STAFF COMMUNICATIONS

- A. Parks Superintendent Dias gave a brief update of the Street Tree Ordinance. He stated the Tree Commission diligently worked on revising the Street Tree Ordinance, as well as the Master Street Tree list and the Downtown Street Tree list. The major difference between the previous Street Tree Ordinance and the revised Street Tree Ordinance is the responsibility. The previous ordinance placed the responsibility on the city the revised ordinance places the responsibility on the property owner. He added the revised Street Tree Ordinance also protects the oak trees.
- B. Parks and Recreation Miller informed and invited commission of the upcoming city's 3 day Budget Workshop. He stated the Budget Workshop will take place in the City Hall Training Room from January 25 thru January 27, 2016. The city has hired Lyle Summit and Associates to lead the workshop. Currently the city is in a two year budget period which expires on June 30, 2016.
- C. Parks Superintendent Dias stated the Proteus office approached the city introducing a new program that would benefit unemployed individuals; as well as the city and the community. He stated the Proteus office received grant money for the Drought Relief program; the money is to be utilized to relocate unemployed individuals that employment was affected by the drought.

The city accepted to participate in the program; Proteus assigned a total of 15 individuals from the program to work at the City of Hanford; 10 individuals in parks and the other 5 throughout several divisions. He stated this is a 5 month program and prior to the end of the 5 months Proteus will inform the city if they received additional monies to continue this program for an additional 5 months.

Parks and Recreation Director Miller invited commission to attend the Hanford High Football State Championship Parade on Thursday, January 25, 2016 at 4:00pm. He stated the parade will begin at Harris and Seventh Streets and continue on Irwin Street; ending in front of the civic auditorium.

Parks Superintendent Dias stated the handout information given tonight was received late Friday from Hanford Youth Baseball. They are proposing to install batting cages and lighting at the ball field. The project will be fully funded by Hanford Youth Baseball; no cost incurred by the city. He stated they want this project completed prior to the beginning of baseball season.

ITEMS FROM COMMISSION

Commissioner STODDARD stated he is not comfortable that city council eliminated the Tree Commission and reduced the number of commission members. He stated these actions are a negative to the city.

Commissioner WILLIS asked for clarification on the reduction of commission members.

Parks and Recreation Director Miller stated council reduced the number of commissioners to be consistent with the number of council members.

ADJOURNMENT

At 6:08 p.m., Commissioner WILLIS adjourned the Hanford Parks and Recreation Commission meeting.

Respectfully Submitted,

Betty A. Venegas
Administrative Technician

Monthly Parks and Recreation Report
Susie Chavez, Supervisor
Divisions -1719-Youth Services- 1720-Adult & Special Populations
February 5, 2016

Teen Center/Youth Activities (Division 1719 Youth Service

1. January was a month of preparation for our Spring and Summer seasons. Spring Camp, Toddler T-ball, Junior Recreation Leader, Summer Camp, Easter Eggstravaganza and all of the supplies needed for each and field trips to keep the kids happy.
2. There was one CST Jam for a new group. This was a small group of children and parents whose children are Home Schooled. There were 24 children and adults that came for two hours and had a really great time. Only a couple of the parents knew about the Teen Center. They were very impressed and are anxious to make a return trip.
3. Tickets are now on sale for the annual Daddy Daughter and Mother Son Date Nights scheduled for April 15 and 16.

Senior Center, Adult & Special Populations (Division 1720):

1. Just hired 10 new staff to work with our Challenger basketball participants. We will be having a coaches meeting Tuesday and begin the season on February 16th at the Pioneer Middle School. They are very excited.
2. The Kings County Commission on Aging has partnered with our senior center to help keep our seniors healthy. They are currently sponsoring a Zumba class for ages 50 years and older. Just through word of mouth this month in two days time we have over 15 seniors in the class.
3. We will be offering a Senior Water Aerobics class beginning in May from 9:00 to 10:00 a.m. at the Plunge. The Commission on Aging is also sponsoring seniors to participate in the class for free. I expect this class to fill up quickly.

Comments (met goal, continue, increase fee, decrease expense, eliminate etc.):

Aerobics is a partially subsidized senior program The instructor is paid per hour and works approximately 12 hours per month (depending on how many days or holidays are in each month. The enrollment goes up and down each month depending on the time of year and the weather. Normally there are 30 to 32 seniors in each monthly class. The fee has been the same for this class for the past 6 or more years and we are still able to cover our costs.

Comments (met goal, continue, increase fee, decrease expense, eliminate etc.):

Field trips to the Teen Center (we also use the civic for games and west wing for bingo) are held when the civic would normally sit empty on an off day during the mornings from 8:00 a.m. to noon. The school supplies the staff and prizes for Bingo which is set up in the west wing of the auditorium. Majority of staffing fees are usually covered by the snack bar revenue and it is good advertisement for the Teen Center and our Party Zone weekend birthday rentals.
