Susie Chavez, Supervisor for Divisions 1714-Aquatics/1719-Youth Services

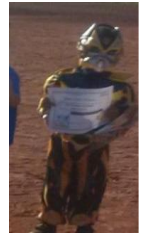

1720-Adult & Special Populations

November 4, 2015

Teen Center/Youth Activities (Division 1719 Youth Service

1. The fall season of Toddler T-ball ball players finished up their season with a Halloween “Candy Bowl” game. Three games in all were played. One inning each, with no score kept and no outs. Game #1 was October 17, 2015. To make it super fun for the kids and parents we did an opening ceremony. The players were announced, the Star Spangled Banner played and a coin toss done to see which team was up to bat first, rather than who was home team. The games were fun to watch and the parents took many photos.
2. A program survey for the Toddler T-ball Fall Season #4 was done on October 24th. There were 58 players in the 2015 fall league, (the maximum was 55) a far cry from the original 20 signed up the first year that we offered this program. 90% surveyed rated the program a 10. The lowest score received was a 7. All but one parent surveyed said they would recommend the program to friends. Coaches were described as friendly, helpful and patient. Of the 27 surveys that were filled-out and turned in, 21 out of 27 were first time Recreation Program participants. The majority of those surveyed said that heard about the program from receiving a flier or heard about it thru a friend. Only two people said that they saw the program on Facebook. Fliers for the 2016 spring session were handed out at the end of the last game.
3. November 2, 2016 was the first of 13 School Field trips to the Teen Center by local schools. 184 4th, 5th and 6th grade Lincoln Elementary school students braved the wet, fall weather to enjoy some much deserved fun. This program is free to the schools. The only source of revenue is thru the two snack bars set up. A total of \$440.00 was grossed on this particular day due to the age of the students attending. The younger students have less spending money given to them by the parents.
4. The Teen Center started a new program at the end of September called “Popcorn Wednesday”. Wednesday is an early out day for the Hanford Elementary school students. This program begins at 2:00 p.m. and is free to grades 3rd on up. Using funds from our old Club Live grant Recreation Coordinator Michelle Hinton has purchased arts, crafts, cooking and science supplies for the students to have fun with in addition to having fun at the Teen Center. The first Wednesday there were 4 students, the next Wednesday there were 9 students and this last week there were a total of 26 students participating in the program. The majority of the students are ages

8 & 9 and 10 & 11 years old with a few 12 thru 16 year olds. This program will run thru December 9th and hopefully pick up again in February.

5. The locals here in Hanford, obviously like having a haunted event to attend on Halloween. When Teen Center coordinator Michelle Hinton and staff turned the civic auditorium into a free Haunted House the attendance was surprising. On Halloween from 4:00 p.m. to 6:00 p.m. 270 people came to see the non scary version with the lights on and treats for the local youth. When it was dark it became very scary there were close to 500 people that came thru the haunted doors. A \$500 donation from Bob Dowd's office and volunteers from the West Hills College helped make the event possible.

Senior Center, Adult & Special Populations (Division 1720):

1. Everyone of the 160 people that attended the 2015 Melco Dance at the Hanford Civic Auditorium left in a great mood. The bands were happy, the attendees were dancing up a storm and Chris White owner the local oldies KFUN station helped out as the MC for the evening. It was an especially good event for Bev Simas Felipe, who is the younger sister of Mel Simas who originally started the Melco Dances back in the 60's. She attended the event with her brother and some friends even though just a few weeks earlier she had suffered a stroke. Seeing everyone put a smile on her face. Meeting Chris from KFUN was very emotional when he told her that he worked for Mel Simas as a high school student under the KOAD letters.
2. We will be hosting a senior "Harvest Luncheon" luncheon on Friday, November 13, 2015. Tickets are currently on sale for \$5 per senior. The event will take place at the Senior/Veteran's Center upstairs at 11:30 a.m.

Aquatics – "The Plunge" (Division 1714) and Ford Hill Skate Park

- 1 The Plunge is currently closed for the winter.
