisfied or waived by such date, this Lease shall no longer be in effect and Lessor, Lessee, and Lender shall have no further obligations or rights hereunder. Lessee shall be solely responsible for payment of all escrow fees and costs.

This Amendment is effective upon executed by both Parties indicated below:

LESSOR:

**City of Hanford,
a municipal corporation**

LESSEE:

**City Farm Industries, Inc.,
a Nevada Corporation**

By: _____
JOHN DRAXLER
Mayor

By: _____
ROSS LYNDON-JAMES
CEO

Attachment: Second Amendment to Ground Lease Agreement (Approval of City Farm Industries, Inc. Lease Amendment)

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020

AGENDA SECTION: F

SUBJECT:

Administration: Approval of the First Amended and Restated Employment Agreement for the City Manager.

RECOMMENDATION: It is recommended the City Council, by motion, approve the attached First Amended and Restated Employment Agreement for Mario A. Cifuentez, II and authorize the Mayor to execute the Agreement.

Recommended Motion: I move that the City Council approve and the Mayor be authorized to execute the attached First Amended and Restated Employment Agreement.

BACKGROUND:

On November 5, 2019, the City Council approved the Employment Agreement (Agreement) for City Manager Mario A. Cifuentez, II.

Section 7.A. of the Agreement states that the Council would evaluate the City Manager after his first six (6) months of employment. Section 7.B. indicates that, following an evaluation, the Agreement may be amended to adjust the City Manager's compensation.

The Council has completed the six (6) month evaluation, and the attached First Amended and Restated Employment Agreement (Amended Agreement) was prepared as a result of the evaluation.

The Amended Agreement changes the terms of the City Manager's employment as follows:

- **Salary:** Salary increase from \$162,011.20 per year to \$182,988,00 per year.
- **PERS Contribution:** Under the current Agreement, the City pays the entire PERS employer contribution rate attributable to Mr. Cifuentez's compensation. Under the

Amended Agreement, Mr. Cifuentez will pay three percent (3%) of the City's PERS contribution rate. For FY21, the City's PERS employer contribution rate will be thirteen and 56/100 percent (13.56%), and Mr. Cifuentez's three percent (3%) contribution will total \$5,490.00.

- **Vehicle Allowance:** The \$500.00 per month vehicle allowance will continue during the term of the Agreement.

ATTACHMENTS: First Amended and Restated Employment Agreement.

FISCAL IMPACT:

ATTACHMENTS:

First Amended and Restated Employment Agreement - Cifuentez

FIRST AMENDED AND RESTATED EMPLOYMENT AGREEMENT

* * * * *

This First Amended and Restated Employment Agreement (“**Amended Agreement**”) is made and entered into the 2nd day of June, 2020, by and between the City of Hanford, California, a municipal corporation (“**City**”), and Mario A. Cifuentes, II (“**Employee**”).

SECTION 1. DUTIES.

City hereby employs Employee as City Manager to perform the functions and duties specified in the laws of the State of California and Ordinances and Resolutions of the City and to perform such other duties and functions as the Hanford City Council (“**Council**”) shall from time-to-time assign.

SECTION 2. TERM OF AMENDED AGREEMENT.

The term of Employee’s Employment Agreement dated November 5, 2019 commenced on November 18, 2019 (“**Commencement Date**”) and shall continue through June 30, 2020. This Amended Agreement shall commence on July 1, 2020 and will continue through November 18, 2022, or until terminated as set forth below.

SECTION 3. TERMINATION OF AGREEMENT.

A. Employee shall serve at the pleasure of the Council and shall be an “AT-WILL” employee of City and may be terminated with or without cause.

B. This employment relationship may be terminated as follows:

- (1) Automatic termination upon expiration of this Amended Agreement.
- (2) By Employee, with prior written notice to City of at least thirty (30) calendar days.
- (3) By City, without cause, upon City’s cash payment to Employee, subject to withholdings, of a severance amount equal to six (6) months of aggregate then-current annual salary if Employee is terminated without cause; provided however, in accordance with California Government Code Section 53260, the severance amount will not exceed an amount equal to Employee’s then-current monthly salary multiplied by the number of months remaining on the unexpired term of this Amended Agreement.
- (4) By City, without payment of any severance or additional compensation past the termination date, for any cause for disciplinary action under the City’s Policy of Administration for Executive Management Employees (“**Executive Management Policy**”), as well as any of the following:
 - a. Act of immoral or unprofessional conduct;

- b. Violation of or refusal to obey any federal, state, or municipal laws or regulations;
- c. Conviction of a felony;
- d. Material breach of this Amended Agreement; or
- e. Such other action as may be inconsistent with Employee's duties under this Amended Agreement.

C. Notwithstanding the foregoing provisions, Employee's employment shall not be terminated, other than for cause, during or within a period of one hundred eighty (180) calendar days following the date of a regular election for one (1) or more seats on the Council.

D. Employee shall remain in the exclusive employ of City and shall not accept other employment until such time as Employee resigns or is terminated by City, or upon written approval of City.

SECTION 4. COMPENSATION.

In exchange for the services provided by Employee under this Amended Agreement, effective the first full pay period in July, 2020, City will pay Employee an annual salary of ONE HUNDRED EIGHT-TWO THOUSAND, NINE HUNDRED EIGHTY-EIGHT AND NO/100 DOLLARS (\$182,988.00), which shall be paid in installments at the same time other employees of City are paid. Adjustments to Employee's compensation shall occur only through the amendment of this Amended Agreement.

SECTION 5. BENEFITS.

A. City shall provide three percent (3%) of Employee's then-current annual salary for implementation of a cafeteria-type plan, paid retroactively once annually or upon termination, based on a quarter percent (.25%) per month accrual. Employee's first cafeteria payment shall be prorated to reflect the portion of the 2019 calendar year worked by Employee. Such compensation is in addition to Employee's salary and other benefits provided hereunder. The terms of the cafeteria plan described in the Executive Management Policy shall apply to Employee.

B. City will enroll Employee in the Public Employees' Retirement System ("CalPERS"). Employee shall pay, at his sole cost, the full employee contribution to CalPERS. In addition to the Employee's portion, Employee shall pay three-percent (3%) of the City's CalPERS Employer Contribution Rate. To the extent permitted by CalPERS, City will maintain, in effect, the 3% @ 60 PERS retirement program for Employee as a Classic CalPERS member.

C. Throughout the term of this Amended Agreement, Employee will receive a vehicle allowance, of FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) per month to compensate for the use of his personal vehicle in carrying out his employment responsibilities. Payment of the vehicle allowance will occur through payroll with the first pay period of each month. Employee will maintain liability insurance on Employee's vehicle used for work purposes and will be

responsible for all expenses associated with the ownership, operation, maintenance, repair, and regular replacement of such vehicle. Employee's automobile liability policy shall have a limit no less than ONE MILLION AND NO/100 DOLLARS (\$1,000,000.00) per accident for bodily injury and property damage. Employee shall maintain such insurance coverage through an insurer possessing a current A.M. Best's rating of no less than A:VII. Employee will cause his insurer to issue endorsements identifying City as an additional insured; indicating that Employee's liability coverage is primary and non-contributory with respect to any liability coverage maintained by City; and waiving the right of subrogation with respect to City. Employee's automobile liability policy will be endorsed provide that coverage shall not be canceled without notice to City. Whenever Employee's vehicle liability insurance policy is renewed during the term of this Amended Agreement, Employee will submit to City a Certificate of Insurance and the required endorsements as evidence of the satisfaction of the insurance requirements set forth herein.

D. City will provide term life insurance for Employee in the amount of ONE HUNDRED THOUSAND AND NO/100 DOLLARS (\$100,000.00).

E. Health, dental, and vision insurance coverage offered to the members of the Executive Management Employment Association shall be available to Employee.

F. Employee is eligible to received matched employer contributions for deferred compensation up to SEVENTY-FIVE AND NO/100 DOLLARS (\$75.00) per pay period.

SECTION 6. LEAVE.

A. Employee shall accrue vacation leave at the rate of six and 16/100 (6.16) hours per bi-weekly pay period (160 hours annually). Upon termination of this Amended Agreement, voluntarily or involuntarily, Employee will be compensated for all accrued vacation time.

B. Employee shall accrue sick leave at three and 69/100 (3.69) hours per bi-weekly pay period (96 hours annually). Upon termination of this Amended Agreement, Employee shall forfeit all accumulated sick leave. Upon retirement, Employee may convert unused sick leave pursuant to Government Code Section 20826.8, as may be amended.

C. The use and accumulation of vacation and sick leave shall be limited in the manner described in Executive Management Policy. Any City Manager approval required under the Executive Management Policy shall, however, require City Council approval for purposes of this Amended Agreement.

D. Except in an emergency, Employee will not be required to work on the holidays identified in the Executive Management Policy.

SECTION 7. PERFORMANCE EVALUATION.

A. The Council shall perform an evaluation at the one (1) year anniversary of the Commencement Date. Thereafter, City will annually evaluate Employee's performance.

B. Depending on the results of an evaluation, the parties may amend this Amended

Agreement to adjust Employee's compensation to reflect Employee's performance; for example, the Council's finding of employee's positive performance may result in the increase of Employee's salary or other compensation. Employee acknowledges that he is not entitled to any automatic increases in compensation, and adjustments to Employee's compensation are within the Council's sole discretion.

C. All evaluations will utilize a process, form, criteria, and format selected by the Council. A written evaluation shall be completed and delivered to Employee within thirty (30) calendar days after the completion of the Council's evaluation of Employee.

D. This provision does not limit Council's authority to perform additional evaluations of Employee's performance if necessary, including closed session items related thereto.

SECTION 8. PROFESSIONAL DEVELOPMENT.

City shall annually budget and allocate sufficient funds to pay the expenses of Employee's travel and subsistence while representing City at the Annual International City/County Management Association Conference, the Annual League of California Cities Conference, conferences of the City Managers' Department of the League of California Cities, and conferences or meetings of state committees or commissions upon which Employee serves as a member, said membership on said committees or commissions being subject to the approval of the Council, and for such other official meetings and/or travel as are reasonably necessary for Employee to carry out his responsibilities as City Manager.

SECTION 9. CREDIT CARD.

City will provide to Employee a State of California purchasing card (CalCard) that Employee may utilize for City-related expenses. Employee shall only use City's CalCard for City-related business and in accordance with State law and regulations and the City's purchasing card policy, the terms of which are incorporated herein by reference. Any misuse of City's CalCard shall be grounds for discipline, including surrender of CalCard and/or immediate termination of employment for cause. Any legal expenses incurred by the City as a result of Employee's misuse of CalCard shall be reimbursed by Employee.

SECTION 10. EMPLOYEE'S DUTY TO REIMBURSE CITY.

A. If City terminates Employee without cause and Employee receives a severance amount pursuant to Section 3.B.(3) of this Amended Agreement and Employee is convicted of a crime involving abuse of his office or position, as defined by California Government Code Section 53243.4, as may be amended, Employee shall immediately reimburse City the full severance amount that Employee received from City.

B. Employee acknowledges that this Amended Agreement is subject to California Government Code Sections 53243-53243.4, the terms of which are incorporated herein by reference, that require Employee to reimburse City for certain City expenditures if Employee is

convicted of a crime involving abuse of his office or position, as defined by California Government Code Section 53243.4. Employee will promptly reimburse City if required to do so pursuant to California Government Code Sections 53243-53243.4, and if Employees fails to immediately reimburse City, Employee will pay attorneys' fees and costs to City for the cost of litigation to recover said amounts subject to California Government Code Section 53243.4.

SECTION 11. BONDING.

City shall bear the full cost of any fidelity or other bonds (or equivalent coverage) required of Employee under any law or ordinance.

SECTION 12. NOTICES.

Notices pursuant to this Amended Agreement shall be in writing given by deposit in the custody of the United States Postal Service (certified mail, return receipt requested) or deposit in the custody of a nationally recognized delivery service, addressed as follows:

CITY:

City of Hanford
Attn: Mayor
319 N. Douty Street
Hanford, CA 93230

EMPLOYEE:

Mario A. Cifuentez, II
P.O. Box 711
Hanford, CA 93232

Alternatively, notices required pursuant to this Amended Agreement may be personally served in the same manner as is applicable to the civil judicial process. Notice shall be deemed given as of the date of personal service or as of the date of deposit of such written notice in the course of transmission of the United States Postal Service or nationally recognized delivery service.

SECTION 13. MISCELLANEOUS PROVISIONS.

A. The text of this Amended Agreement and the documents incorporated herein by reference shall constitute the entire agreement between the parties, and supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the employment of Employee by City. Each party to this Amended Agreement acknowledges that no representations, inducements, promises, or agreements, orally or otherwise, have been made by either party, or anyone acting on behalf of either party, which are not embodied herein, and that no other agreement, statement, or promise not contained in this Amended Agreement shall be valid or binding on either party.

B. This Amended Agreement shall be binding upon and inure to the benefit of the heirs at law and executors of Employee. This Amended Agreement shall not be assignable.

C. If any provision, or any portion thereof, contained in this Amended Agreement is held unconstitutional, invalid, or unenforceable, the remainder of this Amended Agreement, or portion thereof, shall be deemed severable, shall not be affected and shall remain in full force and effect.

D. Any modification of this Amended Agreement will be effective only if it is in writing and signed by both Employee and City.

E. No waiver or any breach of any term, condition or provision of this Amended Agreement shall constitute a waiver of any other breach of any other term, condition or provision and no consent of one (1) party to any departures by the other shall be effective unless such waiver shall be in writing and shall be signed by the non-waiving party or a duly authorized agent thereof and the same shall be effective only for a period, on the conditions, and for the specific instances and purposes specified in such writing.

F. This Amended Agreement shall be governed by the laws of the State of California. The venue for any and all litigation arising from this Amended Agreement shall be in the Superior Court for the County of Kings, California, if in state court, or the United States District Court, Eastern District of California, if in federal court.

G. In the event legal action is brought to enforce this Amended Agreement, the party prevailing in such action shall be entitled to his/its reasonable attorneys' fees and costs, which will be paid by the non-prevailing party, except as to enforce Section 10, which contains its own attorneys' fee provision.

H. In the event of a conflict between this Amended Agreement and any other City rule, regulation, policy, practice, or procedure, this Amended Agreement shall control.

IN WITNESS WHEREOF, the parties have executed this Amended Agreement in Hanford, Kings County, California.

SUBJECT:

Community Development: AMENDED RESOLUTION NO. 18-26-R Supporting an Application for Funding from the State of California Department of Housing and Community Development HOME Investment Partnership Program (HOME)

RECOMMENDATION:

Adopt amended 18-26-R Resolution: Adding Tenant-Based Rental Assistance COVID 19 TBRA to the 2018 HOME Program Activities Contract

BACKGROUND:

In February 2019, the California Department of Housing and Community Development (HCD) awarded the City a Home Investment Partnerships Program (HOME) grant for \$500,000.

On February 28, 2020, HCD directed the City to amend the above-referenced resolution removing Community Development Director from section three (3) and leaving the following City Manager, or designee, to execute, in the name of the Applicant, the required documents.

On May 11, 2020, HCD released waivers for COVID-19 inviting 2016 and 2017-2018 HOME Program awardees to add Tenant-Based Rental Assistance (COVID 19 TBRA) to their HOME Standard Agreements. The purpose would be to initially help those affected by the COVID-19 health emergency, as well as homeless households, in their vicinities, through rent, deposit, and utility assistance.

This is text addition only there will be no fiscal impact

RESOLUTION NO. 18-26-R

AMENDED RESOLUTION APPROVING THE SUBMISSION OF AN APPLICATION FOR FUNDING AND ANY AMENDMENTS THEREOF FROM THE STATE OF CALIFORNIA HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME) FOR THE FIRST-TIME HOMEBUYER LOANS

HEREBY AUTHORIZES: Submittal of an application to the California State Department of Housing and Community Development for funding under the HOME Investment Partnerships Program; and if selected, the execution of a standard agreement, any amendments thereto, and of any related documents necessary to participate in the HOME Investment Partnerships Program.

WHEREAS, the California Department of Housing and Community Development (HCD) is authorized to allocate HOME Investment Partnerships Program (HOME) funds made available from the U.S. Department of Housing and Urban Development (HUD). HOME funds are to be used for the purposes set forth in Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990, in federal implementing regulations set forth in Title 24 of the Code of Federal Regulations, part 92, and in Title 25 of the California Code of Regulations, commencing with section 8200.

WHEREAS, on June 5th, 2018, the Department issued a Notice of Funding Availability (“NOFA”) announcing the availability of funds under the HOME program.

WHEREAS, on February 12, 2019, the Department awarded the City of Hanford a HOME grant for \$500,000.

WHEREAS, on February 28, 2020, the Department directed the City of Hanford to remove “Community Development Director” from section 3 and amend Resolution 18-26-R to read as follows: The Applicant authorizes the City Manager, or designee, to execute, in the name of the Applicant, the required documents.

WHEREAS, on May 11, 2020, HCD released a memo inviting 2016 and 2017-2018 HOME Program awardees to add Tenant-Based Rental Assistance (COVID 19 TBRA) to their HOME Standard Agreements. The purpose would be to initially help those affected by the COVID-19 health emergency, as well as homeless households, in their vicinities, through rent, deposit, and utility assistance.

WHEREAS, in response to the June 2018 HOME NOFA, The City of Hanford a *municipal corporation, subdivision of the State of California*, wishes to apply to the Department (HCD) for, and receive an allocation of, HOME funds.

IT IS NOW THEREFORE RESOLVED THAT:**SECTION 1:**

In response to the June 2018 HOME NOFA, the Applicant shall submit an application to the Department to participate in the HOME program and for an allocation of funds not to exceed **Five Hundred Thousand Dollars (\$500,000)** for the following activities and/or programs:

First-Time Homebuyers (FTHB) Acquisition - Down Payment Assistance, FTHB Acquisition with rehabilitation and administrative costs, to be located in The City of Hanford.

Tenant Based Rental Assistance (COVID 19 TBRA)

SECTION 2:

If the application for funding is approved, then the Applicant hereby agrees to use the HOME funds for eligible activities in the manner presented in its application, as approved by the Department, in accordance with the statutes and regulations cited above. The Applicant may also execute a standard agreement, any amendments thereto, and any and all other documents or instruments necessary or required by the Department or HUD for participation in the HOME program (collectively, the required documents).

SECTION 3:

The Applicant authorizes the City Manager, or designee, to execute, in the name of the Applicant, the required documents.

LET IT BE FURTHER RESOLVED that:

PASSED AND ADOPTED THIS _____ DAY OF _____ 20__, BY THE FOLLOWING VOTE:

AYES: _____ **NAYS:** _____ **ABSTAIN:** _____ **ABSENT:** _____

The undersigned Sarah Martinez, City Clerk of the applicant does hereby attest and certify that the foregoing is a true and full copy of a resolution of the governing board of the applicant passed and adopted at a duly convened meeting on the date set forth above, and said resolution has not been altered, amended, or repealed.

MEETING DATE: 6/2/2020	AGENDA SECTION: H
-------------------------------	--------------------------

SUBJECT:

Fire: Temporarily waive Temporary Use Permit fees to address revenue concerns caused by the Coronavirus 2019 pandemic.

RECOMMENDATION:

The City Council, by motion: Temporarily waive Temporary Use Permit fees for fireworks booths for 2020.

BACKGROUND:

Due to the recent events related to Coronavirus 2019 (COVID-19) and at the request of the non-profit organizations establishing fireworks booths, it is recommended the Council waive Temporary Use Permit (TUP) Fees for calendar year 2020. The City of Hanford originally established fireworks booth fees through Resolution No. 05-22-R. Fireworks booths also fall under the requirements for a Temporary Use Permits. Working together, the Fire Department and Community Development coordinate to address the increased safety concerns related to bringing the fireworks into the area; traffic patterns and congestion; storage; and other related issues. Fees assessed are in an attempt to bring 100% cost recovery for the work involved from both departments to complete permitting and inspection process of the temporary facilities. Waiving the \$250 TUP fees will cost the City \$4,750.

FISCAL IMPACT:

Waiving the \$250 TUP fees will cost the City \$4,750.00.

AGENDA SECTION: I

SUBJECT:

Public Works: Approve a Notice of Completion for the Civic Park Restroom Renovation Project and authorize the Mayor to execute and the City Clerk to attest and file said Notice with the Kings County Recorder's Office.

RECOMMENDATION:

That the City Council, by motion, approve the attached Notice of Completion for the Civic Park Restroom Renovation Project and authorize the Mayor to execute and the City Clerk to attest and file said Notice with the Kings County Recorder's Office.

BACKGROUND:

On February 4, 2020 the Council awarded the Civic Park Restroom Renovation Project to David, A. Bush Inc. of Hanford, CA. This project consisted of replacing the building's deteriorated roof and remodeling the north Restrooms to make them fully ADA compliant.

There were three (3) contract change orders on this project, which are summarized as follows:

- Elevation changes to existing floor;
- Unforeseen water damage and replacement of damaged structure; and
- Installation of a new electrical sub-panel for the restroom.;

The total amount of contract change orders resulted in a net increase in the final contract price of \$12,815.27. A copy of the Final Project Construction and Finance History is attached.

FISCAL IMPACT:

The FY 19/20 Capital Improvement Budget provides \$240,000.00 for the Civic Park Bathroom Renovation Project, including contingencies.

The total cost to complete the project was \$185,815.27. Attached are the Final Project Construction and Finance History for Council review.

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020	AGENDA SECTION: A
-------------------------------	--------------------------

SUBJECT:

Community Development: Conduct a Public Hearing and Adopt Interim Urgency Ordinance No. 20-06 Extending Ordinance 19-08, an interim zoning/urgency ordinance of the City Council of the City of Hanford, restricting the commercial cultivation and manufacturing of industrial hemp (CBD) products in all zones pending enactment of an update to the City's Municipal Code.

RECOMMENDATION:

That the City Council hold a public hearing and adopt Ordinance 20-06 extending the temporary moratorium on hemp cultivation and manufacturing for a period of 12 months to July 5, 2021.
(4/5 Vote required)

RECOMMENDED MOTION

I move to waive the reading and adopt Interim Urgency Ordinance 20-06, extending Interim Urgency Ordinance 19-08.

BACKGROUND:

On August 20, 2019, the City Council approved Ordinance 19-09, extending Interim Urgency Ordinance 19-08, which resulted in a restriction of hemp cultivation and manufacturing in the City limits until July 5, 2020. The City may approve one additional extension for 12 months in accordance with Government Code 65858 or until July 5, 2021. If a permanent ordinance has not been approved by the end of the time period, no additional extensions may be granted and the ordinance will expire. If a permanent ordinance is approved prior to the expiration date, it will supercede the interim urgency ordinance.

Staff has hired a consultant to assist with writing the ordinance and has received the initial draft, which is under review. Staff and the consultant continue to follow the progress of Assembly Bill 228, which is still currently suspended. The bill should provide clarification on hemp business and regulations at the State level. It is unknown how long the bill will take to get through the legislative process.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

This ordinance is not a project within the meaning of Section 15378 of the State CEQA Guidelines because it has no potential for resulting in physical change in the environment, directly or indirectly. The interim urgency ordinance is also exempt from the requirements of CEQA in that the activity is covered by the common sense exemption, Section 15061(b)(3) that CEQA only applies to project which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

FISCAL IMPACT:**ATTACHMENTS:**

ORDINANCE NO 20-06 Hemp Extension

ORDINANCE NO. 20-06**EXTENDING INTERIM URGENCY ORDINANCE NO. 19-08, ORDINANCE OF THE CITY COUNCIL OF THE CITY OF HANFORD, RESTRICTING THE COMMERCIAL CULTIVATION AND MANUFACTURING OF INDUSTRIAL HEMP (CBD) PRODUCTS IN ALL ZONES PENDING ENACTMENT OF AN UPDATE TO THE CITY'S MUNICIPAL CODE.****THE CITY COUNCIL OF THE CITY OF HANFORD ORDAINS AS FOLLOWS:**

The purpose of this urgency ordinance is to extend Interim Urgency Ordinance 19-08 which established a temporary moratorium on the cultivation and manufacturing of industrial hemp and the manufacturing and sale of products derived from industrial hemp., including cultivation by "Established Agricultural Research Institutions" as defined by California Food and Agricultural Code Section 810000 (c) , while City staff and legal counsel determine the impacts of unregulated cultivation of industrial hemp and the manufacturing of hemp products in the City of Hanford and prepared reasonable regulations to mitigate impacts from these businesses.

The City Council of the City of Hanford makes the following findings in support of the extension of Urgency and Interim Ordinance 19-08:

WHEREAS, Section 65858 of the California Government Code allows the extension of an interim/urgency ordinance for an additional 12 months following the initial extension of 10 months and 15 days.

WHEREAS, on August 20, 2019, the City extended Ordinance 19-08 until July 5, 2020;

WHEREAS, this extension will expire on July 5, 2021;

WHEREAS, the cultivation of Industrial Hemp is addressed in the Food and Agricultural Code, Section 81000-81010.

WHEREAS, Industrial Hemp is defined in Section 81000 as follows, "a fiber or oilseed crop, or both, that is limited to types of the plant Cannabis Sativa L. having no more than three-tenths of one percent tetrahydrocannabinol (THC) contained in the dried flowering tops, whether growing or not; the seeds of the plant; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds or resin produced therefrom".

WHEREAS, in the California Industrial Hemp Farming Act (Senate Bill 566, Chapter 398, Statutes of 2013) was signed to authorize the commercial production of industrial hemp in California. The Act became effective on January 1, 2017, due to a provision in the Adult Use of Marijuana Act (Proposition 64).

WHEREAS, the California Department of Food and Agriculture (CDFA) has developed regulations to administer this new law which will include a registration process, fee structure, regulation and other administrative details to regulate the commercial production of industrial hemp. The regulations pertain only to cultivation and currently do not address size, location or odor control.

WHEREAS, the County of Kings adopted Ordinance 693 to regulate cultivation of industrial hemp in the County of Kings as of the date of this ordinance.

WHEREAS, the County of Kings ordinance did not include regulations for the manufacturing of hemp products.

WHEREAS, the Agricultural Act of 2014, also known as the Farm Bill, only legalized the growing or cultivating of industrial hemp by State departments of agriculture and institution of higher education.

WHEREAS, the Agricultural Improvement Act of 2018 was signed into law on December 20th of 2018, which amended the Agricultural Marketing Act of 1946 to add industrial hemp to the list of approved crops, and allows for states who desire to have primary regulatory authority over the production of industrial hemp to submit a plan under which the State monitors and regulates that production. The Act also removed hemp from the Controlled Substances Act, which means that it will no longer be an illegal substance under federal law.

WHEREAS, the definition of “Established Agricultural Research Institution” as provided in Food and Agriculture Code Section 81000 is vague, and neither the Legislature nor the Industrial Hemp Advisory Board have provided guidelines and how the County can establish whether a cultivator claiming to be an “Established Agricultural Research Institution” is legitimate, or whether the cultivation constitutes “agricultural or academic research” and is not a standard commercial operation. Without clear guidelines, the ability and likelihood that cultivators may exploit the “Established Agricultural Research Institution” exemption to grow industrial hemp with more than 0.3% THC is great.

WHEREAS, the United States Food and Drug Administration (FDA) has concluded that it is prohibited to introduce or deliver for introduction into interstate commerce any food to which tetrahydrocannabinol (THC) or CBD has been added or to market any hemp or CBD product as having any therapeutic benefit, or with any other disease claim, unless approved by the FDA.

WHEREAS, there is currently no regulatory agency that provides oversight over the production of CBD oil from industrial hemp.

WHEREAS, Due to the fact that industrial hemp and cannabis are derivatives of the same plant, Cannabis Sativa L., the physical appearance of industrial hemp and cannabis are virtually indistinguishable. Absent a laboratory performed chemical analysis for tetrahydrocannabinol (THC) content, the two plants cannot be distinguished.

WHEREAS, the City of Hanford has adopted an extensive regulatory framework for cultivation, manufacturing and sale of cannabis, which exempts cannabis meeting the definition of industrial hemp.

WHEREAS, the City of Hanford has received significant interest from individuals to cultivate, manufacture and sell hemp and hemp products in the City of Hanford.

WHEREAS, unrestricted hemp cultivation and manufacturing in the City would pose an urgent and immediate threat to the public peace, health and safety as there is currently no State or Federal regulations or mechanism to verify whether products are legal hemp products or whether they would be considered marijuana by definition and thus limited to be licensed cannabis facilities only. Hemp cultivation has the

potential to impact adjacent properties through offensive odors, mite and insect infestations, pesticides, trespassing and burglary, and acts of violence in connection with the commission of such crimes or the occupants' attempts to prevent such crimes.

WHEREAS, hemp manufacturing has the potential to use volatile chemicals to extract oil, which could result in fire and explosions as a result of the flammable chemicals utilized in the extraction process: and,

WHEREAS, the transport of hemp to manufacturing facilities in the industrial park has the potential to bring mites and other insects into the industrial park where food products are currently manufactured and no study has been completed to address these potential impacts.

WHEREAS, unrestricted hemp grows create a nuisance and threaten the safety and property of nearby landowners and their families. The strong odor of hemp plants, which increases as the plants mature, is offensive to many individuals and creates an attractive nuisance, alerting people to the location of valuable hemp plants, which creates a risk of crime.

WHEREAS, hemp, alone or in combination with food products, may constitute a unique health hazard to the public because, unlike all other ingestible, hemp is not presently regulated, inspected, or analyzed for contamination by the state or federal government and could contain harmful chemicals and contaminants from unapproved sources that could endanger the already poor health of ill persons and the good health of others.

WHEREAS, the City has a compelling interest in protecting the public health, safety, and welfare of its residents and businesses, in preserving the peace and quiet of the neighborhoods in which hemp may be cultivated, manufactured and sold.

WHEREAS, the State of California is currently processing Assembly Bill 228, which may provide some clarification of State laws pertaining the hemp products.

WHEREAS, Title 17 of the Hanford Municipal Code, also known as the City's Zoning Ordinance, does not identify hemp cultivation, manufacturing, dispensaries, deliveries, or distribution as prohibited land uses and does not indicate whether such operations are an agriculture use.

WHEREAS, the City Council hereby finds that, because of the inconsistency between state and federal law relating to the cultivation and manufacturing of hemp products and because of the potential threat to public health, safety and welfare, and to provide time to further examine the impact of adopting local regulations relating to hemp, it is in the best interest of the citizens of the City of Hanford that the City adopt an interim moratorium to restrict the establishment and operation of hemp cultivation and manufacturing of hemp products within the City of Hanford while the City continues to review the issue.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HANFORD DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Moratorium. In order to protect the public health, safety and welfare and pursuant to the provisions of Section 65858 of the California Government Code, notwithstanding any other provision of this Code, so long as this ordinance shall be in effect, the following land uses are strictly prohibited in all zone districts within the City: (i) commercial hemp farming; (ii) commercial hemp manufacturing/processing.

SECTION 2. Declaration of Urgency. This urgency is based on the following facts:

- a) There is a current and immediate threat to the public health, safety and welfare arising from the uncontrolled use of real property in the City of Hanford for the cultivation, sale and distribution of hemp and the manufacturing of hemp products that are not regulated by any State or Federal Agency or approved by the FDA for use in food.
- b) Article XI, Section 7 of the California Constitution authorizes cities to adopt local police, sanitary, and other ordinances not in conflict with general laws.
- c) The City of Hanford requires time to study and decide if such an ordinance is necessary to protect the public health, safety and welfare and to either allow or restrict the use of real property for the cultivation, manufacturing and sale of hemp and hemp products, unless currently permitted for sale the FDA.

SECTION 3. Effective Date. This ordinance shall become effective immediately upon the date of its adoption pursuant to Section 65858 of the California Government Code upon an affirmative vote of 4/5ths of the City Council.

SECTION 4. Expiration. This moratorium shall be of no further force or effect upon the expiration of 12 months from the expiration date of July 5, 2020, in accordance with Section 65858 of the California Government Code.

SECTION 5. Impact on Other Ordinances. This provision supercedes any other provision in the City of Hanford Municipal Code that may conflict, while in effect.

SECTION 6. Severability. If any section, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have passed this ordinance and adopted this Ordinance and each section, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

SECTION 7. Publication. Within fifteen (15) days after adoption of this Ordinance, the ordinance shall be published once in the Hanford Sentinel, a newspaper printed and published in the County of Kings, State of California.

THEREFORE, BE IT FURTHER RESOLVED, that based on the above and incorporated findings, the City Council approves Ordinance 20-06.

PASSED, ADOPTED AND APPROVED this 2nd day of June, 2020 by the following vote:

AYES: _____

NOES: _____

ABSTAIN: _____

ABSENT: _____

JOHN DRAXLER
MAYOR of the City of Hanford

Attest:

SARAH MARTINEZ

**CITY OF HANFORD CITY COUNCIL
STAFF REPORT**

MEETING DATE: Tuesday, June 2, 2020

SUBJECT: **COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG):**
Amendments to the CDBG Citizen Participation Plan, the 2019-2023 Consolidated Plan and the 2019-20 Annual Action Plan, and adoption of the 2020-21 Action Plan.

STAFF RECOMMENDATION

1. Hold a public hearing to receive comment on the 2020-21 Action Plan, amendments to the CDBG Citizen Participation Plan, 2019-2023 Consolidated Plan and the 2019-20 Action Plan; and
2. Approve the proposed amendment to the Citizen Participation Plan process and the 2019-2023 Consolidated Plan; and
3. Approve and appropriate the 2019-20 Annual Action Plan Amendment, in order to allocate the use of additional Community Development Block Grant Cares Act (CDBG-CV) funding; and,
4. Approve and adopt the proposed 2020-21 Annual Action Plan.

RECOMMENDED MOTIONS

1. I move to approve the proposed amendment to the Citizen Participation Plan and the 2019-2023 Consolidated Plan.
2. I move to approve and appropriate the 2019 Annual Action Plan Amendment, in order to utilize the CDBG-CV funds.
3. I move to approve and adopt the 2020-21 Annual Action Plan

CARES ACT

Background

On April 2, 2020, in response to the Coronavirus Pandemic (COVID-19), the U.S Department of Housing and Urban Development (HUD) informed the City that it had been awarded a special allocation of Community Development Block Grant Coronavirus (CDBG-CV) funds in the amount of \$325,307, authorized by Coronavirus Aid, Relief and Economic Security Act (CARES ACT), for the purpose of preventing, preparing for, and responding to the COVID-19 pandemic.

In order to formally accept CDBG-CV funding, the City must make amendments to several documents to describe the proposed use of the funding and the process for obtaining public input.

The CDBG-CV funds can be utilized for four (4) categories of eligible activities: buildings and improvements; assistance to businesses; new or quantifiable increases in public services and/or planning/capacity building; and technical assistance.

Staff is submitting an amended 2019 Annual Action Plan to HUD which will include the CDBG-CV funding, with an amended Citizen Participation Plan (**Attachment 1**), and the 2019-2023 CDBG Consolidated Plan (**Attachment 2**) to include a five-day comment period. In accordance with 24 CFR 91.05(c)(2) and subpart B of the Federal regulations, which provided for waivers relative to citizen participation for Community Planning and Development Programs through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), staff has submitted the regulatory waivers to HUD, which HUD acknowledged and accepted.

Amendments to the Citizen Participation Plan:

Normally a 30-day public review period is required for substantial amendments to the Citizen Participation Plan, Consolidated Plan, and/or Action Plan. However, to allow grantees to quickly move forward with expending funds, HUD reduced the public review period to five days for amendments necessitated by the CDBG-CV funding. HUD also allowed for grantees to make documents available electronically and to hold virtual public hearings, in the event that public spaces were closed for reasons of public welfare.

The proposed changes to the Citizen Participation Plan are exclusively pertinent to the review process, as allowed by HUD. The amendment allows the City to take advantage of the flexibilities allowed by HUD in the event of a local, state, or national emergency or disaster.

Amendments to the CDBG 2019-2023 Consolidated Plan:

The Consolidated Plan sets forth goals and strategies related to the City's CDBG funding over a five-year period. The existing 2019-2023 Consolidated Plan did not anticipate the need for the City to respond to a global pandemic, nor did it account for the \$325,307 in CDBG-CV funding to prepare for and respond to such a pandemic.

The proposed Consolidated Plan amendment covers the City's intention to respond to the COVID-19 pandemic by maintaining or increasing public services and job loss prevention, targeted to low-income individuals.

Amendment to the 2019/20 Annual Action Plan (Proposed Use of CDBG CARES Act Funding):

The City has received notice that it will be awarded a supplemental CDBG-CV grant in the amount of \$327,307 to help plan to add the allowable uses of CARES Act funds:

On May 19, the City Council directed staff to make preliminary allocations of CDBG-CV funding to cover short term funding needs to an essential service provider and to fund a rental and small business assistance program. Staff is recommending the following citywide activities in the categories and descriptions below:

The Council directed staff to allocate the CDBG-CV grant funding in the amount of \$327,307 to the following project categories:

- | | |
|--------------------------------|-----------|
| • Food Assistance Programs | \$ 50,307 |
| • Rental Assistance Program | \$145,000 |
| • Small Business Grant Program | \$100,000 |

- Planning and Administration \$ 30,000

Food Assistance Program \$50,307

Deliver meals to homebound elders that need to maintain social distancing, due to the pandemic and stay-at-home orders. Provide funding to assist with substantial increase of operating costs seen by local community kitchens and food pantries, as a result of increased food demand. Reimburse documented operating costs, such as staff costs, supplies, utilities, maintenance, and insurance.

HUD Matrix Code: 05W

National Objective: LMA (Low/Mod Area Benefit, if facility is located in a Qualified Census Tract – see map, last page); or, LMC (Low/Mod Limited Clientele – must meet requirements of 24 CFR 570.208(a)(2))

Code Citation: 24 CFR 570.201(e)

Outcome: 2,000 individuals served

Rental Assistance Program \$145,000

Provide one-time or short-term (no more than three months) emergency rental assistance to residents within the city limits of Hanford. Individuals who have lost documentable income directly related to: stay-at-home orders (job loss/reduced hours); being sick or being the sole at-home caregiver for someone sick with COVID-19; required to stay home as legal guardian for their young children, due to mandatory daycare and/or school closures; or other documentable reasons. Assistance is for the purpose of preventing homelessness, as a result of eviction.

HUD Matrix Code: 05Q

National Objective: LMC (Low/Mod Limited Clientele)

Code Citation: 24 CFR 207(b)(4)

Outcome: An estimated 40 households served

Small Business Grant Program \$100,000

Grant program that avoids job loss caused by business closures related to social distancing by providing short-term working capital assistance for operating costs (employees' salaries, tenant space rent/lease, and/or utilities) to small businesses to enable retention and/or rehiring of jobs. CDBG-CV funds will be used for economic development, assistance to businesses that are negatively affected by COVID-19 to enable retention of jobs held by low- and moderate-income persons. Businesses must be located within the city limits of Hanford and have documentable business income losses. Grant terms will be for a maximum amount of \$10,000, 0%-interest, deferred for one year. At the end of one year, the grant is forgiven, if the business has retained or rehired the employees that were laid off. If the business does not retain or rehire employees at the end of the one-year deferral period, the grant becomes due and payable.

HUD Matrix Code: 17D, 18A

National Objective: LMJ (Low/Mod Job Creation or Retention – must meet requirements of 24 CFR 570.208(a)(4))

Code Citation: 24 CFR 570.203(b) and 24 CFR 570.203(c)

Outcome: 10 businesses served

Planning and Administration \$30,000

Entitlement only: data gathering, studies, analysis, preparation of plans, and the identification of actions that will implement such plans.

Code Citation: 24 CFR 570.205.

2020-21 ANNUAL ACTION PLAN ENTITLEMENT FUNDING (ATTACHMENT 3)

Background

As presented on March 17 and May 19, 2020 City Council Meetings, Hanford must adopt 2020-21 Annual Action Plan to identify projects for the upcoming budget year. The Council directed staff to allocate the 2020-21 allocation of \$632,993 to the following projects:

• Housing Rehabilitation	\$143,795
• Lacey Park – Basketball Court Improvements	\$177,600
• Longfield Center Improvements	\$ 45,000
• Kings Community Action Organization	\$ 28,000
• Cornerstone Kings Gospel Mission (Acquisition)	\$ 75,000
• Utility Assistance	\$ 20,000
• Kings Tulare COC	\$ 10,000
• Fair Housing	\$ 7,000
• Administration	\$126,598

Alternate Projects:

In addition to the projects listed above, staff recommends the following projects be included as contingency projects to be funded if additional program income or CARES ACT funds become available during the year:

Self-Help Enterprises Affordable Housing (\$90,000)
 Housing Rehabilitation (\$60,000)
 Kings Gospel Mission (\$75,000)
 Public Services (\$100,000)

Public Review:

The amended Citizen Participation Plan and the amendments to the Consolidated Plan and Action Plan were released for a five-day public review period on May 8, 2020, with a public notice of availability published in the *Hanford Sentinel* on May 22, 2020. Public comments received prior to the City Council meeting of June 2, 2020, will be summarized in the final document.

ACTION FOLLOWING APPROVAL

Staff will submit the 2020/21 Annual Action Plan to HUD, as well as the amendment to the 2019/20 Annual Action Plan. Utilization of CDBG-CV and CDBG funds will be available upon HUD's approval of the 2019/20 Action Plan Amendment and 2020/21 Annual Action Plan.

The HUD Code of Final Regulations for the Consolidated Plan (24 CFR Part 91 Sec. 91.105) requires that the City adopt a Citizen Participation Plan (CPP) that sets forth the City's policies and procedures for citizen participation in the planning, execution, and evaluation of the Consolidated Plan, Annual Action Plans, and Consolidated Annual Performance Evaluation Reports (CAPER). This CPP provides guidelines for the City to provide and encourage public participation to residents, community stakeholders, and grant beneficiaries in the process of drafting, implementing, and evaluating the Consolidated Plan and related documents. The citizen participation process includes outreach, public hearings, community forums, and opportunities for comment.

US Housing and Urban Development (HUD) requires the Citizen Participation Plan. It sets forth the City's policies and procedures for involving the public in decision making with regards to the planning, implementation and assessment of housing and community development activities in the City of Hanford, including the development of the City's Consolidated Plan, Assessment of Fair Housing, Consolidated Annual Performance and Evaluation Report, Annual Action Plan. The amended Citizen Participation Plan, 2019-2023 Consolidated Plan, and 2019-2020 Action will be updated in compliance with new federal policies in conformance with 24 CFR Part 91.100 (a) (1), to include Broadband and Resiliency Requirements.

[This Citizen Participation Plan shall be effective until amended or superseded.](#)

Introduction

1. Purpose

The City of Hanford is a Community Development Block Grant (CDBG) Entitlement city, meaning it gets its annual funding directly from HUD. The CDBG Entitlement Program is a federal grant program administered by the U.S. Department of Housing and Urban Development (HUD). The program allocates funds to eligible cities and counties throughout the nation to assist low and moderate-income households and neighborhoods in the elimination or prevention of slum and blight. The grant funds may be used for activities such as housing rehabilitation, affordable homeownership assistance, neighborhood improvement, community services, as well as community development activities such as the construction or rehabilitation of community facilities and economic development.

Prior to implementing its CDBG program activities, the City must understand its community's needs, interests, and objectives to ensure that the activities selected for funding are effective and primarily beneficial to low to moderate-income persons and/or areas.

After compiling this research and information, the City will prepare the Consolidated Plan. There is four documents created through the Con Plan development process. They are 1) Consolidated Plan, 2) Analysis of Impediments to Fair Housing, 3) Citizen Participation Plan and 4) Annual Action Plan.

A. The Consolidated Plan is the strategic plan that describes the City's needs, resources, priorities and proposed activities to be undertaken under the CBDG Program. It will serve as the City's blue print for carrying out the HUD-related activities over the five-year period covered by the Plan;

B. The Analysis of Impediments to Fair Housing is a detailed review of impediments or barriers that affect the rights of fair housing choice. The AI serves as the basis for fair housing planning, provides essential information to policy makers, administrative staff, housing providers, lenders, and fair housing advocates, and assists in building public support for fair housing efforts;

C. The Citizen Participation Plan describes how the City will involve its residents in the planning, implementation and assessment of how CDBG funds will be used; and

D. The Annual Action Plan outlines the programs and individual objectives for each year. The Action Plan serves as the implementing document for the strategies and goals identified in the City of Hanford's Five-Year Consolidated Plan.

E. II. Citizen Participation Plan

The Citizen Participation Plan is vitally important to the success of the City's CDBG program. It describes how the City of Hanford will involve citizens in the planning, implementation, and assessment of Community Development Block Grant (CDBG) funds. It includes the City's policies and procedures for public participation in the Consolidated Plan process and the use of CDBG funds. The City encourages public involvement, especially those living in low and moderate-income neighborhoods. The City will take appropriate actions to encourage the participation of minorities, non-English speaking persons, and persons with disabilities. This Citizen Participation Plan is available to the public at 317 North Douty Street, Hanford and can also be accessed on the City's website, www.cityofhanfordca.com.

A. OUTREACH EFFORTS

The City of Hanford is committed to involving its residents during the CDBG program planning and implementing process, especially those residents that can directly benefit from the funding. The City's efforts to include the public include, but are not limited to the following:

- Notifying local public agencies that assist low and moderate-income persons and areas, including City staff, State and federal agencies, neighboring local governments, and regional agencies.
- Participation is encouraged by local businesses, developers, Continuum of Care, various private agencies, including local non-profit service providers and advocates such as the local public housing agency, health agencies, homeless service providers, non-profit housing developers, social service agencies (including those focusing on services to children, the elderly, persons with disabilities, persons with HIV/AIDS, persons with substance abuse problems, etc.). Broadband internet service providers, organizations engaged in narrowing the digital divide, public land or water resources, emergency management agencies, and other interested parties.
- Publishing advertisements/notices in English and Spanish in the *Hanford Sentinel*, and on the website **ten (10) days** in advance of the meeting. The notice will include the amount of funds available, range of activities that may be undertaken and amount that may benefit low to moderate-income persons.

- Holding public hearings before the Hanford City Council to solicit input on needs and priorities for the Consolidated Plan and Annual Action Plans.
- Posting notices at the City Offices, 317 N. Douty Street.
- Posting notices on Hanford's website (www.cityofhanfordca.com)

Limited English Proficient Persons and the Language Access Plan

The City of Hanford will make every effort to ensure that Limited English Proficient (LEP) persons have meaningful access to federally funded programs and services as is required under Title VI of the Civil Rights Act of 1964.

The City of Hanford has a diverse population where many languages are spoken. A substantial number of persons that speak these languages do not speak English or do not speak English very well, and are considered Limited English Proficient (LEP).

Regardless of which language a person speaks or their ability to speak English, the City of Hanford will make every effort to ensure that they have meaningful access to federal funding services through either oral interpretation or written translations of vital documents.

Since the City of Hanford has a number of LEP persons, all citywide public notices and public hearings must ensure that language services are provided or available.

The City of Hanford is confident that no person will be denied federally funded services based on their ability to speak English.

The City of Hanford is committed to keeping all interested groups and individuals informed of each phase of the consolidated planning process and of activities being proposed or undertaken under HUD formula grant programs. Opportunities to comment on or participate in planning community development and affordable housing activities and projects will be publicized and disseminated throughout the City.

Access for Persons with Disabilities

It is the policy of the City of Hanford that there shall be no discrimination against persons because of race, religion, age, creed, color, sex, disability, sexual orientation, national origin, marital status, veteran's status or political belief or affiliation and that equal opportunity and access to facilities shall be available to all. The City is committed to providing equal access in its programs, services, and activities for persons with disabilities. Special accommodations or materials in alternative format, under the Americans with Disabilities Act, are available upon request. In addition, accommodations will be made, upon request, for attendees who are either visually or hearing impaired. Requests must be made at least 72 hours prior to meeting. Later requests will be accommodated to the extent feasible. Please call the City Clerk's office at (559) 585-2515, from 8:00 a.m. to 5:00 p.m., Monday through Friday.

B. PUBLIC HEARING REQUIREMENTS

A public hearing is an official meeting where members of the public hear about the proposed activities and have the opportunity to give their opinions about the subject.

State law requires that jurisdictions conduct at least two public hearings per year. The City of Hanford will hold the first public hearing at the design phase (of the Consolidated Plan, the individual Action Plans and the Citizen Participation Plan) and a second hearing at reporting period, allowing citizens to comment on the progress made in the year.

Public hearings and meetings will be held at the City Council chambers, 400 N. Douty Street. The City complies with the Americans with Disabilities Act, and will make accommodations for persons with special needs. Public hearings and the review of Consolidated Plan documents will be held at the City Council chambers, which is accessible to people with disabilities. Provisions will be made for people with disabilities when requests are made at least 72 hours prior to a hearing. Translators will also be provided for Spanish speaking residents upon request. Public hearings are usually held in the evening to accommodate most residents, especially those who might benefit from the use of funds. The City Council chambers are located in central Hanford and accessible by public transportation.

PUBLIC HEARING PURPOSE

The City of Hanford conducts public hearings, meetings and/or forums to receive public input on the development and/or implementation of projects and/or programs utilizing CDBG and program income funds. The hearings will address Hanford's housing and community development needs, the activities proposed, and/or review performance reporting. In-person public hearings are not required

D. Public Meeting

Above the required public hearings, the City may opt to conduct public meetings and/or forums in an effort to reach residents likely to benefit from CDBG funding. Staff will hold these public meetings in places frequented by persons likely to benefit from the program, such as Longfield Center, which is located within a CDBG target area. These meetings will be noticed properly and all comments will be documented and considered by Council.

E. 30-day Public Comment Period

The City of Hanford will provide a public comment period for no less than 30-days to review and submit comment for the following documents:

1. CITIZEN PARTICIPATION PLAN

The City of Hanford will provide Hanford residents reasonable opportunity to comment on the original Citizen Participation Plan and on any substantial amendments to the plan.

The City of Hanford will offer a **30-day public review period** prior to any public hearing. This will allow Hanford residents to submit comments in writing in the event they are unable to attend a scheduled public hearing. All comments received in writing, orally or at the public hearings will be summarized and shall be considered by council prior to any approvals and/or adoptions.

All comments will be incorporated into the actual Citizen Participation Plan at approval/adoption.

2. CONSOLIDATED PLAN

The City of Hanford will provide Hanford residents reasonable opportunity to comment on the original Consolidated Plan and/or on any substantial amendments to the plan.

The City of Hanford will offer a **30-day public review period** prior to any public hearing. This will allow Hanford residents to submit comments in writing in the event they are unable to attend a scheduled public hearing. All comments received in writing, orally or at the public hearings will be summarized and shall be considered by council prior to any approvals and/or adoptions.

All comments will be incorporated into the actual Consolidated Plan at approval/adoption.

3. ANNUAL ACTION PLANS

The City of Hanford will provide Hanford residents reasonable opportunity to comment on the annual Action Plan and/or on any substantial amendments to the annual Action Plan.

The City of Hanford will offer a **30-day public review period** prior to any public hearing. This will allow Hanford residents to submit comments in writing in the event they are unable to attend a scheduled public hearing. All comments received in writing, orally or at the public hearings will be summarized and shall be considered by council prior to any approvals and/or adoptions.

All comments will be incorporated into the actual Action Plans at approval/adoption.

F. 15-DAY PUBLIC COMMENT PERIOD

The City of Hanford will provide a public comment period for no less than 15-days to review and submit comment on the following documents.

1. PERFORMANCE REPORTS

The City of Hanford will provide Hanford residents reasonable opportunity to comment on the performance reports prior to submitting the reports to HUD.

The City of Hanford will offer a **15-day public review period** prior to any public hearing. This will allow Hanford residents to submit comments in writing in the event they are unable to attend a scheduled public hearing. All comments received in writing, orally or at the public hearings will be considered and attached to the performance reports.

G. NOTICING

There shall be advance public notice of all public hearings and all public meetings such as the City Council, and other City committee and commission meetings relating to the funds and/or planning process covered by this Citizen Participation Plan. All notices shall contain sufficient information about the subject of the hearing (meeting and/or forum) to allow for informed comments.

1. FORMS OF PUBLIC NOTICE

City of Hanford staff will ensure adequate advance notice of all public hearings and meetings. Adequate notice will include:

- Public displayed advertised notices in English and Spanish in the *Hanford Sentinel* at least ten (10) days prior to the public hearings for all Consolidated Plan documents. Notices will indicate that there is a thirty (30) day review period on the Consolidated Plan or Amendment, or a fifteen (15) day review period for the CAPER, in which to receive comments from citizens before submission of the plan or report to the City Council for approval.
- Posted notices at the City Offices, 317 N. Douty Street.
- Posted notices on Hanford's website (www.cityofhanfordca.com)

CARES Act Waivers and Flexibility Effective March 27, 2020,

The Coronavirus Aid, Relief and Economic Security Act (CARES Act) (Public Law 116-136) provides CDBG participating jurisdictions with flexibilities that make it easier to use CDBG-CV grants and fiscal years 2019 and 2020 CDBG Grants for the Coronavirus response. The CARES Act authorizes HUD to grant waivers and alternative requirements; and in order to prevent, prepare for, and respond, to the Coronavirus using CDBG-CV grants, the City will have the option to meet public hearing requirements with virtual public hearings if: 1) national/local health authorities recommend social distancing and limiting public gatherings for public health reasons; and 2) virtual hearings provide reasonable notification and access for citizens in accordance with the City's certifications, timely responses from local officials to all citizen questions and issues, and public access to all questions and responses. For any CDBG-CV, 2019-20 and 2020-21 CDBG funds that are used in order to prevent, prepare for, and respond to the Coronavirus, expedited procedures will be implemented which include notice and reasonable opportunity to comment of no less than five (5) days. The five (5) day period can run concurrently for comments on the action plan amendment and, amended citizen participation plans. For any CDBG-CV, 2019-20 and 2020-21 CDBG funds that are used in order to prevent, prepare for and respond to Coronavirus, the draft and final documents will only be available online at the City's website. At the discretion of the City Manager, City Staff will recommend program activities, funding and program modifications for submittal to the City Council. In this case, the City Manager would have deemed the expeditious completion of these tasks as essential to public safety, health or economy, to prevent, prepare for or respond to the Coronavirus.

For additional information please see: Attachment 1: *Eligible CDBG-CV Activities to **PREVENT**, **PREPARE FOR**, and **RESPOND** to Covid-19*

III. AMENDMENTS

From time to time, it may be necessary for the City to process a "substantial amendment" to the Five-Year Consolidated Plan or the One-Year Action Plans to allow for new CDBG funded activities, modification to existing activities; or other CPD program administrative actions. In addition, off cycle activity planning may occur outside of the annual planning process. In these instances, actions to modify or significantly change a city's program are considered to be "off-cycle" changes, and by definition, are categorized as Substantial Amendments.

- **Minor Amendment:** Minor amendments represent any change to the Consolidated Plan or Action Plans that do not qualify as "substantial amendments", and changes that are 40 percent or less in each funding category, to effectively spend funds (including program income). In addition, an existing activity or program can be cancelled administratively if no funds were expended, and said funds can be

reallocated to an existing Annual Action Plan activity or program as an alternate activity identified in the Annual Action Plan. Funds may reallocate to a contingency fund to be allocated to one or more future activities or programs at a future date. (Minor Administrative amendments do not require a public notice)

Throughout the year, it may be necessary to amend the various plans after they've been approved. The Citizen Participation Plan allows for substantial amendments to plans. These substantial amendments apply only to the changes in CDBG funding allocations. This Citizen Participation Plan defines a **substantial amendment** as:

- To make a substantial change in the allocation priorities or a substantial change in the method of distribution of funds. A substantial change increases or decreases the amount allocated to a category of funding within the City's entitlement grant programs by 75 percent.
- To carry out an activity using funds from any program not covered by the Five-Year Consolidated Plan (including program income) not previously described in the Five-Year Consolidated Plan.
- To substantially change the purpose, scope, location or beneficiaries of an activity.

The following procedures apply to Substantial Amendments:

- The City will place public display notices in English and Spanish in the *Hanford Sentinel* newspaper, notices at the City Offices and on the City's website in advance of a 30-day public comment period.
- Citizens have thirty (30) days to review the proposed Amendment from the date of the notice.
- During the 30-day public review and comment period, the document will be available for review at the City of Hanford Community Development Department. Copies of the document will be available to the public free of charge.

Citizens may file comments at the City Offices during the 30-day period from the date of the notice. In the event of substantial amendment to the Consolidated Plan is needed, the City will openly consider any comments on the substantially amended Consolidated Plan from individuals or groups. Comments must be received in writing or at public hearings. A summary of the written and public hearing comments on the substantial amendments will be included in the amended Consolidated Plan. The final Consolidated Plan will also include a summary of all comments not accepted and their reasons for dismissal.

- The City Council will adopt the Amendment.
- Hold a minimum of one public meeting before the City Council to solicit input on the Substantial Amendment.

- In preparing a final Amendment, careful consideration will be given to all comments and views expressed by the public, whether given as verbal testimony at the public hearing or submitted in writing during the review and comment period. The final Amendment will have a section that includes all comments, plus explanations why any comments were not accepted.

CHANGES IN FEDERAL FUNDING LEVEL

Any changes in federal funding level after the Consolidated Plan and Annual Action Plan's draft comment period has expired and the resulting effect on the distribution of funds will not be considered an amendment or a substantial amendment.

IV. CONSOLIDATED ANNUAL PERFORMANCE EVALUATION REPORT (CAPER)

Every year, the City of Hanford must submit to HUD a Consolidated Annual Performance Evaluation Report (CAPER). In general, the CAPER must describe how funds were actually used and the extent to which these funds were used for activities that benefited low and moderate-income people. The following steps outline the opportunities for public involvement in the CAPER:

- The City will place public display advertised notices in English and Spanish in the *Hanford Sentinel* newspaper, notices at the City Offices and on the City's website in advance of a 15-day public comment period.
- Citizens have fifteen (15) days to review the CAPER from the date of the notice.
- During the 15-day public review and comment period, the document will be available for review at the City of Hanford Community Development Department. Copies of the document will be available to the public free of charge.
- Citizens may file comments at the City Offices during the 15-day period from the date of the notice.
- The City Council will adopt the CAPER.
- In preparing the CAPER, careful consideration will be given to all comments and views expressed by the public, whether given as verbal testimony at the public meeting or submitted in writing during the review and comment period. The final Amendment will have a section that includes all comments, plus explanations why any comments were not accepted. (No Public Hearing is Required)

V. AVAILABILITY OF CONSOLIDATED PLAN DOCUMENTS

Copies of Consolidated Plan documents will be provided to the public free of charge. These materials will be available in a form accessible to persons with disabilities, upon request. Consolidated Plan documents will be available at the City of Hanford Community

Development Department, 317 N. Douty Street, Hanford, and telephone (559) 585-2587. The documents will also be posted on the city's website www.cityofhanfordca.com.

VI. ACCESS TO RECORDS

The City of Hanford shall provide citizens, public agencies and/or other interested parties with access to information and records relating to Hanford's Consolidated Plan and use of program funds covered by the Consolidation Plan during the proceeding five years.

VII. TECHNICAL ASSISTANCE

City staff will work with organizations and individual's representative of low and moderate-income people, who are interested in submitting a proposal to obtain funding for an activity. All potential applicants for funding are encouraged to contact City staff for technical assistance before completing a proposal form. This technical assistance may include:

- Assisting with forms/applications;
- Explaining the process for submitting proposals;
- Explaining federal and local requirements;
- Providing comments and advice on the telephone or in meetings;
- Reviewing and commenting on draft proposals.

• VIII. Complaint Procedures

The City will respond to all complaints, in writing, within fifteen (15) days. All comments and responses will be attached to each applicable document.

IX. DISPLACEMENT

It is the goal of the City of Hanford to minimize displacement of any persons from their residence, however, if it is necessary as a result of a program activity, then the Residential Anti-Displacement and Relocation Plan, which is part of the City of Hanford Rehabilitation Program Guidelines, will apply. These have been developed in accordance with federal regulations.

DEFINITIONS

Amendment, Minor: A change to a previously adopted Five Year Consolidated Plan or Annual Action Plan that does not meet the thresholds to qualify as a Substantial Amendment. A minor amendment may include monetary changes or shifts, regardless of size that are both:

1. Necessary for substantially preserving all the programs and activities identified in a Plan.
2. Necessitated by significant changes in the funding levels between HUD's initial estimates of funding amounts and HUD's final allocation notification to the City.

Amendment, Substantial: A change to a previously adopted Five Year Plan or Annual Plan that:

- Increases or decreases the amount allocated to a category of funding within the City's entitlement grant programs (as listed below) by **40 percent**.
- Significantly changes an activity's proposed beneficiaries or persons served
- Allocates funding for a new activity not previously described in the Action Plan

Annual Action Plan: This document details yearly approved funding allocations to specific eligible projects and activities. It is submitted to HUD 45 days prior to the start of the City's fiscal year and is developed in accordance with federal regulations (24 CFR 91).

Analysis of Impediments to Fair Housing (AI): This document refers to an analysis performed in accordance with requirements for consultation and community participation that includes a review of fair housing data, an assessment of fair housing issues and contributing factors, and an identification of fair housing priorities and goals.

Citizen Participation Plan: This plan is prepared to facilitate and encourage public participation and involvement in the Consolidated Plan process (including the AFH) and the City's CDBG program, especially by low and moderate-income persons. The plan identifies the public participation requirements as identified by federal regulations (24 CFR 91).

Code of Federal Regulations (CFR): The CFR is the general and permanent rules and regulations published in the Federal Register by the executive departments and agencies of the US Government.

Community Development Block Grant (CDBG) Program: This is a federal grant program administered by HUD. The program allocates money to eligible cities and

counties throughout the United States, primarily to assist low- and moderate-income households and neighborhoods. The grant program may be used for such activities as housing rehabilitation, affordable housing assistance, community services, and community development activities such as construction or rehabilitation of community facilities and economic development

Consolidated Annual Performance Evaluation Report (CAPER): This document reports on the City's annual achievements relative to the goals in the Consolidated Plan and the activities in the Annual Plan. The report is prepared annually by the City in accordance with federal regulations (24 CFR Part 91), and is submitted to HUD within 90 days of program year end.

Consolidated Plan: This is a five-year planning document that establishes the City's priorities and strategies for use of HUD-administered funding. The Consolidated Plan identifies housing, economic, and community development needs and prioritizes funding to meet those needs. It is developed in accordance with federal regulations (24 CFR Part 91) and is submitted to HUD 45 days prior to the start of the City's fiscal year.

Consolidated Plan Documents: These include the Consolidated Plan, the Assessment of Fair Housing, the Annual Action Plan, the Consolidated Annual Performance Evaluation Report, and any Substantial Amendments thereto.

Continuum of Care: This means the group organized to carry out the responsibilities required under 24 CFR 578 and that is composed of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.

Low and Moderate-Income Persons: These are individuals within households earning less than 80 percent of the area median income. They are broken down into the following income designations:

- **Extremely Low-Income:** Individuals within households with incomes less than 30 percent of the area median family income, adjusted for household size.
- **Low-Income:** Individuals within households with incomes between 31 and 50 percent of the area median family income, adjusted for household size.

- **Moderate-Income:** Individuals within households with incomes between 51 and 80 percent of the area median family income, adjusted for household size.

Low and Moderate-Income Neighborhood: In general, this is defined as a census tract or block group where a minimum of 51 percent of the residents have low or moderate incomes. In certain jurisdictions that do not have an adequate number of low and moderate-income neighborhoods under this definition, the definition may be expanded to include the twenty-five percent of the jurisdiction's census tracts or block groups with the highest percentage of residents with low or moderate incomes.

Program Year: The "program year" for the City of Hanford's July 1st through June 30th, which is the same as the City's fiscal year.

Public Hearing: This is a public meeting that has been publicly noticed in a local newspaper of general circulation, or noticed in a fashion which otherwise follows local procedures for formal noticing of public hearings. Public hearings are required prior to the adoption of the AFH, Consolidated Plan, Annual Action Plan, CAPER, and substantial amendments to any of the Consolidated Plan documents.

U.S. Department of Housing and Urban Development (HUD): This is the federal agency which administers and provides guidance for the Consolidated Plan Process and use of certain federal funds, including CDBG.

ATTACHMENT 1: ELIGIBLE CDBG-CV ACTIVITIES TO PREVENT, PREPARE FOR, AND RESPOND TO COVID-19

Quick Guide to CDBG Eligible Activities to Support Coronavirus and Other Infectious Disease Response
REVISED April 6, 2020

Grantees should coordinate with local health authorities before undertaking any activity to support state or local pandemic response. Grantees may use Community Development Block Grant (CDBG) funds for a range of eligible activities that prevent and respond to the spread of infectious diseases such as the coronavirus.

Examples of Eligible Activities to Support Coronavirus and Other Infectious Disease Response

<i>For more information, refer to applicable sections of the Housing and Community Development Act of 1974 (for State CDBG Grantees) and CDBG regulations (for Entitlement CDBG grantees).</i>	
Buildings and Improvements, Including Public Facilities	
Acquisition, construction, reconstruction, or installation of public works, facilities, and site or other improvements. <i>See section 105(a)(2) (42 U.S.C. 5305(a)(2)); 24 CFR 570.201(c).</i>	Construct a facility for testing, diagnosis, or treatment.
	Rehabilitate a community facility to establish an infectious disease treatment clinic.
	Acquire and rehabilitate, or construct, a group living facility that may be used to centralize patients undergoing treatment.
Rehabilitation of buildings and improvements (including interim assistance). <i>See section 105(a)(4) (42 U.S.C. 5305(a)(4)); 24 CFR 570.201(f); 570.202(b).</i>	Rehabilitate a commercial building or closed school building to establish an infectious disease treatment clinic, e.g., by replacing the HVAC system.
	Acquire, and quickly rehabilitate (if necessary) a motel or hotel building to expand capacity of hospitals to accommodate isolation of patients during recovery.
	Make interim improvements to private properties to enable an individual patient to remain quarantined on a temporary basis.
Assistance to Businesses, including Special Economic Development Assistance	
Provision of assistance to private, for-profit entities, when appropriate to carry out an economic development project. <i>See section 105(a)(17) (42 U.S.C. 5305(a)(17)); 24 CFR 570.203(b).</i>	Provide grants or loans to support new businesses or business expansion to create jobs and manufacture medical supplies necessary to respond to infectious disease.
	Avoid job loss caused by business closures related to social distancing by providing short-term working capital assistance to small businesses to enable retention of jobs held by low- and moderate-income persons.
Provision of assistance to microenterprises. <i>See section 105(a)(22) (42 U.S.C. 5305(a)(22)); 24 CFR 570.201(o).</i>	Provide technical assistance, grants, loans, and other financial assistance to establish, stabilize, and expand microenterprises that provide medical, food delivery, cleaning, and other services to support home health and quarantine.

Provision of New or Quantifiably Increased Public Services	
Following enactment of the CARES Act ¹ , the public services cap ² has no effect on CDBG-CV grants and no effect on FY 2019 and 2020 CDBG grant funds used for coronavirus efforts. <i>See section 105(a)(8) (42 U.S.C. 5305(a)(8)); 24 CFR 570.201(e).</i>	Carry out job training to expand the pool of health care workers and technicians that are available to treat disease within a community.
	Provide testing, diagnosis or other services at a fixed or mobile location.
	Increase the capacity and availability of targeted health services for infectious disease response within existing health facilities.
	Provide equipment, supplies, and materials necessary to carry-out a public service.
	Deliver meals on wheels to quarantined individuals or individuals that need to maintain social distancing due to medical vulnerabilities.
Planning, Capacity Building, and Technical Assistance	
States only: planning grants and planning only grants. <i>See section 105(a)(12).</i>	Grant funds to units of general local government may be used for planning activities in conjunction with an activity, they may also be used for planning only as an activity. These activities must meet or demonstrate that they would meet a national objective. These activities are subject to the State's 20 percent administration, planning and technical assistance cap.
States only: use a part of to support TA and capacity building. <i>See section 106(d)(5) (42 U.S.C. 5306(d)(5)).</i>	Grant funds to units of general local government to hire technical assistance providers to deliver CDBG training to new subrecipients and local government departments that are administering CDBG funds for the first time to assist with infectious disease response. This activity is subject to the State's 3 percent administration, planning and technical assistance cap.
Entitlement only: data gathering, studies, analysis, and preparation of plans and the identification of actions that will implement such plans. <i>See 24 CFR 570.205.</i>	Gather data and develop non-project specific emergency infectious disease response plans.

Planning Considerations

Infectious disease response conditions rapidly evolve and may require changes to the planned use of funds:

- CDBG grantees must amend their Consolidated Annual Action Plan (Con Plan) when there is a change to the allocation priorities or method of distribution of funds; an addition of an activity not described in the plan; or a change to the purpose, scope, location, or beneficiaries of an activity (24 CFR 91.505).
- If the changes meet the criteria for a "substantial amendment" in the grantee's citizen participation plan, the grantee must follow its citizen participation process for amendments (24 CFR 91.105 and 91.115).
- Under the CARES Act, CDBG grantees may amend citizen participation and Con Plans concurrently in order to establish and implement expedited procedures with a comment period of no less than 5-days.

Resources

The Department has technical assistance providers that may be available to assist grantees in their implementation of CDBG funds for activities to prevent or respond to the spread of infectious disease. Please contact your local CPD Field Office Director to request technical assistance from HUD staff or a TA provider.

ATTACHMENT 2

PROPOSED SUBSTANTIAL AMENDMENT TO THE 5-YEAR CONSOLIDATED PLAN (2019-2023) CITIZENS PARTICIPATION PLANS AND (2019/20) ANNUAL ACTION PLAN

A. EXECUTIVE SUMMARY

On March 27, 2020, Congress passed The Coronavirus Aid, Relief and Economic Security Act (CARES Act) (Public Law 116-136) to directly address the impacts of the Novel Coronavirus and COVID-19. As part of the CARES Act, Congress appropriated \$5 billion to the U.S. Department of Housing and Urban Development (HUD) for allocation to cities and states through the Community Development Block Grant (CDBG) program. The \$5 billion is to be released in three allocation:

- \$2 billion will be distributed based on the FY20 allocation formula to entitlement, state, and insular area grantees
- \$1 billion will be distributed to states and insular areas "based on public health needs, risk of transmission of coronavirus, number of coronavirus cases compared to the national average, and economic and housing market disruptions, and other factors".
- \$2 billion will be distributed "directly to the State or unit of general local government, at the discretion of the Secretary, according to a formula based on factors to be determined by the Secretary, prioritizing risk of transmission of coronavirus, number of coronavirus cases compared to the national average, and economic and housing market disruptions resulting from coronavirus".

The City of Hanford, as an Entitlement City, is expected to receive \$325,307 in CDBG-CV funds in the first allocation. It is unknown how much, if any, will be received in the following allocations.

The City of Hanford is amending its 2019 Annual Action Plan to include the CDBG-CV funding and amend its Citizen Participation Plan to include a 5-day comment period. Under 24 CFR 91.05(c)(2) and subpart B of the Federal regulations, which provided for waivers relative to citizen participation for Community Planning and Development Programs through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), staff has submitted the regulatory waivers to HUD, which HUD acknowledged and accepted.

CITIZEN PARTICIPATION

In compliance with HUD Memo, issued April 9, 2020, amendments to the approved Consolidated Plan were limited to the following.

Citizen Participation section was amended to reflect the emergency hearings and amendment of the Citizen Participation Plan.

Needs Assessment narrative addition:

Due to the global pandemic of the coronavirus (COVID-19), that basic needs are the upmost needs in the community. A survey was circulated on April 29,2020, to agencies and within the City to identify agency and citizen needs. At the time of the amendment to this plan, the most prevalent needs were food, housing, and economic development assistance (small business assistance).

On June 2, 2020 a virtual Public Hearing will be held at 7:00 PM. Pending no technical difficulties, the public hearing will be streamed via Zoom Live.

As an alternative, you may appear at the City Council meeting in person, but will be asked to maintain appropriate physical distancing from others, pursuant to the Governor's Executive Orders and public health guidance during the COVID-19 situation.

Comments to the Substantial Amendment may be submitted, before the meeting via email to slerma@cityofhanfordca.com.

B. PROPOSED ACTIVITY DETAIL

ACTIVITY ELIGIBILITY:

- **Activity Must be directly related to Covid-19 (Prevention, preparation for or in response to)**
- Must be a new activity or increase in services
- Grant funds may not be used to pay costs if another source of financial assistance is available to pay that cost (Duplication of services)
 - Must be an eligible CDBG activity that:
 - Meets a National Objective;
 - Serves Low/Mod Income households (LMI) (a minimum of 70% of the funding must benefit LMI Households)

Based on the eligible uses and need, the proposed use for the CDBG-CV funding is public service for food programs in the City of Hanford to help address food insecurities created by COVID-19 and to administer the program. A full budget is available in the Substantial Amendment.

Summary of 2019-20 Projected Additional Action Plan Funding

Revenue/Funding Description	Revenue	Allocation
	\$ 325,307	
CDBG-CV Public Services: Food Program		\$ 50,307
CDBG-CV Public Services Rental Assistance		\$ 145,000
CDBG-CV-Public Services Small Business Assistance		\$ 100,000
CDBG-CV Administration & Planning		\$ 30,000
Totals	\$ 325,307	\$ 325,307

D. WAIVERS and FLEXIBILITIES

The CDBG waivers that are available include:

- Extension of the submission of the FY19 and FY20 Conplan/action plans.
August 16, 2021.
- Suspension of the 15% expenditure cap on public services
- Allowance of a 5-day Public Hearing Notice/comment period
- Allowance of Virtual Meetings in lieu of in-person public hearings;
- Extends the CAPER due date from 90 days to 180 days after the close of a jurisdiction's program year.
- Additional program waivers may be available and would need to be requested on a case by case basis by the City, when necessary to expedite and facilitate the use of funds to prevent, prepare for, and respond to coronavirus.

*A list of CDBG-CV Eligible Activities to **PREVENT, PREPARE FOR, and RESPOND TO** Covid-19 is included as attachment 1.*

E. PUBLIC COMMENTS

In accordance with the amendment to the current Citizen Participation Plan that is running concurrently, the City of Hanford must be published for no less than 5 calendar days for public comment before it is submitted to the U. S. Department of Housing and Urban Development (HUD).

The 5-day comment period will begin on Friday, May 22, 2020, and extends through close of business Friday, May 29, 2020.

Attachment 1: *Eligible CDBG-CV Activities to PREVENT, PREPARE FOR, and RESPOND to Covid-19*

Quick Guide to CDBG Eligible Activities to Support Coronavirus and Other Infectious Disease Response REVISED April 6, 2020

Grantees should coordinate with local health authorities before undertaking any activity to support state or local pandemic response. Grantees may use Community Development Block Grant (CDBG) funds for a range of eligible activities that prevent and respond to the spread of infectious diseases such as the coronavirus.

Examples of Eligible Activities to Support Coronavirus and Other Infectious Disease Response

<i>For more information, refer to applicable sections of the Housing and Community Development Act of 1974 (for State CDBG Grantees) and CDBG regulations (for Entitlement CDBG grantees).</i>	
Buildings and Improvements, Including Public Facilities	
Acquisition, construction, reconstruction, or installation of public works, facilities, and site or other improvements. <i>See section 105(a)(2) (42 U.S.C. 5305(a)(2)); 24 CFR 570.201(c).</i>	Construct a facility for testing, diagnosis, or treatment.
	Rehabilitate a community facility to establish an infectious disease treatment clinic.
	Acquire and rehabilitate, or construct, a group living facility that may be used to centralize patients undergoing treatment.
Rehabilitation of buildings and improvements (including interim assistance). <i>See section 105(a)(4) (42 U.S.C. 5305(a)(4)); 24 CFR 570.201(f); 570.202(b).</i>	Rehabilitate a commercial building or closed school building to establish an infectious disease treatment clinic, e.g., by replacing the HVAC system.
	Acquire, and quickly rehabilitate (if necessary) a motel or hotel building to expand capacity of hospitals to accommodate isolation of patients during recovery.
	Make interim improvements to private properties to enable an individual patient to remain quarantined on a temporary basis.
Assistance to Businesses, including Special Economic Development Assistance	
Provision of assistance to private, for-profit entities, when appropriate to carry out an economic development project. <i>See section 105(a)(17) (42 U.S.C. 5305(a)(17)); 24 CFR 570.203(b).</i>	Provide grants or loans to support new businesses or business expansion to create jobs and manufacture medical supplies necessary to respond to infectious disease.
	Avoid job loss caused by business closures related to social distancing by providing short-term working capital assistance to small businesses to enable retention of jobs held by low- and moderate-income persons.
Provision of assistance to microenterprises. <i>See section 105(a)(22) (42 U.S.C. 5305(a)(22)); 24 CFR 570.201(o).</i>	Provide technical assistance, grants, loans, and other financial assistance to establish, stabilize, and expand microenterprises that provide medical, food delivery, cleaning, and other services to support home health and quarantine.

Provision of New or Quantifiably Increased Public Services	
Following enactment of the CARES Act¹, the public services cap² has no effect on CDBG-CV grants and no effect on FY 2019 and 2020 CDBG grant funds used for coronavirus efforts. <i>See section 105(a)(8) (42 U.S.C. 5305(a)(8)); 24 CFR 570.201(e).</i>	Carry out job training to expand the pool of health care workers and technicians that are available to treat disease within a community.
	Provide testing, diagnosis or other services at a fixed or mobile location.
	Increase the capacity and availability of targeted health services for infectious disease response within existing health facilities.
	Provide equipment, supplies, and materials necessary to carry-out a public service.
	Deliver meals on wheels to quarantined individuals or individuals that need to maintain social distancing due to medical vulnerabilities.
Planning, Capacity Building, and Technical Assistance	
States only: planning grants and planning only grants. <i>See section 105(a)(12).</i>	Grant funds to units of general local government may be used for planning activities in conjunction with an activity, they may also be used for planning only as an activity. These activities must meet or demonstrate that they would meet a national objective. These activities are subject to the State's 20 percent administration, planning and technical assistance cap.
States only: use a part of to support TA and capacity building. <i>See section 106(d)(5) (42 U.S.C. 5306(d)(5)).</i>	Grant funds to units of general local government to hire technical assistance providers to deliver CDBG training to new subrecipients and local government departments that are administering CDBG funds for the first time to assist with infectious disease response. This activity is subject to the State's 3 percent administration, planning and technical assistance cap.
Entitlement only: data gathering, studies, analysis, and preparation of plans and the identification of actions that will implement such plans. <i>See 24 CFR 570.205.</i>	Gather data and develop non-project specific emergency infectious disease response plans.

Planning Considerations

Infectious disease response conditions rapidly evolve and may require changes to the planned use of funds:

- CDBG grantees must amend their Consolidated Annual Action Plan (Con Plan) when there is a change to the allocation priorities or method of distribution of funds; an addition of an activity not described in the plan; or a change to the purpose, scope, location, or beneficiaries of an activity (24 CFR 91.505).
- If the changes meet the criteria for a "substantial amendment" in the grantee's citizen participation plan, the grantee must follow its citizen participation process for amendments (24 CFR 91.105 and 91.115).
- Under the CARES Act, CDBG grantees may amend citizen participation and Con Plans concurrently in order to establish and implement expedited procedures with a comment period of no less than 5-days.

Resources

The Department has technical assistance providers that may be available to assist grantees in their implementation of CDBG funds for activities to prevent or respond to the spread of infectious disease. Please contact your local CPD Field Office Director to request technical assistance from HUD staff or a TA provider.

2020 Action Plan DRAFT

Community Development Block Grant

City of Hanford
Community Development Department
Housing Division
317 N. Douty St.

Hanford, Ca 93230
www.cityofhanfordca.com

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Hanford's 2019-2023 Consolidated Plan constitutes a strategic vision for housing and community development. The goals are to assist low and moderate-income persons, provide decent housing, create suitable living environments, and expand economic opportunities. Included in the Consolidated Plan are broad five-year objectives and strategies to accomplish these goals. Specific identifiable benchmarks for measuring progress in realizing the City's vision are proposed in the Action Plan for 2020 as part of the strategy.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

- a) . Provide decent, affordable housing
 - The production and conservation and development of affordable housing opportunities
- b) Maintain and promote neighborhood preservation
 - To preserve, rehabilitate, and enhance existing neighborhoods and infrastructure
- c) Support special needs programs and services
 - Provide support services for the City's residents.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The program year 2020 Action Plan is the second of the City's 2019-2023 Consolidated Plan. Good progress has been made to-date during the 2019 program year. Further, the City's most recently submitted Annual Performance and Evaluation Report for the program year 2018

demonstrated that the City is near to meeting, meeting or exceeding its ConPlan goals in its 5-year ConPlan period.

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects. The following is an overview of the prior year performance and goals:

Housing Rehabilitation - To date, this project served 13 households during the FY2019-20 period. Hanford has spent \$68,317 (2018-19) and \$36,070.00 (2019-2020) of the housing rehabilitation funds allocated by the City, and is on track to meet the goals identified in the FY18-19 and FY19-20 Action Plans.

Public Facility Improvements- To date, during the FY2019-20 Hanford has spent \$249,093 in AP (2017-18) and (AP2018-19) allocated to Pedestrian Improvements.

First Time Homebuyers- To date, during the FY2019-20 Hanford has spent \$77,500 in (2018-19) allocated to First Time Homebuyers Assistance.

4. Summary of Citizen Participation and consultation process

Summary from citizen participation section of plan.

In accordance with the City's Citizen Participation Plan, elements of the 2020 Annual Action Plan were developed with active citizen input, including a citizen advisory committee who participated in the development of the various sections of the Plan.

5. Summary of public comments

This could be a brief narrative summary or reference to an attached document from the Citizen Participation section of the Con Plan.

All public meetings were noticed as per the Brown Act. Notices included the process to request physical accommodations and/or documents in alternate formats.

The purpose of the meetings was to inform the community about the Action Plan process and to identify opportunities to improve collaborative efforts and eliminate service delivery gaps to develop and sustain decent and affordable housing, suitable living environments and expanded community and economic opportunities.

The following comments were received during the March 17, 2020 public meeting on the allocation of CDBG funds.

Ms. Sandra Lerma-Martinez provided an overview to the council regarding the applications the department has received for the 2020 Community Development Block Grant funding.

Council Member Brieno asked about the funding for Kings Community Action Organization's funding for housing, Ms. Lerma-Martinez explained the City has not helped with this funding in the past. The Council reached consensus on allocating \$28,000.00 for KCAO and \$20,000.00 for utility assistance. Ms. Lerma-Martinez will give another presentation in May to follow up on the direction given by the Council for the funding.

THIS PORTION HAS NOT YET OCCURRED, AND WILL BE REVISED IF NECESSARY. A public hearing was noticed on May 20, for a public hearing on June 2, 2020. Citizens were also noticed about the public hearing through the City's social media. No comments, written or oral, were received during the comment period. The public hearing notice included information about the locations in which the action plan would be available for review, and was published in the *Hanford Sentinel* which services Hanford and the surrounding areas, in both English and Spanish. Hanford was prepared to provide interpreters for non-English speaking citizens upon request, however, no requests were made. Both input meeting and the public hearing were held during evening hours at convenient locations that accommodated persons with disabilities.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments are accepted and appreciated.

7. Summary

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City participates in bimonthly Alliance meetings, which is comprised of various government departments and service providers who share updates on their existing programs and needs. Each meeting also includes a speaker and information on services an agency provides. These collaborative efforts result in enhanced coordination, exchange of best practices, and a better understanding of community needs and how to best achieve them.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Kings/Tulare Homeless Alliance (Alliance) formerly known as the Continuum of Care (COC) is comprised of a group of service providers, advocates, public agencies, and homeless individuals to address the needs of the homeless population in the Kings and Tulare County regions. The City is an active participant in monthly Alliance meetings, which are intended to enhance coordination, share information on best practices, and develop a better understanding of the needs of the homeless population in jurisdictions across both counties. The Alliance recently implemented Every Door Open, a coordinated entry and assessment system to serve Kings and Tulare counties. Every Door Open is designed to help individuals at-risk of or currently experiencing homelessness. The coordinated entry and assessment system prioritize the most vulnerable homeless individuals, including the chronically homeless, families with children, veterans, and unaccompanied youth.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Not applicable. The City does not receive ESG funding. The Alliance submits the application on behalf of the applicants

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	\$552,993	\$80,000	\$0	\$632,993	\$	Entitlement funds allocation plus estimated program income.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Federal funds play a crucial role in implementing the Action Plan. Local private and non-federal funds are insufficient to meet the heavy demand for housing and services in our community.

Agencies receiving CDBG funds use those funds to get a commitment from other funding sources and increase their stakeholders. This encourages collaboration and partnerships between agencies and enhances the level of services agencies are able to provide low and moderate-income residents.

	Goal Description	Provide support services for the City's residents.

Projects

AP-35 Projects – 91.220(d)

Introduction

Alternate Projects: The following projects will serve as other projects in the FY 2019-2020 Annual Action Plan. Projects may fund from the Alternate Projects List if additional funding is available or if a funded project is canceled or delayed beyond the grant year. Factors to be taken into consideration for selecting from the Alternate Projects list include priority rank on the list, available funding based on the funding caps (ex. Public Service Cap), eligibility of the project for the available funding source, and timeframe for completion concerning the time period for expending funds.

- Additional funding for Primary List Public Service Subrecipients (Subject to Cap)
- Housing Rehabilitation \$100,000
- Cornerstone Recovery/Kings Gospel Mission \$75,000

Table 3 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

All program activities funded with the City's CDBG funds will benefit low- to moderate-income persons. The priority to each category was based on the identified needs expressed during the consultation and citizen-participation process. In addition, priorities were determined by information gathered from the Census, a market study and existing community documents, which include the City of Hanford's 2016 Housing Element.

The primary obstacle to addressing underserved needs is the lack of funding. The City relies on CDBG Entitlement funds, program income, and any state funds it can apply for to carry out the programs identified in this Action Plan.

The above-named projects and their allocations were selected primarily because they were identified as a higher need in the City's Consolidated Plan.

The public-service allocation is limited; therefore, all applicants could not be funded. While all seven applications proposed CDBG-eligible activities, the projects selected for funding are those that 1) ranked the higher need, per recent community outreach, 2) proposed to spend funding timely, and 3) knowledge of CDBG regulations.

AP-38 Project Summary

1	Project Name	Emergency Repair Housing Rehabilitation
	Target Area	CITY OF HANFORD
	Goals Supported	Provide decent affordable housing Maintain and promote neighborhood preservation
	Needs Addressed	Neighborhood/Facility Preservation Conservation and development of affordable housing
	Funding	CDBG: \$143,795
	Description	The City of Hanford will continue to offer the Emergency Repair Program. Through this program, qualifying residents are offered to finance emergency home repairs. The program offers up to \$10,000 per household. Repairs include, but are not limited to, roof repair or replacement, water meter replacements, heating and/or air repair or replacement, painting of exterior painting and accessibility modifications. It is anticipated that 14 households will be assisted through the program.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	14 income eligible homeowners
	Location Description	City Wide
2	Planned Activities	Rehabilitation of ownership housing for income-eligible residents
	Project Name	Lacey Park Court Improvements
	Target Area	CITY OF HANFORD
	Goals Supported	Maintain and promote neighborhood preservation
	Needs Addressed	To preserve, rehabilitate, and enhance existing Public Facilities
	Funding	CDBG: \$177,600

	Description	This project will improve the asphalt basketball courts at Lacey Park with new concrete and surface and adding one additional basketball court. The current surfaces are cracked, creating an uneven and unsafe courts for the players. These courts are used by our local youth in the residential area.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	6785 very low to low-income persons. Census Tract
	Location Description	City Wide
	Planned Activities	CDBG to address Homelessness
3	Project Name	Longfield Center Improvements
	Target Area	CITY OF HANFORD
	Goals Supported	Maintain and promote neighborhood preservation
	Needs Addressed	To preserve, rehabilitate, and enhance existing Public Facilities
	Funding	CDBG: \$45,000
	Description	Flooring improvements. The center is a recreational center that also serves as a sports facility for City's youth and is located in one of the City's highest LMI areas.
	Target Date	6/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	6785 very low to low-income persons. Census Tract 11.00
	Location Description	LMI area
	Planned Activities	The rehabilitation of the Service Center
4	Project Name	Kings Community Action Organization (KCAO)
	Target Area	CITY OF HANFORD
	Goals Supported	Support special needs programs and services

	Needs Addressed	Provide support services for the City's residents (Public Services)
	Funding	CDBG: \$28,000
	Description	KCAO will use funds to subsidize client's income so they are able to gain access to appropriate housing. By providing case management we will be fostering independence, healthy well-being including, mental and physical health.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	5 LMI persons will benefit.
	Location Description	City of Hanford
	Planned Activities	Services include temporary housing to stabilize individuals, case management, three meals a day, hygiene support, mental health assessment and case management. KCAO plans to develop a Life Plan for getting each homeless off the street.
5	Project Name	Cornerstone Recovery/Kings Gospel Mission
	Target Area	CITY OF HANFORD
	Goals Supported	Support special needs programs and services
	Needs Addressed	Public Facilities
	Funding	\$75,000 and \$75,000 as an alternate project (additional 5-units)
	Description	Purchase 5 locally sourced, factory built 2-bedroom residential units. To shelter 10 homeless individuals.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	10 LMI individuals
	Location Description	801-807 West 7th St. Hanford CA 93230
	Planned Activities	Housing for 10 homeless persons

6	Project Name	Public Service /Kings Tulare Continuum of Care
	Target Area	CITY OF HANFORD
	Goals Supported	Support special needs programs and services
	Needs Addressed	Provide support services for the City's residents
	Funding	CDBG: \$10,000 a year- two-year program \$20,000
	Description	The Kings Tulare Continuum of Care (COC) is a non-profit organization that partners with several area agencies to address the homeless needs in Hanford. CDBG funds will be used to help fund a variety of activities, including, but not limited to, the Point in Time census.
	Target Date	6/30/2022
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 300 LMI persons will benefit from this activity
	Location Description	City Wide
	Planned Activities	The Kings Tulare Continuum of Care (COC) is a non-profit organization that partners with several area agencies to address the homeless needs in Hanford. CDBG funds will be used to coordinate the operation of the Hanford Local Initiatives Navigation Center (LINC) as well as to provide emergency outreach services for people experiencing homelessness. LINC will replace the annual Project Homeless Connect event and serve as the primary service site annual Point in Time Count.
7	Project Name	Public Service/Utility Assistance
	Target Area	CITY OF HANFORD
	Goals Supported	Support special needs programs and services
	Needs Addressed	Provide support services for the City's residents
	Funding	CDBG: \$20,000

	Description	With the recent authorized water utility rate increases, support was expressed for a emergency assistance program. The program is available for low-income seniors (or people with disabilities) residential utility customers in the City of Hanford.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 75 persons will benefit from this activity
	Location Description	City Wide
	Planned Activities	With water utility rate increases, support was expressed for a payment assistance program. The program is available for low-income seniors (or people with disabilities) residential utility customers in the City of Hanford.
8	Project Name	Public Service/Fair Housing Program
	Target Area	CITY OF HANFORD
	Goals Supported	Support special needs programs and services
	Needs Addressed	Provide support services for the City's residents
	Funding	CDBG: \$7,000
	Description	An estimated 7 persons are expected to benefit from this activity
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 7 persons are expected to benefit from this activity
	Location Description	City Wide
9	Project Name	Administration and Planning
	Target Area	CITY OF HANFORD

Goals Supported	Provide decent affordable housing Maintain and promote neighborhood preservation Support special needs programs and services
Needs Addressed	To preserve, rehabilitate, and enhance existing Neighborhood/Facility Preservation Provide support services for the City's residents Conservation and development of affordable housing Economic and Employment Opportunity
Funding	CDBG: \$126,598
Description	The City of Hanford will utilize up to 20% of the CDBG FY2020-21 budget to provide administration, oversight and the hiring of a consultant to assist staff with the development of the 2020-21 Action Plan of the City's CDBG Program.
Target Date	6/30/2021
Estimate the number and type of families that will benefit from the proposed activities	not applicable
Location Description	Citywide
Planned Activities	Program Administration

Project Summary Information

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Geographic Distribution

Target Area	Percentage of Funds
City of Hanford	100%

Table 7 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Discussion

The City will use a place-based strategy during the planning period. The geographic distribution of funding is predicated somewhat on the nature of the activity to be funded. It is the City's intent to fund activities in the areas most directly affected by the needs of low-income residents and those with other special needs. The Annual Action Plan directs investment geographically to an area-benefit neighborhood. The area-benefit category is the most commonly used national objective for activities that benefit a residential neighborhood. An area-benefit activity is one that benefits all residents in a particular area, where at least 51% of the residents are low- and moderate-income persons. Public infrastructure improvements are an area-benefit activity when they are located in a predominately low- or moderate-income neighborhood.

AP-60 Public Housing – 91.220(h)

Introduction

This section describes what actions the City will take in the given program year to carry out the public housing portion of the Strategic Plan. The section will identify the manner in which its plan will address the needs of public housing during the program year. If the public housing agency is designated as troubled by HUD, or otherwise is performing poorly, the City will describe the manner in which it will provide financial or other assistance to improve the operations of the public housing agency to remove such designation.

Actions planned during the next year to address the needs to public housing

The City of Hanford does not own public housing. The City works in close collaboration with Kings County Housing Authority to provide public housing within the City. Hanford will continue to work independently and closely with the HA and local nonprofits to provide assistance to low-income families. As population demographics continue to change, the City will continue to work with the county housing authority and local (and regional) nonprofits to develop public housing projects in Hanford and provide the following Section 8 assistance:

- *Housing Choice Voucher Program.* HCV is the County’s Section 8 voucher program, which includes other programs and services available to HA participants, such as Moving to Work.
- *Moving to Work.* Moving to Work (MTW) is a demonstration program supported by HUD created to accomplish three (3) goals: 1) promote self-sufficiency among assisted families; 2) achieve program efficiency and reduce costs, and 3) increase housing choice for low-income households.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Kings County Housing Authority (KCHA) encourages resident involvement through various methods, particularly focusing on self-sufficiency and enhancing the quality of one’s own life. KCHA connects residents and participants to services, activities, and other organizations that promote that vision. There are Neighborhood Network Centers (including public computer centers) and community partnerships for residents to utilize. On the Kings County Housing Authority website, residents can locate relevant services and service providers in dedicated “resident” and “resident services” sections. Additionally, Kings County Housing Authority provides newsletters and reports about the status of its programs and residents for current and

future participants.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

KINGS COUNTY HOUSING AUTHORITY is not designated as “troubled”.

Discussion

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

This section describes the City's one-year goals and the specific action steps it will undertake in the program year to carry out the homeless strategy outlined in SP-60 Homelessness Strategy. The City will partner with Kings Tulare Homeless Alliance (Continuum of Care) (COC) and Kings Community Action Organization (KCAO), in order to accomplish one-year goals objectives. It will also describe the jurisdiction's one-year goals and specify the activities it will undertake to serve the housing and supportive services needs of non-homeless populations who require supportive housing. The City will fund its Emergency Utility Assistance and Emergency Repair programs to assist non-homeless populations who require supportive housing.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

This section describes the City's one-year goals and the specific action steps it will undertake in the program year to carry out the homeless strategy outlined in the SP-60 Homelessness Strategy. It will also describe the jurisdiction's one-year goals and specify the activities it will undertake to serve the housing and supportive service needs of non-homeless populations who require supportive housing.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Hanford supports and collaborates with local service providers, through the Alliance, to assist homeless individuals and families.

The Alliance has implemented *Every Door Open*, a coordinated entry and assessment system, serving Kings/Tulare counties. This system assists individuals and families who are at risk of, or who are experiencing, homelessness within the region. Clients seeking assistance can access the system through any provider. Upon submittal and completion of the Kings/Tulare Housing Assistance application, staff/case managers complete a needs assessment to determine the appropriate level of services within 72 hours. By using the Needs Assessment tool, each applicant is evaluated on a variety of criteria, including rental history, criminal history, domestic violence, mental health challenges, disabling conditions, language barriers, educational attainment, employment status, and length of homelessness. Services are then assigned, based on the client-level determination. The coordinated intake and assessment system are a best practice for prioritizing people who are homeless and most vulnerable, which includes people

who are chronically homeless, families with children, veterans, and unaccompanied youth.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

All programs within the Homeless Alliance — emergency, transitional and permanent housing— include supportive services for their clients. Each program designs and implements supportive services, based on their target population and partnerships leveraged within the community. The overarching goal of the supportive services offered is to link individuals and/or families with mainstream benefits and income support, education, employment services, as well as health and life-skills services. These linkages are a critical component in assisting clients in self-sufficiency, reducing episodes of homelessness, and preventing recidivism. Programs that serve these vulnerable subpopulations include:

- Champions, Cornerstone, KCAO and Kings County Behavioral Health— PSH programs for chronically homeless individuals and families and/or families with children.
- Westcare— Rapid Re-housing and Homeless Prevention for veterans and their families through the SSVF program.
- Aspiranet— Transitional housing program for youth ages 18-24.
- The Salvation Army— Rapid Re-housing and Homeless Prevention services for homeless individuals and families.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

One of the primary goals for the Homeless Alliance and City of Hanford is increasing access to housing for chronically homeless individuals and families, veterans, persons with disabilities, and youth. Obtaining permanent housing for these individuals and families will shorten the length of time spent in emergency shelters and/or transitional housing.

The City of Hanford will continue to facilitate new permanent-housing beds by partnering with

the Alliance to provide leadership and technical assistance to agencies interested in the development of homeless housing units. This will be accomplished by partnering with existing, under-utilized programs, as well as new programs to promote set-aside units for these target populations.

The overarching goal of the supportive services offered is to link individuals and/or families with mainstream benefits and income support, education, employment services, as well as health and life-skills services. These linkages are a critical component to assisting clients in self-sufficiency, reducing episodes of homelessness,

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City's 2016 Housing Element includes an analysis of potential and actual governmental constraints on the maintenance, improvement, or development of housing for all income levels, including land-use controls, building codes and their enforcement, site improvements, fees and other exactions required of developers, and local processing and permit procedures.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The provision of affordable housing and the support of existing and new affordable housing are critical to assuring that all households have access to quality housing. The City of Hanford is committed to removing or reducing barriers to affordable housing and has produced a diversity of housing types, and has adequate land to support the projected housing needs of lower-income households.

According to the City's 2016 Housing Element, market factors and government regulations can have a significant impact on the cost of new housing. Although market factors are largely beyond the influence of local governments, Kings County jurisdictions can continue to implement responsive programs to mitigate the impact of market conditions and governmental regulations. To ameliorate this issue, the City plans to do the following:

GOAL 3. Remove or mitigate, to the extent feasible and appropriate, potential governmental constraints to the production, maintenance, improvement, and affordability of housing.

Policy 3.1. Offer regulatory and/or financial incentives, as available and appropriate, to encourage the construction of quality housing.

Policy 3.2. Periodically review local ordinances and building regulations, to ensure that they do not unduly impede housing investment.

Policy 3.3. Utilize planned developments and other creative mechanisms, to facilitate the construction of more creative, well-designed, housing projects.

Policy 3.4. Ensure that developments are processed efficiently to minimize holding costs and

comply with the Permit Streamlining Act.

Discussion:

Providing for affordable housing opportunities and maintaining Hanford's existing housing stock are high priorities in Hanford. The City's strategies to removing barriers to affordable housing include implementing a first-time homebuyer program to assist low- to moderate-income persons with financing, to ensure their housing costs are within the *2020 Action Plan*.

85 Other Actions – 91.220(k)

Introduction:

This section will describe the City's planned actions to carry out the following strategies outlined in the Consolidated Plan:

- Foster and maintain affordable housing;
- Evaluate and reduce lead-based paint hazards;
- Reduce the number of poverty-level families;
- Develop institutional structure; and
- Enhance coordination.

In addition, the City will identify obstacles to meeting underserved needs and propose actions to overcome those obstacles.

Actions planned to address obstacles to meeting underserved needs

The City's strategies to address obstacles to meeting underserved needs includes, but is not limited to, providing information and/or education about the City's programs to the public through forums, workshops, and a continued partnership with nonprofit agencies that provide services to the underserved population; and to leverage their programs and/or projects with CDBG funding to the greatest extent possible.

Actions planned to foster and maintain affordable housing

Providing for affordable housing opportunities and maintaining Hanford's existing housing stock are high priorities in Hanford. The City's strategies to foster and maintain affordable housing include:

- Implementing a first-time homebuyer program to assist low- to moderate-income persons with financing, to ensure their housing costs are within their affordability range.
- Implementing an owner-occupied rehabilitation program, to assist low-income homeowners preserve their homes.
- Implement ongoing code enforcement services.
- Continuing to support applications to HCD for rental new construction projects that

target low- to moderate-income families.

Actions planned to reduce lead-based paint hazards

The City's strategies to reduce the presence of lead-based paint include:

- Implementing the lead-based paint regulations of 24 CFR Part 92 in all federally assisted City housing programs.
- Enforcing federal laws through the permit process and code enforcement services, by requiring contractors to be certified (if they are doing work that disturbs paint surfaces).
- Providing *Renovate-Right* pamphlets to homeowners, homebuyers, and contractors.
- Offering housing-rehabilitation loans and/or grants to qualifying households to remove/remedy lead-based paint.
- Refer individuals possibly affected by lead-based paint to their doctors or the Kings County Health Department nurse.

Actions planned to reduce the number of poverty-level families

The City will continue its efforts to improve the quality of housing in Hanford, promote safe decent housing for Hanford residents, and support public-services agencies targeting poverty level families.

The City's strategies are as follows:

- Continue to partner with KCAO, Kings-Tulare Continuum of Care, and other agencies providing services to homeless and low-income persons that do not have access otherwise. Funding has been allocated in this Action Plan for homeless prevention services.
- Continue to fund mortgage-assistance programs that help lower-income households buy in the current market.
- Continue to promote new construction rental activities targeted to lower-income households.
- Continue to fund revitalization programs, such as housing-rehabilitation and emergency-repair programs; improving housing conditions for low- to moderate-income homeowners that could not afford to finance the repairs otherwise.
- Continue to promote educational services targeted to low-income youth and their families. Funding has been allocated in this Action Plan to provide educational services at Coe Park Center. This center is located in a CDBG target area and primarily

frequented by persons living in this area.

Actions planned to develop institutional structure

The primary gap in the institutional structure and service delivery system is the lack of funding to meet all service needs of the special-needs and homeless population. The strategy to address these needs has been an aggressive push to acquire additional resources. The City will continue to actively pursue additional state and federal funding to close the gap that currently exists.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Hanford maintains a list of the area public- and private-housing, social-services agencies, and will include these agencies in the development of the Consolidated and Action Plans, notifying them of funding through the City's public-services NOFA.

Discussion:

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(l)(1)

Introduction:

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020

AGENDA SECTION: A

SUBJECT:

Public Works: Adopt Resolution 20-08-R, approving the Annual Engineer's Report and Intention to Levy and Collect Assessments as outlined, pursuant to Chapter 3 of the Landscape and Lighting Act of 1972, and set July 17, 2020 as the Public Hearing date to consider the increases in assessments as proposed.

RECOMMENDATION:

That the City Council, by motion, adopt the attached Resolution approving the Annual Engineer's Report and Intention to Levy and Collect assessments pursuant to Chapter 3 of the Landscaping and Lighting Act of 1972 for the following districts:

<u>District</u>	<u>Subdivision</u>
90-01	Pinecastle Addition, Unit No. 1, 2, 3 and 4
90-02	Park Monterey, Unit No. 1 and 2
90-03	Mansionette Estates, No. 7 and 8
90-04	Hyde Park
91-01	Sierra Vista (Tract 641)/New Dimensions (Tract 703/713), No. 1, 2, 3, 4, 5 and 6
92-01	Portofino, No. 1, 2, 3 and 4
92-02	Cielo En Tierra, No. 1, 2, 3, 4 and 5
93-01	Vintage Estates
93-02	Walnut Forest, Unit No. 1, 2 and 3
94-01	Gateway Estates
94-02	Stonecrest, No. 1, 2, 3, 4, 5, 6, 7, 8 and 9
94-03	Quail Run Estates, No. 1, 2, 3, 4 and 5
97-01	Rosewood Estates, No. 1 and 2
97-02	Summer Field Addition No. 2
97-03	Country Crossing, No. 1, 2, 3, 4 and 5
98-01	Crystal Springs, No. 1, 2 and 3
98-02	Mountain View Estates, No. 1, 2, 3, 4, 5 and 6
01-01	Pacific Grove (Tract 680/777)/N. Pointe (Tract 778), No. 1, 2, 3 and 4
01-02	Cambridge Homes (Tract 770), No. 1, 2 and 3

01-03	Poppy Hills (Tract 771/796), No. 1 and 2

19-01	Pacific Grove (Tract 916)

BACKGROUND:

In accordance with Chapter 3 of the Landscaping and Lighting Act of 1972 (“Act”), an Annual Engineer’s Report addressing adjustments to assessments based on a review of the costs of maintenance of public improvements must be prepared and submitted to the City Council for action. The Streets and Highway Code, as referenced in the Act, requires the holding of a public hearing for Districts identified in the Annual Engineer’s Report as showing an increase, decrease or no change in the annual assessment amount. At the public hearing, to be scheduled for **July 21, 2020**, the City Council shall consider all public input prior to taking final action on confirming and levying the assessments proposed in the Annual Engineer’s Report.

Regarding the Districts identified in the Annual Engineer’s Report as showing an increase in the annual assessment amount, the City Council must consider all protests against the proposed increase in the assessment amount and tabulate any ballots delivered to the City prior to the close of the public hearing.

If the ballots submitted in opposition to the increased assessment amount exceed the ballots submitted in favor of the increased assessment amount, the assessment amount shall not be increased. If the increase in the assessment to maintain the current level of service for the existing landscape area is voted down, the current level of service may be reduced. In tabulating the ballots, the ballots shall be weighed according to the proportional financial obligation of each affected parcel of real property.

The Annual Engineer’s Report identifies an increased annual assessment amount for the following districts:

DISTRICT	Current Assessment	Proposed Assessment
----------	--------------------	---------------------

90-03	Mansionette Estates, No. 7 and 8	\$49.10	\$75.20
92-01	Portofino Estates	\$50.80	\$93.60
94-01	Gateway Estates	\$26.10	\$54.60
94-03	Quail Run	\$59.00	\$102.50
97-01	Rosewood Estates	\$35.00	\$51.30

The increased assessment ballot for the above listed Districts will also include a separate item to be voted on: imposition of Standard Annual CPI Increase in accordance with California Government Code section 53739(b)(1). The addition of an “adjustment for inflation” must abide by the same criteria as an increase in assessment.

The annual assessment amounts for each affected parcel in Districts with **no change** in the assessment amount is as follows:

	DISTRICT	Current Assessment	Proposed Assessment
90-01	Pinecastle Addition, Unit 1, 2, 3 and 4	\$139.50	\$139.50
90-02	Park Monterey, Unit No. 1 and 2	\$82.00	\$82.00
90-04	Hyde Park	\$62.30	\$62.30
91-01	Sierra Vista	\$18.30	\$18.30
92-02	Cielo En Tierra, No. 1, 2, 3, 4 and 5	\$28.70	\$28.70
93-01	Vintage Estates	\$153.80	\$153.80
94-02	Stonecrest, No. 1, 2, 3, 4, 5, 6, 7, 8 and 9	\$85.00	\$85.00
97-02	Summer Field	\$42.70	\$42.70
97-03	Country Crossing, No. 1, 2, 3, 4 and 5	\$62.70	\$62.70
98-01	Crystal Springs	\$38.00	\$66.70
98-02	Mountain View Estates, No. 1, 2, 3, 4, 5 and 6	\$89.00	\$89.00

The annual assessment amounts for each affected parcel in Districts with an increase in the assessment amount based on the imposition of 3.4% Standard Annual CPI Increase (December 2019) in accordance with California Government Code section 53739(b)(1) is as follows:

	DISTRICT	Current Assessment	Proposed Assessment
93-02	Walnut Forest, No. 1, 2 and 3	\$40.38	\$41.75
01-01	Pacific Grove/N. Pointe, No. 1, 2, 3 and 4	\$41.12	\$42.52
01-02	Cambridge Homes (Tract 770), No. 1, 2 and 3	\$40.70	\$42.08
01-03	Poppy Hills, No. 1 and 2	\$57.62	\$59.58
01-04	Silver Oaks, No. 1, 2, 3, 4 and 5	\$64.26	\$66.44
02-01	Ashton Park, No. 1, 2, 3 and 4	\$107.12	\$110.76
03-01	Le Parc, No. 1, 2 and 3	\$69.62	\$71.99
04-01	Sidonia Estates, (Tract 810), No. 1 and 2/(Tract 814)	\$39.72	\$41.07
04-02	Cambridge Homes (Tract 799)/Majesty II (Tract 830)	\$224.94	\$232.59
04-03	Cambridge Homes (Tract 795/826)/Vineyards (Tr. 825), \$128.54	\$132.91	
04-04	Sierra Heights, No. 1 and 2	\$449.90	\$465.20
05-01	Mission Park	\$109.58	\$123.65
05-02	Copper Valley	\$101.76	\$105.22
06-01	Quail Park Subdivision (Tract 794), No. 1 and 2	\$187.88	\$194.27
07-02	South Gate Addition (Tract 811), Greenbrier Gardens	\$128.54	\$132.91
09-01	Victory Estates	\$241.02	\$249.21
09-02	Independence (Tract 843), No. 1 and 2	\$187.46	\$193.83
14-01	Independence (Tract 843), Unit No. 3	\$220.80	\$228.31

15-01	Silver Oaks Addition III (Tract 887/922)	\$419.44	\$433.70
15-02	The Greens II (Tract 823)	\$211.32	\$218.50
16-01	Woodside Homes	\$191.80	\$198.32
16-02	Mynderup, No. 1 and 2 (Tract 914)	\$144.74	\$149.66
18-01	Bella Vista, No. 1, 2 and 3 (Tract 918/919)	\$586.30	\$459.30*
19-01	Pacific Grove Addition II (Tract 916)		\$507.40*

*(Current Assessment based on estimate prepared for the formation or restructuring of the District)

The Annual Engineer's Report also provides the following information as required by Article XIII D, Section 4 of the California Constitution:

1. Identifies all parcels of real property which will have a special benefit conferred upon them and upon which the assessment will be imposed;
2. Determines the proportionate special benefit derived by each parcel of real property in relationship to the entirety of the cost of maintenance of the public improvements;
3. Identifies the special benefit conferred on each parcel of real property;
4. Establishes that the assessment imposed on each parcel of real property does not exceed the reasonable cost of the proportionate special benefit conferred on that parcel of real property.

Attached is a copy of the Annual Engineer's Report and ballots for the following districts:

	DISTRICT	Current Assessment	Proposed Assessment
90-03	Mansionette Estates, No. 7 and 8	\$49.10	\$75.20
92-01	Portofino Estates	\$50.80	\$93.60
94-01	Gateway Estates	\$26.10	\$54.60
94-03	Quail Run	\$59.00	\$102.50
97-01	Rosewood Estates	\$35.00	\$51.30

which includes a summary of the maintenance costs based on the "current assessment" amount and Resolution of Intention to Levy and Collect which establishes the proposed assessment amounts for each District for the 2020-21 Fiscal Year, and the date, time and place for the public hearing for confirming and levying the proposed assessments.

FISCAL IMPACT:

If the proposed increase in the annual assessment for the following Districts:

- Mansionette Estates, No. 7 and 8
- Portofino Estates
- Gateway Estates
- Quail Run
- Rosewood Estates

cannot be imposed, maintenance service for the districts may have to be reduced in order to maintain expenditures within available funding levels for the respective districts.

The remaining Districts identified in the Annual Engineer's Report as showing no change in the annual assessment have sufficient funding to maintain their current level of service through calendar year 2020.

ENGINEER'S REPORT

ANNUAL REPORT AND CONFIRMATION OF DIAGRAMS LEVYING ASSESSMENTS FOR FISCAL YEAR 2020-21 (Pursuant to the Landscaping and Lighting Act of 1972)

Johnathan Doyel, Engineer of Work for Landscape Assessment District Nos.: 90-01 (Includes 90-01-A, 90-01-B, and 90-01-C, Final Restructuring of lots in Original District 90-01), 90-02, (Includes 90-02-A, Final Restructuring of lots in Original District 90-02), 90-03 (Includes 90-03-A, Final Restructuring of lots in Original District 90-03), 90-04, 91-01 (Includes 91-01-A, 91-01-B, 91-01-C, 91-01-D, and 91-01-E, Final Restructuring of lots in Original District 91-01), 92-01 (Includes 92-01-A, 92-01-B, and 92-01-C, Final Restructuring of lots in Original District 92-01), 92-02 (Includes 92-02-A, 92-02-B, 92-02-C, and 92-02-D, Final Restructuring of lots in Original District 92-02), 93-01, 93-02 (Includes 93-02-A, and 93-02-B, Final Restructuring of lots in Original District 93-02), 94-01, 94-02 (Includes 94-02-A, 94-02-B, 94-02-C, 94-02-D, 94-02-E, 94-02-F, 94-02-G, and 94-02-H, Final Restructuring of lots in Original District 94-02), 94-03 (Includes 94-03-A, 94-03-B, 94-03-C, and 94-03-D, Final Restructuring of lots in Original District 94-03), 97-01 (Includes 97-01-A, Final Restructuring of lots in Original District 97-01), 97-02, 97-03 (Includes 97-03-A, 97-03-B, 97-03-C, and 97-03-D, Fourth Restructuring of lots in Original District 97-03), 98-01 (Includes 98-01-A, and 98-01-B, Final Restructuring of lots in Original District 98-01), 98-02 (Includes 98-02-A, 98-02-B, 98-02-C, 98-02-D and 98-02-E, Final Restructuring of lots in Original District 98-02), 01-01 (Includes 01-01-A, 01-01-B, and 01-01-C Final Restructuring of lots in Original District 01-01), 01-02 (Includes 01-02-A, and 01-02-B, Final Restructuring of lots in Original District 01-02), 01-03 (Includes 01-03-A, Final Restructuring of lots in Original District 01-03), 01-04 (Includes 01-04-A, 01-04-B, 01-04-C, and 01-04-D, Final Restructuring of lots in Original District 01-04), 02-01 (Includes 02-01-A, 02-01-B, and 02-01-C, Final Restructuring of lots in Original District 02-01), 03-01 (Includes 03-01-A, and 03-01-B, Final Restructuring of lots in Original District 03-01), 04-01 (Includes 04-01-A, Final Restructuring of lots in Original District 04-01, 04-01-B First Annexation of Additional lots in Original District 04-01-A), 04-02 (Includes 04-02-A, Annexation and Final Restructuring of lots in Original District 04-02), 04-03 (Includes 04-03-A, 04-03-B, 04-03-C, 04-03-D, and 04-03-E, Fifth Restructuring of lots in Original District 04-03), 04-04, 05-01 (Includes 05-01-A, First Annexation of Additional lots in Original 05-01), 05-02, 06-01 (Includes 06-01-A, First Restructuring of lots in Original District 06-01), 07-02 (Includes 07-02-A, First Annexation of Additional lots in Original District 07-02), 09-01, 09-02 (Includes 09-02-A, First Restructuring of lots in Original District 09-02), 14-01 (Includes 14-01-A, First Restructuring of lots in Original District 14-01), 15-01 (Includes 15-01-A, First Restructuring of lots in Original District 15-01), 15-02, 16-01, 16-02 (Includes 16-02-A, First Restructuring of lots in Original District 16-02), 18-01, and 19-01, in the City of Hanford, Kings County California, submits this Annual Engineer's Report for Assessment Districts, as directed by the City Council, pursuant to Sections 22620-22631 of the Streets and Highway Code (Landscaping and Lighting Act of 1972).

The improvements, which are the subject of this report, are briefly described as follows:

The maintenance of landscaping and irrigation systems, and block fencing/walls, located within each said Assessment District.

This report consists of five parts, as follows:

Exhibit "A" - Plans and specifications for the improvements are filed with the City Clerk. Although separately bound, the plans and specifications are a part of this report and are included in it by reference.

Exhibit "B" - An estimate of the cost of the maintenance of the improvements in each District.

Exhibit "C" - A list of the names and addresses of the affected owners of real property, and assessment of the estimated cost of the maintenance of the improvements on each benefited parcel of land in each District, as shown on the last equalized assessment roll for taxes, or as known to the Clerk. Although separately bound, the list is a part of this report and is included in it by reference, and is on file at the City Clerk's office.

Exhibit "D" - A statement of the method by which the undersigned has determined the amount proposed to be assessed against each parcel, a determination of the proportionate special benefit derived by each parcel of real property in relationship to the entirety of the cost of maintenance of the public improvements located in each District, and a determination that the assessment imposed on each parcel of real property in each District does not exceed the reasonable cost of the proportionate special benefit conferred on each parcel of real property.

Exhibit "E" - A diagram showing all of the parcels of real property within each District, which will have a special benefit conferred upon it and upon which the assessment will be imposed and the identification of the special benefit to each parcel in each District. The diagram is keyed to Exhibit "C" by assessment number. Although separately bound, the "diagram" is a part of this report and is included in it by reference, and is on file at the City Clerk's office.

Respectfully submitted,

**Johnathan L. Doyel, P.E.
Public Works Director, City Engineer**

DF

EXHIBIT "A"**PLANS AND SPECIFICATIONS
FOR IMPROVEMENTS****(Pursuant to the Landscaping and Lighting Act of 1972)**

The plans and specifications for each Assessment District have been filed separately with the Clerk of the legislative body and are incorporated in this Report by reference.

ASSESSMENT DISTRICTS**90-01, Pinecastle Addition, Unit No. 1, 2, 3, and 4 (Includes 90-01-A, 90-01-B, and 90-01-C, the Final Restructuring of Lots in Original District 90-01)**

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates, and Jardin Landscape Architect/Construction for the City Engineer.

90-02, Park Monterey, No. 1, and 2 (Includes 90-02-A, the Final Restructuring of Lots in Original District 90-02)

Plans and specifications for the improvements are those prepared by the Malone Design Group for the City Engineer.

90-03, Mansionette Estates, Unit No. 7, and 8 (Includes 90-03-A, the Final Restructuring of Lots in Original District 90-03)

Plans and specifications for the improvements are those prepared by David J. Weiland for the City Engineer.

90-04, Hyde Park

Plans and specifications for the improvements are those prepared by Home Development, Inc. for the City Engineer.

91-01, Sierra Vista/New Dimensions, No. 1, 2, 3, 4, 5, and 6 (Includes 91-01-A, 91-01-B, 91-01-C, 91-01-D, and 91-01-E, the Final Restructuring of Lots in Original District 91-01)

Plans and specifications for the improvements for 91-01 (Original District) are those prepared by Heritage Builders for the City Engineer.

Plans and specifications for the improvements for 91-01-A, 91-01-B, 91-01-C, 91-01-D, and 91-01-E are those prepared by Zumwalt-Hansen & Associates and Don Young Landscape Architect for the City Engineer.

92-01, Portofino, No. 1, 2, 3, and 4 (Includes 92-01-A, 92-01-B, and 92-01-C, the Final Restructuring of Lots in Original District 92-01)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Jardin Landscape Architect/Construction for the City Engineer.

EXHIBIT “A” Cont....

92-02, Cielo En Tierra, No. 1, 2, 3, 4, and 5 (Includes 92-02-A, 92-02-B, 92-02-C, and 92-02-D, the Final Restructuring of Lots in Original District 92-02)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Jardin Landscape Architect/Construction for the City Engineer.

93-01, Vintage Estates

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Jardin Landscape Architect/Construction for the City Engineer.

93-02, Walnut Forest, No. 1, 2, and 3 (Includes 93-02-A, and 93-02-B, the Final Restructuring of Lots in Original District 93-02)

Plans and specifications for the improvements for 93-02 (Original District), and 93-02-A are those prepared by Zumwalt-Hansen & Associates and Land Development, Inc. for the City Engineer.

Plans and specifications for the improvements for 93-02-B are those prepared by Zumwalt-Hansen & Associates and Hakkoh Development for the City Engineer.

94-01, Gateway Estates

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Kaufman and Broad for the City Engineer.

94-02, Stonecrest, No. 1, 2, 3, 4, 5, 6, 7, 8, and 9 (Includes 94-02-A, 94-02-B, 94-02-C, 94-02-D, 94-02-E, 94-02-F, 94-02-G, and 94-02-H, the Final Restructuring of Lots in Original District 94-02)

Plans and specifications for the improvements for 94-02 (Original District) are those prepared by Zumwalt-Hansen & Associates and Centex Homes for the City Engineer.

Plans and specifications for the improvements for 94-02-A, 94-02-B, 94-02-C, 94-02-D, 94-02-E, 94-02-F, 94-02-G, and 94-02-H are those prepared by Zumwalt-Hansen & Associates and Ono Design Group for the City Engineer.

94-03, Quail Run Estates, No. 1, 2, 3, 4, and 5 (Includes 94-03-A, 94-03-B, 94-03-C, and 94-03-D, the Final Restructuring of Lots in Original District 94-03)

Plans and specifications for the improvements for 94-03 (Original District) are those prepared by Zumwalt-Hansen & Associates and R. J. Hill Co. for the City Engineer.

Plans and specifications for the improvements for 94-03-A, 94-03-B, 94-03-C, and 94-03-D are those prepared by Giannetta Engineering and Don Young Landscape Architecture for the City Engineer.

97-01, Rosewood Estates, No. 1, and 2 (Includes 97-01-A, the Final Restructuring of Lots in Original District 97-01)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates for the City Engineer.

EXHIBIT “A” Cont....**97-02, Summer Field Addition, No. 2**

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates for the City Engineer.

97-03, Country Crossing, No. 1, 2, 3, 4, and 5 (Includes 97-03-A, 97-03-B, 97-03-C, and 97-03-D, the Fourth Restructuring of Lots in Original District 97-03)

Plans and specifications for the improvements for 97-03 (Original District), 97-03-A, and 97-03-B are those prepared by Zumwalt-Hansen & Associates and Ennis Development, Inc. for the City Engineer.

Plans and specifications for the improvements for 97-03-C, and 97-03-D are those prepared by Zumwalt-Hansen & Associates and Quad Knopf, Inc. for the City Engineer.

98-01, Crystal Springs, No. 1, 2, and 3 (Includes 98-01-A, and 98-01-B, the Final Restructuring of Lots in Original District 98-01)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Don Young for the City Engineer.

98-02, Mountain View Estates, No. 1, 2, 3, 4, 5, and 6 (Includes 98-02-A, 98-02-B, 98-02-C, 98-02-D, and 98-02-E, the Final Restructuring of Lots in Original District 98-02)

Plans and specifications for the improvements for 98-02 (Original District), and 98-02-A are those prepared by Lane Engineers, Inc. and Nahial Landscaping for the City Engineer.

01-01, Pacific Grove/North Pointe, No. 1, 2, 3, and 4 (Includes 01-01-A, 01-01-B, and 01-01-C, the Final Restructuring of Lots in Original District 01-01)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Paul Daley Homes, A California Corporation, for the City Engineer.

01-02, Cambridge Homes (Tract 770), No. 1, 2, and 3 (Includes 01-02-A, and 01-02-B, the Final Restructuring of Lots in Original District 01-02)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Central Pacific Builders, Inc., for the City Engineer.

01-03, Poppy Hills, No. 1 and 2 (Includes 01-03-A, the Final Restructuring of Lots in Original District 01-03)

Plans and specifications for the improvements are those prepared by Gary G. Gianetta and Broussard Associates for the City Engineer.

EXHIBIT “A” Cont....

01-04, Silver Oaks, No. 1, 2, 3, 4, and 5 (Includes 01-04-A, 01-04-B, 01-04-C, and 01-04-D, the Final Restructuring of Lots in Original District 01-04)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Centex Homes, Inc. for the City Engineer.

02-01, Ashton Park, No. 1, 2, 3, and 4 (Includes 02-01-A, 02-01-B, and 02-01-C, the Final Restructuring of Lots in Original District 02-01)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and McMillin Homes, Inc. for the City Engineer.

03-01, Le Parc, No. 1, 2, and 3 (Includes 03-01-A, and 03-01-B, the Final Restructuring of Lots in Original District 03-01)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Ennis Development, Inc. for the City Engineer.

04-01, Sidonia Estates, No. 1 and 2 (Includes 04-01-A, the Final Restructuring of Lots in Original District 04-01, 04-01-B First Annexation of Additional Lots in Original District 04-01-A)

Plans and specifications for the improvements are those prepared by R. L. Schafer & Associates and Patrick T. Corrigan for the City Engineer.

Plans and specifications for the improvements for Sidonia Estates II (Tract 814) are those prepared by GDR Engineering, Inc., for the City Engineer.

04-02, Cambridge Homes (Tract 799)/Majesty II (Tract 830), (Includes 04-02-A, the Annexation and Final Restructuring of Lots in Original District 04-02)

Plans and specifications for the improvements for both tracts are those prepared by Zumwalt-Hansen & Associates and Lennar Fresno, Inc. for the City Engineer.

04-03, Cambridge Homes (Tract 795)/Vineyards (Tract 825)/Cambridge Homes (Tract 826), No. 1, 2, 3, 4, 5, and 6 (Includes 04-03-A, 04-03-B, 04-03-C, 04-03-D, and 04-03-E, the Fifth Restructuring of Lots in Original District 04-03)

Plans and specifications for the improvements for Cambridge Homes (Tract 795) are those prepared by Zumwalt-Hansen & Associates and Lennar Fresno, Inc. for the City Engineer.

Plans and specifications for the improvements for Vineyards (Tract 825) and Cambridge Homes (Tract 826) are those prepared by Zumwalt-Hansen & Associates, Lennar Fresno, Inc. and McMillin Homes for the City Engineer.

04-04, Sierra Heights (Tracts 802 & 803), No. 1, and 2

Plans and specifications for the improvements are those prepared by Forrester, Weber & Associates and Jerry Irons for the City Engineer.

EXHIBIT “A” Cont....

05-01, Mission Park (Tract 812), (Includes 05-01-A, the first Annexation of Additional Property in Original District 05-01)

Plans and specifications for the improvements 05-01 (Original District) Tract 812 are those prepared by Zumwalt-Hansen & Associates and Sue Moore Construction for the City Engineer.

Plans and specifications for the improvements for 05-01-A, Mission Park (Tract 812) are those prepared by Zumwalt-Hansen & Associates and Daley Enterprises for the City Engineer.

05-02, Copper Valley

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Centex Homes, Inc. for the City Engineer.

06-01, Quail Park Subdivision (Tract 794), (Includes 06-01-A, the First Restructuring of Lots in Original District 06-01)

Plans and specifications for the improvements 06-01 (Original District) Tract 794 are those prepared by Zumwalt-Hansen & Associates and Ennis Homes, and for the City Engineer.

Plans and specifications for the improvements for 06-01-A, Quail Park (Tract 794) are those prepared by Zumwalt-Hansen & Associates for Woodside Homes, and for the City Engineer.

07-02, South Gate Addition (Tract 811)/ Greenbrier Gardens (Tract 876)/ Live Oak North (Tract 902), (Includes 07-02-A, the First Annexation of Additional Lots in Original District 07-02)

Plans and specifications for the improvements for 07-02 (Original District) Tract 811 are those prepared by Zumwalt-Hansen & Associates and Madison Chase Homes L.L.C. for the City Engineer.

Plans and specifications for the improvements for 07-02-A, Greenbrier Gardens (Tract 876) and Live Oak North (Tract 902) are those prepared by NorthStar Engineering Group for the City Engineer.

09-01, Victory Estates

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Hanford Church of the Nazarene, a California Corporation, for the City Engineer.

09-02, Independence (Tract 843), No. 1 and 2, (Includes 09-02-A, the First Restructuring of Lots in Original District 09-02)

Plans and specifications for the improvements for 09-02 (Original District) are those prepared by Zumwalt-Hansen & Associates for Lennar Fresno, Inc., for the City Engineer.

Plans and specifications for the improvements for 09-02-A are those prepared by Zumwalt-Hansen & Associates, Broussard Associates Landscape Architects for Lennar Fresno, Inc., for the City Engineer.

EXHIBIT “A” Cont....

14-01, Independence (Tract 843), No. 3 and 4, (Includes 14-01-A, the First Restructuring of Lots in Original District 14-01)

Plans and specifications for the improvements for 14-01 are those prepared by Zumwalt-Hansen & Associates for Lennar Fresno, Inc., for the City Engineer.

Plans and specifications for the improvements for 14-01-A are those prepared by Zumwalt-Hansen & Associates for Lennar Homes of California, for the City Engineer.

15-01, Silver Oaks Addition III (Tract 887), Units I & II, (Includes 15-01-A, the First Restructuring of Lots in Original District 15-01)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Lennar Fresno, Inc., for the City Engineer.

Plans and specifications for the improvements for 15-01-A are those prepared by Zumwalt-Hansen & Associates and Lennar Homes of California, for the City Engineer.

15-02, The Greens II (Tract 823)

Plans and specifications for the improvements are those prepared by AW Engineering and Wathen Castanos Homes, Inc., for the City Engineer.

16-01, Woodside Homes (Tract 917)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and Woodside Homes, for the City Engineer.

16-02, Mynderup (Tract 914), Units I & II, (Includes 16-02-A, the First Restructuring of Lots in Original District 16-02)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and San Joaquin Valley Homes, for the City Engineer.

Plans and specifications for the improvements for 16-02-A are those prepared by Zumwalt-Hansen & Associates and San Joaquin Valley Homes, for the City Engineer.

18-01, Bella Vista (Tract 918)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and San Joaquin Valley Homes, for the City Engineer.

19-01, Pacific Grove Addition No. 2 (Tract 916)

Plans and specifications for the improvements are those prepared by Zumwalt-Hansen & Associates and San Joaquin Valley Homes, for the City Engineer.

EXHIBIT "C"**ASSESSMENT ROLL**

A list of the names and addresses of the affected owners of real property, and assessment of the estimated cost of the maintenance of the improvements on each benefited parcel of land in each District, as shown on the last equalized assessment roll for taxes, or as known to the Clerk, is on file at the City Clerk's office.

EXHIBIT "D"

**METHOD OF APPORTIONMENT OF ASSESSMENT
(PURSUANT TO THE LANDSCAPING AND LIGHTING ACT OF 1972)**

ASSESSMENT DISTRICTS

The improvements to be maintained in each District provide special benefits to all of the parcels within each District above and beyond general benefits conferred on parcels located in each District or to the public at large. Specifically, the particular and distinct special benefits include:

1. Reduction of traffic noise level from the street located adjacent to each District;
2. Restriction of unwanted pedestrian access onto the lots and parcels within each District;
3. Enhancement of appearance of the entrance into the subdivision, which is included within each District;
4. Reduction of impact of dust and other particular matter onto the lots and parcels within each District.

The proportionate special benefit to each parcel in each District in relationship to the entirety of the cost to maintain and operate the improvements identified herein is equal to all parcels. The assessment applicable to each lot does not exceed the reasonable cost of the proportional special benefit conferred on each parcel. This is established as follows:

90-01, Pinecastle Addition, Units No. 1, 2, 3, and 4 (Includes 90-01-A, 90-01-B, and 90-01-C, the Final Restructuring of Lots in Original District No. 90-01)

100% of the cost of special benefit divided equally by 352 lots.

90-02, Park Monterey, Units No.1, and 2 (Includes 90-02-A, the Final Restructuring of Lots in Original District No. 90-02)

100% of the cost of special benefit divided equally by 53 lots.

90-03, Mansionette Estates, No. 7, and 8 (Includes 90-03-A, the Final Restructuring of Lots in Original District No. 90-03)

100% of the cost of special benefit divided equally by 84 lots.

90-04, Hyde Park

100% of the cost of special benefit divided equally by 14 lots.

Exhibit "D" Cont. . . .

91-01, Sierra Vista/New Dimensions, No. 1, 2, 3, 4, 5, and 6 (Includes 91-01-A, 91-01-B, 91-01-C, 91-01-D, and 91-01-E, the Final Restructuring of Lots in Original District No. 91-01)

100% of the cost of special benefit divided equally by 285 lots.

92-01, Portofino, No. 1, 2, 3, and 4 (Includes 92-01-A, 92-01-B, and 92-01-C, the Final Restructuring of Lots in Original District No. 92-01)

100% of the cost of special benefit divided equally by 78 lots.

92-02, Cielo En Tierra, No. 1, 2, 3, 4, and 5 (Includes 92-02-A, 92-02-B, 92-02-C, and 92-02-D, the Final Restructuring of Lots in Original District No. 92-02)

100% of the cost of special benefit divided equally by 98 lots.

93-01, Vintage Estates

100% of the cost of special benefit divided equally by 30 lots.

93-02, Walnut Forest, Unit No. 1, 2, and 3 (Includes 93-02-A, and 93-02-B, the Final Restructuring of Lots in Original District No. 93-02)

100% of the cost of special benefit divided equally by 169 lots.

94-01, Gateway Estates

100% of the cost of special benefit divided equally by 114 lots.

100% of the cost of special benefit divided equally by 126 lots.

98-02, Mountain View Estates No. 1, 2, 3, 4, 5, and 6 (Includes 98-02-A, 98-02-B, 98-02-C, 98-02-D, and 98-02-E, the Final Restructuring of Lots in Original District 98-02)

100% of the cost of special benefit divided equally by 162 lots.

01-01, Pacific Grove/North Pointe, No. 1, 2, 3, and 4 (Includes 01-01-A, 01-01-B, and 01-01-C, the Final Restructuring of Lots in Original District 01-01)

100% of the cost of special benefit divided equally by 148 lots.

01-02, Cambridge Homes (Tract 770), No. 1, 2, and 3 (Includes 01-02-A, and 01-02-B, the Final Restructuring of Lots in Original District 01-02)

100% of the cost of special benefit divided equally by 198 lots.

01-03, Poppy Hills No. 1, and 2 (Includes 01-03-A, the Final Restructuring of Lots in Original District 01-03)

100% of the cost of special benefit divided equally by 87 lots.

01-04, Silver Oaks No. 1, 2, 3, 4, and 5 (Includes 01-04-A, 01-04-B, 01-04-C, and 01-04-D, the Final Restructuring of Lots in Original District 01-04)

100% of the cost of special benefit divided equally by 489 lots.

02-01, Ashton Park No. 1, 2, 3, and 4 (Includes 02-01-A, 02-01-B, and 02-01-C, the Final Restructuring of Lots in Original District 02-01)

100% of the cost of special benefit divided equally by 182 lots.

03-01, Le Parc, No. 1, 2, and 3 (Includes 03-01-A, and 03-01-B, the Final Restructuring of Lots in Original District 03-01)

100% of the cost of special benefit divided equally by 128 lots.

Exhibit "D" Cont. . . .

04-01, Sidonia Estates, No. 1 and 2 (Tracts 810 & 814), (Includes 04-01-A, the Final Restructuring of Lots in Original District 04-01, 04-01-B First Annexation of Additional Lots in Original District 04-01-A)

18.03% of the cost of special benefit divided equally between 42 lots in Tract 810 Unit I.
 55.79% of the cost of special benefit divided equally between 130 lots in Tract 810 Unit II.
 26.18% of the cost of special benefit divided equally between 61 lots in Tract 814.

04-02, Cambridge Homes (Tract 799) /Majesty II (Tract 830), (Includes 04-02-A, the Annexation and Final Restructuring of Lots in Original District 04-02)

100% of the cost of special benefit divided equally by 75 lots.

04-03, Cambridge Homes (Tract 795)/Vineyards (Tract 825)/Cambridge Homes (Tract 826), No. 1, 2, 3, 4, 5, and 6 (Includes 04-03-A, 04-03-B, 04-03-C, 04-03-D, and 04-03-E, the Fifth Restructuring of Lots in Original District 04-03)

100% of the cost of special benefit divided equally by 424 lots of which one (1) lot is "Designated Remainder" per the Tentative Tract Map for the development.

04-04, Sierra Heights (Tracts 802 & 803), No. 1, and 2

100% of the cost of special benefit divided equally by 16 lots.

05-01, Mission Park (Tract 812), (Includes 05-01-A, the first Annexation of Additional Property in Original District 05-01)

92.5% of the cost of special benefit divided equally between 39 lots in Tract 812.
 07.5% of the cost of special benefit to be assessed to APN 007-030-019 in Tract 812.

05-02, Copper Valley

100% of the cost of special benefit divided equally by 150 lots.

06-01, Quail Park Subdivision (Tract 794), No. 1 and 2, (Includes 06-01-A, the First Restructuring of Lots in Original District 06-01)

100% of the cost of special benefit divided equally by 144 lots.

07-02, South Gate Addition (Tract 811)/ Greenbrier Gardens (Tract 876)/ Live Oak North (Tract 902), (Includes 07-02-A, the First Annexation of Additional Lots in Original District 07-02)

26.12% of the cost of special benefit divided equally between 35 lots in Tract 811.
 73.13% of the cost of special benefit divided equally between 98 lots in Tract 876.
 00.75% of the cost of special benefit to be assessed to APN 011-040-016 in Tract 902.

09-01, Victory Estates

100% of the cost of special benefit divided equally by 14 lots.

Exhibit "D" Cont. . . .

09-02, Independence (Tract 843), No. 1 and 2, (Includes 09-02-A, the First Restructuring of Lots in Original District 09-02)

100% of the cost of special benefit divided equally by 121 lots.

14-01, Independence (Tract 843), No. 3 and 4, (Includes 14-01-A, the First Restructuring of Lots in Original District 14-01)

100% of the cost of special benefit divided equally by 175 lots.

15-01, Silver Oaks Addition III (Tract 887), Units I & II, (Includes 15-01-A, the First Restructuring of Lots in Original District 15-01)

100% of the cost of special benefit divided equally by 238 lots.

15-02, The Greens II (Tract 823)

100% of the cost of special benefit divided equally by 34 lots.

16-01, Woodside Homes (Tract 917)

100% of the cost of special benefit divided equally by 60 lots.

16-02, Mynderup (Tract 914), Units I & II, (Includes 16-02-A, the First Restructuring of Lots in Original District 16-02)

100% of the cost of special benefit divided equally by 113 lots.

18-01, Bella Vista (Tract 918)

100% of the cost of special benefit divided equally by 206 lots.

19-01, Pacific Grove Addition No. 2 (Tract 916)

100% of the cost of special benefit divided equally by 22 lots.

EXHIBIT "E"**DIAGRAM**

A diagram showing all of the parcels of real property within each District, which will have a special benefit conferred upon it and upon which the assessment will be imposed and the identification of the special benefit to each parcel in each District. The diagram is keyed to Exhibit "C" by assessment number, is a part of this report and is included in it by reference, and is on file at the City Clerk's office.

Note:

Estimated Maintenance Assessment is based on a 12 month period (subsequent calendar year).

Landscape Maintenance is based on the cost per square foot pursuant to the current contract, times the area maintained.

Incidental Cost is derived from the following elements: staff preparation and administration (legal counselor and public works staff), public hearing notice, Kings County collection fee and a delinquency amount.

Wall Maintenance is based on the length of wall times an estimated cost for labor and materials of \$0.25/L.F. except for 93-02, 01-03, 01-04, 03-01, 04-01, 04-02, 04-03, 04-04, 05-01, 05-02, 06-01, 07-02, 09-01, 09-02, 14-01, 15-01, 15-02, 16-01, 16-02, and 18-01 which are \$0.50/L.F.

Assessment District 90-01 Pinecastle includes an estimated cost for landscape maintenance of a Basin/Park facility (approximately 3.8 acres) by City Forces. The estimated Basin/Park landscape maintenance cost is \$7,700 for 90-01.

Assessment District 94-02 Stonecrest includes a contracted cost for maintenance of the top of the Basin/Park (approximately 1.25 acres) in the amount of \$7,050.

Assessment District 94-03 Quail Run includes a contracted cost for maintenance of a Basin/Park facility (approximately 2.08 acres) in the amount of \$11,575.

Assessment District 04-03 Cambridge Homes (Tract 795)/Vineyards (Tract 825)/Cambridge Homes (Tract 826) includes a contracted cost for maintenance of a Park facility (approximately 1.78 acres) in the amount of \$10,986.

Assessment District 06-01 Quail Park includes a contracted cost for shared maintenance of a Basin/Park facility (approximately 2.19 acres) in the amount of \$2,000.

Assessment District 09-02 Independence I & II (Tract 843) includes a contracted cost for maintenance of a Basin/Park facility (approximately 0.5 acres) in the amount of \$7,025.

Assessment District 15-01 Silver Oaks Addition III Units I & II (Tract 887) includes a contracted cost for maintenance of a Basin/Park facility (approximately 2.75 acres) in the amount of \$19,320.

Assessment District 18-01 Bella Vista (Tract 918) includes a contracted cost for maintenance of a Basin/Park facility (approximately 2.0 acres) in the amount of \$26,136.

RESOLUTION NO. 20-08-R**RESOLUTION OF THE CITY COUNCIL OF
THE CITY OF HANFORD APPROVING ANNUAL
ENGINEER'S REPORT AND DECLARING ITS
INTENTION TO LEVY AND COLLECT ASSESSMENTS**

At a regular meeting of the City Council of the City of Hanford duly called and held on June 2, 2020, at 7:00 p.m., it was moved by Council Member _____, seconded by Council Member _____, and duly carried that the following resolution be adopted:

WHEREAS, pursuant to the California Landscaping & Lighting Act of 1972 ("Act"), the City of Hanford has established the following landscape and lighting assessment districts within the City limits of the City of Hanford.

ASSESSMENT DISTRICTS

- 90-01 Pinecastle Addition, Unit No. 1, 2, 3 and 4 – (Located East of 10th Avenue and North of Fargo Avenue)
- 90-02 Park Monterey, Unit No. 1 and 2 – (Located West of Douty Street and North of Sherwood Drive)
- 90-03 Mansionette Estates, No. 7 and 8 – (Located West of Douty Street and North Encore Drive)
- 90-04 Hyde Park – (Located East of 12th Avenue and North of Hanford-Armona Road)
- 91-01 Sierra Vista (Tract 641)/New Dimensions (Tract 703/713), No. 1, 2, 3, 4, 5 and 6 – (Located West of 11th Avenue and South of Hanford-Armona Road)
- 92-01 Portofino, No. 1, 2, 3 and 4 – (Located East of Neill Way and South of Fargo Avenue)
- 92-02 Cielo En Tierra, No. 1, 2, 3, 4 and 5 – (Located West of 11th Avenue and South of Fargo Avenue)
- 93-01 Vintage Estates – (Located West of 12th Avenue and North of Grangeville Boulevard)
- 93-02 Walnut Forest, No. 1, 2 and 3 – (Located West of 11th Avenue and North of Hume Avenue)
- 94-01 Gateway Estates – (Located West of 10th Avenue and North of Encore Drive)
- 94-02 Stonecrest, No. 1, 2, 3, 4, 5, 6, 7, 8 and 9 – (Located West of 11th Avenue and North of Fargo Avenue)
- 94-03 Quail Run Estates, No. 1, 2, 3, 4 and 5 – (Located East of 11th Avenue and North of Pepper Drive)
- 97-01 Rosewood Estates, No. 1 and 2 – (Located East of 12th Avenue and South of Grangeville Boulevard)
- 97-02 Summer Field Addition, No. 2 – (Located West 9^{1/4} Avenue and South of Florinda Street)
- 97-03 Country Crossing, No. 1, 2, 3, 4 and 5 – (Located West of Centennial Drive and North of Lacey Boulevard)
- 98-01 Crystal Springs, No. 1, 2 and 3 – (Located West of 9^{1/4} Avenue and North of Grangeville Boulevard)

- 98-02 Mountain View Estates, No. 1, 2, 3, 4, 5 and 6 – (Located West of 11th Avenue and North of Houston Avenue)
- 01-01 Pacific Grove (Tract 680/777)/N. Pointe (Tract 778), No. 1, 2, 3 and 4 – (Located East of 12th Avenue and North of Grangeville Boulevard)
- 01-02 Cambridge Homes (Tract 770), No. 1, 2 and 3 – (Located West of 11th Avenue and North of Pepper Drive)
- 01-03 Poppy Hills, No. 1 and 2 – (Located West of 11th Avenue and North of Pepper Drive)
- 01-04 Silver Oaks, No. 1, 2, 3, 4 and 5 – (Located West of 12th Avenue and North of Grangeville Boulevard)
- 02-01 Ashton Park, No. 1, 2, 3 and 4 – (Located West of 12th Avenue and North of Lacey Boulevard)
- 03-01 La Parc, No. 1, 2 and 3 – (Located West of 11th Avenue and South of Fargo Avenue)
- 04-01 Sidonia Estates, No. 1 and 2 (Tract 810)/Sidonia Estates II (Tract 814) – (Located East of 12th Avenue and North of Hume Avenue)
- 04-02 Cambridge Homes (Tract 799)/Majesty II (Tract 830) – (Located East of 11th Avenue and South of Flint Avenue)
- 04-03 Cambridge Homes (Tract 795/826)/Vineyards (Tract 825), No. 1, 2, 3, 4, 5 and 6 – (Located East of 12th Avenue and South of Fargo Avenue)
- 04-04 Sierra Heights (Tract 802/803), No. 1 and 2 – (Located West of 9th Avenue and North of Fargo Avenue)
- 05-01 Mission Park – (Located West of Highway 43 and South of Flint Avenue)
- 05-02 Copper Valley – (Located West of 12th Avenue and South of Fargo Avenue)
- 06-01 Quail Park Subdivision – (Tract 794), No. 1 and 2, Located West of 11th Avenue and South of Flint Avenue)

WHEREAS, pursuant to the Act, it is necessary that the City Council review an annual report prepared by the City Engineer for the City of Hanford ("Engineer's Report"), which sets forth a full and detailed description of the improvements and boundaries of each District and any

zones therein and the proposed annual assessments to be levied upon assessable lots and parcels of land within each District;

WHEREAS, the City Engineer for the City of Hanford has prepared and filed with the City Clerk, an Engineer's Report which includes: (1) a full and detailed description of the improvements and boundaries of each District and any zones therein; (2) identifies the proposed annual assessments upon assessable lots and parcels of land within each District; (3) identifies all parcels of real property which will have a special benefit conferred upon them and upon which the assessment will be imposed; (4) determines the proportionate special benefit derived by each parcel of real property in relationship to the entirety of the cost of maintenance of the public improvements; (5) identifies the special benefit conferred on each parcel of real property; and (6) establishes that the assessment imposed on each parcel of real property does not exceed the reasonable cost of the proportionate special benefit conferred on that parcel of real property.

WHEREAS, the Engineer's Report identifies an increase in the annual assessment from the previous year and the reasons for the increase for the following Districts:

1. 90-03 Mansionette Estates, No. 7 and 8
2. 92-01 Portofino Estates
3. 94-01 Gateway Estates
4. 94-03 Quail Run
5. 97-01 Rosewood Estates

WHEREAS, the Report identifies a decrease or no change in the annual assessment from the previous year for the following Districts:

- a) 90-01 Pinecastle Addition, Unit 1, 2, 3 and 4
- b) 90-02 Park Monterey, Unit No. 1 and 2
- c) 90-04 Hyde Park
- d) 91-01 Sierra Vista
- e) 92-02 Cielo En Tierra, No. 1, 2, 3, 4 and 5
- f) 93-01 Vintage Estates
- g) 94-02 Stonecrest, No. 1, 2, 3, 4, 5, 6, 7, 8 and 9
- h) 97-02 Summer Field
- i) 97-03 Country Crossing, No. 1, 2, 3, 4 and 5
- j) 98-01 Crystal Springs
- k) 98-02 Mountain View Estates, No. 1, 2, 3, 4, 5 and 6

WHEREAS, the Report identifies the annual assessment amounts for each affected parcel in Districts with an increase in the assessment amount based on the imposition of 3.4% Standard

Annual CPI Increase (December 2019) in accordance with California Government Code section 53739(b)(1) is as follows:

- a) 93-02 Walnut Forest, No. 1, 2 and 3
- b) 01-01 Pacific Grove/N. Pointe, No. 1, 2, 3 and 4
- c) 01-02 Cambridge Homes (Tract 770), No. 1, 2 and 3
- d) 01-03 Poppy Hills, No. 1 and 2
- e) 01-04 Silver Oaks, No. 1, 2, 3, 4 and 5
- f) 02-01 Ashton Park, No. 1, 2, 3 and 4
- g) 03-01 Le Parc, No. 1, 2 and 3
- h) 04-01 Sidonia Estates, (Tract 810), No. 1 and 2/(Tract 814)
- i) 04-02 Cambridge Homes (Tract 799)/Majesty II (Tract 830)
- j) 04-03 Cambridge Homes (T 795/826)/Vineyards (T 825),
- k) 04-04 Sierra Heights, No. 1 and 2
- l) 05-01 Mission Park
- m) 05-02 Copper Valley
- n) 06-01 Quail Park Subdivision (Tract 794), No. 1 and 2
- o) 07-02 South Gate Addition (Tract 811), Greenbrier Gardens
- p) 09-01 Victory Estates
- q) 09-02 Independence (Tract 843), No. 1 and 2
- r) 14-01 Independence (Tract 843), Unit No. 3
- s) 15-01 Silver Oaks Addition III (Tract 887/922)
- t) 15-02 The Greens II (Tract 823)
- u) 16-01 Woodside Homes
- v) 16-02 Mynderup, No. 1 and 2 (Tract 914)
- w) 18-01 Bella Vista, No. 1, 2 and 3 (Tract 918/919)
- x) 19-01 Pacific Grove Addition II (Tract 916)

WHEREAS, the existing improvements within each District include decorative block fencing, landscaping and irrigation systems;

WHEREAS, interested parties should refer to the Engineer's Report, a copy of which is on file with the City Clerk for the City of Hanford, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the district;

WHEREAS, there are no substantial changes proposed to the existing improvements in any District; and

WHEREAS, Streets and Highways Code Section 22624(e) requires the City Council of the City of Hanford to give notice of the time and place for hearing by the City's legislative body on the levy of the proposed assessments.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Hanford approves the Engineer's Report as submitted for each District;

RESOLVED FURTHER, that the City Council of the City of Hanford declares its intention to levy and collect the assessments for each respective District and each lot thereof, as set forth in the Engineer's Report for the fiscal year 2020-2021.

RESOLVED FURTHER, that the City Council of the City of Hanford shall hold a public hearing on the levy of the proposed assessments set forth in the Engineer's Report, which public hearing shall occur on July 21, 2020, at the hour of 5:30 p.m., in the City Council Chambers of the Civic Auditorium in Hanford, California. At such public hearing, affected property owners will be afforded an opportunity to give oral testimony and submit written comments regarding the proposed assessments. The proposed increased assessment and Standard Annual CPI Increase as set forth in the Engineer's Report for the following Districts:

1. 90-03 Mansionette Estates, No. 7 and 8
2. 92-01 Portofino Estates
3. 94-01 Gateway Estates
4. 94-03 Quail Run
5. 97-01 Rosewood Estates

At said public hearing, affected property owners within the five (5) above listed Districts subject to the proposed increased assessment and Standard Annual CPI Increase will be afforded an opportunity to give oral testimony and submit written ballots identifying affected property owners' support or opposition to the proposed increase in the assessment amount and imposition of the Standard Annual CPI Increase.

I HEREBY CERTIFY that the foregoing Resolution was passed and adopted by the Council of the City of Hanford at a regular meeting thereof held on June 2, 2020, by the following vote:

Subject:	Maintenance of common landscape for: Lighting and Landscape District: GATEWAY ESTATES Proposed Benefit Assessment Increase for Fiscal Year: 2021 and an Annual Adjustment for Inflation Allowance for the district.
Service Level	Level D Every two weeks (Mar-Oct) and every four weeks (Nov-Feb)

Dear «OWNER_NAME» :

The maintenance of the common landscaping (lawn mowing, planting and replanting of plants and trees, sprinkler maintenance, etc.) for your subdivision is funded by your payment of a benefit assessment through a Lighting and Landscaping District. The common landscaping is maintained at the service level mentioned above. In order to maintain this level of service, the City is seeking your support of an increase in the assessment amount you currently pay and establishing an annual Consumer Price Index (CPI) adjustment. The maintained landscaping and improvements visually enhance your neighborhood, add value to the surrounding properties and increase your quality of life.

This letter includes a ballot. The City is requesting you return the enclosed ballot indicating your choice, either approving or disapproving increasing the annual benefit assessment amount, and either approving or disapproving the establishment of an annual CPI adjustment allowance. The approval of the assessment increase and the CPI adjustment will allow the City to make changes in the benefit assessment fee to balance the district's finances and maintain the current level of service. The increased assessment amount will also provide funds to refurbish the districts landscaping over a period of time as reserves are replenished.

<u>Proposal:</u>	Current Rate	Proposed Rate
A) Increase the annual benefit assessment	from \$26.10	to \$54.60
B) Establish an annual benefit district CPI adjustment allowance in accordance with California Government Code Section 53739(b)(1).		

Please consider the enclosed documents, which include an informational page about the district, a ballot form, a return envelope, Notice of Public Hearing and a map depicting the landscape areas maintained by your district.

If you have questions or concerns, you may contact Debbie Fowler, Senior Administrative Analyst at 585-2563 or John Doyel, Director of the Public Works Department at 585-2571. Thank you for your time and consideration.

INFORMATION

District:	GATEWAY ESTATES		
Calendar Year Cash Balance:	2020	\$	\$(2,380.95)
Projected Calendar Year Cash Balance:	2021	\$	\$(4,378.55)
Number of Lots multiplied by Assessment per Lot	114	X \$26.10	\$2,975.40

The City is proposing an increase in the Benefit District Assessment Amount in order to keep up with maintenance costs for the common landscape areas in the District and to create a small reserve to help offset any future unexpected maintenance costs. Keeping the landscaped common areas maintained helps to keep neighborhoods looking good and helps to maintain property values. Currently your district is comprised of 114 lots, with total current year benefit assessments equaling \$2,975.70. The projected expenses are detailed as follows:

Annual Benefit District Assessment Reserve - Cash Balance as of Dec 31, 2019	\$(1,937.89)
Annual Benefit District Assessment Revenue Collected Amount	\$2,975.40
Proposed Expenses for the Calendar Year	\$(3,204.86)
TOTAL PROJECTED ENDING CASH BALANCE	\$(2,167.35)

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2020	\$(2,167.35)
Annual Benefit District Assessment Revenue Proposed Collection Amount	\$2,975.40
Proposed Expenses for the Calendar Year	\$(3,189.00)
TOTAL PROJECTED ENDING CASH BALANCE	\$(2,380.95)

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2021	\$(2,380.95)
Annual Benefit District Assessment Revenue Proposed Collection Amount	\$2,975.40
Proposed Expenses for the Calendar Year	\$(4,973.00)
TOTAL PROPOSED ENDING CASH BALANCE	\$(4,378.55)

Based on the current benefit district assessment revenue and proposed expenses the total cash balance is \$(4,378.55) for the projected calendar year **2021**.

	Existing Amount	Proposed Amount	Increase
Monthly Per Lot	\$2.18	\$4.55	\$2.37
Annually Per Lot	\$26.10	\$54.60	\$28.50
Annually Per District	\$2,975.40	\$6,224.40	\$3,249.00

The cost to you to keep the maintenance up in your District will be an additional \$28.50 per year, or \$2.37 per month.

You will see this as an increase in the Property Benefit Assessment included on your County of Kings real property tax bill.

In addition to the proposed benefit assessment increase, the City is proposing that an annual benefit CPI adjustment allowance be established in accordance with California Government Section 53739(b)(1). The annual benefit assessment amount will be adjusted by the CPI on an annual basis in accordance with the following formula:

Commencing with calendar year **2019** and on January 1 or each calendar year ("Adjustment Date") thereafter during the life of the District, the Total Annual Assessment amount for the next calendar year shall be an amount equal to the greater of:

- (i) the Total Annual Assessment amount in effect immediately prior to the Adjustment Date; or
- (ii) the product obtained by multiplying the Total Annual Assessment amount in effect immediately prior to the Adjustment Date by a fraction, the numerator of which is the Index published nearest but prior to the Adjustment Date and the denominator of which is the Index published nearest but prior to January 1 of the first year of the Adjustment becomes effective.

The term "Index" means the Consumer Price Index for Urban Wage Earners and Clerical Workers, San Francisco-Oakland-San Jose Consolidated Statistical Area, 1982-1984, equal 100, published by the Bureau of Labor Statistics of the United States Department of Labor. If the Bureau of Labor Statistics revises the Index, the Bureau of Labor Statistics will be the sole judge of the comparability of successive indexes, but if that agency fails to supply indexes that it deems comparable or if no succeeding index is published, the City shall determine an appropriate alternative published price index.

This annual CPI adjustment allowance process is already being used in districts created after 2001. If approved, the annual inflation allowance will allow the City to better fiscally manage the district and to more closely match benefit assessment revenue to the actual costs incurred.

On the last page is a ballot which gives you, the property owner, certain options:

A. Yes. I approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which will likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

B. Yes. I approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District by utilizing a CPI adjustment for inflation formula for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which may likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

It is very important that you complete and return your ballot. Ballots that are not returned will not be counted. If the "no" ballots exceed the number of "yes" ballots, the proposed fee increase and automatic CPI adjustment will not occur. If only a few people return ballots to the City, those few people will make the decision for the entire district.

The failure to raise service fees will result in a reduction in maintenance services, which will result in a deterioration of the landscaping and/or other improvements.

The failure to approve the CPI adjustment will mean that the City will have to seek approval of owners for all future increases in service fees, even those small increases that are designed to

keep up with inflation. If the CPI adjustment is approved, any future increase in service fees that exceed the CPI adjustment will require the City to distribute ballots and seek owner approval.

If you want maintenance of the landscaping and other improvements to remain at the current level, it will be necessary to vote “yes” and to return your ballot to the City.

Notice of Public Hearing

A Public Hearing for this proposal will be held on July 21, 2020, at the hour of 7:00 PM in the Council Chambers of the Civic Auditorium at 400 N. Douty Street, Hanford, CA. The ballots will be counted and the results announced at the end of the City Council Special Meeting that same evening. At this meeting, affected citizens will have an opportunity to speak to Council, and may also change their ballot vote if desired.

Re: GATEWAY ESTATES District Ballot

BALLOT INSTRUCTIONS

Completion and Return Instructions:

1. Fill out the ballot at the bottom of this page. Be sure to print your name, mark your choice, sign, and date the ballot (the ballot will not be counted without your signature)
2. Fold this page so the address above is visible.
3. Insert this page into the provided return envelope so the Clerk's address is visible through the window of the envelope.
4. Place appropriate postage on the return envelope and mail it.
5. In order to be counted, the ballot must arrive at the above address (City Clerk's Office) on or before 5:00pm, July 21, 2020.
6. ALTERNATIVE DELIVERY: You may also hand deliver the ballot to the City Clerk's office at 319 N. Douty Street, Hanford, CA, on or before 5:00pm on July 21, 2020 **or** hand deliver the ballot to the City Clerk at the time of the Public Hearing on July 21, 2020. If delivered in person, the ballot **must** be in a sealed envelope, or it cannot be accepted.

If you have any question or concerns about the ballot process or Increase in the Annual Benefit District Assessment or Annual Benefit District Assessment Adjustment for Inflation Allowance, please contact Debbie Fowler, Senior Administrative Analyst at (559) 585-2563 or John Doyel, Director of the Public Works Department at (559) 585-2571.

Subject:	Maintenance of common landscape for: Lighting and Landscape District: MANSIONETTE 7 & 8 Proposed Benefit Assessment Increase for Fiscal Year: 2021 and an Annual Adjustment for Inflation Allowance for the district.
Service Level	Level D Every two weeks (Mar-Oct) and every four weeks (Nov-Feb)

Dear «OWNER_NAME» :

The maintenance of the common landscaping (lawn mowing, planting and replanting of plants and trees, sprinkler maintenance, etc.) for your subdivision is funded by your payment of a benefit assessment through a Lighting and Landscaping District. The common landscaping is maintained at the service level mentioned above. In order to maintain this level of service, the City is seeking your support of an increase in the assessment amount you currently pay and establishing an annual Consumer Price Index (CPI) adjustment. The maintained landscaping and improvements visually enhance your neighborhood, add value to the surrounding properties and increase your quality of life.

This letter includes a ballot. The City is requesting you return the enclosed ballot indicating your choice, either approving or disapproving increasing the annual benefit assessment amount, and either approving or disapproving the establishment of an annual CPI adjustment allowance. The approval of the assessment increase and the CPI adjustment will allow the City to make changes in the benefit assessment fee to balance the district's finances and maintain the current level of service. The increased assessment amount will also provide funds to refurbish the districts landscaping over a period of time as reserves are replenished.

<u>Proposal:</u>	Current Rate	Proposed Rate
A) Increase the annual benefit assessment	from \$49.10	to \$75.20
B) Establish an annual benefit district CPI adjustment allowance in accordance with California Government Code Section 53739(b)(1).		

Please consider the enclosed documents, which include an informational page about the district, a ballot form, a return envelope, Notice of Public Hearing and a map depicting the landscape areas maintained by your district.

If you have questions or concerns, you may contact Debbie Fowler, Senior Administrative Analyst at 585-2563 or John Doyel, Director of the Public Works Department at 585-2571. Thank you for your time and consideration.

INFORMATION

District:	MANSIONETTE 7 & 8			
Calendar Year Cash Balance:	2020	\$	286.08	
Projected Calendar Year Cash Balance:	2021	\$	(683.52)	
Number of Lots multiplied by Assessment per Lot	84	X	\$49.10	\$4,124.40

The City is proposing an increase in the Benefit District Assessment Amount in order to keep up with maintenance costs for the common landscape areas in the District and to create a small reserve to help offset any future unexpected maintenance costs. Keeping the landscaped common areas maintained helps to keep neighborhoods looking good and helps to maintain property values. Currently your district is comprised of 84 lots, with total current year benefit assessments equaling \$4,124.40. The projected expenses are detailed as follows:

Annual Benefit District Assessment Reserve - Cash Balance as of Dec 31, 2019	\$863.98
Annual Benefit District Assessment Revenue Collected Amount	\$4,124.40
Proposed Expenses for the Calendar Year	\$(4067.70)
TOTAL PROJECTED ENDING CASH BALANCE	\$920.68

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2020	\$920.68
Annual Benefit District Assessment Revenue Proposed Collection Amount	\$4,124.40
Proposed Expenses for the Calendar Year	\$(4,759.00)
TOTAL PROJECTED ENDING CASH BALANCE	\$286.08

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2021	\$286.08
Annual Benefit District Assessment Revenue Proposed Collection Amount	\$4,124.40
Proposed Expenses for the Calendar Year	\$(5,049.00)
TOTAL PROPOSED ENDING CASH BALANCE	\$(638.52)

Based on the current benefit district assessment revenue and proposed expenses the total cash balance is \$(638.52) for the projected calendar year **2021**.

	Existing Amount	Proposed Amount	Increase
Monthly Per Lot	\$4.09	\$6.27	\$2.18
Annually Per Lot	\$49.10	\$75.20	\$26.10
Annually Per District	\$4,124.40	\$6,316.80	\$2,192.40

The cost to you to keep the maintenance up in your District will be an additional \$26.10 per year, or \$2.18 per month.

You will see this as an increase in the Property Benefit Assessment included on your County of Kings real property tax bill.

In addition to the proposed benefit assessment increase, the City is proposing that an annual benefit CPI adjustment allowance be established in accordance with California Government Section 53739(b)(1). The annual benefit assessment amount will be adjusted by the CPI on an annual basis in accordance with the following formula:

Commencing with calendar year **2019** and on January 1 or each calendar year ("Adjustment Date") thereafter during the life of the District, the Total Annual Assessment amount for the next calendar year shall be an amount equal to the greater of:

- (i) the Total Annual Assessment amount in effect immediately prior to the Adjustment Date; or
- (ii) the product obtained by multiplying the Total Annual Assessment amount in effect immediately prior to the Adjustment Date by a fraction, the numerator of which is the Index published nearest but prior to the Adjustment Date and the denominator of which is the Index published nearest but prior to January 1 of the first year of the Adjustment becomes effective.

The term "Index" means the Consumer Price Index for Urban Wage Earners and Clerical Workers, San Francisco-Oakland-San Jose Consolidated Statistical Area, 1982-1984, equal 100, published by the Bureau of Labor Statistics of the United States Department of Labor. If the Bureau of Labor Statistics revises the Index, the Bureau of Labor Statistics will be the sole judge of the comparability of successive indexes, but if that agency fails to supply indexes that it deems comparable or if no succeeding index is published, the City shall determine an appropriate alternative published price index.

This annual CPI adjustment allowance process is already being used in districts created after 2001. If approved, the annual inflation allowance will allow the City to better fiscally manage the district and to more closely match benefit assessment revenue to the actual costs incurred.

On the last page is a ballot which gives you, the property owner, certain options:

A. Yes. I approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which will likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

B. Yes. I approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District by utilizing a CPI adjustment for inflation formula for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which may likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

It is very important that you complete and return your ballot. Ballots that are not returned will not be counted. If the "no" ballots exceed the number of "yes" ballots, the proposed fee increase and automatic CPI adjustment will not occur. If only a few people return ballots to the City, those few people will make the decision for the entire district.

The failure to raise service fees will result in a reduction in maintenance services, which will result in a deterioration of the landscaping and/or other improvements.

The failure to approve the CPI adjustment will mean that the City will have to seek approval of owners for all future increases in service fees, even those small increases that are designed to

keep up with inflation. If the CPI adjustment is approved, any future increase in service fees that exceed the CPI adjustment will require the City to distribute ballots and seek owner approval.

If you want maintenance of the landscaping and other improvements to remain at the current level, it will be necessary to vote “yes” and to return your ballot to the City.

Subject:	Maintenance of common landscape for: Lighting and Landscape District: PORTOFINO DISTRICT Proposed Benefit Assessment Increase for Fiscal Year: 2021 and an Annual Adjustment for Inflation Allowance for the district.
Service Level	Level D Every two weeks (Mar-Oct) and every four weeks (Nov-Feb)

Dear «OWNER_NAME» :

The maintenance of the common landscaping (lawn mowing, planting and replanting of plants and trees, sprinkler maintenance, etc.) for your subdivision is funded by your payment of a benefit assessment through a Lighting and Landscaping District. The common landscaping is maintained at the service level mentioned above. In order to maintain this level of service, the City is seeking your support of an increase in the assessment amount you currently pay and establishing an annual Consumer Price Index (CPI) adjustment. The maintained landscaping and improvements visually enhance your neighborhood, add value to the surrounding properties and increase your quality of life.

This letter includes a ballot. The City is requesting you return the enclosed ballot indicating your choice, either approving or disapproving increasing the annual benefit assessment amount, and either approving or disapproving the establishment of an annual CPI adjustment allowance. The approval of the assessment increase and the CPI adjustment will allow the City to make changes in the benefit assessment fee to balance the district's finances and maintain the current level of service. The increased assessment amount will also provide funds to refurbish the districts landscaping over a period of time as reserves are replenished.

<u>Proposal:</u>	Current Rate	Proposed Rate
A) Increase the annual benefit assessment	from \$50.80	to \$93.60
B) Establish an annual benefit district CPI adjustment allowance in accordance with California Government Code Section 53739(b)(1).		

Please consider the enclosed documents, which include an informational page about the district, a ballot form, a return envelope, Notice of Public Hearing and a map depicting the landscape areas maintained by your district.

If you have questions or concerns, you may contact Debbie Fowler, Senior Administrative Analyst at 585-2563 or John Doyel, Director of the Public Works Department at 585-2571. Thank you for your time and consideration.

INFORMATION

District:	PORTOFINO DISTRICT		
Calendar Year Cash Balance:	2020	\$	(580.11)
Projected Calendar Year Cash Balance:	2021	\$	(2,452.71)
Number of Lots multiplied by Assessment per Lot	78	X	\$50.80
			\$3,962.40

The City is proposing an increase in the Benefit District Assessment Amount in order to keep up with maintenance costs for the common landscape areas in the District and to create a small reserve to help offset any future unexpected maintenance costs (based on the current benefit assessment amount and maintenance costs, the projected calendar year **2021** will have a deficit cash balance of \$(2,452.71). Keeping the landscaped common areas maintained helps to keep neighborhoods looking good and helps to maintain property values. Currently your district is comprised of 78 lots, with total current year benefit assessments equaling \$3,962.40. The projected expenses are detailed as follows:

Annual Benefit District Assessment Reserve - Cash Balance as of Dec 31, 2019	\$821.39
Annual Benefit District Assessment Revenue Collected Amount	\$3,962.40
Proposed Expenses for the Calendar Year	\$(4,335.30)
TOTAL PROJECTED ENDING CASH BALANCE	\$448.49

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2020	\$448.49
Annual Benefit District Assessment Revenue Proposed Collection Amount	\$3,962.40
Proposed Expenses for the Calendar Year	\$(4,991.00)
TOTAL PROJECTED ENDING CASH BALANCE	\$(580.11)

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2021	\$(580.11)
Annual Benefit District Assessment Revenue Proposed Collection Amount	\$3,962.40
Proposed Expenses for the Calendar Year	\$(5,835.00)
TOTAL PROPOSED ENDING CASH BALANCE	\$(2,452.71)

Based on the current benefit district assessment revenue and proposed expenses the total cash balance is \$(2,452.71) for the projected calendar year **2021**.

	Existing Amount	Proposed Amount	Increase
Monthly Per Lot	\$4.23	\$7.80	\$3.57
Annually Per Lot	\$50.80	\$93.60	42.80
Annually Per District	\$3,962.40	\$7,300.80	\$3,338.40

The cost to you to keep the maintenance up in your District will be an additional \$42.80 per year, or \$3.57 per month.

You will see this as an increase in the Property Benefit Assessment included on your County of Kings real property tax bill.

In addition to the proposed benefit assessment increase, the City is proposing that an annual benefit CPI adjustment allowance be established in accordance with California Government Section 53739(b)(1). The annual benefit assessment amount will be adjusted by the CPI on an annual basis in accordance with the following formula:

Commencing with calendar year **2019** and on January 1 or each calendar year ("Adjustment Date") thereafter during the life of the District, the Total Annual Assessment amount for the next calendar year shall be an amount equal to the greater of:

- (i) the Total Annual Assessment amount in effect immediately prior to the Adjustment Date; or
- (ii) the product obtained by multiplying the Total Annual Assessment amount in effect immediately prior to the Adjustment Date by a fraction, the numerator of which is the Index published nearest but prior to the Adjustment Date and the denominator of which is the Index published nearest but prior to January 1 of the first year of the Adjustment becomes effective.

The term "Index" means the Consumer Price Index for Urban Wage Earners and Clerical Workers, San Francisco-Oakland-San Jose Consolidated Statistical Area, 1982-1984, equal 100, published by the Bureau of Labor Statistics of the United States Department of Labor. If the Bureau of Labor Statistics revises the Index, the Bureau of Labor Statistics will be the sole judge of the comparability of successive indexes, but if that agency fails to supply indexes that it deems comparable or if no succeeding index is published, the City shall determine an appropriate alternative published price index.

This annual CPI adjustment allowance process is already being used in districts created after 2001. If approved, the annual inflation allowance will allow the City to better fiscally manage the district and to more closely match benefit assessment revenue to the actual costs incurred.

On the last page is a ballot which gives you, the property owner, certain options:

A. Yes. I approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which will likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

B. Yes. I approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District by utilizing a CPI adjustment for inflation formula for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which may likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

It is very important that you complete and return your ballot. Ballots that are not returned will not be counted. If the "no" ballots exceed the number of "yes" ballots, the proposed fee increase and automatic CPI adjustment will not occur. If only a few people return ballots to the City, those few people will make the decision for the entire district.

The failure to raise service fees will result in a reduction in maintenance services, which will result in a deterioration of the landscaping and/or other improvements.

The failure to approve the CPI adjustment will mean that the City will have to seek approval of owners for all future increases in service fees, even those small increases that are designed to

keep up with inflation. If the CPI adjustment is approved, any future increase in service fees that exceed the CPI adjustment will require the City to distribute ballots and seek owner approval.

If you want maintenance of the landscaping and other improvements to remain at the current level, it will be necessary to vote “yes” and to return your ballot to the City.

Notice of Public Hearing

A Public Hearing for this proposal will be held on July 21, 2020, at the hour of 7:00 PM in the Council Chambers of the Civic Auditorium at 400 N. Douty Street, Hanford, CA. The ballots will be counted and the results announced at the end of the City Council Special Meeting that same evening. At this meeting, affected citizens will have an opportunity to speak to Council, and may also change their ballot vote if desired.

BALLOT INSTRUCTIONS

Completion and Return Instructions:

1. Fill out the ballot at the bottom of this page. Be sure to print your name, mark your choice, sign, and date the ballot (the ballot will not be counted without your signature)
2. Fold this page so the address above is visible.
3. Insert this page into the provided return envelope so the Clerk's address is visible through the window of the envelope.
4. Place appropriate postage on the return envelope and mail it.
5. In order to be counted, the ballot must arrive at the above address (City Clerk's Office) on or before 5:00pm, July 21, 2020.
6. ALTERNATIVE DELIVERY: You may also hand deliver the ballot to the City Clerk's office at 319 N. Douty Street, Hanford, CA, on or before 5:00pm on July 21, 2020 **or** hand deliver the ballot to the City Clerk at the time of the Public Hearing on July 21, 2020. If delivered in person, the ballot **must** be in a sealed envelope, or it cannot be accepted.

If you have any question or concerns about the ballot process or Increase in the Annual Benefit District Assessment or Annual Benefit District Assessment Adjustment for Inflation Allowance, please contact Debbie Fowler, Senior Administrative Analyst at (559) 585-2563 or John Doyel, Director of the Public Works Department at (559) 585-2571.

The approval of the assessment increase and the CPI adjustment will allow the City to make changes in the benefit assessment fee to balance the district's finances and maintain the current level of service. The increased assessment amount will also provide funds to refurbish the districts landscaping over a period of time as reserves are replenished.

<u>Proposal:</u>	Current Rate	Proposed Rate
A) Increase the annual benefit assessment	from \$35.00	to \$51.30
B) Establish an annual benefit district CPI adjustment allowance in accordance with California Government Code Section 53739(b)(1).		

Please consider the enclosed documents, which include an informational page about the district, a ballot form, a return envelope, Notice of Public Hearing and a map depicting the landscape areas maintained by your district.

If you have questions or concerns, you may contact Debbie Fowler, Senior Administrative Analyst at 585-2563 or John Doyel, Director of the Public Works Department at 585-2571. Thank you for your time and consideration.

INFORMATION

District:	ROSEWOOD ESTATES 97-01		
Calendar Year Cash Balance:	2020	\$(287.71)	
Projected Calendar Year Cash Balance:	2021	\$(549.71)	
Number of Lots multiplied by Assessment per Lot	44	X \$35.00	\$1,540.00

The City is proposing an increase in the Benefit District Assessment Amount in order to keep up with maintenance costs for the common landscape areas in the District and to create a small reserve to help offset any future unexpected maintenance costs. Keeping the landscaped common areas maintained helps to keep neighborhoods looking good and helps to maintain property values. Currently your district is comprised of 44 lots with total current year benefit assessments equaling \$1,540.00. The projected expenses are detailed as follows:

Annual Benefit District Assessment Reserve - Cash Balance as of Dec 31, 2019	(15.71)
Annual Benefit District Assessment Revenue Collected Amount	1,540.00
Proposed Expenses for the Calendar Year	(1,692.00)
TOTAL PROJECTED ENDING CASH BALANCE	\$(167.71)

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2020	(167.71)
Annual Benefit District Assessment Revenue Proposed Collection Amount	1,540.00
Proposed Expenses for the Calendar Year	(1,660.00)
TOTAL PROJECTED ENDING CASH BALANCE	\$(287.71)

Projected CY Assessment Reserve - Cash Balance as of Dec 31, 2021	(287.71)
Annual Benefit District Assessment Revenue Proposed Collection Amount	1,540.00
Proposed Expenses for the Calendar Year	(1,802.00)
TOTAL PROPOSED ENDING CASH BALANCE	\$(549.71)

Based on the current benefit district assessment revenue and proposed expenses the total cash balance is \$(549.71) for the projected calendar year **2021**.

	Existing Amount	Proposed Amount	Increase
Monthly Per Lot	\$2.92	\$4.28	\$1.36
Annually Per Lot	\$35.00	\$51.30	\$16.30
Annually Per District	\$1,540.00	\$2,257.20	\$717.20

The cost to you to keep the maintenance up in your District will be an additional \$16.30 per year, or \$1.36 per month.

You will see this as an increase in the Property Benefit Assessment included on your County of Kings real property tax bill.

In addition to the proposed benefit assessment increase, the City is proposing that an annual benefit CPI adjustment allowance be established in accordance with California Government Section 53739(b)(1). The annual benefit assessment amount will be adjusted by the CPI on an annual basis in accordance with the following formula:

Commencing with calendar year **2019** and on January 1 or each calendar year ("Adjustment Date") thereafter during the life of the District, the Total Annual Assessment amount for the next calendar year shall be an amount equal to the greater of:

- (i) the Total Annual Assessment amount in effect immediately prior to the Adjustment Date; or
- (ii) the product obtained by multiplying the Total Annual Assessment amount in effect immediately prior to the Adjustment Date by a fraction, the numerator of which is the Index published nearest but prior to the Adjustment Date and the denominator of which is the Index published nearest but prior to January 1 of the first year of the Adjustment becomes effective.

The term "Index" means the Consumer Price Index for Urban Wage Earners and Clerical Workers, San Francisco-Oakland-San Jose Consolidated Statistical Area, 1982-1984, equal 100, published by the Bureau of Labor Statistics of the United States Department of Labor. If the Bureau of Labor Statistics revises the Index, the Bureau of Labor Statistics will be the sole judge of the comparability of successive indexes, but if that agency fails to supply indexes that it deems comparable or if no succeeding index is published, the City shall determine an appropriate alternative published price index.

This annual CPI adjustment allowance process is already being used in districts created after 2001. If approved, the annual inflation allowance will allow the City to better fiscally manage the district and to more closely match benefit assessment revenue to the actual costs incurred.

On the last page is a ballot which gives you, the property owner, certain options:

A. Yes. I approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Benefit Assessment Increase for Fiscal Year 2021. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which will likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

B. Yes. I approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will allow the City to secure funding from your District by utilizing a CPI adjustment for inflation formula for the increased costs of maintenance, and over a period of time will repay any outstanding deficit cash balance.

No. I do not approve of the proposed Annual Benefit CPI Adjustment Allowance. If a majority of the returned ballots select this option, it will cause the City to re-evaluate the level of maintenance provided to your District, which may likely result in reduced maintenance, such as reduced watering and/or reduced frequency of mowing and trimming of the common areas.

It is very important that you complete and return your ballot. Ballots that are not returned will not be counted. If the "no" ballots exceed the number of "yes" ballots, the proposed fee increase and automatic CPI adjustment will not occur. If only a few people return ballots to the City, those few people will make the decision for the entire district.

The failure to raise service fees will result in a reduction in maintenance services, which will result in a deterioration of the landscaping and/or other improvements.

The failure to approve the CPI adjustment will mean that the City will have to seek approval of owners for all future increases in service fees, even those small increases that are designed to

keep up with inflation. If the CPI adjustment is approved, any future increase in service fees that exceed the CPI adjustment will require the City to distribute ballots and seek owner approval.

If you want maintenance of the landscaping and other improvements to remain at the current level, it will be necessary to vote “yes” and to return your ballot to the City.

Notice of Public Hearing

A Public Hearing for this proposal will be held on July 21, 2020, at the hour of 7:00 PM in the Council Chambers of the Civic Auditorium at 400 N. Douty Street, Hanford, CA. The ballots will be counted and the results announced at the end of the City Council Special Meeting that same evening. At this meeting, affected citizens will have an opportunity to speak to Council, and may also change their ballot vote if desired.

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020

AGENDA SECTION: B

SUBJECT:

Public Works: Approval of a request to add a Refuse Coordinator position, within the Refuse Division of the Public Works Department, and authorization for the City Manager to start the recruitment process prior to July 1, 2020.

RECOMMENDATION:

That the Council, by motion, approve the addition of a Refuse Coordinator position within the Refuse Division of the Public Works Department and authorize the City Manager to start the recruitment process prior to July 1, 2020.

BACKGROUND:

The City of Hanford is required by CalRecycle, the State's compliance agency for solid waste and recycling, to implement a number of new programs to ensure the City is complying with the State's goals for reuse and diversion. These programs are required as a result of SB 1383, which was implemented in 2017 and is being gradually phased in. Two of these new programs, commercial recycling and food waste collection, requires the City to contact all commercial and food preparation businesses and attempt to help these businesses comply with the new laws/requirements.

The new contact and tracking requirements in addition to new reporting requirements cannot be adequately completed by current staff. The Refuse division has previously had a Part-time position to address these matters but the program was never setup and the position has been vacant. Staff has been evaluating our current organizational structure and has determined that a new dedicated recycling coordinator position is necessary to fill this new role and to bring the City into compliance with the state regulations. A recent audit determined that the City is woefully behind in creating a program to address the requirements above. Approving the recruitment ahead of the budget process will serve to expedite the process and provide CalRecycle with additional assurances that the City is committed to meeting the new mandates as expeditiously as possible.

Human Resources staff has prepared the attached job description and has completed a salary comparison study and has determined that the position salary should be \$3,744 to \$4,572 per month after July 1, 2020.

FISCAL IMPACT:

This position will be allocated and included in the FY20-2021 budget that will be presented to the Council in June 2020, No financial increase to the current budget is anticipated.

Recycling Coordinator Job Spec 1.17.20

CITY OF HANFORD

RECYCLING COORDINATOR

DEFINITION

Under general direction, this position has responsibility for planning, organization, and implementation of City recycling and/or waste management related programs. Oversees public outreach programs, regulatory compliance, day-to-day management and implementation of specific projects, coordination with outside agencies and organizations, and data management and reporting. Supports the Refuse Division including providing support for the City's commercial and residential recycling programs, works closely with residents and commercial businesses to help evaluate compliance requirements pursuant to local, state and federal recycling requirements, and performs other related duties as assigned.

DISTINGUISHING CHARACTERISTICS

This is an entry level single class position focused on environmental programs in the Refuse Division of the Public Works Department. Assignments are generally of moderate difficulty in scale and complexity. Although the employee may work independently in completing tasks, technical and policy direction is provided, especially while the incumbent grows into the position.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Refuse Superintendent of the Public Works Department.

EXAMPLES OF ESSENTIAL DUTIES - Duties may include, but are not limited to, the following: Plans, implements, oversees, and coordinates City recycling and/or waste management related outreach programs, schedules and conducts meetings, and any necessary follow-up with residents or commercial businesses.

Directs outreach, education and training to food service establishments and local food pantries, organizations, and schools, and makes public presentations to professional, commercial businesses, community and neighborhood organizations.

Creates, develops, and implements organics (food waste) recycling outreach programs and collateral material for use in promoting organics education, recycling, and diversion to businesses and residents within the market service area; submits required reporting to the Kings Waste & Recycling Authority (KWRA) and California Department of Resource Recycling and Recovery to ensure compliance.

Compiles statistics for mandatory organics recycling tonnage reports, analyzes data for accuracy and trends. Analyzes monthly reports on outreach activities and maintains a calendar of reporting deadlines.

Coordinates community awareness programs through education and promotion of program services, develops and maintains information, outreach and educational materials including brochures, information packets, flyers, guides and other documents.

Answers questions and provides information to the public; investigates complaints and recommends corrective action.

Coordinates the City's waste reduction, recycling, and resource recovery activities; monitors and evaluates compliance with CalRecycle regulations.

Provides lead direction, oversees and participates in the development of new and grant programs related to waste reduction programs and administers existing programs, processes policies, and procedures.

Provides technical expertise to City staff on how to maximize waste reduction; remains current in legislative developments, state legislation and local ordinances, trends, practices, and procedures in the recycling field.

Periodically evaluates effectiveness of recycling programs and activities to ensure conformity with program guidelines; collects, complies and analyzes data and prepares reports, correspondence and memos; recommends modification of state legislation, local ordinances, policies, and procedures; researches and prepares technical reports.

Creates or assists in the creation of the City newsletter; tracks and maintains a variety of data and records, and prepares periodic reports, brochures, pamphlets, ads, slide shows, and other related City publications for internal and external use.

Participates in researching the availability of grants and other funding sources for recycle and waste reduction projects and assists in securing applicable funds.

Maintains records and prepares required reports for local agencies, acts as liaison with State and KWRA authorities.

Assists in budget preparation and administration; provides lead direction and participates in the preparation of budget projections for program expenditures.

Builds relationships with local and state agencies, community and civic groups and other regulatory bodies; and increases City visibility to promote recycling and diversion programs through participation in community and other applicable events, as necessary as the City's representative.

Performs other related duties as assigned.

MINIMUM QUALIFICATIONS

Knowledge of:

Environmental issues and concerns related to solid, hazardous and recoverable waste collection and disposal.

Materials, equipment, operations and methods used in waste reduction and necessary to create successful recycling programs.

State of California laws and regulations regarding recycling requirements.

Presentation and public speaking techniques.

Effective communications and marketing techniques and strategies designed to promote community participation in environmental programs.

Report writing and record keeping methods.

Correct English usage, spelling, punctuation and grammar.

Ability to:

Develop and create brochures, flyers, social media advertisements, and other educational marketing, public relations and communications programs using a variety of computer programs.

Organize and coordinate the activities of community recycling groups through program planning and implementation.

Communicate effectively, both orally and in writing.

Analyze, interpret federal, state, and local laws and regulations relating to waste reduction and recycling.

Gather and analyze data and prepare clear and concise reports.

Successfully make presentations while providing information in a clear, concise, and informative manner at public meetings, or forums that may include public and private organizations, City staff, and businesses.

Ability to establish, maintain, and foster positive and harmonious working relationships with those contracted in the course of work.

Work independently and effectively, and plan, coordinate, organize, and prioritize projects in order to meet a variety of deadlines.

Understand and carry out written and oral instructions.

Perform word processing and utilize other computer programs common to an office environment.

Work on variable shifts, or other irregular hours as assigned

Experience and Education

Any combination of experience and education that would provide the required knowledge and abilities is qualifying. A typical way to obtain the required knowledge and abilities would be:

Experience:

One year of administrative experience in working in an environmental conservation and protection capacity.

Education:

Associates of art degree or equivalent with classes in environmental sciences or a similar field of study. A bachelor's degree is desirable. Additional work experience may be substituted for education, at City's discretion.

License and Certificate

Possession of a valid Driver's License issued from, the California Department of Motor Vehicles.

AGENDA STAFF REPORT

MEETING DATE: 6/2/2020	AGENDA SECTION: C
-------------------------------	--------------------------

SUBJECT:

Administration: Discussion and Adoption of Resolution No. 20-09-R and Ordinance No. 20-07 thereby rescinding the City's Local Emergency Resolution and Modifying the the terms of the Ordinance to follow the updated State Guidance.

RECOMMENDATION:

That the City Council, by motion, approve the Adoption of Resolution No. 20-09-R and Ordinance No. 20-07 thereby rescinding the City's Local Emergency Resolution and Modifying the terms of the Ordinance to follow the updated State Guidance.

BACKGROUND:

With the recent approval of the Kings County Attestation and the move by the Governor's office to allow Counties to open up to Stage 3, it is appropriate for the City to rescind the Urgency Ordinance to greatly modify the conditions of the Local Emergency Resolution to allow the City Manager to have some flexibility with delivering services to the Citizens of Hanford and to also allow local business time to open and resume operations before having to address utility costs.

FISCAL IMPACT:

No Financial Impact will result from the adoption of these documents.

ATTACHMENTS:

Urgency Ordinance 20-07 - COVID-19
Resolution 20-09-R Confirming Local Emergency

ORDINANCE NO. 20-07
AN URGENCY ORDINANCE OF THE CITY COUNCIL OF THE CITY OF HANFORD
RELATING TO COVID-19

The City Council of the City of Hanford ordains as follows:

WHEREAS, the City Council of the City of Hanford (Council) adopted Ordinance No. 20-02 at its March 17, 2020 meeting; and

WHEREAS, Ordinance No. 20-02 is an urgency ordinance regarding the novel coronavirus (COVID-19); and

WHEREAS, as a result of events that have occurred since the adoption of Ordinance No. 20-02, including, without limitation, the State's creation of numerous guidelines and its development of a resilience roadmap for the reopening of society, the actions taken by the Council through Ordinance 20-02 are no longer needed to protect the health and welfare of the public.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HANFORD
DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Declaration of Urgency. The matters addressed by this Ordinance are of an urgent nature for the reasons stated above.

SECTION 2. Rescission of Ordinance. As a result of events occurring since the adoption of Ordinance 20-02, that Ordinance is no longer required to protect the health and welfare of the public and is hereby rescinded in its entirety.

SECTION 3. Effective Date. This ordinance shall become effective immediately upon the date of its adoption.

SECTION 4. Severability. If any section, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have passed this ordinance and adopted this Ordinance and each section, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

SECTION 5. Publication. Within fifteen (15) days after adoption, this Ordinance shall be published once in the Hanford Sentinel, a newspaper printed and published in the County of Kings, State of California.

THEREFORE, BE IT FURTHER RESOLVED, that based on the above and incorporated findings, the City Council approves Ordinance 20-____.

PASSED, ADOPTED AND APPROVED this 2nd day of June, 2020 by the following vote:

City Clerk

Attachment: Urgency Ordinance 20-07 - COVID-19 (Adoption of Updated COVID Documents)

RESOLUTION NO. 20-09-R
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HANFORD
CONFIRMING THE EXISTENCE OF A LOCAL EMERGENCY (COVID-19)

WHEREAS, the City Council of the City of Hanford (Council) adopted Resolution No. 20-05-R at its March 17, 2020 meeting; and

WHEREAS, through Resolution No. 20-05-R, the Council declared a local emergency as a result of the novel coronavirus (COVID-19); and

WHEREAS, as a result of events occurring since the adoption of Resolution No. 20-05-R, including, without limitation, the State's creation of numerous guidelines and its development of a resilience roadmap for the reopening of society, modification of the actions taken by the Council through Resolution No. 20-05-R is warranted;

NOW, THEREFORE, BE IT RESOLVED, the Council declares the following:

1. Resolution No. 20-05-R is hereby rescinded and is superseded by this Resolution.
2. A local emergency continues to exist throughout the City of Hanford as a result of the ongoing presence of COVID-19.
3. During the existence of the local emergency described herein, the powers, functions, and duties of the emergency organization of the City shall be those prescribed by state laws and by ordinances and resolutions of the City, including, without limitation, Hanford Municipal Code Chapter 2.44.
4. During the existence of the local emergency described herein, the City shall observe the directives, mandates, Executive Orders, and other emergency-related guidelines issued by the State of California and/or the County of Kings relating to COVID-19.
5. The City Manager, as the City's Director of Emergency Services pursuant to Hanford Municipal Code Chapter 2.44, and his designees, are hereby authorized to take all appropriate actions they deem necessary in response to this local emergency during its pendency, including but not limited to:
 - Shifting staff from non-essential duties to essential duties on a volunteer basis and in coordination with bargaining units representing the City's employees; and
 - Limiting employee travel in a manner consistent with applicable State guidelines.
6. As designated disaster service workers, all City employees shall be expected to report to work if called. If an employee is on leave pursuant to this Resolution,

the employee shall report to their Department head at least every 72 hours as directed.

7. The City's purchasing system, which is set forth in Hanford Municipal Code Chapter 2.48, is hereby suspended to the extent that adherence to the purchasing system's requirements and limitations would unreasonably interfere with the City's ability to address the local emergency described herein. The City Manager is hereby authorized to engage independent contractors to complete all necessary work to mitigate the effects of the local emergency. Contracts for such work may be executed without prior Council approval of the plans, specifications, or working details and without giving notice for bids to let contracts. The City shall, however, adhere to Hanford Municipal Code Chapter 2.48 with respect to purchases that are unassociated with the City's efforts to address the local emergency described herein.
8. As a result of the local emergency, the City hereby suspends: (a) the discontinuation of water and refuse collection services for residents and businesses for non-payment of bills for City-provided utility services; and (b) the imposition of late payment penalties and fees for delinquent City utility bills.

Passed and adopted at a regular meeting of the City Council of the City of Hanford, duly called and held on June 2, 2020, by the following vote:

AYES: _____

NOES: _____

ABSTAIN: _____

ABSENT: _____
